B. The Governor shall set forth in a written public statement his reasons for removing any member pursuant to this section at the time the removal occurs. The Governor is the sole judge of the sufficiency of the cause for removal as set forth in this section.

Upon initial appointment or reappointment, the Governor or other appointing authority, or their designee, shall obtain a signed statement from each covered appointee providing that such person has read and understands the severance benefits for which he is eligible under the Workforce Transition Act of 1995. The Governor or other appointing authority, or their designee shall provide all such statements to the Secretary of the Commonwealth. The Secretary shall provide for such statements to be retained in the records of the Commonwealth.

§ 2.2-110. Officers of Commonwealth and its institutions to make reports to Governor.

The officers of the executive branch of state government and superintendents and boards of state institutions shall make to the Governor reports at the times prescribed by law or at any time the Governor may require on any subject relating to their offices and institutions. The reports shall be in a written or electronic format and contain such information as the Governor may require. The reports shall be filed in the office of the Secretary of the Commonwealth, and under his supervision, summarized and recorded in books kept for the purpose.

In order to protect or preserve the interests or legal rights of the Commonwealth and its citizens, the Governor may, by and with the advice of the Attorney General, institute any action, suit, motion or other proceeding, in the name of the Commonwealth, in the Supreme Court of the United States or any other court or tribunal in which such action, suit, motion or other proceeding may be properly commenced and prosecuted.

B. In accordance with subsection A and pursuant to his duty to protect or preserve the general welfare of the citizens of the Commonwealth, the Governor may institute any action, suit, motion or other proceeding on behalf of its citizens, in the name of the Commonwealth acting in its capacity as *parens patriae*, where he has determined that existing legal procedures fail to adequately protect existing legal rights and interests of such citizens.

§ 2.2-113. Temporary suspension of state mandates.

A. The Governor may suspend, temporarily and for a period not to exceed one year, any mandate, or portion thereof, prescribed by any unit of the executive branch of state government on a county, city, town, or other unit of local government upon a finding that it faces fiscal stress and the suspension of the mandate or portion thereof would help alleviate the fiscal hardship.

However, for a period beginning July 1, 2010, and ending July 1, 2012, the Governor may suspend any such mandate for a period not to exceed two years upon proper application by a locality pursuant to this section.

B. No application shall be made by the locality until approved by resolution of the governing body.

C. At the time of application, the following information shall be published in the Virginia Register: (i) the name of the petitioning locality, (ii) the mandate or portion thereof requested to be suspended, (iii) the impact of the suspension of the mandate on the ability of the local government to deliver services, (iv) the estimated reduction in current budget from the suspension, and (v) the time period requested for suspension. Publication in the Virginia Register shall occur at least 20 days in advance of any suspension by the Governor.

D. No later than January 1 of each year, the Governor shall submit to the General Assembly a report that identifies each petitioning locality, the mandate or portion thereof for which suspension was sought, and the response provided to the locality.

E. Nothing in this section shall apply to the Department of Education.

In making a determination of fiscal stress, the Governor may consider, but is not limited to, the following factors: any changes in anticipated revenue, income distribution of residents, revenue effort, revenue capacity, and changes in local population and employment levels.

The Governor may adopt regulations for coordination of official communications on behalf of the Commonwealth by any officer, agency or employee of the Commonwealth with the government of the United States, another state or foreign nation. Subject to the ultimate authority of the General Assembly to prescribe the policies of the Commonwealth and within the framework of policy established by the General Assembly, all communications shall be at the policy direction of the Governor; however, communications by the General Assembly or the Supreme Court of Virginia with the legislature or the judiciary, respectively, of the United States, another state or foreign nation, shall be at the discretion of the General Assembly and the Supreme Court of Virginia. Actions taken under § [2.2-611](#) shall be subject to the provisions of this section.

1976, c. 704, § 2.1-38.2; 2001, c. [844](#).

§ 2.2-115. Commonwealth's Development Opportunity Fund.

A. As used in this section, unless the context requires otherwise:

"New job" means employment of an indefinite duration, created as the direct result of the private investment, for which the firm pays the wages and standard fringe benefits for its employee, requiring a minimum of either (i) 35 hours of the employee's time a week for the entire normal year of the firm's operations, which "normal year" must consist of at least 48 weeks or (ii) 1,680 hours per year.

Seasonal or temporary positions, positions created when a job function is shifted from an existing location in the Commonwealth to the location of the economic development project, positions with suppliers, and multiplier or spin-off jobs shall not qualify as new jobs. The term "new job" shall include positions with contractors provided that all requirements included within the definition of the term are met.

"New teleworking job" means a new job that is held by a Virginia resident, for which the majority of the work is performed remotely, and that pays at least 1.2 times the Virginia minimum wage, as provided by the Virginia Minimum Wage Act ([§ 40.1-28.8](#) et seq.).

"Prevailing average wage" means that amount determined by the Virginia Employment Commission to be the average wage paid workers in the city or county of the Commonwealth where the economic development project is located. The prevailing average wage shall be determined without regard to any fringe benefits.

"Private investment" means the private investment required under this section.

B. There is created the Commonwealth's Development Opportunity Fund (the Fund) to be used by the Governor to attract economic development prospects and secure the expansion of existing industry in the Commonwealth. The Fund shall consist of any funds appropriated to it by the general appropriation act and revenue from any other source, public or private. The Fund shall be established on the books of the Comptroller, and any funds remaining in the Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on the Fund shall be credited to the Fund. The Governor shall report to the Chairmen of the House Committees on Appropriations and Finance and the Senate Committee on Finance and Appropriations as funds are awarded in accordance with this section.

C. Funds shall be awarded from the Fund by the Governor as grants or loans to political subdivisions. The criteria for making such grants or loans shall include (i) job creation, (ii) private capital investment, and (iii) anticipated additional state tax revenue expected to accrue to the state and affected localities as a result of the capital investment and jobs created. Loans shall be approved by the Governor and made in accordance with guidelines established by the Virginia Economic Development Partnership and approved by the Comptroller. Loans shall be interest-free unless otherwise determined by the Governor and shall be repaid to the Fund. The Governor may establish the interest rate to be charged; otherwise, any interest charged shall be at market rates as determined by the State Treasurer and shall be indicative of the duration of the loan. The Virginia Economic Development Partnership shall be responsible for monitoring repayment of such loans and reporting the receivables to the Comptroller as required.

Beginning with the five fiscal years from fiscal year 2006-2007 through fiscal year 2010-2011, and for every five fiscal years' period thereafter, in general, no less than one-third of the moneys appropriated to the Fund in every such five-year period shall be awarded to counties and cities having an annual average unemployment rate that is greater than the final statewide average unemployment rate for the calendar year that immediately precedes the calendar year of the award. However, if such one-third requirement will not be met because economic development prospects in such counties and cities are unable to fulfill the applicable minimum private investment and new jobs requirements set forth in this section, then any funds remaining in the Fund at the end of the five-year period that would have otherwise been awarded to such counties and cities shall be made available for awards in the next five fiscal years' period.

D. Funds may be used for public and private utility extension or capacity development on and off site; public and private installation, extension, or capacity development of high-speed or broadband Internet access, whether on or off site; road, rail, or other transportation access costs beyond the funding capability of existing programs; site acquisition; grading, drainage, paving, and any other activity required to prepare a site for construction; construction or build-out of publicly or privately owned buildings; training; or grants or loans to an industrial development authority, housing and redevelopment authority, or other political subdivision for purposes directly relating to any of the foregoing. However, in no case shall funds from the Fund be used, directly or indirectly, to pay or guarantee the payment for any rental, lease, license, or other contractual right to the use of any property.

It shall be the policy of the Commonwealth that moneys in the Fund shall not be used for any economic development project in which a business relocates or expands its operations in one or more Virginia localities and simultaneously closes its operations or substantially reduces the number of its employees in another Virginia locality, unless the procedures set forth in § [30-310](#) are followed. The Secretary of Commerce and Trade shall enforce this policy and for any exception thereto shall, pursuant to § [30-310](#), submit such projects to the MEI Project Approval Commission established pursuant to § [30-309](#).

E. 1. a. Except as provided in this subdivision, no grant or loan shall be awarded from the Fund unless the project involves a minimum private investment of \$5 million and creates at least 50 new jobs for which the average wage, excluding fringe benefits, is no less than the prevailing average wage. For projects, including but not limited to projects involving emerging technologies, for which the average wage of the new jobs created, excluding fringe benefits, is at least twice the prevailing average wage for that locality or region, the Governor shall have the discretion to require no less than one-half the number of new jobs as set forth for that locality in this subdivision.

b. Notwithstanding the provisions of subdivision a, a grant or loan may be awarded from the Fund if the project involves a minimum private investment of \$100 million and creates at least 25 new jobs for which the average wage, excluding fringe benefits, is no less than the prevailing average wage.

2. Notwithstanding the provisions of subdivision 1 a, in localities (i) with an annual unemployment rate for the most recent calendar year for which such data is available that is greater than the final statewide average unemployment rate for that calendar year or (ii) with a poverty rate for the most recent calendar year for which such data is available that exceeds the statewide average poverty rate for that year, a grant or loan may be awarded from the Fund pursuant to subdivision 1 a if the project involves a minimum private investment of \$2.5 million and creates at least 25 new jobs for which the average wage, excluding fringe benefits, is no less than 85 percent of the prevailing average wage.
 3. Notwithstanding the provisions of subdivisions 1 a and 2, in localities (i) with an annual unemployment rate for the most recent calendar year for which such data is available that is greater than the final statewide average unemployment rate for that calendar year and (ii) with a poverty rate for the most recent calendar year for which such data is available that exceeds the statewide average poverty rate for that year, a grant or loan may be awarded from the Fund pursuant to such subdivisions if the project involves a minimum private investment of \$1.5 million and creates at least 15 new jobs for which the average wage, excluding fringe benefits, is no less than 85 percent of the prevailing average wage.
 4. For projects that are eligible under subdivision 2 or 3, the average wage of the new jobs, excluding fringe benefits, shall be no less than 85 percent of the prevailing average wage. In addition, for projects in such localities, the Governor may award a grant or loan for a project paying less than 85 percent of the prevailing average wage but still providing customary employee benefits, only after the Secretary of Commerce and Trade has made a written finding that the economic circumstances in the area are sufficiently distressed (i.e., high unemployment or underemployment and negative economic forecasts) that assistance to the locality to attract the project is nonetheless justified. However, the minimum private investment and number of new jobs required to be created as set forth in this subsection shall still be a condition of eligibility for an award from the Fund. Such written finding shall promptly be provided to the chairs of the Senate Committee on Finance and Appropriations and the House Committee on Appropriations.
 5. A business beneficiary may count new teleworking jobs toward the minimum number of new jobs required under subdivision 1, 2, or 3, if so permitted in the contract required by subdivision F 2.
 6. The minimum private investment required under subdivision 1, 2, or 3 may be reduced or waived if at least 75 percent, measured against the minimum number of new jobs required, of jobs created by the business beneficiary are new teleworking jobs, if so permitted in the contract required by subdivision F 2.
- F. 1. The Virginia Economic Development Partnership shall assist the Governor in developing objective guidelines and criteria that shall be used in awarding grants or making loans from the Fund. The guidelines may require that as a condition of receiving any grant or loan incentive that is based on employment goals, a recipient company must provide copies of employer quarterly payroll reports that have been provided to the Virginia Employment Commission to verify the employment status of any

position included in the employment goal. The guidelines may include a requirement for the affected locality or localities to provide matching funds which may be cash or in-kind, at the discretion of the Governor; however, if the minimum private investment is reduced or waived pursuant to subdivision E 6, the Governor may provide full or partial relief from such matching requirement. The guidelines and criteria shall include provisions for geographic diversity and a cap on the amount of funds to be provided to any individual project. At the discretion of the Governor, this cap may be waived for qualifying projects of regional or statewide interest. In developing the guidelines and criteria, the Virginia Economic Development Partnership shall use the measure for Fiscal Stress published by the Commission on Local Government of the Department of Housing and Community Development for the locality in which the project is located or will be located as one method of determining the amount of assistance a locality shall receive from the Fund.

2. a. Notwithstanding any provision in this section or in the guidelines, each political subdivision that receives a grant or loan from the Fund shall enter into a contract with the Commonwealth, through the Virginia Economic Development Partnership Authority as its agent, and each business beneficiary of funds from the Fund. A person or entity shall be a business beneficiary of funds from the Fund if grant or loan moneys awarded from the Fund by the Governor are paid to a political subdivision and (i) subsequently distributed by the political subdivision to the person or entity or (ii) used by the political subdivision for the benefit of the person or entity but never distributed to the person or entity.

b. The contract between the political subdivision, the Commonwealth, and the business beneficiary shall provide in detail (i) the fair market value of all funds that the Commonwealth has committed to provide, (ii) the fair market value of all matching funds (or in-kind match) that the political subdivision has agreed to provide, (iii) how funds committed by the Commonwealth (including but not limited to funds from the Fund committed by the Governor) and funds that the political subdivision has agreed to provide are to be spent, (iv) the minimum private investment to be made and the number of new jobs to be created agreed to by the business beneficiary, (v) the average wage (excluding fringe benefits) agreed to be paid in the new jobs, (vi) the prevailing average wage, and (vii) the formula, means, or processes agreed to be used for measuring compliance with the minimum private investment and new jobs requirements, including consideration of any layoffs instituted by the business beneficiary over the course of the period covered by the contract.

The contract shall state the date by which the agreed upon private investment and new job requirements shall be met by the business beneficiary of funds from the Fund and may provide for the political subdivision and the Commonwealth to grant up to a 15-month extension of such date if deemed appropriate by the political subdivision and the Commonwealth subsequent to the execution of the contract. Any extension of such date granted by the political subdivision shall be in writing and promptly delivered to the business beneficiary, and the political subdivision shall simultaneously provide a copy of the extension to the Virginia Economic Development Partnership.

The contract shall provide that if the private investment and new job contractual requirements are not met by the expiration of the date stipulated in the contract, including any extension granted by the

political subdivision and the Commonwealth, the business beneficiary shall be liable to the political subdivision and the Commonwealth for repayment of a portion of the funds provided by the political subdivision under the contract and liable to the Commonwealth for repayment of a portion of the funds provided from the Commonwealth's Development Opportunity Fund. The contract shall include a formula for purposes of determining the portion of such funds to be repaid. The formula shall, in part, be based upon the fair market value of all funds that have been provided by the Commonwealth and the political subdivision and the extent to which the business beneficiary has met the private investment and new job contractual requirements. All such funds repaid to the political subdivision or the Commonwealth that relate to the award from the Commonwealth's Development Opportunity Fund shall promptly be remitted to the State Treasurer. Upon receipt by the State Treasurer of such payment, the Comptroller shall deposit such repaid funds into the Commonwealth's Development Opportunity Fund.

c. The contract shall be amended to reflect changes in the funds committed by the Commonwealth or agreed to be provided by the political subdivision.

d. Notwithstanding any provision in this section or in the guidelines, whenever layoffs instituted by a business beneficiary over the course of the period covered by a contract cause the net total number of the new jobs created to be fewer than the number agreed to, then the business beneficiary shall return the portion of any funds received pursuant to the repayment formula established by the contract.

3. Notwithstanding any provision in this section or in the guidelines, prior to executing any such contract with a business beneficiary, the political subdivision shall provide a copy of the proposed contract to the Attorney General. The Attorney General shall review the proposed contract (i) for enforceability as to its provisions and (ii) to ensure that it is in appropriate legal form. The Attorney General shall provide any written suggestions to the political subdivision within seven days of his receipt of the copy of the contract. The Attorney General's suggestions shall be limited to the enforceability of the contract's provisions and the legal form of the contract.

4. Notwithstanding any provision in this section or in the guidelines, a political subdivision shall not expend, distribute, pledge, use as security, or otherwise use any award from the Fund unless and until such contract as described herein is executed with the business beneficiary.

G. Within the 30 days immediately following each quarter, the Virginia Economic Development Partnership shall provide a report to the Chairmen of the House Committees on Appropriations and Finance and the Senate Committee on Finance and Appropriations which shall include, but is not limited to, the following information regarding grants and loans awarded from the Fund during the immediately preceding six-month period for economic development projects: the name of the company that is the business beneficiary of the grant or loan and the type of business in which it engages; the location (county, city, or town) of the project; the amount of the grant or loan committed from the Fund and the amount of all other funds committed by the Commonwealth from other sources and the purpose for which such grants, loans, or other funds will be used; the amount of all moneys or funds agreed to be

provided by political subdivisions and the purposes for which they will be used; the number of new jobs agreed to be created by the business beneficiary; the amount of investment in the project agreed to be made by the business beneficiary; the timetable for the completion of the project and new jobs created; the prevailing average wage; and the average wage (excluding fringe benefits) agreed to be paid in the new jobs.

H. The Governor shall provide grants and commitments from the Fund in an amount not to exceed the dollar amount contained in the Fund. If the Governor commits funds for years beyond the fiscal years covered under the existing appropriation act, the State Treasurer shall set aside and reserve the funds the Governor has committed, and the funds shall remain in the Fund for those future fiscal years. No grant or loan shall be payable in the years beyond the existing appropriation act unless the funds are currently available in the Fund.

I. On a quarterly basis, the Virginia Economic Development Partnership shall notify the Governor, his campaign committee, and his political action committee of awards from the Fund made in the prior quarter. Within 18 months of the date of each award from the Fund, the Governor, his campaign committee, and his political action committee shall submit to the Virginia Conflict of Interest and Ethics Advisory Council established in § [30-355](#) a report listing any contribution, gift, or other item with a value greater than \$100 provided by the business beneficiary of such award to the Governor, his campaign committee, or his political action committee, respectively, during (i) the period in which the business beneficiary's application for such award was pending and (ii) the one-year period immediately after any such award was made.

J. 1. Notwithstanding any provision of this section, the Governor may give grants or loans to any eligible company, as defined in § [58.1-405.1](#), provided that such company shall be required to distribute at least half of such grant or loan to its employees in jobs located in a qualified locality, as defined in § [58.1-405.1](#). If the Governor gives a grant or loan pursuant to this subsection, it shall not be required to meet other provisions in this section, including provisions, restrictions, and procedural requirements related to job creation, investment, local matching funds, or contracts with business beneficiaries.

2. The grant or loan shall not exceed \$2,000 per new job, as defined in § [58.1-405.1](#); however, the Governor may give a new grant or loan each year to the same eligible company.

3. An eligible company's eligibility for or receipt of a grant or loan pursuant to this subsection shall not prevent it from receiving any other grant or loan for which it may be qualified pursuant to this section.

§ 2.2-208.1. School Readiness Committee; Secretary to establish.

A. In recognition of the fact that early care and education of young children is linked to academic success and workforce readiness, the Secretary of Education, in consultation with the Secretary of Health and Human Resources, and upon receiving recommendations for appointments from the Virginia Education Association, the Virginia School Boards Association, the Virginia Association of Elementary School Principals, the Virginia Council for Private Education, the Virginia Child Care Association, the Virginia Association for Early Childhood Education, the Virginia Head Start Association, the Virginia Alliance for Family Child Care Associations, and the Virginia Chamber of Commerce, shall establish and appoint members to the School Readiness Committee (the Committee).

C. In recognition of the fact that one of the most important factors in learning outcomes for young children is the capabilities, supports, and compensation of the educators who support their growth and learning, the primary goal of the Committee is to provide recommendations for and track progress on the financing of a comprehensive birth-to-five early childhood care and education system in the Commonwealth that addresses both affordability for families and adequate compensation for educators. As part of this effort, the Committee should consider best practices and innovations in the private and public sector from across the Commonwealth and the country. The Committee should consider different sources of revenue and establish long-term goals and targets for affordable access to quality care and education for all birth-to-five children in the Commonwealth. Based on disparities in school readiness outcomes, the Committee should ensure that all recommendations address societal inequities and address the needs of the Commonwealth's more vulnerable children, families, and early childhood educators. The Committee shall periodically review the goals set forth in this subsection and other priorities within the early childhood care and education systems and make recommendations to the Board of Education, the State Council of Higher Education for Virginia, the Department of Social Services, and the Chairmen of the House Committee on Education, the Senate Committee on Education and Health, the House Committee on Health, Welfare and Institutions, and the Senate Committee on Rehabilitation and Social Services. F. No legislative member or nonlegislative citizen member shall serve more than two consecutive three-year terms. The remainder of any term to which a member is appointed to fill a vacancy shall not constitute a term in determining the member's eligibility for reappointment.

G. The Committee shall elect a chairman and vice-chairman from among its membership. A majority of the members shall constitute a quorum. The meetings of the Committee shall be held at the call of the chairman or whenever the majority of the members so request.

H. The Virginia Early Childhood Foundation shall provide for the facilitation of the work of the Committee under the direction of the Secretary of Education or his designee and with the guidance of a steering subcommittee that includes the Secretary of Education, the Secretary of Health and Human Resources, one legislative member, one representative of the private business sector, one representative of the Virginia Early Childhood Foundation, and one early childhood education teacher or administrator from a private early childhood education program.

I. The chairman may request and access the expertise of additional representatives and organizations relating to the Committee's goals and priorities. In order to meet the federally mandated requirements for early childhood advisory councils, the chairman may establish and appoint additional members to advisory subcommittees to address areas of special concern and priority.

D. Upon receipt of first-class mail addressed to a program participant, the Attorney General or his designee shall forward the mail to the actual address of the program participant. The actual address of a program participant shall be available only to the Attorney General and to those employees involved in the operation of the Address Confidentiality Program and to law-enforcement officers. A program participant's actual address may be entered into the Virginia Criminal Information Network (VCIN) system so that it may be made known to law-enforcement officers accessing the VCIN system for law-enforcement purposes.

E. The Office of the Attorney General may cancel a program participant's certification if:

1. The program participant requests withdrawal from the program;
2. The program participant obtains a name change through an order of the court and does not provide notice and a copy of the order to the Office of the Attorney General within seven days after entry of the order;
3. The program participant changes his residence address and does not provide seven days' notice to the Office of the Attorney General prior to the change of address;
4. The mail forwarded by the Office of the Attorney General to the address provided by the program participant is returned as undeliverable;
5. Any information contained in the application is false;
6. The program participant has been placed on parole or probation while a participant in the address confidentiality program; or

The application form shall contain a statement notifying each applicant of the provisions of this subsection.

F. A program participant may request that any state or local agency use the address designated by the Office of the Attorney General as the program participant's address, except when the program participant is purchasing a firearm from a dealer in firearms. The agency shall accept the address designated by the Office of the Attorney General as a program participant's address, unless the agency

has received a written exemption from the Office of the Attorney General demonstrating to the satisfaction of the Attorney General that:

1. The agency has a bona fide statutory basis for requiring the program participant to disclose to it the actual location of the program participant; and
2. The disclosed confidential address of the program participant will be used only for that statutory purpose and will not be disclosed or made available in any way to any other person or agency.

A state agency may request an exemption by providing in writing to the Office of the Attorney General identification of the statute or administrative rule that demonstrates the agency's bona fide requirement and authority for the use of the actual address of an individual. A request for a waiver from an agency may be for an individual program participant, a class of program participants, or all program participants. The denial of an agency's exemption request shall be in writing and include a statement of the specific reasons for the denial. Acceptance or denial of an agency's exemption request shall constitute final agency action.

Any state or local agency that discloses the program participant's confidential address provided by the Office of the Attorney General shall be immune from civil liability unless the agency acted with gross negligence or willful misconduct.

A program participant's actual address shall be disclosed pursuant to a court order.

G. Records submitted to or provided by the Office of the Attorney General in accordance with this section shall be exempt from disclosure under the Virginia Freedom of Information Act ([§ 2.2-3700 et seq.](#)) to the extent such records contain information identifying a past or current program participant, including such person's name, actual and designated address, telephone number, and any email address. However, access shall not be denied to the person who is the subject thereof, or the parent or legal guardian of a program participant in cases where the program participant is a minor child or an incapacitated person, except when the parent or legal guardian is named as the program participant's assailant.

H. Neither the Office of the Attorney General, its officers or employees, or others who have a responsibility to a program participant under this section shall have any liability nor shall any cause of action arise against them in their official or personal capacity from the failure of a program participant to receive any first class mail forwarded to him by the Office of the Attorney General pursuant to this section. Nor shall any such liability or cause of action arise from the failure of a program participant to timely receive any first class mail forwarded by the Office of the Attorney General pursuant to this section.

Article 2 - IMPLEMENTATION OF FEDERAL MANDATES ACT

§ 2.2-615. Short title.

This chapter shall be known and may be cited as the "Implementation of Federal Mandates Act".

1995, c. [604](#), § 2.1-795; 2001, c. [844](#).

§ 2.2-616. Legislative declaration.

A. In enacting this chapter, the General Assembly employs its legislative authority to establish that the people of Virginia, acting through their elected officials in Virginia government, have the responsibility and authority to establish policy in and for Virginia pertaining to federal programs mandated in federal statutes.

B. The intent of the General Assembly is to assure the primacy of the Commonwealth's legal and political authority to implement in and for Virginia the policy mandated by federal statutes and to vigorously challenge and scrutinize the extent and scope of authority asserted by federal executive branch agencies when federal agency actions and interpretations are inconsistent with Virginia policy and exceed the lawful authority of the federal government or are not required by federal law.

C. In this connection the General Assembly finds and declares that:

1. The power to implement federal policies in and for Virginia is central to the ability of the people of Virginia to govern themselves under a federal system of government; and
2. Any implementation of federal policies in and for Virginia by federal executive branch agencies that is contrary to fundamental notions of federalism and self-determination must be identified and countered.

D. The General Assembly further finds and declares that:

1. There is an urgent need to modify federal mandates because the implementation of these mandates by the Commonwealth wastes the financial resources of local governments, the citizens of Virginia and the Commonwealth and does not properly respect the rights of the Commonwealth, local governments, and citizens.
2. The state government has an obligation to the public to do what is necessary to protect the rights of Virginia citizens under federal law while minimizing or eliminating any additional cost or regulatory burden on any citizen of the Commonwealth.
3. The Tenth Amendment to the United States Constitution directs that powers that are not delegated to the United States are reserved to the states or to the people. Virginia, as one of the sovereign states within the Union, has constitutional authority to enact laws protecting the environment of the Commonwealth and safeguarding the public health, safety, and welfare of the citizens of Virginia. However, this authority has too often been ignored by the federal government, as the federal government has intruded more and more into areas that must be left to the states. It is essential that the dilution of the authority of state and local governments be halted and that the provisions of the Tenth Amendment be accorded proper respect.
4. Current federal regulatory mandates, as reflected in federal administrative regulations, guidelines, and policies, often do not reflect the realities of Virginia and federal regulators frequently do not understand the needs and priorities of the citizens of Virginia.
5. The citizens of the Commonwealth can create and wish to create innovative solutions to Virginia's problems, but the current manner in which legal challenges to state policies and federal programmatic substitutions of state programs are handled does not allow the Commonwealth the flexibility it needs. It is not possible for the Commonwealth of Virginia to effectively and efficiently implement the provisions of federal statutes unless the burden to prove the insufficiency of the Commonwealth's efforts to implement federal requirements is shifted to the person or agency who asserts such insufficiency.

6. The provisions of this chapter will better balance the exercise of the powers of the federal government and the powers reserved to the states. In addition, the application of this chapter ultimately will bring about greater protection for the Commonwealth and the nation because it will direct the Commonwealth to implement federal statutes at the least possible cost, thereby freeing more moneys for other needs.

7. The purpose of this chapter is to ensure that federal mandates implemented in Virginia comply with state policy as established by the General Assembly.

§ 2.2-618. State programs to implement federal statutes.

Any agency of the executive branch of state government that is authorized to develop a state program to implement any mandates contained in a federal statute shall develop the state program and adopt any necessary regulations using the following criteria:

1. State programs shall be developed by the agency to meet the requirements of federal statutes in good faith with a critical view toward any federal regulations, guidelines, or policies.
2. State programs shall be developed with due consideration of the financial restraints of the Commonwealth, local governments, and the citizens of Virginia.
3. Any state program that implements the goals of the federal statute shall use the most efficient method possible with careful consideration given to cost of the program and the impact of the program on Virginia citizens and local governments, and the long-range public health, safety, and welfare of citizens of the Commonwealth.

- 1995, c. [604](#), § 2.1-798; 2001, c. [844](#).

§ 2.2-619. Governor to report to the General Assembly.

- A. The Governor shall report to the General Assembly regarding the proposed implementation of this section.
- B. If any state program is authorized or mandated by a federal statute, no state funds for the program shall be appropriated unless:
 1. The state program is necessary to protect the public health, safety, and welfare;
 2. The state program is necessary to implement the federal statute;
 3. The operation of the state program benefits the state by providing a cost-effective implementation of the federal statute by the Commonwealth, local government, and business; or
 4. The state program benefits the Commonwealth, local government, and business by providing a cost-effective means to meet a higher public health, safety, and welfare standard established under state law.
- C. Each agency making a budget request for state appropriations for a state program authorized or mandated by federal statute shall include in its budget request citations to the federal constitutional provisions and the state constitutional or statutory provisions that authorize the state program. The Governor shall review the budget request and determine whether additional state statutory authority is required in order to implement the state program and shall make recommendations to the General Assembly.

D. The General Assembly, after receiving a recommendation from the Governor, shall determine whether a state program is necessary and whether federal constitutional authority and state constitutional or statutory authority exist. The General Assembly shall review toward the interpretation of the federal statute found in federal regulations, guidelines, or policies. Appropriation of state funds for a state program shall constitute the General Assembly's determination that the state program is necessary and that federal constitutional authority and state constitutional or statutory authority exist. State appropriations may not be based solely on requirements found in regulations, guidelines, or policies of a federal agency.

E. Prior to recommending to the General Assembly any budget for an agency that is charged with implementing federal mandates, the Governor shall request that the agency provide information to the Department of Planning and Budget regarding any monetary savings for the state and any reduction in regulatory burdens on the public and on local governments that could be or have been achieved through the development of state policies that meet the intent of the federal statute but do not necessarily follow all applicable federal regulations, guidelines, or policies. The agency shall also provide advice to the Department of Planning and Budget regarding any changes in law that are necessary to provide the agency with the authority to implement state policies in such a way as to create additional savings or greater reductions in regulatory burdens. § 2.2-801. Comptroller to appoint administrative assistants, etc.

A. The Comptroller shall appoint the administrative assistants, deputies and clerks allowed by law.

B. The Comptroller shall appoint administrative assistants, who shall have authority to act for and perform the duties of the Comptroller under his direction, supervision and control, and in the absence of the Comptroller to perform all the duties of the office. Of such absence, the others shall be informed. When the absence of the Comptroller is to be for more than five days at a time, notice thereof shall be given to the Governor.

C. D. Such officers and their sureties shall be liable for any default or breach of duty of their administrative assistants respectively during their absence.

§ 2.2-802. General accounting and clearance through Comptroller.

In the Department the Comptroller shall maintain a complete system of general accounting to comprehend the financial transactions of every state department, division, officer, board, commission, institution or other agency owned or controlled by the Commonwealth, whether at the seat of government or not. All transactions in public funds shall clear through the Comptroller's office.

Code 1950, § 2-162; 1958, c. 124; 1966, c. 677, § 2.1-195; 2001, c. [844](#).

§ 2.2-803. Financial accounting and control.

A. Unified financial accounting and control shall be established through the departments and agencies of the Commonwealth, in the manner prescribed in this chapter.

The Comptroller shall prescribe what accounts shall be kept by each state agency in addition to the system of general accounting maintained in the Comptroller's office. In prescribing what accounts shall be kept by each state agency, the Comptroller shall take care that there shall be no unnecessary duplication.

B. The Comptroller shall direct the development of a modern, effective and uniform system of book-keeping and accounting, to include (i) an efficient system of checks and balances between the officers at the seat of the government entrusted with the collection and receipt, custody and disbursement of the revenues of the Commonwealth; and (ii) a system of accounting, applicable to all state officers, departments, boards, commissions, agencies, and penal, educational and eleemosynary institutions maintained in whole or in part by the Commonwealth, which shall be suitable to their respective needs, considering their relation to each other and their relation to subordinate officers and officials. All systems so developed shall require the approval and certification of the Auditor of Public Accounts that they are adequate for purposes of audit and financial control.

As to the collection of debts owed, the system of bookkeeping and accounting shall permit any state agency to refrain from collecting any amount owed to it if the administrative cost of collection likely would exceed the amount owed. The Comptroller shall develop other policies and procedures to reduce the costs of collecting debts owed to state agencies.

As to the operation of merchandising activities, or other centralized support services provided by one state agency to other state agencies for which charges are made, the system of accounting shall be designed to reflect all charges properly allocable so that the net profit or loss therefrom shall be reflected. In the furtherance of this objective the Joint Legislative Audit and Review Commission may direct the Comptroller to establish under such terms and conditions as they may determine internal service fund accounts on his books and record therein the receipts and expenditures of these several functions. The Comptroller shall provide the agencies responsible for the operations of these functions with working capital advances with which to finance the operations pursuant to appropriations made by law. The Joint Legislative Audit and Review Commission may direct the Comptroller to transfer excess fund balances to the general fund or to remove from his books internal service fund accounts that are no longer considered appropriate and record the necessary transfer of funds.

Unit prices of services rendered by internal service funds shall be fixed so that all costs properly allocable to providing the service shall be fully recoverable.

C. The Comptroller shall maintain a full explanation of all systems of accounting devised and adopted in furtherance of this section, but no copyright system shall be adopted that shall entail additional cost upon the Commonwealth by reason of such copyright. The systems of accounting shall be communicated by the Comptroller to the officials affected thereby, and he shall as soon as possible instruct the officials as to the systems of accounting.

D. Should any of the state offices, departments, boards, commissions, agencies, or institutions refuse or neglect to adopt the systems of accounting developed by the Comptroller, then upon suit of the Attorney General a writ of mandamus will lie to the Supreme Court to compel the adoption. It shall be the duty of the Attorney General to promptly institute such suit in any such case.

§ 2.2-1105. Environmental laboratory certification program.

A. The Division shall by regulation establish a program for the certification of laboratories conducting any tests, analyses, measurements, or monitoring required pursuant to Chapter 13 (§ 10.1-1300 et seq.) of Title 10.1, the Virginia Waste Management Act (§ 10.1-1400 et seq.), or the State Water Control Law (§ 62.1-44.2 et seq.). The program shall include, but need not be limited to, minimum criteria for (i) laboratory procedures, (ii) performance evaluations, (iii) supervisory and personnel requirements, (iv) facilities and equipment, (v) analytical quality control and quality assurance, (vi) certificate issuance and maintenance, (vii) recertification and decertification, and (viii) granting partial and full exemptions from the program based on compliance and performance. The regulations shall be promulgated only after adoption of national accreditation standards by the National Environmental Laboratory Accreditation Conference sponsored by the United States Environmental Protection Agency. The purpose of the program shall be to ensure that laboratories provide accurate and consistent tests, analyses, measurements and monitoring so that the goals and requirements of Chapter 13 of Title 10.1, the Virginia Waste Management Act, and the State Water Control Law may be met.

B. Once the certification program has been established, laboratory certification shall be required before any tests, analyses, measurements or monitoring performed by a laboratory after the effective date of such program may be used for the purposes of Chapter 13 (§ 10.1-1300 et seq.) of Title 10.1, the Virginia Waste Management Act, and the State Water Control Law.

C. The Division shall by regulation establish a fee system to offset the costs of the certification program. The regulations shall establish fee categories based upon the types of substances for which tests, analyses, measurements or monitoring are performed. The fees shall be used solely for offsetting the costs of the laboratory certification program.

D. The Division shall develop procedures for determining the qualifications of laboratories located in jurisdictions outside of Virginia to conduct tests, analyses, measurements or monitoring for use in Virginia. Laboratories located outside of Virginia that are certified or accredited under a program determined by the Division to be equivalent to the program established under this section shall be deemed to meet the certification requirements.

E. In addition to any other penalty provided by law, laboratories found to be falsifying any data or providing false information to support certification shall be decertified or denied certification.

F. Any laboratory subject to this section may petition the Director of the Division for a reasonable variance from the requirements of the regulations promulgated under this section. The Division may grant a reasonable variance if the petitioner demonstrates to the Director's satisfaction that (i) the proposed variance will meet the goals and purposes of the provisions of this section or regulation promulgated under this section, and (ii) the variance does not conflict with federal or state law or regulations. Any petition submitted to the Director is subject to the Administrative Process Act (§ [2.2-4000](#) et seq.).

G. The provisions of this section shall not apply to laboratories when performing tests, analyses, measurements, or monitoring, using protocols pursuant to § [10.1-104.2](#) to determine soil fertility, animal manure nutrient content, or plant tissue nutrient uptake for the purposes of nutrient management.

§ 2.2-1106. Consolidation of other laboratories.

The Director of the Department may take in and absorb within the Division any laboratory activity that is owned and operated by a political subdivision of the Commonwealth that will conform to the duties and responsibilities of the Division. Any costs that may accrue to the Commonwealth as a result of the consolidation shall be paid out of funds specifically appropriated for this purpose by the appropriation act.

§ 2.2-1107. Disposal of certain hazardous materials.

Any material seized in a criminal investigation and deemed to be hazardous to health and safety, may be disposed of upon written application of the Division to the attorney for the Commonwealth in the city or county where the material is seized or where any criminal prosecution in which such material is proposed to be evidence is pending. Upon receipt, the attorney for the Commonwealth shall file the application in the circuit court of such county or city. A sworn analysis report signed by a person designated by the Director of the Division shall accompany the application for disposal and shall clearly identify and designate the material for disposal. The application shall state the nature and quantity of the hazardous materials, the location where seized, the person from whom the materials were seized, and the manner in which the material shall be destroyed. Where the ownership of the hazardous material is known, notice shall be given to the owner at least three days prior to any hearing relating to the destruction, and, if any criminal charge is pending in any court as a result of the seizure, notice shall be given to the accused if other than the owner. Upon receipt of the analysis report and the application, the court may order the destruction of all, or a part of, the material; however, a sufficient and representative quantity of the material shall be retained to permit an independent analysis when a criminal prosecution may result from the seizure. A return under oath, reporting the time, place and manner of destruction shall be made to the courts. Copies of the analysis report, application, order and return shall be made a part of the record of any criminal prosecution. The sworn analysis report shall be admissible as evidence to the same extent as the disposed-of material would have been admissible.

§ 2.2-1108. Disposal of certain other property.

Personal property, including drugs, not subject to be disposed of under § [2.2-1107](#), which has been submitted to the Division for analysis or examination and that has not been reclaimed by the agency submitting the property for analysis or examination, may be disposed of by the Division in accordance with this section if, after the expiration of 120 days after the receipt by the Division of the property, (i) the Director notifies the circuit court of the county or city from which the property was taken, in writing, that the analysis or examination has been completed and (ii) a report is given to the submitting agency that the property has not been reclaimed by the agency and the Division proposes to dispose of the property. The notice shall state the nature and quantity of the property, the location where seized, the name of the accused, if known, and the proposed method of disposing of the property. When the ownership of the property is known, a copy of the notice shall be sent simultaneously with the notice to the court to the owner, or, if any criminal charge is pending in any court relating to the property, the copy shall be sent to the accused at his last known address. Notice shall be by certified mail. The court, within thirty days after receipt of the notice, may direct that the property be disposed of by the Division by an alternative method designed to preserve the property, at the expense of the agency submitting the property to the Division. If the court does not so direct within such thirty-day period, then the Division may dispose of the property by the method set out in the notice. Copies of the analysis report and notice shall be made a part of the record of any criminal prosecution. The report, if sworn to, shall be admissible as evidence to the same extent as the disposed of property would have been admissible.

Article 3 - DIVISION OF PURCHASES AND SUPPLY

§ 2.2-1109. Division of Purchases and Supply established.

Within the Department shall be created a Division of Purchases and Supply (the "Division"), which shall exercise the powers and duties described in this article.

1977, c. 672, § 2.1-435; 2001, c. [844](#).

§ 2.2-1110. Using agencies to purchase through Division of Purchases and Supply; exception.

A. Except as provided by § [2.2-2012](#) or otherwise directed and authorized by the Division or in the Code of Virginia, every authority, department, division, institution, officer, agency, and other unit of state government, hereinafter called the using agency, shall purchase through the Division all materials, equipment, supplies, printing and nonprofessional services of every description, whenever the whole or a part of the costs is to be paid out of the state treasury. The Division shall make such purchases in conformity with this article.

B. The Division shall maintain the Department of General Services' central electronic procurement system. At a minimum this procurement system shall provide for the purchase of goods and services and the public posting of all Invitations to Bid, Requests for Proposal, sole source award notices, emergency award notices, awarded contracts and modifications thereto, and reports on purchases. All using agencies shall utilize the Department of General Services' central electronic procurement

system as their purchasing system beginning at the point of requisitioning for all procurement actions, including but not limited to technology, transportation, and construction, unless otherwise authorized in writing by the Division. Where necessary to capture data in agency enterprise resource planning systems and to eliminate or avoid duplicate or manual data entry in such agency systems, using agencies shall integrate their enterprise resource planning systems with the Department of General Services' central electronic procurement system, unless otherwise authorized in writing by the Division or in accordance with the provisions of the Restructured Higher Education Financial and Administrative Operations Act ([§ 23.1-1000](#) et seq.).

Using agencies shall post on the Department of General Services' central electronic procurement website all Invitations to Bid, Requests for Proposal, sole source award notices, emergency award notices, and awarded contracts and modifications thereto to ensure visibility and access to the Commonwealth's procurement opportunities on one website.

To increase transparency of governmental procurement activities, the Division shall direct all using agencies to conspicuously post on their respective homepages links to the Department of General Services' central electronic procurement system reports, thereby making them accessible to the public.

C. The provisions of subsection A shall not apply to the purchase of materials, equipment, supplies, printing and nonprofessional services of every description by the Virginia Retirement System; however, the Board of Trustees of the Virginia Retirement System shall adopt regulations made in accordance with the Virginia Public Procurement Act ([§ 2.2-4300](#) et seq.) that specify policies and procedures that are based on competitive principles and that are generally applicable to procurement of such goods and services by comparably situated state agencies. The exemption provided by this subsection shall apply for only as long as such regulations, or other regulations meeting the requirements of this subsection, remain in effect at the Virginia Retirement System.

Code 1950, § 2-249; 1958, c. 124; 1966, c. 677, § 2.1-273; 1977, c. 672, § 2.1-440; 1980, c. 357; 1988, c. 140; 1995, c. [788](#); 2001, c. [844](#); 2003, cc. [981](#), [1021](#); 2011, c. [332](#); 2013, c. [493](#); 2020, cc. [47](#), [179](#).

§ 2.2-1111. Purchases to be made in accordance with the Virginia Public Procurement Act ([§ 2.2-4300](#) et seq.) and regulations of Division; exempt purchases.

A. All purchases made by any department, division, officer or agency of the Commonwealth shall be made in accordance with the Virginia Public Procurement Act ([§ 2.2-4300](#) et seq.) and such regulations as the Division may prescribe.

B. The regulations adopted by the Division shall:

1. Include a purchasing plan that shall be on file at the Division and shall be available to the public upon request;
2. Require that before any public body procures any computer system, equipment or software, it shall consider whether the proposed system, equipment or software is capable of producing products that

facilitate the rights of the public to access official records under the Freedom of Information Act ([§ 2.2-3700](#) et seq.) or other applicable law;

3. Require state public bodies to procure only shielded outdoor light fixtures and provide for waivers of this requirement when the Division determines that a bona fide operational, temporary, safety or specific aesthetic need is indicated or that such fixtures are not cost effective over the life cycle of the fixtures. For the purposes of this subdivision, "shielded outdoor light fixture" means an outdoor light fixture that is (i) fully shielded so that no light rays are emitted by the installed fixture above the horizontal plane or (ii) constructed so that no more than two percent of the total luminaire lumens in the zone of 90 to 180 degrees vertical angle is permitted, if the related output of the luminaire is greater than 3200 lumens. In adopting regulations under this subdivision, the Division shall consider national standards for outdoor lighting as adopted by the Illuminating Engineering Society of North America (IESNA).

The Virginia Department of Transportation shall design all lighting systems in accordance with current IESNA standards and recommended practices. The lighting system shall utilize fixtures that minimize glare, light trespass, and skylight, all as defined by the IESNA, while still providing a comfortable, visually effective, safe, and secure outdoor environment in a cost-effective manner over the life cycle of the lighting system;

4. Establish the conditions under which a public body may use, as a basis for the procurement of goods and nonprofessional services, a particular vendor's contract-pricing that has been negotiated and accepted by the U.S. General Services Administration;
5. Establish procurement preferences for products containing recycled oil (including reprocessed and rerefining oil products) and recycled antifreeze;
6. Establish conditions under which a public body shall demonstrate a good faith effort to ensure that state contracts or subcontracts for goods or services that involve the manual packaging of bulk supplies or the manual assemblage of goods where individual items weigh less than 50 pounds be offered to employment services organizations as defined in [§ 2.2-4301](#) that offer transitional or supported employment services serving individuals with disabilities;
7. Establish the conditions under which state public bodies may procure diesel fuel containing, at a minimum, two percent, by volume, biodiesel fuel or green diesel fuel, as defined in [§ 59.1-284.25](#) as such section was in effect on June 30, 2015, for use in on-road internal combustion engines. The conditions shall take into consideration the availability of such fuel and the variability in cost of biodiesel fuel with respect to unblended diesel fuel; and
8. Shall include a link to the Virginia Department of Agriculture and Consumer Services Virginia Grown website on the Department of General Services' central electronic procurement system to facilitate purchases of Virginia-grown food products.

C. The Division may make, alter, amend or repeal regulations relating to the purchase of materials, supplies, equipment, nonprofessional services, and printing, and may specifically exempt purchases below a stated amount or particular agencies or specified materials, equipment, nonprofessional services, supplies and printing.

§ 2.2-1112. Standardization of materials, equipment and supplies.

A. So far as practicable, all materials, equipment and supplies, purchased by or for the officers, departments, agencies or institutions of the Commonwealth, shall be standardized by the Division, and no variation shall be allowed from any established standard without the written approval of the Division. The standard shall be determined upon the needs of all using agencies, so far as their needs are in common, and for groups of using agencies or single using agencies so far as their needs differ. When changes or alterations in equipment are necessary in order to permit the application of any standard, the changes and alterations shall be made as rapidly as possible.

B. The Division shall determine the proper equipment or electrical devices used to monitor the speed of any motor vehicle pursuant to § [46.2-882](#) and shall so advise the respective law-enforcement officials. Police chiefs and sheriffs shall ensure that all such equipment and devices meet or exceed the standards established by the Division. This subsection shall apply only to equipment and devices purchased on or after July 1, 1986.

C. The Division shall determine the proper equipment to be used to determine the decibel level of sound and shall so advise the respective law-enforcement officials. Police chiefs and sheriffs shall ensure that all such equipment and devices meet or exceed the standards established by the Division and shall maintain, inspect, calibrate, and test for accuracy all such equipment and devices on a schedule and in accordance with standards established by the Division.

- D. The Comptroller shall not issue any warrant upon any voucher issued by any using agency covering the purchase of any material, equipment or supplies, when such purchases are made in violation of any provision of this article.
- E. Intentional violations of the centralized purchasing provisions of this article by any using agency, continued after notice from the Governor to desist, shall constitute malfeasance in office, and shall subject the officer responsible for violation to suspension or removal from office, as may be provided by law in other cases of malfeasance.

Such standards shall include at a minimum the vendor number, name, address, and tax identification number; commodity code, order number, invoice number, and receipt information; and other information necessary to appropriately and consistently identify all suppliers of goods, commodities, and other services to the Commonwealth. The Division, the Virginia Information Technologies Agency, and the State Comptroller shall annually review and update these standards to provide the Commonwealth information to monitor all procurement of goods and services and to implement adequate controls to pay only authorized providers of goods and services to the Commonwealth.

- B. The Division and the Virginia Information Technologies Agency shall submit these standards to the Information Technology Advisory Council in accordance with § [2.2-2699.6](#) for review as statewide technical and data standards for information technology.

C. The Division and the State Comptroller shall adhere to the adopted data standards and match all purchases of goods, commodities, and other services to the related payment activity and make the matched information available on the Auditor of Public Accounts' Commonwealth Data Point website pursuant to subdivision H 3 a of § [30-133](#). This information shall be available at a transactional level and be in sufficient detail to make clear what an agency has purchased; when the purchase was made; the vendor from whom the purchase was made; the amount purchased, if applicable; and how much was paid. To the extent the purchase is made for professional services as defined in § [2.2-4301](#), other than for accounting or legal services, from an entity of the Commonwealth, the name of the buyer in the selling Department or agency shall be specified. The Division shall set forth in the purchase order that the materials, equipment, and supplies be delivered to, and that the bill be rendered and forwarded to, the public body or public broadcasting station. Any such bill shall be a valid and enforceable claim against the public body or public broadcasting station requesting the bids.

The acquisitions shall be made, when in the judgment of the Division, it is advantageous to the Commonwealth to do so. The property may be acquired for storage and subsequent distribution or for immediate distribution. The Division may collect the purchase price of any such property, if applicable, and service charges sufficient to defray the costs of carrying out this program from entities to which it distributes the property. The Division shall publish a plan that meets the requirements of the Federal Property and Administrative Services Act of 1949, as it may be amended from time to time, and any similar federal statutes requiring such plan.

The Division may, by general rule or special order, delegate to any using department, agency, institution, political subdivision, or eligible, nonprofit, nongovernmental organization the authority to acquire such property directly from the federal government rather than through the Division, whenever the Division determines that it is advantageous to do so. Standards established in accordance with the memorandum of understanding shall be reported to the Department by October 1 of each year.

B. The Division may establish standards, as needed, for construction by the Commonwealth and may, with the advice of the Attorney General, establish standard contract provisions and procedures for the procurement and administration of construction and for the procurement and administration of architectural and engineering services relating to construction, which shall be used by all departments,

agencies and institutions of the Commonwealth. All departments, agencies and institutions of the Commonwealth shall ensure that the design and construction of state-owned buildings comply with the standards governing energy use and efficiency established by the Division. The standards may provide for incentive contracting that offers a contractor whose bid is accepted the opportunity to share in any cost savings realized by the Commonwealth when project costs are reduced by the contractor, without affecting project quality, during construction of the project. The fee, if any, charged by the project engineer or architect for determining the cost savings shall be paid as a separate cost and shall not be calculated as part of any cost savings.

C. Notwithstanding any standards established by the Division or law to the contrary except as provided in this subsection, any public institution of higher education that has in effect a signed memorandum of understanding with the Secretary of Administration regarding participation in the nongeneral fund decentralization program as set forth in the appropriation act may enter into contracts for specific construction projects without the preliminary review and approval of the Division, provided such institutions are in compliance with the requirements of the Virginia Public Procurement Act ([§ 2.2-4300](#) et seq.) and utilize the general terms and conditions for those forms of procurement approved by the Division and the Office of the Attorney General. Such team, which shall include appropriate professionals licensed in accordance with Chapter 4 ([§ 54.1-400](#) et seq.) of Title 54.1, may offer suggestions that would improve project quality and reduce total project cost by combining or eliminating inefficient or expensive parts or steps in the original proposal or by totally redesigning the project using different technologies, materials, or methods.

B. The review developed pursuant to subsection A shall be compiled in a value engineering report and submitted to the Division. Each item included in the value engineering report shall have a status designation of accepted, declined, or accepted as modified. The Division, within 45 days, must approve the value engineering report before the project may move to the next phase of design.

C. A value engineering report shall not be required for projects that (i) are designed utilizing either the design-build or construction management at risk basis and (ii) have the value engineering process as an integral component. In such cases, a written summary of the cost savings that have been incorporated into the design shall be provided to the Division prior to moving forward to the construction phase of the contract.

D. The Director of the Department may waive the requirements of this section for any proposed capital project for compelling reasons. Any waiver shall be in writing, state the reasons for the waiver, and apply only to a single capital project. On or before September 15 of each year, the Director of the Department shall report to the Governor and the General Assembly on the (i) number and value of the capital projects where value engineering was employed and (ii) identity of the capital projects for which a waiver of the requirements of this section was granted, including a statement of the compelling reasons for granting the waiver. The report shall cover projects completed or for which a waiver was granted within the previous fiscal year.

The Department may have such boundary, topographic, and other maps prepared as may be necessary.
- C. The Department shall develop the criteria for and conduct an annual inventory of all real property referred to in subsection B for which it is responsible. Such inventory with respect to owned property shall be reviewed by the Department in developing recommendations pursuant to subsection A of § [2.2-1153](#). All state departments, agencies, and institutions shall cooperate with the Department and provide such data and documents as may be required to develop and maintain the records and inventory required by this section.
- D. The Department shall make the inventory referred to in subsection C available on the Department's website. The description of the inventory shall include parcel identification consistent with national spatial data standards in addition to a street address as available and reported to the Department by departments, agencies, and institutions and shall include the date upon which the use or occupancy, if used or occupied by lease, license, permit, or other agreement, of the inventoried property is to terminate pursuant to the lease, license, permit, or other agreement therefor.
- E. The Department shall provide a quarterly report, in electronic form, to the General Assembly that includes renewal and termination dates for inventoried property pursuant to the lease, license, permit, or other agreement administered by the Department. The Department may exempt properties that are held and used for conservation purposes from the requirements of this section. The Department

shall review the land use plans, the records and inventory required pursuant to subsections B and C of § [2.2-1136](#) and such other information as may be necessary and determine whether the property or any portion thereof should be declared surplus to the needs of the Commonwealth. By October 1 of each year, the Department shall provide a report to the Chairmen of the House Committee on Appropriations and the Senate Committee on Finance and Appropriations setting forth the Department's findings, the sale or marketing of properties identified pursuant to this section, and recommending any actions that may be required by the Governor and the General Assembly to identify and dispose of property not being efficiently and effectively utilized. The Department shall provide a listing of surplus properties on the Department's website. The description of surplus property shall include parcel identification consistent with national spatial data standards in addition to a street address.

Until permanent disposition of the property determined to be surplus is effected, the property shall continue to be maintained by the department, agency or institution possessing or controlling it, unless upon the recommendation of the Department, the Governor authorizes the transfer of the property to the possession or control of the Department. In this event, the department, agency or institution formerly possessing or controlling the property shall have no further interest in it.

B. The Department shall establish criteria for ascertaining whether property under the control of a department, agency or institution should be classified as "surplus" to its current or proposed needs. Such criteria shall provide that the cognizant board or governing body, if any, of the department, agency or institution holding the title to or otherwise controlling the state-owned property, or the agency head in the absence of a board or governing body, shall approve the designation of the property as surplus.

C. Notwithstanding the provisions of subsection A:

1. The property known as College Woods, which includes Lake Matoaka and is possessed and controlled by a college founded in 1693, regardless of whether such property has been declared surplus pursuant to this section, shall not be transferred or disposed of without the approval of the board of visitors of such college by a two-thirds vote of all board members at a regularly scheduled board meeting. The General Assembly shall also approve the disposal or transfer.

2. Surplus real property valued at less than \$5 million that is possessed and controlled by a public institution of higher education may be sold by such institution, provided that (i) at least 45 days prior to executing a contract for the sale of such property, the institution gives written notification to the Governor and the Chairmen of the House Committee on Appropriations and the Senate Committee on Finance and Appropriations; and (ii) the Governor may postpone the sale at any time up to 10 days prior to the proposed date of sale. Such sale may be effected by public auction, sealed bids, or by marketing through one or more Virginia licensed real estate brokers after satisfying the public notice provisions of subsection D of § [2.2-1156](#). The terms of all negotiations resulting in such sale shall be public information. The public institution of higher education may retain the proceeds from the sale of such property if the property was acquired by nongeneral funds. If the institution originally acquired the

property through a mix of general and nongeneral funds, 50 percent of the proceeds shall be distributed to the institution and 50 percent shall be distributed to the State Park Conservation Resources Fund established under subsection A of § [10.1-202](#). The authority of a public institution of higher education to sell surplus real property described under this subdivision or to retain any proceeds from the sale of such property shall be subject to the institution meeting the conditions prescribed in subsection A of § [23.1-1002](#) and § [23.1-1019](#) (regardless of whether or not the institution has been granted any authority under Article 4 (§ [23.1-1004](#) et seq.) of Chapter 10 of Title 23.1).

§ 2.2-1154. State departments, agencies, and institutions to inquire of Department before acquiring land for capital improvements.

A. Any state department, agency or institution shall, before purchasing or otherwise acquiring land for any capital improvement, inquire of the Department whether there is available any suitable land under the control of the Department or any other state department, agency or institution that may be authorized for the purpose for which the additional land is needed.

B. The Department shall require every state department, agency or institution responsible for the construction, operation or maintenance of public facilities within the Commonwealth, when siting state facilities and programs, to evaluate the feasibility of siting such facilities and programs in the Commonwealth's urban centers. In making such evaluation, the agency shall consider (i) the fiscal advantages of utilizing the existing infrastructure available in urban centers as compared to the construction of new infrastructure in less developed areas, (ii) the potential savings associated with leasing facilities from the private sector in urban centers as compared to purchasing or constructing new facilities in other areas, (iii) the convenience to employees and citizen users of state facilities and programs of placing such facilities and programs in close proximity to the road and transportation systems and other amenities found in the Commonwealth's urban centers, and (iv) whether the local governing body is supportive of the location as a desirable use of available land resources.

This subsection shall not be construed to limit the ability of a state department, agency or institution to locate facilities based on other factors such as a rural locality's desire to stimulate economic development or the need to have regionally dispersed services.

C. The provisions of subsection B shall not apply to any facility or program to be located on the campus of any public institution of higher education in the Commonwealth.

§ 2.2-1155. Temporary transfer of use of property between state departments, agencies, and institutions; lease to private entities.

A. Whenever any department, agency, or institution of state government possesses or has under its control property for which there is an anticipated future use, but for which there is no immediate use,

the department, agency, or institution of the Commonwealth may effect, subject to the written recommendation of the Department to the Governor and the written approval by the Governor, an agreement in writing with any other department, agency, or institution of state government for the use of the property by the other department, agency, or institution during a period not to exceed 15 years. The agreement may be extended beyond the 15-year period on an annual basis in accordance with the procedures prescribed in this subsection. In the event no other department, agency, or institution of state government has use for the property, the department, agency, or institution may lease the property to private individuals, firms, corporations or other entities in accordance with the procedures and subject to the term limitations prescribed in this subsection.

B. The provisions of subsection A notwithstanding, public institutions of higher education in the Commonwealth, subject to the approval of the General Assembly, may enter into written agreements with university-related foundations, private individuals, firms, corporations, or other entities to lease property in the possession or control of the institution. Any such agreement and proposed development or use of property shall (i) be for a purpose consistent with the educational and general mission, auxiliary enterprises, and sponsored program activities of the institution, or such other purpose as the General Assembly may authorize, and (ii) comply with guidelines adopted by the Department. The term of any agreement shall be based upon, among other things, the useful life of the improvements to the property and shall not exceed 50 years; however, any agreement may be extended upon the written recommendation of the Governor and the approval of the General Assembly. Agreements with private individuals, firms, corporations, or other entities shall also be subject to guidelines adopted by the Secretary of Finance. In the event that any public institution of higher education in the Commonwealth enters into any written agreement with a university-related foundation, private individual, firm, corporation, or other entity to lease property in the possession or control of the institution pursuant to this subsection, neither the real property that is the subject of the lease nor any improvements or personal property located on the real property that is the subject of the lease shall be subject to taxation by any local government authority pursuant to § [58.1-3203](#) or § [58.1-3502](#) or any other applicable law during the term of the lease, regardless of the ownership of the property, improvements or personal property, provided the real property, improvements or personal property shall be used for a purpose consistent with the educational and general mission, auxiliary enterprises, and sponsored program activities of the institution.

For the purposes of this section, "university-related foundation" means any foundation affiliated with an institution of higher education.

1971, Ex. Sess., c. 239, § 2.1-106.6:1; 1977, c. 672, § 2.1-511; 1981, c. 112; 1984, c. 641; 1988, c. 57; 1990, cc. 53, 688; 1992, c. 331; 2001, c. [844](#).

§ 2.2-1156. Sale or lease of surplus property and excess building space.

A. The Department shall identify real property assets that are surplus to the current and reasonably anticipated future needs of the Commonwealth and may dispose of surplus assets as provided in this section, except when a department, agency or institution notifies the Department of a need for property

that has been declared surplus, and the Department finds that stated need to be valid and best satisfied by the use of the property.

B. After it determines the property to be surplus to the needs of the Commonwealth and that such property should be sold, the Department shall request the written opinion of the Secretary of Natural and Historic Resources as to whether the property is a significant component of the Commonwealth's natural or historic resources, and if so how those resources should be protected in the sale of the property. The Secretary of Natural and Historic Resources shall provide this review within 15 business days of receipt of full information from the Department. Within 120 days of receipt of the Secretary's review, the Department shall, with the prior written approval of the Governor, proceed to sell the property.

C. Upon receipt of the Secretary's review under subsection B and prior to offering the surplus property for sale to the public, the Department shall notify the chief administrative officer of the locality within which the property is located as well as any economic development entity for such locality of the pending disposition of such property. The chief administrative officer or local economic development entity shall have up to 180 days from the date of such notification to submit a proposal to the Department for the use by the locality or the local economic development entity of such property in conjunction with a bona fide economic development activity. The Department shall review such proposal, and if the Department determines that such proposal is viable and could benefit the Commonwealth, the Department may negotiate with the chief administrative officer or the local economic development entity for the sale of such property to the locality or economic development entity. If no agreement is reached between the Department and the chief administrative officer or the local economic development entity for the sale of the property, or if no proposal for the use of the property is submitted to the Department by the chief administrative officer or the local economic development entity within 180 days of notification of the pending disposition of the property, the Department may proceed to dispose of the property as provided in this section.

D. If the surplus property is not disposed of pursuant to subsection C, the sale shall be by public auction, or sealed bids, or by marketing through one or more real estate brokers licensed by the Commonwealth. Notice of the date, time and place of sale, if by public auction or sealed bids shall be given by advertisement in at least two newspapers published and having general circulation in the Commonwealth, at least one of which shall have general circulation in the county or city in which the property to be sold is located. At least 30 days shall elapse between publication of the notice and the auction or the date on which sealed bids will be opened.

E. In instances where the appraised value of property proposed to be sold is determined to be a nominal amount or an amount insufficient to warrant statewide advertisement, but in no event in excess of \$250,000, the notice of sale may be placed in only one newspaper having general circulation in the county or city in which the property to be sold is located.

F. The Department may reject any and all bids or offers when, in the opinion of the Department, the price is inadequate in relation to the value of the property, the proposed terms are unacceptable, or if a need has been found for the property.

G. In lieu of the sale of any such property, or in the event the Department determines there is space within a building owned by the Commonwealth or any space leased by the Commonwealth in excess of current and reasonably anticipated needs, the Department may, with the approval of the Governor, lease or sublease such property or space to any responsible person, firm or corporation on such terms as shall be approved by the Governor, provided, however, that the authority herein to sublease space leased by the Commonwealth shall be subject to the terms of the original lease. The Department may with the approval of the Governor permit charitable organizations exempt from taxation under § 501(c)(3) of the Internal Revenue Code that provide addiction recovery services to lease or sublease such property or space at cost and on such terms as shall be approved by the Governor, provided such use is deemed appropriate.

The Department shall post reports from the Commonwealth's statewide electronic procurement system, known as eVA, on the Department's website. The report shall include, at a minimum, current leasing opportunities and sales of surplus real property posted on the eVA's Virginia Business Opportunities website. Such reports shall also be made available by electronic subscription. The provisions of this section requiring disposition of property through the medium of sealed bids, public auction, or marketing through licensed real estate brokers shall not apply to any lease thereof, although such procedures may be followed in the discretion of the Department.

H. The deed, lease, or sublease conveying the property or excess space shall be executed in the name of the Commonwealth and shall be in a form approved by the Attorney General. Notwithstanding any law to the contrary and notwithstanding how title to the property was acquired, the deed or lease may be executed on behalf of the Commonwealth by the Director of the Department or his designee, and such action shall not create a cloud on the title to the property. The terms of the sale, lease, or sublease shall be subject to the written approval of the Governor.

I. An exception to sale by sealed bids, public auction, or listing the property with a licensed real estate broker may be granted by the Governor if the property is landlocked and inaccessible from a public road or highway. In such cases, the Department shall notify all adjacent landowners of the Commonwealth's desire to dispose of the property. After the notice has been given, the Department may begin negotiations for the sale of the property with each interested adjacent landowner. The Department, with the approval of the Governor, may accept any offer that it deems to be fair and adequate consideration for the property. In all cases, the offer shall be the best offer made by any adjacent landowner. The terms of all negotiations shall be public information.

J. Subject to any law to the contrary, 50 percent of the proceeds from all sales or leases, or from the conveyance of any interest in property under the provisions of this article, above the costs of the transaction, which costs shall include fees or commissions, if any, negotiated with and paid to auctioneers

or real estate brokers, shall be paid into the State Park Acquisition and Development Fund, so long as the sales or leases pertain to general fund agencies or the property involved was originally acquired through the general fund, except as provided in Chapter 180 of the Acts of Assembly of 1966. The remaining 50 percent of proceeds involving general fund sales or leases, less a pro rata share of any costs of the transactions, shall be deposited in the general fund of the state treasury. The Department of Planning and Budget shall develop guidelines that allow, with the approval of the Governor, any portion of the deposit in the general fund to be credited to the agency, department or institution having control of the property at the time it was determined surplus to the Commonwealth's needs. Any amounts so credited to an agency, department or institution may be used, upon appropriation, to supplement maintenance reserve funds or capital project appropriations, or for the acquisition, construction or improvement of real property or facilities. Net proceeds from sales or leases of special fund agency properties or property acquired through a gift for a specific purpose shall be retained by the agency or used in accordance with the original terms of the gift. Notwithstanding the foregoing, income from leases or subleases above the cost of the transaction shall first be applied to rent under the original lease and to the cost of maintenance and operation of the property. The remaining funds shall be distributed as provided herein.

K. When the Department deems it to be in the best interests of the Commonwealth, it may, with the approval of the Governor, authorize the department, institution or agency in possession or control of the property to dispose of surplus property in accordance with the procedures set forth in this section. 1968, c. 717, § 2.1-106.7; 1970, c. 202; 1972, c. 763; 1977, c. 672, § 2.1-512; 1978, c. 545; 1981, c. 104; 1984, c. 641; 1989, c. 687; 1991, c. 679; 1995, c. § 2.2-1157. (Effective until October 1, 2021) Exploration for and extraction of minerals on state-owned uplands.

A. The Department of Mines, Minerals and Energy, in cooperation with the Division, shall develop, with the assistance of affected state agencies, departments, and institutions, a State Minerals Management Plan (the Plan). The Plan shall include provisions for the holding of public hearings and the public advertising for competitive bids or proposals for mineral exploration, leasing, and extraction activities on state-owned uplands. Sales of mineral exploration permits and leases for these lands shall be administered by the Division, with the advice of the Department of Mines, Minerals and Energy.

B. Upon receiving the recommendation of both the Director of the Department of General Services and the Director of the Department of Mines, Minerals and Energy, the Governor shall determine whether the proposed mineral exploration, leasing, or extraction of minerals on state-owned uplands is in the public interest. No state-owned uplands shall be approved for mineral exploration, leasing, or extraction without a public hearing in the locality where the affected land or the greater portion thereof is located and a competitive bid or proposal process as described in the Plan. The provisions of this section

shall not apply to the extraction of minerals on state-owned uplands pursuant to an oil or gas pooling order unless the well through which the extraction will occur is situated on such land.

For purposes of this section, "state-owned uplands" means lands owned by the Commonwealth that (i) lie landward of the mean low water mark in tidal areas or (ii) have an elevation above the average surface water level in nontidal areas.

C. The agencies, departments, or institutions proposing or receiving applications for mineral exploration, leasing or extraction on state-owned uplands shall, through their boards or commissions, recommend all such activities to the Division following guidelines set forth in the Plan. The Division and the Department of Mines, Minerals and Energy shall review and recommend to the Governor such proposed activities. Such agencies, departments or institutions, through their boards or commissions, may execute the leases or contracts that have been approved by the Governor.

D. The proceeds from all such sales or leases above the costs of the sale to the Department of Mines, Minerals and Energy or to the agency, department or institution sponsoring the sale shall be paid into the general fund of the state treasury, so long as the sales or leases pertain to general fund agencies or the property involved was originally acquired through the general fund. Net proceeds from sales or leases of special-fund agency properties or property acquired through a gift shall be retained by such agency or institution or used in accordance with the original terms of the gift if so stated.

E. Mining, leasing, and extraction activities in state-owned submerged lands shall be authorized and administered by the Virginia Marine Resources Commission pursuant to Title 28.2 (§ [28.2-100](#) et seq.).

1982, c. 238, § 2.1-512.1; 1984, c. 750; 1986, c. 488; 2001, c. [844](#); 2009, c. [612](#); 2019, cc. [659](#), [660](#).

§ 2.2-1157. (Effective October 1, 2021) Exploration for and extraction of minerals on state-owned uplands.

A. The Department of Energy, in cooperation with the Division, shall develop, with the assistance of affected state agencies, departments, and institutions, a State Minerals Management Plan (the Plan). The Plan shall include provisions for the holding of public hearings and the public advertising for competitive bids or proposals for mineral exploration, leasing, and extraction activities on state-owned uplands. Sales of mineral exploration permits and leases for these lands shall be administered by the Division, with the advice of the Department of Energy.

B. Upon receiving the recommendation of both the Director of the Department of General Services and the Director of the Department of Energy, the Governor shall determine whether the proposed mineral exploration, leasing, or extraction of minerals on state-owned uplands is in the public interest. No state-owned uplands shall be approved for mineral exploration, leasing, or extraction without a public hearing in the locality where the affected land or the greater portion thereof is located and a competitive bid or proposal process as described in the Plan. The provisions of this section shall not apply to the extraction of minerals on state-owned uplands pursuant to an oil or gas pooling order unless the well through which the extraction will occur is situated on such land.

For purposes of this section, "state-owned uplands" means lands owned by the Commonwealth that (i) lie landward of the mean low water mark in tidal areas or (ii) have an elevation above the average surface water level in nontidal areas.

C. The agencies, departments, or institutions proposing or receiving applications for mineral exploration, leasing or extraction on state-owned uplands shall, through their boards or commissions, recommend all such activities to the Division following guidelines set forth in the Plan. The Division and the Department of Energy shall review and recommend to the Governor such proposed activities. Such agencies, departments or institutions, through their boards or commissions, may execute the leases or contracts that have been approved by the Governor.

D. The proceeds from all such sales or leases above the costs of the sale to the Department of Energy or to the agency, department or institution sponsoring the sale shall be paid into the general fund of the state treasury, so long as the sales or leases pertain to general fund agencies or the property involved was originally acquired through the general fund. Net proceeds from sales or leases of special-fund agency properties or property acquired through a gift shall be retained by such agency or institution or used in accordance with the original terms of the gift if so stated.

E. Mining, leasing, and extraction activities in state-owned submerged lands shall be authorized and administered by the Virginia Marine Resources Commission pursuant to Title 28.2 (§ [28.2-100](#) et seq.).

§ 2.2-1158. Management, harvesting and sale of timber on lands under control of Division.

The Division may manage and harvest timber on lands placed under its control in accordance with the best timber management practices, after receiving the advice of the State Forester. The Division may also sell the timber, but before the sale is made, the State Forester or his deputy shall furnish the Division with an estimate of the value of the timber. In the event of sale, the proceeds shall first be used to defray the cost of the sale and the cost of maintenance of the property from which the timber is removed and the remainder, if any, of the funds shall be deposited in the Forest Management of State-owned Lands Fund created in § [10.1-1120](#).

5. Faulty coordination or palsy from brain, spinal, or peripheral nerve injury; or
6. Those manifestations of the aging processes that significantly reduce mobility, flexibility, coordination and perceptiveness but are not accounted for in the aforementioned categories.

B. The Division shall prescribe standards for the design, construction, and alteration of buildings constructed in whole or in part or altered by the use of state funds, other than school funds, necessary to ensure that persons with physical disabilities will have ready access to, and use of, such buildings.

C. The governing body of a county, city or town or other political subdivision shall prescribe standards for the design, construction and alteration of buildings, not including public school facilities, constructed in whole or in part or altered by the use of the funds of such locality or political subdivision necessary to ensure that persons with physical disabilities will have ready access to, and use of, such buildings. The Division shall consult with the governing bodies upon request.

D. The Division, with respect to standards issued by it, and the governing body of any county, city or town or other political subdivision with respect to standards issued by it may:

1. Modify or waive any such standard, on a case-by-case basis, upon application made by the head of the department, agency or other instrumentality concerned, upon determining that a modification or waiver is clearly necessary; and
2. Conduct necessary surveys and investigations to ensure compliance with such standards.

The three-month period may be extended for an additional minimum period of time required to obtain funding and complete construction, where the Division determines an extension is necessary. The Department of General Services shall develop model plans and ensure that each building covered by this section is prepared to activate Code Adam or a similar program under appropriate circumstances. All state agencies shall render assistance to the Department, upon request, in implementing this statute and the Department's plan within their buildings.

§ 2.2-1163. Inspection of state-owned buildings; marking locations where asbestos found; risk abatement and estimate of cost thereof.

The Director at the direction of the Secretary and in cooperation with any other appropriate agencies including but not limited to the Department of Education shall ensure that every building owned by the Commonwealth or any agency of the Commonwealth which has not previously been inspected by competent personnel as provided below is inspected as soon as practical by competent personnel who have the training and equipment necessary to identify (i) the presence of asbestos, and (ii) to the extent practicable the relative hazard or hazards to health and safety posed at each location at which asbestos is identified. Every location at which asbestos is identified shall be clearly marked with suitably designed signs or labels. The Director shall prepare an accurate estimate of the cost of abating the risk of all asbestos so identified. The Director shall also establish a list of abatement priorities, which shall include the estimated cost of abating the risk at each location on the list. To the extent that funds are available, and in accordance with the priorities established by the Director, the agency or institution of the Commonwealth responsible for the maintenance of buildings at any such location shall proceed to abate the risk at such locations.

Each public school division shall ensure that every location at which asbestos is identified following inspections conducted pursuant to subsection A or C of § [2.2-1165](#) is clearly marked with suitably designed signs or labels. Each division shall prepare an accurate estimate of the cost of abating the risk of asbestos at each location so identified. Each division shall also establish a list of priorities, based upon its determination of the risk to public health and safety posed by asbestos at each such location, which shall include the estimated cost of abating the risk at each location on the list.

Request for such vehicle shall be made in writing on forms prepared by the Department of General Services by the head of the agency or institution explaining in detail the purpose of or reason for such assignment.

B. Assignments shall be approved by the Director only on the basis of one of the following criteria:

1. The vehicle shall be driven not less than the annual usage standard. The Director shall promulgate a minimum mileage standard taking into account best value, industry standard practices, and the use of alternative transportation methods;

2. The vehicle shall be used by an employee whose duties are routinely related to public safety or response to life-threatening situations:

The Director shall establish guidance documents governing such use of vehicles and shall ensure that costs associated with such use shall be recovered from employees. Employees who do not report to an official work station shall not be required to pay for travel between their homes and field sites. Guidance documents established by the Director and recovery of costs shall not apply to use of vehicles by law-enforcement officers. By executive order of the Governor, such guidance documents may extend to all motor vehicles of any type owned by the Commonwealth, or such of them as the Governor may designate.

1989, c. 479, § 33.1-406; 2001, cc. [815](#), [842](#), § 2.1-548.07; 2013, c. [485](#).

Regulations previously promulgated by the Commonwealth Transportation Board under the authority granted by former § [33.1-407](#) concerning the purchase, use, storage, maintenance, repair, and disposal of all passenger-type vehicles owned by the Commonwealth and assigned to the centralized fleet shall remain in effect until the Director establishes replacement guidance documents under the authority granted by this article.

§ 2.2-1182. Definitions.

A. This article shall be known and may be cited as the High Performance Buildings Act.

B. As used in this article, unless the context requires a different meaning:

"Centralized fleet" means the same as that term is defined in § [2.2-1173](#).

"High performance building certification program" means a public building design, construction, and renovation program that meets the requirements of VEES.

"Sufficient electric vehicle charging infrastructure" means provision or reservation of sufficient space to provide electric vehicle charging stations and related infrastructure, including transformers, service equipment, and large conduit, to support every centralized fleet vehicle that will be located at such building.

"VEES" means the Virginia Energy Conservation and Environmental Standards developed by the Department considering the U.S. Green Building Council (LEED) green building rating standard, the

Green Building Initiative "Green Globes" building standard, and other appropriate requirements as determined by the Department.

§ 2.2-1183. Building standards; exemption; report.

A. Any executive branch agency or institution entering the design phase for the construction of a new building greater than 5,000 gross square feet in size, or the renovation of a building where the cost of the renovation exceeds 50 percent of the value of the building, shall ensure that such building:

1. Is designed, constructed, verified, and operated to comply with the high performance building certification program and VEES;
2. Has sufficient electric vehicle charging infrastructure. However, the provisions of this subdivision shall not apply to buildings located in the right-of-way of the Interstate System as that term is defined in § [33.2-100](#); and
3. Has features that permit the agency or institution to track the building's energy efficiency and associated carbon emissions, including metering of all electricity, gas, water, and other utilities.

B. Any executive branch agency or institution may exceed the design and construction standards required by subsection A, provided that such agency or institution obtains prior written approval from the Director of the Department.

C. The Director of the Department may grant an exemption from the design and construction standards required by subsection A upon a finding that special circumstances make the construction or renovation to the standards impracticable. Such exemption shall be made in writing and shall explain the basis for granting such exemption. If the Director cites cost as a factor in granting an exemption, the Director shall include a comparison of the cost the agency or institution will incur over the next 20 years if the agency does not comply with the standards required by subsection A versus the costs to the agency or institution if the agency or institution were to comply with such standards.

D. Each agency or institution shall submit an annual report to the Governor by January 1 of each year detailing the energy-efficiency and associated carbon emissions metrics for each building built or renovated in accordance with the design and construction standards required by subsection A and completed during the prior fiscal year.

The system shall provide at a minimum a roster of all employees in the service of the Commonwealth, in which there shall be set forth as to each employee, the employing agency, the class title, pay, status and such other data as may be deemed desirable to produce significant facts pertaining to personnel administration.
4. Establish and direct a program of employee-management relations designed to improve communications between employees and agencies of the Commonwealth.
5. Establish and administer a system of performance evaluation for all employees in the service of the Commonwealth, based on the quality of service rendered, related where practicable to specific standards of performance. In no event shall workers' compensation leave affect the total number of hours credited during a performance cycle for purposes of calculating incentive increases in salary based on such performance evaluations.
6. Establish and administer a system of recruitment designed to attract high quality employees to the service of the Commonwealth. In administering this system, applicants shall be rated on the basis of relative merit and classified in accordance with their suitability for the various classes of positions in the service of the Commonwealth, and a record thereof shall be maintained in the open register.

13. Adopt and implement a centralized program to provide awards to employees who propose procedures or ideas that are adopted and that will result in eliminating or reducing state expenditures or improving operations, provided such proposals are placed in effect. The centralized program shall be designed to (i) protect the identity of the individual making the proposal while it is being evaluated for implementation by a state agency, (ii) publicize the acceptance of proposals and financial awards to state employees, and (iii) include a reevaluation process that individuals making proposals may access if their proposals are rejected by the evaluating agency. The reevaluation process must include individuals from the private sector. State employees who make a suggestion or proposal under this section shall receive initial confirmation of receipt within 30 days. A determination of the feasibility of the suggestion or proposal shall occur within 60 days of initial receipt.

Each state agency shall continue to record positions designated as sensitive in the Personnel Management Information System (PMIS) to ensure that the Department has a list of all such positions. For purposes of this section, "sensitive positions" shall include those positions:

A. The Department shall establish a plan or plans, hereinafter "plan" or "plans," subject to the approval of the Governor, for providing health insurance coverage for employees of local governments, local officers, teachers, and retirees, and the dependents of such employees, officers, teachers, and retirees. The plan or plans shall be rated separately from the plan established pursuant to § [2.2-2818](#) to provide health and related insurance coverage for state employees. Participation in such insurance plan or plans shall be (i) voluntary, (ii) approved by the participant's respective governing

body, or by the local school board in the case of teachers, and (iii) subject to regulations adopted by the Department. In addition, at the option of a governing body or school board that has elected to participate in the health insurance plan or plans offered by the Department, the governing body or school board may elect to participate in the voluntary employee-pay-all long-term care program offered by the Commonwealth.

B. The plan or plans established by the Department, one of which may be similar to the state employee plan, shall satisfy the requirements of the Virginia Public Procurement Act ([§ 2.2-4300 et seq.](#)), shall consist of a flexible benefits structure that permits the creation of multiple plans of benefits, and may provide for single or separate rating groups based upon criteria established by the Department. The Department shall adopt regulations regarding the establishment of such a plan or plans, including, but not limited to, requirements for eligibility, participation, access and egress, mandatory employer contributions and financial reserves, adverse experience adjustments, and the administration of the plan or plans. The Department may engage the services of other professional advisors and vendors as necessary for the prudent administration of the plan or plans. The assets of the plan or plans, together with all appropriations, premiums, and other payments, shall be deposited in the employee health insurance fund, from which payments for claims, premiums, cost containment programs, and administrative expenses shall be withdrawn from time to time. The assets of the fund shall be held for the sole benefit of the employee health insurance fund. The fund shall be held in the state treasury. Any interest on unused balances in the fund shall revert back to the credit of the fund. The State Treasurer shall charge reasonable fees to recover the actual costs of investing the assets of the plan or plans.

In establishing the participation requirements, the Department may provide that those employees, officers, and teachers without access to employer-sponsored health care coverage may participate in the plan. It shall collect all premiums directly from the employers of such employees, officers, and teachers.

C. In the event that the financial reserves of the plan fall to an unacceptably low level as determined by the Department, it shall have the authority to secure from the State Treasurer a loan sufficient to raise the reserve level to one that is considered adequate. The State Treasurer may make such a loan, to be repaid on such terms and conditions as established by him.

A preplanning study shall be required for any project of construction, renovation, or other capital outlay involving a structure of 20,000 or more square feet or that is estimated to cost one million dollars or more. For projects of lesser size or cost, the regulations may require only a preplanning justification of the project. The Director or his designee may waive the requirement for a preplanning justification or preplanning study for such projects of lesser size and cost when, a preplanning justification or preplanning study is not needed or would not be warranted by the cost of making one. Preplanning studies for projects estimated to cost less than \$2 million shall be done at a cost not exceeding \$25,000. Preplanning studies for projects estimated to cost \$2 million or more shall be done at a cost not exceeding \$50,000. Exceptions to these limitations upon the cost of preplanning studies may be authorized by the House Committee on Appropriations and the Senate Committee on Finance and Appropriations.

§ 2.2-1518. Governor to submit a tentative bill for a capital outlay plan; gubernatorial amendments proposed to the plan.

A. 1. No later than January 13, 2009, the Governor shall submit to the General Assembly a tentative bill establishing a capital outlay plan that includes new capital outlay projects (and previously planned or authorized capital outlay projects) that the Governor proposes to be funded entirely or partially from general fund-supported resources for the six fiscal years beginning July 1, 2009. Projects included in the capital outlay plan shall be in addition to any projects for which funds are appropriated from the Central Maintenance Reserve of the general appropriation act.

2. The capital outlay plan submitted by the Governor shall list capital outlay projects in different tiers. Each tier shall be a grouping of capital outlay projects with the total estimated cost of each project in the tier falling within a minimum and a maximum project cost assigned to the tier, provided that no estimated project costs shall be set out in the plan. The minimum and maximum range assigned to a tier shall be mutually exclusive of all other minimum and maximum ranges assigned to other tiers in order that no capital outlay project shall be reported in more than one tier.

For each capital outlay project listed in the plan the Governor shall provide the following information: (i) the agency or public educational institution to which the project is related, (ii) a description of the project, and (iii) a ranking number assigned to the project, which number shall signify the priority of the project when compared to all other projects of the agency or institution listed in the plan.

B. For the 2021 Regular Session of the General Assembly and thereafter, the Governor shall ensure that a prefiled bill is submitted to the Chairman of the House Committee on Appropriations and the Chairman of the Senate Committee on Finance and Appropriations in accordance with the deadlines for prefiling under subdivision A 3 of § [30-19.3](#) for any proposed amendments to the current capital outlay plan enacted into law, including adjusting the fiscal years covered by the plan so that the plan will cover the six fiscal years beginning on the immediately following July 1. Any such prefiled bill shall be submitted using the format described in subsection A.

In submitting to the General Assembly prefiled bills for plan amendments, the Governor shall consider the capital outlay project list submitted by the Advisory Committee pursuant to § [2.2-1516](#) and any amendments to the six-year capital outlay plan recommended by the Advisory Committee pursuant to such section.

2008, Sp. Sess. I, cc. [1](#), [2](#); 2011, cc. [697](#), [718](#); 2020, cc. [254](#), [864](#).

§ 2.2-1519. Implementation of certain capital outlay projects.

A. 1. The Central Capital Planning Fund, the State Agency Capital Account, and the Public Educational Institution Capital Account established pursuant to § [2.2-1520](#) shall be used to fund capital outlay projects included in the six-year capital outlay plan enacted into law.

2. In addition, public educational institutions and state agencies may request authority and appropriation to conduct pre-planning for any such project using nongeneral fund sources. Such costs may be reimbursed up to the lesser of \$250,000 or one percent of the project construction costs.

B. A Virginia-based contractor who does not have the same number of years of comparable experience under construction management or design-build shall not be penalized for having less comparable experience in construction management or design-build projects, provided such contractor does have significant experience in constructing comparable projects under design-bid-build. The procuring entity shall consider the experience and quality of work that a contractor has done on projects comparable to the project being procured, whether under construction management, design-build, or design-bid-build. These factors shall be considered by the procuring entity in making its decisions in a pre-qualification or a contractor selection process.

C. If at any time during the detailed planning phase the total cost of a capital outlay project is estimated to exceed a threshold amount set forth in the general appropriation act for the required use of value engineering, then value engineering shall be utilized for such project. Each agency and public educational institution shall retain documentation of the value engineering process conducted for any project, including documentation relating to (i) recommendations offered to the agency or institution, (ii) recommendations accepted and rejected by the agency or institution, and (iii) any savings to the agency or institution resulting from the adoption of each recommendation.

D. For capital outlay projects for which an appropriation is made to the State Agency Capital Account or the Public Educational Institution Capital Account, after an agency or public educational institution has received authorization to move to the construction phase of a project, the Director of the Department of Planning and Budget shall transfer sufficient appropriation from the State Agency Capital Account or the Public Educational Institution Capital Account, as appropriate.

E. 1. Prior to an agency or public educational institution awarding a construction contract for a project, the Director of the Department of General Services shall review the lowest bid or best proposal for the project. If the total amount of such bid or proposal, plus previously expended funds and a reasonable allowance for contingencies, does not exceed 105 percent of the general fund-supported resources for the project as determined during the detailed planning phase, the Director of the Department of General Services and the Director of the Department of Planning and Budget may approve the contract. If the total amount of such bid or proposal, plus previously expended funds and a reasonable allowance for contingencies, exceeds 105 percent of the general fund-supported resources for the project, the Directors shall not approve the contract unless funding of that portion of such total project cost in excess of 105 percent of the general fund-supported resources allocated to the project is from nongeneral fund sources such as private funds, gifts, grants, auxiliary funds, or federal funds as appropriate.

2. If an agency or public educational institution is unable to procure funding from nongeneral fund sources for that portion of such total project cost in excess of 105 percent of the general fund-supported resources allocated to the project, then the agency or institution may reduce the size or scope of the project as necessary to remain within 105 percent of the general fund-supported resources allocated to the project, provided that (i) it has completed a value engineering review by or in collaboration with the Department of General Services, (ii) it has provided a written, detailed analysis of the proposed reduction to the Governor and to the Chairmen of the House Appropriations and Senate

Finance Committees, and (iii) the project after such reduction in size or scope is substantially similar in quality and functionality to the original project.

3. An agency or public educational institution may request a supplemental allocation of general fund-supported resources through the budget process only if it submits a written certification to the Chairmen of the House Appropriations and Senate Finance Committees, the Director of the Department of General Services, the Director of the Department of Planning and Budget, and, for public institutions of higher education only, the Executive Director of the State Council of Higher Education, which certification (i) states that additional funding from nongeneral fund sources as described in subdivision 1 will be insufficient to pay for the full amount of the project cost that is in excess of 105 percent of the general fund-supported resources allocated to the project and (ii) provides a detailed analysis and description of the project as modified for a reduction in size or scope as described in subdivision 2 as well as a justification for why such modifications in size or scope cannot be achieved.

4. Nothing in this section shall preclude an agency or public educational institution from providing for re-design or additional value engineering of projects or re-bidding or re-submitting of proposals.

5. No construction contract for a capital outlay project included in the six-year capital outlay plan enacted into law shall be awarded unless first approved by the Director of the Department of General Services and the Director of the Department of Planning and Budget.

F. After a project has been approved by the Director of the Department of General Services and the Director of the Department of Planning and Budget, the Director of the Department of Planning and Budget shall transfer to the project the remaining funds needed for construction from the State Agency Capital Account or the Public Educational Institution Capital Account, as appropriate.

2008, Sp. Sess. I, cc. [1](#), [2](#).

§ 2.2-1520. Certain funds established.

The Fund shall include such moneys as may be appropriated by the General Assembly from time to time and designated for the Fund. The Fund shall be established on the books of the Comptroller and shall be administered by the Director of the Department of Planning and Budget. Any moneys remaining in the Fund at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely to pay the pre-planning or detailed planning costs of capital outlay projects that have been approved for pre-planning or detailed planning by the General Assembly.

B. The State Agency Capital Account shall be established in the general appropriation act as a separate item for appropriation purposes. The State Agency Capital Account shall consist of appropriations of the proceeds from the sale of certain bonds by the Virginia Public Building Authority that are designated for the Account and any other moneys as may be appropriated by the General Assembly. The Account shall be administered by the Director of the Department of Planning and Budget consistent with the provisions of this chapter. The Account shall be used to finance the

construction of projects, as defined in § [2.2-2260](#), that have been approved for construction by the General Assembly. In addition, it is required that the Account reimburse the Central Capital Planning Fund for payments made for pre-planning or detailed planning of all such projects that have been approved for construction by the General Assembly.

C. The Public Educational Institution Capital Account shall be established in the general appropriation act as a separate item for appropriation purposes. The Public Educational Institution Capital Account shall consist of appropriations of the proceeds from the sale of certain bonds by the Virginia College Building Authority that are designated for the Account and any other moneys as may be appropriated by the General Assembly. The Account shall be administered by the Director of the Department of Planning and Budget consistent with the provisions of this chapter. 3. Assure the coordinated review of all proposed state training and technical assistance activities in direct support of small, women-owned, and minority-owned business programs to ensure consistency with program goals and to avoid duplication.

5. An out-of-state business located in a state that does not have a small, women-owned, or minority-owned business certification program shall be exempt from the requirements of this provision. The regulations shall establish a process for businesses that are denied initial certification as a small, women-owned, or minority-owned business to

appeal such denial on the basis that the Department made a mistake in denying the business's application for certification.

9. Establish an interdepartmental board in accordance with § [2.2-1608](#) to supply the Director with information useful in promoting minority business activity.

2013, c. [482](#); 2017, cc. [380](#), [573](#); 2018, c. [681](#); 2021, Sp. Sess. I, c. [149](#).

The Department may do all things necessary to qualify such corporation as a certified development company under Subchapter V of the Small Business Investment Act of 1958 (15 U.S.C. § 695 et seq.), or any amendment or successor statute thereto, as well as regulations adopted thereunder by the U.S. Small Business Administration. Any action by the Department to establish such a corporation prior to July 1, 1986, is ratified and approved.

B. The head of each participating state department and agency or his designee shall furnish information, assistance, and reports to, and shall otherwise cooperate with, the Director in the performance of his duties as needed.

C. The head of each participating state department or agency shall, when so requested by the Director, designate an assistant or such other similar official to have primary and continuing responsibility for the participation and cooperation of that department or agency in matters concerning small, women-owned, and minority-owned businesses.

D. Each participating state department or agency shall, within constraints of law and availability of funding, continue all current efforts to foster and promote small, women-owned, and minority-owned businesses and to support small, women-owned, and minority-owned business programs, and shall cooperate with the Director in increasing the total state effort.

2013, c. [482](#).

An institution exercising the authority granted by this section shall establish and follow internal procedures and processes designed to verify whether or not a vendor qualifies to be certified as a small, women-owned, or minority-owned business under the Department-approved criteria and the certification requirements. The institution shall notify the Department promptly of the certification and shall provide the Department with a copy of its written certification identifying the vendor as a small, women-owned, or minority-owned business and all application materials submitted by the vendor to the institution. Such certification shall remain in effect unless and until the Department notifies the institution that the vendor does not meet the certification requirements.

2013, c. [482](#).

§ 2.2-1610. Reports and recommendations; collection of data.

The Director shall, from time to time, submit directly or through an assistant to the Governor his recommendations for legislation or other action as he deems desirable to promote the purposes of this chapter.

The Director shall report, on or before November 1 of each year, to the Governor and the General Assembly the identity of the state departments and agencies failing to submit annual progress reports on small, women-owned, and minority-owned business procurement required by § [2.2-4310](#) and the nature and extent of such lack of compliance. The annual report shall include recommendations on the ways to improve compliance with the provisions of § [2.2-4310](#) and such other related matters as the Director deems appropriate.

The Director, with the assistance of the Comptroller, shall develop and implement a systematic data collection process that will provide information for a report to the Governor and General Assembly on state expenditures to small, women-owned, and minority-owned businesses during the previous fiscal year.

An institution exercising authority granted under this section shall promptly make available to the Department, upon request, copies of its procurement records, receipts, and transactions in regard to procurement from small, women-owned, and minority-owned businesses in order for the Department to ensure institution compliance with its approved reporting and certification criteria.

B. From such funds as may be appropriated by the General Assembly and any gifts, grants, or donations from public or private sources, there is hereby created in the state treasury a special non-reverting, permanent fund to be known as the Small Business Investment Grant Fund, to be administered by the Department. The Fund shall be established on the books of the Comptroller. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Additionally, unless the eligible investor transfers the equity received in connection with a qualified investment as a result of (a) the liquidation of the small business issuing such equity; (b) the merger, consolidation, or other acquisition of such business with or by a party not affiliated with such business; or (c) the death of the eligible investor, any eligible investor that fails to hold such equity for at least two years shall forfeit the grant and shall pay the Authority interest on the total allowed grant at the rate of one percent per month, compounded monthly, from the date the grant was awarded to the taxpayer.

The Authority shall deposit any amounts received under this subsection into the general fund of the Commonwealth.

G. Grants shall be issued in the order that each completed eligible application is received by the Authority. B. There is created within the Department the comprehensive permitting program (the Program). The Program is established to serve as a single access point to aid entrepreneurs in filling out the various

permit applications associated with establishing a small business in Virginia. The Program in no way supersedes or supplants any regulatory authority granted to any state agency with permits covered by this section. As part of the Program, the Department shall coordinate with the regulatory agency, and the regulatory agency shall determine, consistent with applicable law, what types of permits are appropriate for inclusion in the Program as well as the rules governing the submission of and payment for those permits. The website of the Department shall provide access to information regarding the Program. The Department shall have the power and duty to:

1. Create a comprehensive application that will allow an entrepreneur, or an agent thereof, seeking to establish a small business, to create accounts that will allow them to acquire the appropriate permits required in the Commonwealth. The comprehensive application shall:
 - a. Allow the business owner to choose a business type and to provide common information, such as name, address, and telephone number, on the front page, eliminating the need to repeatedly provide common information on each permit application;
 - b. Allow the business owner to preview and answer questions related to the operation of the business;
 - c. Provide business owners with a customized to-do agency checklist, which checklist shall provide the permit applications pertinent to each business type and provide the rules, regulations, and general laws applicable to each business type as well as local licensing information;
 - d. Allow the business owner to submit permit applications by electronic means as authorized by § [59.1-496](#) and to affix thereto his electronic signature as defined in § [59.1-480](#);
 - e. Allow the business owner to check on the status of applications online and to receive information from the permitting agencies electronically; and
 - f. Allow a business owner to submit electronic payment of application or permitting fees for applications that have been accepted by the permitting agency.
2. Develop and administer a computerized system program capable of storing, retrieving, and exchanging permit information while protecting the confidentiality of information submitted to the Department to the extent allowable by law. Information submitted to the Department shall be subject to the provisions of the Virginia Freedom of Information Act (§ [2.2-3700](#) et seq.) as the same would apply were the information submitted directly to the Department or to any permitting agency.
3. Issue and renew comprehensive permits in an efficient manner.
4. Identify the types of permits appropriate for inclusion in the Program. The Department shall coordinate with the regulatory agency, and the regulatory agency shall determine, consistent with applicable law, what types of permits are appropriate for inclusion in the Program.
5. Incorporate permits into the Program.
6. Do all acts necessary or convenient to carry out the purposes of this chapter.

C. Regulatory agencies shall, by November 30 of each year, provide the Department with information outlining any changes to the agency's policies and regulations. The Business Permitting Center shall compile information regarding the regulatory programs associated with each of the permits obtainable under the Program. This information shall include, at a minimum, a listing of the statutes and administrative rules requiring the permits and pertaining to the regulatory programs that are directly related to the permit. The Center shall provide information governed by this section to any person requesting it. Materials used by the Center to describe the services provided by the Center shall indicate that this information is available upon request.

D. Each state agency shall cooperate and provide reasonable assistance to the Department in the implementation of this section.

E. The State Corporation Commission and the Department of Small Business and Supplier Diversity shall by January 1, 2020, establish one or more processes by which data or information relevant to the Program can be collected and exchanged electronically.

There is established a fund to be known as the Revenue Stabilization Fund (the "Fund") for the stabilization of the expected revenues of the Commonwealth. The Fund shall be available to offset, in part, anticipated shortfalls in revenues when appropriations based on previous forecasts exceed expected revenues in subsequent forecasts.

1992, c. 316, § 2.1-191.1; 2001, c. [844](#).

§ 2.2-1829. Reports of Auditor of Public Accounts; Fund deposits and withdrawals.

A. On or before December 1 of each year, the Auditor of Public Accounts shall report to the General Assembly the certified tax revenues collected in the most recently ended fiscal year. The Auditor shall, at the same time, provide his report on (i) the limitation on the total amount in the Fund; (ii) the amount

that could be paid into the Fund; and (iii) the amount necessary for deposit for the next fiscal year into the Fund in order to satisfy the mandatory deposit requirement of Article X, Section 8 of the Constitution of Virginia. The Governor shall include any such amount in his budget bill submitted to the General Assembly pursuant to § [2.2-1509](#). A schedule of deposits may be provided for in the Appropriation Act.

B. If the report of the Auditor of Public Accounts, pursuant to subsection A, indicates that the annual percentage increase in the certified tax revenues collected in the most recently ended fiscal year is eight percent or greater than the certified tax revenues collected for the immediately preceding fiscal year and that such annual percentage increase in the certified tax revenues for the most recently ended fiscal year is also equal to or greater than 1.5 times the average annual percentage increase in the certified tax revenues collected in the six fiscal years immediately preceding the most recently ended fiscal year, the Governor shall include in his budget recommendations, submitted to the General Assembly in the subsequent session pursuant to § [2.2-1509](#), an additional amount for deposit to the Fund in excess of any mandatory deposit to the Fund required by Article X, Section 8 of the Constitution of Virginia. Such additional amount shall be equal to at least 25 percent of the product of the certified tax revenues collected in the most recently ended fiscal year multiplied by the difference between the annual percentage increase in the certified tax revenues collected for the most recently ended fiscal year and the average annual percentage increase in the certified tax revenues collected in the six fiscal years immediately preceding the most recently ended fiscal year. Any such additional deposits to the Fund shall be included in the Governor's budget recommendations submitted to the General Assembly in the subsequent session pursuant to § [2.2-1509](#) only if the estimate of general fund revenues prepared in accordance with § [2.2-1503](#) for the fiscal year in which the deposit is to be made is at least five percent greater than the actual general fund revenues for the immediately preceding fiscal year.

C. The State Comptroller shall draw such warrants as appropriated and the State Treasurer shall deposit such warrants into the Fund. No amounts shall be withdrawn from the Fund except pursuant to appropriations made by the General Assembly in accordance with § [2.2-1830](#). However, if any amounts accrue, such as through interest or dividends, to the credit of the Fund in excess of the limitation calculated by the Auditor of Public Accounts as provided in subsection E, any excess shall be paid into the general fund either from the Fund or from the Revenue Reserve Fund created pursuant to § 2.2-1831.2.

D. For the purposes of the Comptroller's preliminary and final annual reports as required by § [2.2-813](#), all balances remaining in the Fund on June 30 of each fiscal year shall be considered to be a portion of the fund balance of the general fund of the state treasury.

E. At no time shall the combined amount in the Fund and the Revenue Reserve Fund exceed 15 percent of the Commonwealth's average annual tax revenues derived from taxes on income and retail sales as certified by the Auditor of Public Accounts for the three fiscal years immediately preceding.

§ 2.2-1830. Decline in forecasted revenues.

In the event that a revised general fund forecast presented to the General Assembly reflects a decline when compared to total general fund revenues appropriated, and the decrease is more than two percent of certified tax revenues collected in the most recently ended fiscal year, the General Assembly may appropriate an amount for transfer from the Fund to the general fund to stabilize the revenues of the Commonwealth. However, in no event shall the transfer exceed more than one-half of the forecasted shortfall in revenues.

1992, c. 316, § 2.1-191.3; 2001, c. [844](#).

§ 2.2-1831. Sources or components of "general fund revenues".

Any revised general fund revenue forecast presented to the General Assembly for purposes of this article shall consist of the same revenue sources or components as those on which the total general fund revenues appropriated are based.

1992, c. 316, § 2.1-191.4; 2001, c. [844](#).

Article 4.1 - Revenue Reserve Fund

§ 2.2-1831.1. Definitions.

As used in this article, unless the context requires a different meaning:

"Budget Bill" means the Budget Bill submitted pursuant to § [2.2-1509](#), including any amendments to a general appropriation act pursuant to such section.

"Fund" means the Revenue Reserve Fund.

2018, c. [827](#).

§ 2.2-1831.2. Creation of Revenue Reserve Fund.

There is hereby created in the state treasury a special nonreverting fund to be known as the Revenue Reserve Fund, referred to in this article as "the Fund." The Fund shall be established on the books of the Comptroller. All funds appropriated for such purpose and any gifts, donations, grants, bequests, and other funds received on its behalf shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used to offset, in whole or in part, certain anticipated shortfalls in revenues when appropriations based on previous forecasts exceed expected revenues in subsequent forecasts as provided in § 2.2-1831.4.

2018, c. [827](#).

§ 2.2-1831.3. Commitment of funds for Revenue Reserve Fund.

A. On or before November 1 of each year, the Auditor of Public Accounts shall report to the General Assembly the total general fund revenues collected in the most recently ended fiscal year. The Auditor

of Public Accounts shall, at the same time, provide his report on the amount that could be paid into the Fund and the amount by which the amount in the Fund is less than the maximum amount permitted.

B. Whenever there is a fiscal year in which general fund revenues do not result in a mandatory deposit to the Revenue Stabilization Fund required by Article X, Section 8 of the Constitution of Virginia, the Comptroller shall, at the end of the fiscal year, commit within his annual report pursuant to § [2.2-813](#) the amount of the general fund revenue in excess of the official forecast for that prior fiscal year, less any deposit to the Virginia Water Quality Improvement Fund pursuant to subsection A of § [10.1-2128](#), for deposit into the Fund. Such amount committed for deposit into the Fund shall not exceed one percent of the total general fund revenues for the prior fiscal year.

C. The Governor shall include in "The Budget Bill" pursuant to § [2.2-1509](#) recommended appropriations from the general fund or recommended amendments to general fund appropriations in the general appropriation act in effect at that time an amount for deposit into the Fund at least equal to the amounts committed by the Comptroller and confirmed by the Auditor of Public Accounts for such purposes pursuant to the provisions of subsection B. A schedule of deposits may be provided in the appropriation act.

D. The State Comptroller shall draw such warrants as appropriated, and the State Treasurer shall deposit such warrants into the Fund. No withdrawal shall be made from the Fund except in accordance with § 2.2-1831.4.

E. For the purposes of the Comptroller's preliminary and final annual reports as required by § [2.2-813](#), all balances remaining in the Fund on June 30 of each fiscal year shall be considered to be a portion of the fund balance of the general fund of the state treasury. However, if any amounts accrue, such as through interest or dividends, to the credit of the Fund in excess of the limitation calculated by the Auditor of Public Accounts as provided in subsection F, any excess shall be paid into the general fund either from the Fund or from the Revenue Stabilization Fund created pursuant to § [2.2-1828](#).

F. At no time shall the combined amount in the Fund and the Revenue Stabilization Fund created pursuant to § [2.2-1828](#) exceed 15 percent of the Commonwealth's average annual tax revenues derived from taxes on income and retail sales as certified by the Auditor of Public Accounts for the three fiscal years immediately preceding.

2018, c. [827](#); 2019, c. [347](#).

§ 2.2-1831.4. Decline in forecasted revenues.

In the event that a revised general fund forecast presented to the General Assembly reflects a decline when compared with total general fund revenues appropriated, and the decrease is two percent or less of general fund resources collected in the most recently ended fiscal year, the General Assembly may appropriate an amount for transfer from the Fund, not to exceed 50 percent of the amount in the Fund, to the general fund to stabilize the revenues of the Commonwealth.

When the General Assembly is not in session, after review of the May general fund revenue collections and certification to the General Assembly that actions to curtail spending will not be sufficient to avoid a cash deficit, the Governor may withdraw amounts appropriated to the Fund to avoid such cash deficit.

2018, c. [827](#).

§ 2.2-1831.5. Sources or components of general fund revenues.

Any revised general fund revenue forecast presented to the General Assembly for purposes of this article shall consist of the same revenue sources or components as those on which the total general fund revenues appropriated are based.

2018, c. [827](#).

Article 5 - DIVISION OF RISK MANAGEMENT

§ 2.2-1832. Division of Risk Management.

The Division of Risk Management (the "Division"), formerly within the Department of General Services, is hereby transferred to the Department (the "Department") of the Treasury and shall exercise the powers and duties described in this article.

1980, c. 488, § 2.1-526.1; 1988, c. 848; 2000, cc. [618](#), [632](#), § 2.1-191.5; 2001, c. [844](#).

§ 2.2-1833. Property and insurance records to be maintained.

The Division shall establish and maintain a file of state-owned buildings and contents, hereinafter inclusively referred to as buildings or properties, and the actual cash value or replacement cost value if insured or replacement cost basis thereof, and the amount of fire and extended coverage, vandalism and malicious mischief, optional perils or all risk insurance coverage thereon. All agencies of the Commonwealth shall keep the Division informed as to the status of all properties under their control.

1980, c. 488, § 2.1-526.2; 1982, c. 318; 1988, c. 848; 2000, cc. [618](#), [632](#), § 2.1-191.6; 2001, c. [844](#).

§ 2.2-1834. Inspection of state-owned properties for insurance purposes; determination of coverage; procurement, discontinuance, etc., of insurance.

A. The Division may inspect or administer a program of self-inspection for all state-owned properties and confer with the proper officials or employees of the several agencies of the Commonwealth for the purpose of determining (i) insurance coverages that are necessary with respect to properties under their control and (ii) the manner whereby savings and costs of such insurance may be made. It may seek the assistance of insurance companies and their representatives, and the State Fire Marshal, in devising means by which hazards may be reduced or eliminated. The Division shall have final responsibility with respect to coverage, noncoverage, provisions of policies, quantity and type of fire and extended coverage, vandalism and malicious mischief, and optional perils or all risk insurance coverage. The Governor may exempt any agency, institution of higher education, or part thereof from any part of the risk management and insurance program.

B. The Division may change or discontinue fire and extended coverage, vandalism and malicious mischief, optional perils or all risk insurance coverage carried pursuant to bond indentures and other contractual requirements, provided the change or discontinuance meets with the written approval of the trustee of the bond indenture and those signatory to the contracts.

C. As its programs are implemented, the Division shall assume the sole responsibility, with the approval of the Governor, for purchasing insurance, self-insuring or combining insurance and self-insurance (i) on all properties of the Commonwealth or (ii) for protection of liabilities or other casualties.

1980, c. 488, § 2.1-526.3; 1982, c. 318; 1988, c. 848; 1996, cc. [475](#), [510](#); 2000, cc. [618](#), [632](#), § 2.1-191.7; 2001, c. [844](#).

§ 2.2-1835. State Insurance Reserve Trust Fund.

A. The State Insurance Reserve Trust Fund (the "Fund") is established and shall consist of the payments required by subsection B. The Fund shall be under the management and control of the Division, and any claims for losses payable out of the Fund shall be at the direction of the Division. The Fund shall be invested as provided in § [2.2-1806](#) and interest shall be added to the fund as earned.

B. Each agency, department, division, or institution of state government having control over any state structure and contents thereof, or that participates in any program of insurance operated by the Division, shall pay each year into the Fund or any trust fund established pursuant to the provisions of this article amounts necessary to maintain the trusts at levels of funding deemed adequate by the Division. The Division shall set the premium and administrative costs to be paid to it for providing an insurance plan established pursuant to this section. The premiums and administrative costs set by the Division shall be payable in the amounts, at the time and in the manner that the Division in its sole discretion requires. Premiums and administrative costs need not be uniform among participants, but shall be set to best ensure the financial stability of the plan. Whenever any building or structure is under the control of two or more agencies, departments, divisions or institutions of the Commonwealth, the payment required shall be prorated upon the basis of percentage of the area controlled.

C. In the event of loss or damage exceeding \$1000 to property on which there is no insurance recovery or limited insurance recovery as a consequence of any action by the Division resulting in non-coverage, reduced insurance, elimination of insured perils or otherwise, the Division shall determine the amount, if any, payable out of the Fund, and such amount, when approved by the Governor, shall be final. The amount payable shall be used for the purpose of restoring the damaged structure or rebuilding it, as the circumstances may require, but in no event shall the amount payable on account of such loss exceed the actual cash value or the replacement cost value of the property in accordance with the basis of insurance, nor shall the amount payable when added to the insurance recovered exceed the actual cash value or the replacement cost value of the property, as recorded in the property and insurance records of the Division.

D. In addition to the amounts payable under subsection C, the costs of operating the Division that are properly allocated to its functions concerning the Fund and other administrative and contractual costs of the Division not otherwise provided for shall be paid out of the Fund, for which purposes such funds are appropriated.

1980, c. 488, § 2.1-526.5; 1982, c. 318; 1988, c. 848; 1996, cc. [475](#), [510](#); 2000, cc. [618](#), [632](#), § 2.1-191.8; 2001, c. [844](#).

§ 2.2-1836. Insurance plan for state-owned buildings and state-owned contents of buildings.

A. Subject to the approval of the Governor, the Division shall establish a risk management plan that may be self-insurance or a combination of self-insurance and purchased insurance to provide coverage on (i) state-owned buildings and (ii) state-owned contents of buildings owned by the Commonwealth or of buildings not owned by the Commonwealth that are occupied in whole or in part by an agency of the Commonwealth.

B. Any insurance plan established pursuant to this section may provide, but not be limited to, physical damage coverage against the perils of (i) fire and lightning; (ii) extended coverage for windstorm, hail, smoke, explosion, other than that caused by steam pressure vessels, riot, riot attending a strike, civil commotion, aircraft and vehicles not owned by the Commonwealth; (iii) vandalism and malicious mischief; (iv) optional perils; and (v) all risk insurance.

C. Any insurance plan established pursuant to this section shall provide for the establishment of a trust fund or contribution to the State Insurance Reserve Trust Fund for the payment of claims covered under such a plan, which are not recoverable from purchased insurance. The funds shall be invested as provided in § [2.2-1806](#) and interest shall be added to the fund as earned. The trust fund shall also provide for payment of administrative costs, contractual costs and other expenses related to the administration of the plan.

D. The insurance plan for state-owned buildings and state-owned contents of buildings shall be submitted to the Governor for approval prior to implementation.

1980, c. 488, § 2.1-526.7; 1982, c. 318; 1988, c. 848; 2000, cc. [618](#), [632](#), § 2.1-191.10; 2001, c. [844](#).

§ 2.2-1837. Risk management plan for public liability.

A. Subject to the approval of the Governor, the Division shall establish a risk management plan, which may be purchased insurance, self-insurance or a combination of self-insurance and purchased insurance to provide:

1. Protection against liability imposed by law for damages resulting from any claim:

a. Made against any state department, agency, institution, board, commission, officer, agent, or employee for acts or omissions of any nature while acting in an authorized governmental or proprietary capacity and in the course and scope of employment or authorization;

- b. Made against participants, other than professional counsel, in student disciplinary proceedings at public institutions of higher education for nonmalicious acts or omissions of any nature in the course and scope of participation in the proceedings; or
- c. Resulting from an authorized indemnification agreement entered into by a public institution of higher education in the Commonwealth in accordance with this subsection.

A public institution of higher education in the Commonwealth may execute an indemnification agreement if the Governor (i) considers in advance of execution (a) the institution's analysis of the relevant public benefit and risk of liability, (b) the Division's charge to be assessed against the institution for providing insurance or self-insurance coverage for the claims resulting from the indemnification agreement, and (c) the Office of the Attorney General's comments and (ii) determines that execution is necessary to further the public's best interests.

The indemnification agreement shall limit the institution's total liability to a stated dollar amount and shall notify the contractor that the full faith and credit of the Commonwealth are not pledged or committed to payment of the institution's obligation under the agreement. However, no such institution shall be authorized to enter into an indemnification agreement in accordance with this subsection to indemnify any person or entity against damages arising from a sponsored project conducted by such institution. For the purposes of this section, a "sponsored project" is a research, instruction, or service project conducted at a public institution of higher education in the Commonwealth pursuant to a grant, cooperative agreement, or other contract;

2. Protection against tort liability and incidental medical payments arising out of the ownership, maintenance or use of buildings, grounds or properties owned or leased by the Commonwealth or used by state employees or other authorized persons in the course of their employment;

3. For the payment of attorney fees and expenses incurred in defending such persons and entities concerning any claim that (i) arises from their governmental employment or authorization, that (ii) arises from their participation in such student disciplinary proceedings, or (iii) is described in any such indemnification agreement, where the Division is informed by the Attorney General's office that it will not provide a defense due to a conflict or other appropriate reason; and

4. For the payment of attorney fees and expenses awarded to any individual or entity against the Commonwealth, or any department, agency, institution, board, commission, officer, agent, or employee of the Commonwealth for acts or omissions of any nature while acting in an authorized governmental or proprietary capacity, or in reliance upon any constitutional provision, or law of the Commonwealth. It is the obligation of the Division to provide for such indemnification regardless of whether there is a request for or an award of damages associated with the award of such fees and expenses.

a. As a condition of coverage for the payment of attorney fees and expenses, the department, agency, institution, board, commission, officer, agent, or employee of the Commonwealth shall (i) promptly notify the Division of the commencement of any claim, suit, action or other proceeding prior to its settlement, (ii) provide the Division with full nonprivileged information on the matter as requested, and (iii)

permit the Division to participate in the investigation of such claim, suit, action or other proceeding. Failure to promptly notify the Division or to reasonably cooperate may, at the Division's discretion, result in no payment or a reduced payment being made.

b. The Division shall set the premium and administrative costs to be paid to it for providing payment of attorney fees and expenses awarded pursuant to this section. The premiums and administrative costs set by the Division shall be payable in the amounts, at the time and in the manner that the Division in its sole discretion requires. Premiums and administrative costs shall be set to best ensure the financial stability of the plan.

B. Any risk management plan established pursuant to this section shall provide for the establishment of a trust fund or contribution to the State Insurance Reserve Trust Fund for the payment of claims covered under the plan. The funds shall be invested as provided in § [2.2-1806](#) and interest shall be added to the fund as earned. The trust fund shall also provide for payment of administrative costs, contractual costs, and other expenses related to the administration of such plan.

C. The risk management plan for public liability shall be submitted to the Governor for approval prior to implementation.

D. The risk management plan established pursuant to this section shall provide protection against professional liability imposed by law as provided in § [24.2-121](#), resulting from any claim made against a local electoral board, any of its members, any general registrar, or any employee of or paid assistant to a registrar for acts or omissions of any nature while acting in an authorized governmental or proprietary capacity and in the course and scope of employment or authorization, regardless of whether or not the civil action requests monetary damages, subject to the limitations of the risk management plan.

E. The risk management plan established pursuant to this section shall provide protection against any claim made against any soil and water conservation district, director, officer, agent or employee thereof, (i) arising out of the ownership, maintenance or use of buildings, grounds or properties owned, leased or maintained by any such district or used by district employees or other authorized persons in the course of their employment or (ii) arising out of acts or omissions of any nature while acting in an authorized governmental or proprietary capacity and in the course and scope of employment or authorization.

F. The risk management plan established pursuant to this section shall provide protection against professional liability imposed by law for damages resulting from any claim made against a local school board selection commission or local school board selection commission members for acts or omissions of any nature while acting in an authorized governmental or proprietary capacity and in the course and scope of authorization, subject to the limitations of the risk management plan.

G. The risk management plan established pursuant to this section shall provide coverage for any matter that involves or could involve an action or proceeding against a judge, the nature of which is designed to determine whether discipline or other sanction of the judge for malfeasance or

misfeasance is appropriate or to otherwise determine the fitness of the judge to hold office or to continue his employment. No coverage or indemnification shall be made pursuant to this subsection when the Supreme Court of Virginia finds that the judge should be censured or removed from office pursuant to Section 10 of Article VI of the Constitution of Virginia or statutes enacted pursuant thereto.

H. The risk management plan established pursuant to this section shall provide protection against claims made against chaplains by persons incarcerated in a state correctional facility, a juvenile correctional center, or a facility operated pursuant to the Corrections Private Management Act ([§ 53.1-261 et seq.](#)) arising out of services provided by the chaplains to such incarcerated persons, regardless of whether such services were provided on a volunteer basis or for compensation. For the purposes of this subsection, chaplains shall include only those persons, who, at the time any claim may arise, were acting pursuant to, and in compliance with, an agreement between the chaplain or an organization to which the chaplain belongs, and the Department of Corrections, the Department of Juvenile Justice, or an operator of a facility operated pursuant to the Corrections Private Management Act.

§ 2.2-1838. Insurance of state motor vehicles.

A. Subject to the approval of the Governor, the Division shall establish a risk management plan, which may be purchased insurance, self-insurance or a combination of self-insurance and purchased insurance to provide (i) protection for the Commonwealth, its officers and employees and other authorized persons against tort liability and incidental medical payments arising out of the ownership, maintenance or use of motor vehicles owned or leased by the Commonwealth or used by state employees or other authorized persons in the course of their employment; and (ii) for payment of attorneys' fees and expenses incurred in defending such persons and entities concerning any claim that arises from their governmental employment or authorization where the Division is informed by the Attorney General's office that it will not provide a defense due to a conflict or other appropriate reason.

B. The risk management plan shall provide for the establishment of a trust fund or a contribution to the State Insurance Reserve Trust Fund for the payment of claims covered under the plan arising out of the ownership, maintenance or use of motor vehicles owned or leased by the Commonwealth or used by state employees or other authorized persons in the course of their employment. The funds shall be invested as provided in [§ 2.2-1806](#) and interest shall be added to the fund as earned. The plan shall also provide for payment of the expenses related to the administration of a motor vehicle insurance program for the Commonwealth. The risk management plan shall be submitted to the Governor for approval prior to implementation.

C. Any risk management plan for state motor vehicles established pursuant to this section shall provide (i) protection against the uninsured motorist at limits not less than those provided in [§ 46.2-100](#), (ii) incidental medical payments of not less than \$5,000 per person to state employees and other

authorized persons, and (iii) recovery of damages for loss of use of a motor vehicle, as provided in § [8.01-66](#).

1980, c. 488, § 2.1-526.6; 1982, c. 318; 1988, c. 848; 2000, cc. [618, 632](#), § 2.1-191.9; 2001, c. [844](#).

§ 2.2-1839. Risk management plans administered by the Department of the Treasury's Risk Management Division for political subdivisions, constitutional officers, etc.

A. The Division shall establish one or more risk management plans specifying the terms and conditions for coverage, subject to the approval of the Governor, and which plans may be purchased insurance, self-insurance or a combination of self-insurance and purchased insurance to provide protection against liability imposed by law for damages and against incidental medical payments resulting from any claim made against any county, city or town; authority, board, or commission; sanitation, soil and water, planning or other district; public service corporation owned, operated or controlled by a locality or local government authority; constitutional officer; state court-appointed attorney; any attorney for any claim arising out of the provision of pro bono legal services for custody and visitation to an eligible indigent person under a program approved by the Supreme Court of Virginia or the Virginia State Bar; any receiver for an attorney's practice appointed under § [54.1-3900.01](#) or [54.1-3936](#); any attorney authorized by the Virginia State Bar for any claim arising out of the provision of pro bono legal services in a Virginia State Bar approved program; affiliate or foundation of a state department, agency or institution; any clinic that is organized in whole or primarily for the delivery of health care services without charge; volunteer drivers for any nonprofit organization providing transportation for persons who are elderly, disabled, or indigent to medical treatment and services, provided the volunteer driver has successfully completed training approved by the Division; any local chapter or program of the Meals on Wheels Association of America or any area agency on aging, providing meal and nutritional services to persons who are elderly, homebound, or disabled, and volunteer drivers for such entities who have successfully completed training approved by the Division; any individual serving as a guardian or limited guardian as defined in § [64.2-2000](#) for any individual receiving services from a community services board or behavioral health authority or from a state facility operated by the Department of Behavioral Health and Developmental Services; for nontransportation-related state construction contracts less than \$500,000, where the bid bond requirements are waived, prospective contractors shall be prequalified for each individual project in accordance with § [2.2-4317](#); or the officers, agents or employees of any of the foregoing for acts or omissions of any nature while in an authorized governmental or proprietary capacity and in the course and scope of employment or authorization.

For the purposes of this section, "delivery of health care services without charge" shall be deemed to include the delivery of dental, medical or other health services when a reasonable minimum fee is charged to cover administrative costs.

For purposes of this section, a sheriff or deputy sheriff shall be considered to be acting in the scope of employment or authorization when performing any law-enforcement-related services authorized by the sheriff, and coverage for such service by the Division shall not be subject to any prior notification to or authorization by the Division.

B. In any case in which the coverage provided by one or more risk management plans established pursuant to this section applies, no sheriff or deputy shall be liable for any verdict or civil judgment in his individual capacity in excess of the approved maximum coverage amount as established by the Division and set forth in the respective coverage plans, which shall be at least \$1.5 million for sheriffs and deputies. If a jury returns an award in excess of \$1.5 million, the judge shall reduce the award and enter judgment against the sheriff or deputy for such damages in the amount of \$1.5 million, provided that this shall not affect the ability of a court to order a remittitur. Nothing in this subsection shall be construed to limit the ability of a plaintiff to pursue the full amount of any judgment against a sheriff or deputy from any available insurance coverage. To the extent that any such award exceeds the coverage available under such risk management plans, the sheriff and any deputy shall be considered immune defendants under subsection F of § [38.2-2206](#). Automobile insurance carried by a sheriff or deputy in his personal capacity shall not be available to satisfy any verdict or civil judgment under the circumstances in which coverage is provided by one or more risk management plans.

C. Participation in the risk management plan shall be voluntary and shall be approved by the participant's respective governing body or by the State Compensation Board in the case of constitutional officers; by the office of the Executive Secretary of the Virginia Supreme Court in the case of state court-appointed attorneys, including attorneys appointed to serve as receivers under § [54.1-3900.01](#) or [54.1-3936](#), or attorneys under Virginia Supreme Court approved programs; by the Virginia State Bar in the case of attorneys providing pro bono services under Virginia State Bar approved programs; by the Commissioner of the Department of Behavioral Health and Developmental Services for any individual serving as a guardian or limited guardian for any individual receiving services from a state facility operated by the Department or by the executive director of a community services board or behavioral health authority for any individual serving as a guardian or limited guardian for any individual receiving services from the board or authority; and by the Division. Upon such approval, the Division shall assume sole responsibility for plan management, compliance, or removal. The Virginia Supreme Court shall pay the cost for coverage of eligible persons performing services in approved programs of the Virginia Supreme Court. The Virginia State Bar shall pay the cost for coverage of eligible attorneys providing pro bono services in Virginia State Bar approved programs. The Department of Behavioral Health and Developmental Services shall be responsible for paying the cost of coverage for eligible persons performing services as a guardian or limited guardian for any individual receiving services from a state facility operated by the Department. The applicable community services board or behavioral health authority shall be responsible for paying the cost of coverage for eligible persons performing services as a guardian or limited guardian for individuals receiving services from the board or authority.

D. The Division shall provide for the legal defense of participating entities and shall reserve the right to settle or defend claims presented under the plan. All prejudgment settlements shall be approved in advance by the Division.

All moneys in excess of that required to be paid to private partners, as determined by the CIO, shall be reported to the Comptroller and retained in the Fund. The CIO shall prepare an annual report to the Governor, the Secretary, and General Assembly on all contracts under this subsection, describing each information technology program or project, its progress, revenue impact, and such other information as may be relevant.

§ 2.2-2012.1. Major information technology project procurement; terms and conditions.

A. For purposes of this section, "supplier" means an offeror with whom the Commonwealth has entered into a contract for a major information technology project.

B. Except as provided in subsection C, in any contract for a major information technology project, terms and conditions relating to the indemnification obligations and liability of a supplier shall be reasonable and shall not exceed in aggregate twice the value of the contract. There shall be no limitation on the liability of a supplier for (i) the intentional or willful misconduct, fraud, or recklessness of a supplier or any employee of a supplier or (ii) claims for bodily injury, including death, and damage to real property or tangible personal property resulting from the negligence of a supplier or any employee of a supplier.

C. If the CIO believes that a major information technology project presents an exceptional risk to the Commonwealth, he shall conduct a risk assessment prior to the issuance of a Request for Proposal. Such risk assessment shall include consideration of the nature, processing, and use of sensitive or personally identifiable information. If the risk assessment concludes that the project presents an exceptional risk to the Commonwealth and the limitation of liability amount provided in subsection B is not

reasonably adequate to protect the interest of the Commonwealth, the CIO may recommend and request approval by the Secretary of Administration to increase the limitation of liability amount.

The CIO shall make such recommendation in writing setting forth the reasons that the limitations in subsection B are not adequate to protect the Commonwealth's interests. The recommendation shall describe the risks presented to the Commonwealth and how those risks are not sufficiently mitigated by the expected terms and conditions associated with the Request for Proposal. The CIO shall recommend a reasonable maximum alternative limitation of liability amount that is a multiple of the contract value, with the same exceptions to the limitation as provided in subsection B.

The Secretary of Administration shall review and may approve any recommended maximum alternative limitation of liability amount to be included in any Request for Proposal issued for the project. The CIO shall annually publish a list of all approvals granted under this subsection pertaining to any Request for Proposal issued in the previous 12-month period.

D. Notwithstanding the provisions of this section, the Commonwealth may agree to a lower limitation for any contract subject to subsection B or C.

A. There is established the Information Technology and Management Internal Service Fund to be administered by VITA.

B. There is established the Acquisition Services Special Fund to be administered by VITA and used to finance procurement and contracting activities and programs unallowable for federal fund reimbursement.

C. Upon written request of the CIO, the Joint Legislative Audit and Review Commission may direct the Comptroller to establish internal service fund accounts on his books and record the receipts and expenditures for appropriate functions of VITA. Charges for services rendered sufficient to offset costs involved in these operations shall be established.

D. All users of services provided for in this chapter administered by VITA shall be assessed a surcharge, which shall be deposited in the appropriate fund. This charge shall be an amount sufficient to allow VITA to finance the operations and staff of the services offered.

E. Additional moneys necessary to establish these funds or provide for the administration of the activities of VITA may be advanced from the general account of the state treasury.

F. The CIO shall direct that the following activities be conducted with respect to VITA's internal service funds:

1. VITA shall establish fee schedules for the collection of fees from users when general fund appropriations are not available for the services rendered.

2. VITA shall develop and implement information, billing, and collections methods that will assist state agencies in analyzing and effectively managing their use of VITA's services, and which will allow VITA to forecast service demands and balances of its internal service funds.

3. By September 1 of each year, VITA shall submit biennial projections of future revenues and expenditures for each internal service fund and estimates of any anticipated changes to fee schedules to the Joint Legislative Audit and Review Commission and the Department of Planning and Budget.

4. In the event that changes to fee schedules or rates are required, the CIO shall submit documentation to the Joint Legislative Audit and Review Commission and the Department of Planning and Budget no later than September 1 prior to the fiscal year in which the new or revised rates are to take effect so that the impact of the rate changes can be considered for inclusion in the executive budget submitted to the General Assembly pursuant to § [2.2-1508](#). In emergency circumstances, deviations from this approach shall be approved in advance by the Joint Legislative Audit and Review Commission.

§ 2.2-2016.1. Additional powers and duties of the CIO relating to project management.

A. The CIO shall have the following duties related to the management of information technology projects:

1. Develop policies, standards, and guidelines that require the Division to review and recommend to the CIO Commonwealth information technology projects proposed by executive branch agencies. Such policies, standards, and guidelines shall include in the review an assessment of the (i) degree to which the project is consistent with the Commonwealth's overall strategic plan; (ii) technical feasibility of the project; (iii) benefits to the Commonwealth of the project, including customer service improvements; (iv) risks associated with the project; (v) continued funding requirements; and (vi) past performance by the executive branch agency on other projects.
 2. Develop a Commonwealth Project Management Standard for information technology projects by executive branch agencies that establishes a methodology for the initiation, planning, execution, and closeout of information technology projects and related procurements. Such methodology shall include the establishment of appropriate oversight for information technology projects. The basis for the governance and oversight of information technology projects shall include, but not be limited to, an assessment of the project's risk and complexity. All executive branch agencies shall conform to the requirements of the Commonwealth Project Management Standard.

The CIO shall disapprove any Commonwealth information technology projects that do not conform to the Commonwealth strategic plan for information technology developed and approved pursuant to subdivision A 3 of § [2.2-2007.1](#) or to the strategic plan of executive branch agencies developed and approved pursuant to § [2.2-2014](#).
 6. Establish Internal Agency Oversight Committees and Secretariat Oversight Committees as necessary and in accordance with § [2.2-2021](#).
- B. The CIO may direct the modification, termination, or suspension of any Commonwealth information technology project that, as the result of a periodic review authorized by subdivision A 5 of § [2.2-2007](#), has not met the performance measures agreed to by the CIO and sponsoring executive branch agency, or if he otherwise deems such action appropriate and consistent with the terms of any affected contracts.

Nothing in this subsection shall be construed to supersede the responsibility of a governing board for the management and operation of a public institution of higher education.

The provisions of this subsection shall not apply to research projects, research initiatives, or instructional programs at public institutions of higher education. However, technology investments in research projects, research initiatives, or instructional programs at such institutions estimated to cost \$1 million or more of general fund appropriations may be reviewed as provided in subdivision A 5 of § [2.2-2007](#). The CIO and the Secretary of Education, in consultation with public institutions of higher education, shall develop and provide to such institution criteria to be used in determining whether projects are mission-critical.

Article 3 - VIRGINIA TECHNOLOGY INFRASTRUCTURE FUND

§ 2.2-2022. Definitions; purpose.

A. As used in this article, unless the context requires a different meaning:

"Costs" means the reasonable and customary charges for goods and services incurred or to be incurred in major information technology projects.

"Technology infrastructure" means telecommunications, automated data processing, word processing and management information systems, and related information, equipment, goods and services.

B. In order for the Commonwealth to take advantage of technological applications in providing services and solving problems of Virginia's citizens, there is a need to reinvest savings that accrue from increased usage of technology into new and emerging technologies that will provide for both greater efficiencies and better responsiveness. The purpose of this article is to create the Virginia Technology Infrastructure Fund (the Fund). The Fund shall make moneys available to state agencies and institutions of higher education for major information technology projects.

B. The Fund shall consist of: (i) the transfer of general and nongeneral fund appropriations from executive branch agencies which represent savings that accrue from reductions in the cost of information technology and communication services; (ii) the transfer of general and nongeneral fund appropriations from executive branch agencies which represent savings from the implementation of information technology enterprise projects; (iii) funds identified pursuant to subsection C of § [2.2-2007](#); (iv) such general and nongeneral fund fees or surcharges as may be assessed to executive branch agencies for enterprise technology projects; (v) gifts, grants, or donations from public or private sources; and (vi) such other funds as may be appropriated by the General Assembly. Savings shall be as identified by the CIO through a methodology reviewed by the ITAC and approved by the Secretary of Finance. The Auditor of Public Accounts shall certify the amount of any savings identified by the CIO. For public institutions of higher education, however, savings shall consist only of that portion of total savings that represent general funds. The State Comptroller is authorized to transfer cash consistent with

appropriation transfers. Appropriated funds from federal sources are exempted from transfer. Except for funds to pay private partners as authorized in subsection C of § [2.2-2007](#), moneys in the Fund shall only be expended as provided by the appropriation act.

Interest earned on the Fund shall be credited to the Fund. The Fund shall be permanent and non-reverting. Any unexpended balance in the Fund at the end of the biennium shall not be transferred to the general fund of the state treasury.

Part D - State Authorities, Boards, Commissions, Councils, Foundations and Other Collegial Bodies

Chapter 21 - General Provisions

§ 2.2-2100. Classification of executive branch boards, commissions and councils.

A. Effective July 1, 1986, every collegial body established by law or executive order within the executive branch of state government shall be classified according to its level of authority as follows:

"Advisory" -- A board, commission or council shall be classified as advisory when its purpose is to provide advice and comment to an executive branch agency or office. An advisory board, commission or council serves as a formal liaison between the agency or office and the public to ensure that the agency or office understands public concerns and that the activities of the agency or office are communicated to the public. An advisory board, commission or council does not serve a regulatory or rule-making purpose. It may participate in the development of public policy by providing comment and advice.

"Policy" -- A board, commission or council shall be classified as policy if it is specifically charged by statute to promulgate public policies or regulations. It may also be charged with adjudicating violations of those policies or regulations. Specific functions of the board, commission or council may include, but are not limited to, rate setting, distributing federal funds, and adjudicating regulatory or statutory violations, but each power shall be enumerated by law. Policy boards, commissions or councils are not responsible for supervising agencies or employing personnel. They may review and comment on agency budget requests.

"Supervisory" -- A board, commission, or council shall be classified as supervisory if it is responsible for agency operations including approval of requests for appropriations. A supervisory board, commission, or council appoints the agency director and ensures that the agency director complies with all board and statutory directives. The agency director is subordinate to the board. Notwithstanding the foregoing, the Board of Education shall be considered a supervisory board.

B. Each executive branch board, commission or council shall be assigned only one of the above classifications. The classification for boards and councils that are created by law shall be designated by the enabling legislation. The classification for commissions that are created by executive order shall be designated by the executive order.

Members of the General Assembly shall be ineligible to serve on boards, commissions, and councils within the executive branch of state government who are responsible for administering programs established by the General Assembly. Such prohibition shall not extend to boards, commissions, and councils engaged solely in policy studies or commemorative activities. If any law directs the appointment of any member of the General Assembly to a board, commission, or council in the executive branch of state government that is responsible for administering programs established by the General Assembly, such portion of such law shall be void, and the Governor shall appoint another person from the Commonwealth at large to fill such a position.

In order to facilitate and coordinate the advancement of these needs, there is hereby created the Virginia Commercial Space Flight Authority, with the powers and duties set forth in this article, as a public body corporate and as a political subdivision of the Commonwealth. The Authority is constituted as a public instrumentality exercising public functions, and the exercise by the Authority of the powers and duties conferred by this article shall be deemed and held to be the performance of an essential government function of the Commonwealth and a public purpose.

7. The establishment of performance indicators to be used for the Authority covering the term of the plan.

2012, cc. [779](#), [817](#); 2017, c. [633](#).

§ 2.2-2203.3. Employees; employment; personnel rules.

A. Employees of the Authority shall be employed on such terms and conditions as established by the Board. The Board shall develop and adopt personnel rules, policies, and procedures to give its employees grievance rights, ensure that employment decisions shall be based upon the merit and fitness of applicants, and prohibit discrimination on the basis of race, religion, color, sex, sexual orientation, gender identity, or national origin.

B. Any employee of the Virginia Commercial Space Flight Authority who is a member of any plan providing health insurance coverage pursuant to Chapter 28 ([§ 2.2-2800 et seq.](#)) shall continue to be a member of such health insurance plan under the same terms and conditions. Notwithstanding subsection A of [§ 2.2-2818](#), the costs of providing health insurance coverage to such employees who elect to continue to be members of the state employees' health insurance plan shall be paid by the Authority. Alternatively, an employee may elect to become a member of any health insurance plan established by the Authority. The Authority is authorized to (i) establish a health insurance plan for the benefit of its employees and (ii) enter into agreements with the Department of Human Resource Management providing for the coverage of its employees under the state employees' health insurance plan, provided that such agreements require the Authority to pay the costs of providing health insurance coverage under such plan.

C. Any retired employee of the Virginia Commercial Space Flight Authority shall be eligible to receive the health insurance credit set forth in [§ 51.1-1400](#), provided the retired employee meets the eligibility criteria set forth in that section.

D. The Authority is hereby authorized to establish one or more retirement plans for the benefit of its employees (the Authority retirement plan). For purposes of such plans, the provisions of [§ 51.1-126.4](#) shall apply, mutatis mutandis. Any Authority employee who is a member of the Virginia Retirement System or other retirement plan as authorized by Article 4 ([§ 51.1-125 et seq.](#)) of Chapter 1 of Title 51.1 (the statutory optional retirement plan) at the time the Authority retirement plan becomes effective shall continue to be a member of the Virginia Retirement System or the statutory optional retirement plan under the same terms and conditions, unless such employee elects to become a member of the Authority retirement plan. For purposes of this subsection, the "Virginia Retirement System" shall include any hybrid retirement program established under Title 51.1.

The following rules shall apply:

1. The Authority shall collect and pay all employee and employer contributions to the Virginia Retirement System or the statutory optional retirement plan for retirement and group life insurance in accordance with the provisions of Chapter 1 ([§ 51.1-124.1 et seq.](#)) of Title 51.1 for any employee who elects to remain a member of the Virginia Retirement System or a statutory optional retirement plan.
2. Employees who elect to become members of the Authority retirement plan shall be given full credit for their creditable service as defined in [§ 51.1-124.3](#) and vesting and benefit accrual under the Authority retirement plan. For any such employee, employment with the Authority shall be treated as employ-

ment with any nonparticipating employer for purposes of the Virginia Retirement System or any statutory optional retirement plan.

3. For employees who elect to become members of the Authority retirement plan, the Virginia Retirement System or the statutory optional retirement plan, as applicable, shall transfer to the Authority retirement plan assets equal to the actuarially determined present value of the accrued basic benefits for such employees as of the transfer date. For purposes hereof, "basic benefits" means the benefits accrued under the Virginia Retirement System or under the statutory optional retirement plan based on creditable service and average final compensation as defined in § [51.1-124.3](#). The actuarial present value shall be determined by using the same actuarial factors and assumptions used in determining the funding needs of the Virginia Retirement System or the statutory optional retirement plan so that the transfer of assets to the Authority retirement plan will have no effect on the funded status and financial stability of the Virginia Retirement System or the statutory optional retirement plan. The Authority shall reimburse the Virginia Retirement System for the cost of actuarial services necessary to determine the present value of the accrued basic benefit of employees who transfer to an Authority retirement plan.

4. The Authority may provide that employees of the Authority who are eligible to participate in any deferred compensation plan sponsored by the Authority shall be enrolled automatically in such plan, unless such employee elects, in a manner prescribed by the Board of the Authority, not to participate. The amount of the deferral under the automatic enrollment and the group of employees to which the automatic enrollment shall apply shall be set by the Board, provided, however, that such employees are provided the opportunity to increase or decrease the amount of the deferral in accordance with the Internal Revenue Code of 1986, as amended.

E. The Authority is hereby authorized to establish a plan providing short-term disability and long-term disability benefits for its employees.

2012, cc. [779](#), [817](#); 2020, c. [1137](#).

§ 2.2-2203.4. Trust for postemployment benefits authorized; administration.

A. The Authority is hereby authorized to establish and maintain a trust or equivalent arrangement for the purpose of accumulating and investing assets to fund postemployment benefits other than pensions, as defined herein. Such trust or equivalent arrangement shall be irrevocable. The assets of such trust or similar arrangement (i) shall be dedicated to providing benefits to retirees and their beneficiaries in accordance with the terms of the plan or programs providing postemployment benefits other than pensions and (ii) shall be exempt from taxation and execution, attachment, garnishment, or any other process against the Authority or a retiree or beneficiary. The funds of the trust or similar arrangement shall be deemed separate and independent trust funds, shall be segregated from all other funds of the Authority, and shall be invested and administered solely in the interests of the active or former employees (and their dependents or beneficiaries) entitled to postemployment benefits other than pensions.

B. The Authority may make appropriations to any such trust or equivalent arrangement, and the Authority may require active and former employees covered by a postemployment benefit program to contribute to the trust or equivalent arrangement through payments or deductions from their wages, salaries, or pensions.

C. Nothing in this section shall be construed to inhibit the Authority's right to revise or discontinue its plans or programs providing such postemployment benefits other than pensions for its active and former officers and employees as it may deem necessary. If all plans or programs providing such postemployment benefits other than pensions for which the trust or equivalent arrangement is established are repealed or terminated by the Authority, then there shall be no continuing responsibility of the Authority to continue to make appropriations to such trust or equivalent arrangement, and the assets of such trust or equivalent arrangement shall be used to provide any benefits continuing to be due to active or former employees (and their dependents or beneficiaries) under such plans or programs. If there are no active or former employees (or dependents or beneficiaries) due a benefit under any plan or program providing such postemployment benefits other than pensions for which the trust or equivalent arrangement was established, then any remaining assets may revert to the Authority.

D. Postemployment benefits other than pensions shall be defined by the Authority pursuant to applicable accounting standards and law. Such benefits may include, but are not limited to, medical, prescription drug, dental, vision, hearing, life, or accident insurance (not provided through a pension plan), long-term care benefits, and long-term disability benefits (not covered under a pension plan) provided to individuals who have terminated their service and to the dependents of such individuals, and may be provided by purchasing insurance, by a program of self-insurance, or by a combination of both. However, postemployment benefits other than pensions shall not include defined benefit pension plans for retirees and eligible dependents of retirees, termination benefits, or other pension benefits. Such postemployment benefits other than pensions may be provided to the officers and employees or to their dependents, estates, or designated beneficiaries. Any benefits arising from any postemployment benefits other than pension programs shall be clearly defined and strictly construed.

E. Notwithstanding any other provision of law, the moneys and other property comprising the trust or equivalent arrangement established hereunder shall be invested, reinvested, and managed by the Authority or the trust company or bank having powers of a trust company within or without the Commonwealth that is selected by the Board to act as a trustee for the trust or equivalent arrangement with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of like character and with the same aims. Such investments shall be diversified so as to minimize the risk of large losses unless under the circumstances it is clearly prudent not to do so. Such investments shall not be limited by Chapter 45 (§ 2.2-4500 et seq.).

2012, cc. 779, 817.

However, the total principal amount of bonds, including refunding bonds, outstanding at any time shall not exceed \$50 million,

excluding from such limit any revenue bonds. The Authority shall not issue any bonds, other than revenue bonds, that are not specifically authorized by a bill or resolution passed by a majority vote of those elected to each house of the General Assembly;

9. Make and enter into all contracts and agreements necessary or incidental to the performance of its duties, the furtherance of its purposes, and the execution of its powers under this article, including interstate compacts that have been authorized by the General Assembly and where necessary consented to by the United States Congress and agreements with any person or federal agency;

1995, c. [758](#), § 9-266.5; 1996, c. [111](#); 2001, c. [844](#); 2012, cc. [779](#), [817](#); 2017, c. [633](#).

§ 2.2-2205. Form, terms, execution and sale of bonds; use of proceeds; interim receipts or temporary bonds; lost or destroyed bonds; faith and credit of state and political subdivisions not pledged; expenses.

The bonds of each issue shall be dated, shall bear interest at such rates as are fixed by the Authority, or as may be determined in such manner as the Authority may provide, including the determination by agents designated by the Authority under guidelines established by the Authority, shall mature at such time not exceeding forty years from their date as may be determined by the Authority, and may be made redeemable before maturity, at the option of the Authority, at such price and under such terms and conditions as may be fixed by the Authority prior to the issuance of the bonds. The Authority shall determine the form of bonds and their manner of execution, and shall fix the denomination of the bonds and the place of payment of principal and interest, which may be at any bank or trust company within or without the Commonwealth. The bonds shall be signed by the chairman or vice-chairman of the Authority or, if so authorized by the Authority, shall bear his facsimile signature, and the official seal of the Authority, or, if so authorized by the Authority, a facsimile thereof shall be impressed or imprinted thereon and attested by the secretary or any assistant secretary of the Authority, or, if so authorized by the Authority, with the facsimile signature of such secretary or assistant secretary. Any coupons attached to bonds issued by the Authority shall bear the signature of the chairman or vice-chairman of the Authority or a facsimile thereof. In case any officer whose signature or a facsimile of whose signature appears on any bonds or coupons ceases to be an officer before the delivery of the bonds, his signature or facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery and any bonds may bear the facsimile signature of, or may be signed by, such persons as at the actual time of the execution of such bonds shall be the proper officers to sign such bonds although at the date of such bonds such persons may not have been such officers. The bonds may be issued in coupon or in registered form, or both, as the Authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, for the reconversion into coupon bonds of any bonds registered as to both principal and interest, and for the interchange of registered and coupon bonds. Bonds issued in registered form may be issued under a system of book-entry for recording the ownership and transfer of ownership of rights to receive payment of principal of, and premium on, if any, and interest on such bonds. The Authority may contract for the services of one or more banks, trust companies, financial institutions or other entities or persons, within or without the Commonwealth for the authentication, registration, transfer, exchange and payment of the bonds, or may provide such services itself. The Authority may sell such bonds in such manner, either at public or private sale, and for such price as it may determine will best effect the purposes of this article.

The proceeds of the bonds of each issue shall be used solely for the purposes, and in furtherance of the powers, of the Authority as may be provided in the resolution authorizing the issuance of such bonds or in a trust agreement authorized by § [2.2-2206](#) securing the bonds.

In addition to the above powers, the Authority may issue interim receipts or temporary bonds as provided in § [15.2-2616](#) and execute and deliver new bonds in place of bonds mutilated, lost or destroyed, as provided in § [15.2-2621](#).

No obligation of the Authority shall be deemed to constitute a debt, or pledge of the faith and credit, of the Commonwealth or of any political subdivision thereof, but shall be payable solely from the revenues and other funds of the Authority pledged thereto. All such obligations shall contain on the face thereof a statement to the effect that the Commonwealth, any political subdivision thereof and the Authority shall not be obligated to pay the same or the interest thereon except from revenues and other funds of the Authority pledged thereto, and that neither the faith and credit nor the taxing power of the Commonwealth or of any political subdivision thereof is pledged to the payment of the principal of or the interest on such obligations.

All expenses incurred in carrying out the provisions of the act shall be payable solely from funds provided under the provisions of this act, and no liability shall be incurred by the Authority beyond the extent to which moneys have been provided under the provisions of this article.

In the discretion of the Authority, any bonds issued under the provisions of this article may be secured by a trust indenture or agreement by and between the Authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the Commonwealth. The trust indenture or agreement or the resolution providing for the issuance of the bonds may (i) pledge or assign the revenues to be received and provide for the mortgage of any project or property or any part thereof and (ii) contain provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants providing for the repossession and sale by the Authority or any trustees under any trust indenture or agreement of any project, or part thereof, upon any default under the lease or sale of such project, setting forth the duties of the Authority in relation to the acquisition of property and the planning, development, acquisition, construction, rehabilitation, establishment, improvement, extension, enlargement, maintenance, repair, operation and insurance of the project in connection with which the bonds shall have been authorized; the amounts of rates, rents, fees and other charges to be charged; the collection of such rates, rents, fees and other charges; the custody, safeguarding and application of all moneys; and conditions or limitations with respect to the issuance of additional bonds. It shall be lawful for any national bank with its main office in the Commonwealth or any other state or any bank or trust company incorporated under the laws of the Commonwealth or another state that may act as depository of the proceeds of bonds or of revenues to furnish the indemnifying bonds or to pledge the securities required by the Authority. Any trust indenture or agreement or resolution may set forth the rights of action by bondholders. In addition to the foregoing, any such trust indenture or agreement or resolution may contain such other provisions as the Authority may deem reasonable and proper for the security of the bondholders including, without limitation, provisions for the assignment to a

corporate trustee or escrow agent of any rights of the Authority in any project owned by, or leases or sales of any projects made by, the Authority. All expenses incurred in carrying out the provisions of the trust indenture or agreement or resolution or other agreements relating to any project, including those to which the Authority may not be a party, may be treated as a part of the cost of the operation of the project or projects.

The resolution authorizing the bonds of any issue or the trust indenture or agreement or resolution securing such bonds shall provide that any officer with whom, or any bank or trust company with which, such moneys shall be deposited shall act as a trustee of such moneys and shall hold and apply the same for the purposes hereof, subject to the regulations as this article and the trust indenture or agreement or resolution may provide.

1995, c. [758](#), § 9-266.8; 2001, c. [844](#).

§ 2.2-2208. Proceedings by bondholder or trustee to enforce rights.

Any holder of bonds issued under the provisions of this article or any of the coupons appertaining thereto, and the trustee under any trust indenture or agreement or resolution, except to the extent the rights given may be restricted by the trust indenture or agreement or resolution authorizing the issuance of the bonds, may either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the Commonwealth or granted hereunder or under the trust indenture or agreement or resolution, and may enforce and compel the performance of all duties required by this article or by the trust indenture or agreement or resolution to be performed by the Authority or by any officer thereof, including the fixing, charging, and collecting of rates, rentals, fees, and other charges.

§ 2.2-2264. Revenue bonds generally.

The Authority may, with the consent of the Governor, provide for the issuance of revenue bonds of the Authority for the purpose of paying all or any part of the cost of any one or more projects or portions thereof. The principal of and the interest on such bonds shall be payable solely from the funds provided in this article for such payment. Any bonds of the Authority issued pursuant to this article shall not constitute a debt of the Commonwealth, or any political subdivision thereof other than the Authority, and shall so state on their face. Neither the members of the Authority nor any person executing the bonds shall be liable personally by reason of the issuance thereof. The bonds of each issue shall be dated, shall bear interest, shall mature at such time not exceeding forty years from their date as determined by the Authority, and may be made redeemable before maturity, at the option of the Authority, at such price and under such terms and conditions as determined by the Authority, prior to the issuance of the bonds. The Authority shall determine the form and the manner of execution of the bonds, including any interest coupons to be attached thereto, and shall fix the denominations of the bonds and the places of payment of principal and interest, which may be at any bank or trust company within or without the Commonwealth. In case any officer whose signature or a facsimile of whose signature appears on any bonds or coupons shall cease to be such officer before the delivery of the bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes as if he had remained in office until such delivery. The bonds may be issued in coupon or in registered form or both, as the Authority may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, for the reconversion into

coupon bonds of any bonds registered as to both principal and interest, and for the interchange of registered and coupon bonds. The Authority may sell such bonds in a manner, either at public or private sale, and for such price as it determines will best effect the purposes of this article.

The proceeds of the bonds of each issue shall be used solely for the payment of the cost of the projects for which such bonds shall have been issued, and shall be disbursed in the manner and under the restrictions, if any, the Authority may provide in the resolution authorizing the issuance of such bonds or in the trust agreement securing the bonds. If the proceeds of the bonds of any issue, by error of estimates or otherwise, is less than the cost, additional bonds may be issued to provide the amount of such deficit, and, unless otherwise provided in the resolution authorizing the issuance of the bonds or in the trust agreement securing the bonds, shall be deemed to be entitled to payment from the same fund without preference or priority of the bonds first issued. If the proceeds of the bonds of any issue shall exceed such cost, the surplus shall be deposited to the credit of the sinking fund for such bonds, or may be applied to the payment of the cost of any additional projects.

Prior to the preparation of definitive bonds, the Authority may, under like restrictions issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Authority may also provide for the replacement of any bonds that shall become mutilated or shall be destroyed or lost. Bonds may be issued under the provisions of this article without obtaining the consent of any department, division, commission, board, bureau or agency of the Commonwealth, and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things that are specifically required by this article.

1981, c. 569, § 2.1-234.14; 1998, cc. [498](#), [504](#); 2001, c. [844](#).

§ 2.2-2265. Trust agreement securing bonds.

In the discretion of the Authority any bonds issued under the provisions of this article may be secured by a trust agreement by and between the Authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the Commonwealth. The trust agreement or the resolution providing for the issuance of the bonds may pledge or assign the revenues to be received, but shall not convey or mortgage any project or any part thereof. The trust agreement or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Authority in relation to the acquisition of property and the acquisition, construction, establishment, improvement, extension, enlargement, maintenance, repair, operation and insurance of the project in connection with which the bonds have been authorized, the rates and fees to be charged, the custody, safeguarding and application of all moneys, and conditions or limitations with respect to the issuance of additional bonds. It shall be lawful for any bank or trust company incorporated under the laws of the Commonwealth which may act as depository of the proceeds of bonds or of revenues to furnish the indemnifying bonds or to pledge the securities required by the Authority. Any such trust agreement may set forth the rights of action by

bondholders. In addition to the foregoing, any such trust agreement or resolution may contain such other provisions as the Authority deems reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of a trust agreement or resolution may be treated as a part of the cost of the operation of the project.

§ 2.2-2266. Rents, fees and charges for financing or refinancing, services or use of facilities; use and disposition of revenues.

The Authority may fix, revise, charge, and collect rates, fees, and other charges for the financing or refinancing of, the use of or for the services and facilities furnished by each project and the different parts thereof, and to contract with any agency, commission, political subdivision or other entity desiring the use of any part thereof, and to fix the terms, conditions, rents, and rates of charges for such use or financing or refinancing. Such rates, fees, and other charges shall be fixed and adjusted so that revenues of the Authority, together with any other available funds, will be sufficient at all times to pay (i) the cost of maintaining, repairing and operating such project and (ii) the principal of and the interest on the related bonds as they become due and payable, and to create reserves for such purposes. Such rates, fees, and other charges shall not be subject to supervision or regulation by any other commission, board, bureau, or agency of the Commonwealth. The revenues derived from the project in connection with which the bonds have been issued, except such part thereof as may be necessary to pay the cost of maintenance, repair and operation and to provide such reserves therefor as may be provided for in the resolution authorizing the issuance of such bonds or in the trust agreement securing the bonds, shall be set aside at such regular intervals as may be provided in the resolution or trust agreement in a sinking fund which is pledged to, and charged with, the payment of the principal of and the interest on such bonds as they become due, and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made, the revenues or other moneys so pledged and thereafter received by the Authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement by which a pledge is created need be filed or recorded except in the records of the Authority. The use and disposition of moneys to the credit of such sinking fund shall be subject to the provisions of the resolution authorizing the issuance of the bonds or of the trust agreement. Except as may otherwise be provided in the resolution or trust agreement, such sinking fund shall be a fund for all such bonds without distinction or priority of one over another.

All moneys received pursuant to the authority of this article, whether as proceeds from the sale of bonds or as revenues, shall be deemed to be trust funds to be held and applied solely as provided in

this article. The resolution authorizing the bonds of any issue or the trust agreement securing the bonds shall provide that any officer with whom, or any bank or trust company with which, such moneys are deposited shall act as a trustee of the moneys and shall hold and apply the same for the purposes hereof, subject to the regulations as this article and the resolution or trust agreement may provide.

1981, c. 569, § 2.1-234.17; 2001, c. [844](#).

§ 2.2-2268. Proceedings by bondholder or trustee to enforce rights.

Any holder of bonds issued under the provisions of this article or any of the coupons appertaining thereto, and the trustee under any trust agreement, except to the extent the rights herein given may be restricted by the trust agreement or the resolution authorizing the issuance of the bonds, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the Commonwealth or granted hereunder or under the trust agreement or resolution, and may enforce and compel the performance of all duties required by this article or by the trust agreement or resolution to be performed by the Authority or by any officer thereof, including the fixing, charging, and collecting of rates, fees, and other charges.

Bonds issued by the Authority under the provisions of this article shall be securities in which all public officers and public bodies of the Commonwealth and its political subdivisions, all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees, and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds shall be securities that may properly and legally be deposited with and received by any state or municipal officer or any agency or political subdivision of the Commonwealth for any purpose for which the deposit of bonds or obligations of the Commonwealth is now or may be authorized by law.

The Authority may provide for the issuance of revenue refunding bonds of the Authority for the purpose of refunding any obligations then outstanding which have been issued under the provisions of this article or by other state and local authorities or political subdivisions of the Commonwealth where such obligations are secured by a lease or other payment agreement with the Commonwealth, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of the obligations, and, if deemed advisable by the Authority, for the additional purpose of constructing improvements, extensions, or enlargements of the project in connection with which the obligations to be refunded have been issued. The Authority may provide by resolution for the issuance of its revenue obligations for the combined purpose of (i) refunding any obligations then outstanding that have been issued under the provisions of this article or by other state and local authorities or political subdivisions of the Commonwealth where such obligations are secured by a lease or other

payment agreement with the Commonwealth, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such obligations, and (ii) paying all or any part of the cost of any additional project or any portion thereof. The issuance of the bonds, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties and obligations of the Authority shall be governed by the provisions of this article insofar as they may be applicable.

§ 2.2-2271. Grants or loans of public or private funds.

The Authority may accept, receive, receipt for, disburse, and expend federal and state moneys and other moneys, public or private, including proceeds of the Authority's bonds, made available by grant or loan or both, to accomplish, in whole or in part, any of the purposes of this article. All federal moneys accepted under this section shall be accepted and expended by the Authority upon such terms and conditions as are prescribed by the United States and as are consistent with state law; and all state moneys accepted under this section shall be accepted and expended by the Authority upon such terms and conditions as are prescribed by the Commonwealth.

§ 2.2-2272. Moneys of Authority; audit.

All moneys of the Authority, from whatever source derived, shall be paid to the treasurer of the Authority. Such moneys shall be deposited in the first instance by the treasurer in one or more banks or trust companies, in one or more special accounts, and each of such special accounts shall be continuously secured by a pledge of direct obligations of the United States or of the Commonwealth, having an aggregate market value, exclusive of accrued interest, at all times at least equal to the balance on deposit in such account. Such securities shall either be deposited with the treasurer or be held by a trustee or agent satisfactory to the Authority. All banks and trust companies are authorized to give such security for such deposits. The moneys in such accounts shall be paid out on the warrant or other order of the treasurer of the Authority, or of such other persons as the Authority may authorize to execute such warrants or orders.

The Auditor of Public Accounts or his legally authorized representatives may examine the accounts and books of the Authority, including its receipts, disbursements, contracts, leases, sinking funds, investments, and any other matters relating to its finances, operation and affairs.

1981, c. 569, § 2.1-234.26; 2001, c. [844](#).

§ 2.2-2273. Contracts, leases and other arrangements.

A. In connection with the operation of a facility owned or controlled by the Authority, the Authority may enter into contracts, leases, and other arrangements with any person (i) granting the privilege of using or improving the facility or any portion or facility thereof or space therein consistent with the purposes of this article; (ii) conferring the privilege of supplying goods, commodities, things, services, or facilities

at the facility; (iii) making available services to be furnished by the Authority or its agents at the facility; and (iv) providing for the payment therefor.

In each case the Authority may establish the terms and conditions and fix the charges, rentals, or fee for the privilege or service, which shall be reasonable and uniform for the same class of privilege or service at each facility and shall be established with due regard to the property and improvements used and the expenses of operation to the Authority.

B. Except as may be limited by the terms and conditions of any grant, loan or agreement authorized by § [2.2-2271](#), the Authority may by contract, lease, or other arrangements, upon a consideration fixed by it, grant to any qualified person, for a term not to exceed thirty years, the privilege of operating, as agent of the Authority or otherwise, any facility owned or controlled by the Authority; provided that no person shall be granted any authority to operate a facility other than as a public facility or to enter into any contracts, leases, or other arrangements in connection with the operation of the facility that the Authority might not have undertaken under subsection A.

C. In connection with a project leased to or financed or refinanced for a trust instrumentality of the United States where payments or contributions by the Commonwealth and any political subdivision, together with amounts pursuant to an agreement with such trust instrumentality to pay rent or other amounts, are sufficient to pay the principal of and interest on the Authority's bonds issued to finance or refinance such project, the Authority may agree that such trust instrumentality shall assume all responsibility for the acquisition, construction, operation, maintenance, and repair of the project and may further agree that when the principal of all such bonds of the Authority and the interest thereon have been paid in full or provision made therefor satisfactory to the Authority, the trust instrumentality may acquire the Authority's interest in such project without payment of additional consideration.

The Authority may adopt, amend, and repeal such reasonable resolutions, rules, regulations, and orders as it deems necessary for the management, government, and use of any facility owned by it or under its control. No rule, regulation, order, or standard prescribed by the Authority shall be inconsistent with, or contrary to, any law of the Commonwealth or act of the Congress of the United States or any regulation adopted or standard established pursuant thereto. The Authority shall keep on file at the principal office of the Authority for public inspection a copy of all its rules and regulations.

§ 2.2-2275. Competition in award of contracts; contractors to give surety; terms of contracts.

If any project or any portion thereof or any improvement thereof shall be constructed, or furnished pursuant to a contract and the estimated cost thereof exceeds \$10,000, such contract with the Authority shall be awarded to the lowest responsible bidder after advertisement for bids. The Authority may make rules and regulations for the submission of bids and the construction, furnishing, or improvement of any project or portion thereof to be owned by the Authority, the Commonwealth or any agency,

institution, or department thereof. No contract shall be entered into by the Authority for construction, furnishing, or improvement of any project, or portion thereof, or for the purchase of materials, unless the contractor gives an undertaking with a sufficient surety approved by the Authority, and in an amount fixed by the Authority in accordance with § [2.2-4337](#), for the faithful performance of the contract. Such contract shall be accompanied by an additional bond for the protection of those who furnish labor and material or rental equipment for such amount and subject to the same terms and conditions as established by the Authority in accordance with § [2.2-4337](#). All construction contracts shall provide, among other things, that the person or corporation entering into such contract with the Authority will pay for all materials furnished, rental equipment used and services rendered for the performance of the contract, and that any person or corporation furnishing such materials, rental equipment or rendering such services may maintain an action to recover for the same against the obligor in the undertaking as though such person or corporation was named therein, provided the action is brought within one year after the time the cause of action accrued. The additional bond shall be conditioned upon the prompt payment of actual equipment rentals and shall not be conditioned upon or guarantee payment of equipment rentals, all or any part of which, directly or indirectly, apply on the purchase price of such equipment under the terms of a bailment lease or conditional sales contract or by any other arrangement by which title to the equipment will be transferred to the contractor and the rentals form any part of the consideration.

Subject to the foregoing, the Authority may, but without intending by this provision to limit any powers of the Authority, enter into and carry out such contracts, or establish or comply with such rules and regulations concerning labor and materials to rental equipment and other related matters in connection with any project, or portion thereof, as the Authority deems desirable.

§ 2.2-2278. Exemption from taxes or assessments.

The exercise of the powers granted by this article shall be in all respects for the benefit of the people of the Commonwealth, for the increase of their commerce and prosperity, and for the improvement of

their health and living conditions, and as the operation and maintenance of projects by the Authority constitutes the performance of essential governmental functions, the Authority shall not be required to pay any taxes or assessments upon any project or any property acquired or used by the Authority under the provisions of this article or upon the income therefrom, and any bonds issued under the provisions of this article, their transfer and the income therefrom (including any profit made on the sale thereof), shall at all times be free from taxation within the Commonwealth. The General Assembly determines that the creation of an authority for this purpose is in the public interest, serves a public purpose and will promote the health, safety, welfare, convenience or prosperity of the people of the Commonwealth.

C. The Virginia Tourism Authority is created, with the duties and powers set forth in this article, as a public body corporate and as a political subdivision of the Commonwealth. The exercise of the powers granted by this article shall be in all respects for the benefit of the inhabitants of the Commonwealth and the increase of their commerce and prosperity. All members of the Board shall be residents of the Commonwealth. Members may be appointed to successive terms on the Board of Directors. The Governor shall make appointments in such a manner as to ensure the widest possible geographical representation of all parts of the Commonwealth.

Each member of the Board shall be reimbursed for his reasonable expenses incurred in attendance at meetings or when otherwise engaged in the business of the Authority and shall be compensated at the rate provided in § [2.2-2104](#) for each day or portion thereof in which the member is engaged in the business of the Authority.

To create the public-private partnership envisioned by such Marketing Fund, the Marketing Fund shall be established out of the sums appropriated by the General Assembly for the purpose of matching eligible funds to be used for the promotion, marketing, and advertising of the Commonwealth's many tourist attractions and locations. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Executive Director of the Authority.

B. The Fund shall be used by the Governor to provide or assist in the provision of marketing, advertising, or promotional activities by airlines in connection with the launch of new air passenger service at Virginia airports in order to incentivize airlines that have committed to commencing new air passenger service in Virginia. The Secretary of Transportation, in consultation with the Secretary of Commerce and Trade and the Secretary of Finance, shall develop guidelines and criteria to be used in awarding grants from the Fund. The guidelines shall include a provision that a grant from the Fund shall not be awarded if it can be reasonably anticipated to result in the reduction of existing

commercial air service at another airport located within the Commonwealth. The guidelines may require that as a condition of receiving any grant from the Fund an airline enter into a performance agreement or memorandum of understanding with the Commonwealth (i) setting a minimum number of nonstop roundtrip flights per week, a minimum number of nonstop roundtrip flights within 12 months of the start date of new air service, or a minimum passenger load factor, or any combination thereof, and (ii) providing that any grant received by an airline shall be repaid by the airline or reduced proportionately if such conditions are not met.

Article 10 - Fort Monroe Authority Act

§ 2.2-2336. Short title; declaration of public purpose; Fort Monroe Authority created; successor in interest to Fort Monroe Federal Area Development Authority.

A. This article shall be known and may be cited as the Fort Monroe Authority Act.

B. The General Assembly finds and declares that:

1. Fort Monroe, located on a barrier spit at Hampton Roads Harbor and the southern end of Chesapeake Bay where the Old Point Comfort lighthouse has been welcoming ships since 1802, is one of

the Commonwealth's most important cultural treasures. Strategically located near Virginia's Historic Triangle of Williamsburg, Yorktown, and Jamestown, the 565-acre site has been designated a National Historic Landmark District;

2. As a result of decisions made by the federal Defense Base Closure and Realignment Commission (known as the BRAC Commission), Fort Monroe will cease to be an army base in 2011, and at that time most of the site will revert to the Commonwealth;

3. The planning phase of Fort Monroe's transition from use as a United States Army base was managed by the Fort Monroe Federal Area Development Authority (FMFADA), originally established by the City of Hampton pursuant to legislation enacted by the General Assembly in 2007. The Fort Monroe Federal Area Development Authority, a partnership between the City and the Commonwealth, has fulfilled its primary purpose of formulating a reuse plan for Fort Monroe;

4. It is the policy of the Commonwealth to protect the historic resources at Fort Monroe, provide public access to the Fort's historic resources and recreational opportunities, exercise exemplary stewardship of the Fort's natural resources, and maintain Fort Monroe in perpetuity as a place that is a desirable one in which to reside, do business, and visit, all in a way that is economically sustainable;

5. Fort Monroe's status is unique. Municipal services will need to be provided to Fort Monroe's visitors, residents, and businesses. Both the Commonwealth and the FMFADA are signatories to a Programmatic Agreement under Section 106 of the National Historic Preservation Act that requires several specific actions be taken, including the enforcement of design standards to be adopted by the FMFADA or its successor to govern any new development or building restoration or renovation at Fort Monroe. There exists a need for an entity that can manage the property for the Commonwealth and ensure adherence to the findings, declarations, and policies set forth in this section; and

6. The creation of an authority for this purpose is in the public interest, serves a public purpose, and will promote the health, safety, welfare, convenience, and prosperity of the people of the Commonwealth.

C. The Fort Monroe Authority is created, with the duties and powers set forth in this article, as a public body corporate and as a political subdivision of the Commonwealth. The Authority is constituted as a public instrumentality exercising public functions, and the exercise by the Authority of the duties and powers conferred by this article shall be deemed and held to be the performance of an essential governmental function of the Commonwealth. The exercise of the powers granted by this article and its public purpose shall be in all respects for the benefit of the inhabitants of the Commonwealth.

D. The Fort Monroe Authority is the successor in interest to that political subdivision formerly known as the Fort Monroe Federal Area Development Authority. As such, the Authority stands in the place and stead of, and assumes all rights and duties formerly of, the Fort Monroe Federal Area Development Authority, including but not limited to all leases, contracts, grants-in-aid, and all other agreements of whatsoever nature; holds title to all realty and personality formerly held by the Fort Monroe Federal Area Development Authority; and may exercise all powers that might at any time past have

been exercised by the Fort Monroe Federal Area Development Authority, including the powers and authorities of a Local Redevelopment Authority under the provisions of any and all applicable federal laws, including the Defense Base Closure and Realignment Act of 2005.

E. The Fort Monroe Authority shall be subject to the Virginia Public Procurement Act (§ [2.2-4300](#) et seq.) and the Board shall adopt procedures consistent with that Act to govern its procurement processes.

F. Employees of the Fort Monroe Authority shall be eligible for membership in the Virginia Retirement System and all of the health and related insurance and other benefits, including premium conversion and flexible benefits, available to state employees as provided by law.

G. The provisions of the Virginia Personnel Act (§ [2.2-2900](#) et seq.) shall not apply to the Fort Monroe Authority.

Such fee shall be payable by the Authority to the City of Hampton and shall be payable, in arrears, for the period January 1 through June 30 on each June 30, and for the period July 1 through December 31 on each December 31. The amount of such fee shall be determined as follows: (i) all property in the Area of Operation shall be assessed as if privately owned; (ii) property that would not be taxed if located elsewhere in the City of Hampton by virtue of the ownership, control, or use of the

property, other than property classified solely under subdivision A 1 of § [58.1-3606](#), shall be excluded from the calculation of the fee in lieu of taxes; and (iii) the total assessed value, less any exemptions, shall then be divided by \$100, multiplied by the then-current real estate tax rate set by the City of Hampton, minus the real estate taxes (a) owed to the City of Hampton directly from taxpayers other than the Authority within the Area of Operation, including lessees subject to taxation and billed to the lessee pursuant to subsection E, and (b) collected by the Authority and remitted to the City of Hampton pursuant to subsection E in the calendar year prior to the year for which the fee in lieu of taxes is then determined. The Authority may apply to the assessor of real estate for the City of Hampton and follow the process for recognition of an exemption applicable to other such properties in the City for any property subject to the fee in lieu of taxes, other than property subject to taxation and billed directly to the lessee pursuant to subsection E.

C. The Authority shall use all funds available and manage its finances and take all necessary and prudent actions to ensure that the fee in lieu of taxes provided in subsection B is paid when due and shall notify the City of Hampton and the Trustees as soon as practical if the funds will not be available to pay the fee in lieu of taxes when due and the Trustees shall take all necessary actions to remedy any deficiency. In the event the fee in lieu of taxes is not paid when due, interest thereon shall at that time accrue at the rate, not to exceed the maximum amount allowed by § [2.2-4355](#), determined by the City of Hampton until such time as the overdue payment and interest are paid. Unpaid fees in lieu of taxes and interest thereon shall rank in parity with liens for unpaid taxes and may be collected by the City of Hampton as taxes are collected; however, no real property of the Commonwealth or the Authority may be sold in such collection efforts.

D. The Authority shall have the right to contest the assessments made on property at Fort Monroe owned by the Commonwealth or the Authority or any property for which the Commonwealth or the Authority shall be responsible for payment of the fee in lieu of taxes, using the procedures utilized by other citizens of the City of Hampton, including appeals to the Board of Review of Real Estate Assessments for the City of Hampton and appeals therefrom to the Circuit Court of the City of Hampton, which is hereby granted jurisdiction to adjudicate any such appeal by the Authority in the same manner as applicable to private property owners or lessees in the City.

E. Notwithstanding the provisions of § [58.1-3203](#), all real property in the Area of Operation that is leased, whether by short-term operating/revenue lease or long-term ground lease, shall be assessed as if it were privately owned, and each lessee thereof shall be subject to taxation to be billed and collected by the City of Hampton as if the lessee were the owner, regardless of the term; however, leases for a cumulative term of less than 20 years shall be billed to and collected from the Authority by the City of Hampton. For purposes of this subsection, "cumulative term" includes the original term plus any optional extensions or renewals of that term. The City of Hampton shall have no obligation to assess any leased property that may be subject to taxation pursuant to this subsection unless and until it has received from the Authority a complete and fully executed copy of the lease, which shall include a description of the property comparable to that which would be required for the fee simple

conveyance of such leased property. Any property not assessed by the City of Hampton pursuant to this subsection shall remain subject to the provisions of subsection B. This subsection shall not apply to leases of any term with other government entities.

F. The Authority and any lessee that is directly billed by the City of Hampton (i) may apply to the assessor of real estate for the City of Hampton and follow the process for recognition of an exemption applicable to other such properties in the City and (ii) shall have the right to contest the assessments made on property taxed to the lessee pursuant to this section using the procedures utilized by other citizens of the City of Hampton, including appeals to the Board of Review of Real Estate Assessments for the City of Hampton and appeals therefrom to the Circuit Court of the City of Hampton, which is hereby granted jurisdiction to adjudicate any such appeal by a qualifying lessee in the same manner applicable to private property owners and other lessees in the City.

Whenever the General Assembly has enacted legislation pursuant to Article X, Section 9 (b), (c), or (d) of the Constitution of Virginia authorizing the issuance of bonds for capital projects of the Commonwealth or any state agency, institution, board, or authority (a "state instrumentality") where debt service payments on the bonds are expected to be made in whole or in part from appropriations of the

Commonwealth, the Board, with the consent of the Governor, may borrow money in anticipation of the issuance of the bonds to provide funds, with any other available funds, to pay the costs of acquiring, constructing, renovating, enlarging, improving, and equipping any one or more of the capital projects for which such bonds have been authorized. Any such borrowing shall be evidenced by notes of the Commonwealth that shall be in such form, shall be executed in such manner, shall bear interest at such rates, either at fixed rates or at rates established by formula or other method, and may contain such other provisions, all as the Board, or the State Treasurer when authorized by the Board, may determine. Such notes may bear interest at a rate subject to inclusion in gross income for federal income tax purposes as determined by the Board, with the consent of the Governor. Such notes may be made payable from the proceeds of the bonds, other notes, or other sources of funds authorized by the General Assembly. The proceeds of the notes, to the extent not required to pay the principal or interest on maturing notes, or expenses associated therewith, shall be paid or otherwise made available to the Commonwealth or appropriate state instrumentality to pay the costs of such capital projects. However, the undertaking and obligation of (i) the Board to make such note proceeds available to the state instrumentality and (ii) the state instrumentality to pay or provide for the payment of the interest and principal coming due on the notes and to issue its own bonds or otherwise retire the notes within five years of the date of their initial issuance shall be set forth in a written agreement between the Board and the state instrumentality. No such notes shall be issued by the Board for or on behalf of a state instrumentality unless the Board first determines that such written agreement provides reasonable assurance of the full and timely payment of the debt service on the notes.

No law authorizing the issuance of bonds and notes for which bond anticipation notes have been issued by the Board shall be repealed or otherwise vitiated without first providing for the payment of the related bond anticipation notes of the Board.

§ 2.2-2476. Workforce Training Access Program and Fund.

A. To facilitate the employment of residents of the Commonwealth, to provide a qualified and competent workforce for Virginia's employers, and to promote the industrial and economic development of the Commonwealth, which purposes are declared and determined to be public purposes, there is created the Workforce Training Access Program, to be administered by the Secretary of Finance as provided in this section.

B. From such funds as are appropriated for this purpose and from such gifts, donations, grants, bequests, and other funds as may be received on its behalf, there is created in the state treasury a special nonreverting fund to be known as the Workforce Training Access Fund, hereafter referred to as "the Fund." The Fund shall be established on the books of the Comptroller. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund.

The assets of the Fund shall be reserved, invested, and expended solely pursuant to and for the purposes of this section and shall not be expended or otherwise transferred or used by the Commonwealth for any other purpose. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Secretary of Finance only as a guaranty of payment of workforce training loans made by a national student loan marketing association pursuant to the provisions of this section.

C. The Secretary of Finance is authorized to enter into an agreement with a national student loan marketing association that shall originate, fund, and service workforce training loans in accordance with the provisions of this section to persons enrolled in workforce training courses and programs that the Virginia Board of Workforce Development has certified to be responding to the technology needs of business and industry in the Commonwealth pursuant to § [2.2-2472](#).

The terms and conditions of such workforce training loans shall be consistent with market conditions and shall provide a repayment sufficient to amortize the cost of the training over its expected useful life, not to exceed 60 months. No person may receive a workforce training loan or loans that would result in that person owing an outstanding amount in excess of the tuition and required fees for the certified workforce training course or program in which such person participates.

Only persons (i) who have established domicile in Virginia, as provided in § [23.1-502](#) or (ii) who are employed in Virginia and whose employers make loan repayments directly by payroll deduction or tuition assistance, before providing for the training needs of other students in such certified courses, shall be eligible to receive workforce training loans. Nothing herein shall be construed to impose an obligation upon an employer to make loan payments or to continue tuition assistance after termination of the student's employment.

Consistent with Article VIII, Sections 10 and 11 of the Constitution of Virginia, the assets of the Fund shall be pledged as a guaranty of payment of workforce training loans made by such national student loan marketing association and may be expended in satisfaction of the guaranty obligations incurred thereby. Neither the Commonwealth nor any of its agencies, political subdivisions, or employees shall have any other or further liability in connection with such workforce training loans.

The agreement shall provide for annual evaluation by such national student loan marketing association and the Secretary of Finance, or his designee, of the aggregate unpaid amount of workforce training loans that such national student loan marketing association shall make available hereunder. Such association shall agree to make available workforce training loans in an aggregate unpaid amount of not less than five times the amount of all cash, cash equivalents, investments, and other assets that would then be available in the Fund.

D. If such association ceases to make workforce training loans available as provided under the agreement, the Fund shall revert to the general fund of the Commonwealth, free of the restrictions imposed by this section, after payment of or provision for any outstanding obligations that the Fund guarantees.

§ 2.2-2489. Award of grants to regional councils.

- B. In order to qualify to receive grants from the Fund, a regional council shall develop an economic growth and diversification plan to (i) promote private-sector growth and opportunity in the region; (ii) identify issues of economic competitiveness for the region, including gaps in education and skills required to meet existing and prospective employer needs within the region; and (iii) outline steps that the collaborating business, education, and government entities in the region will pursue to expand economic opportunity, diversify the economy, and align workforce development activities with the education and skills needed by employers in the region. A regional council shall review such plan not less than biennially while the regional council is receiving grants from the Fund.
- C. The Board shall only consider those regional activities endorsed by a regional council in its application for grants from the Fund. For any regional activity included in a regional council's application, the regional council shall identify (i) the amount of grants requested and the number of years for which grants are sought; (ii) the participating business, education, and government entities and their respective roles and contributions; (iii) the private, local, and other sources of nonstate funding that the grant from the Fund will assist in generating, including specific amounts pledged by such sources as of the application date; (iv) how the regional activity addresses the skills gaps identified in the council's economic growth and diversification plan; and (v) the economic impact or other outcomes that are reasonably expected to result from the proposed regional activity, including timetables and means of measurement.

- E. In determining a regional council's eligibility to receive grants from the Fund, and the amount of such grants, the Board shall review and score the proposed regional activities. Scores shall be assigned on the basis of predetermined criteria established by the Board in its guidelines and procedures based on the following factors:
1. The expected economic impact or outcome of the activity, with particular emphasis on goals identified in the regional council's plan for economic growth and diversification;

2. The fiscal resources from non-Fund sources that will be committed to the activity, including local or federal funds, private contributions, and cost savings expected to be achieved through regional collaboration;

4. The compatibility with other projects, programs, or existing infrastructure in a region to maximize the leverage of grants from the Fund to encourage new collaborative activities;
5. The expected economic impact and outcomes of the project and the complexity of the project relative to the size of the economy of the region or to the population of the participating localities;
6. The projected cost savings and other efficiencies generated by the proposed activity, and the local resources generated by collaboration that have been or will be repurposed to support the activity;
7. The character of the regional collaboration, including the nature and extent of the regional effort involved in developing and implementing the proposed activity, the complexity of the activity, the prospective impact on relations between and among the affected localities, and the prospective impact on collaboration between and among business, education, and government entities in the region;
8. Interstate, inter-regional, and other beneficial forms of collaboration, if any, that will accompany, result from, or be encouraged by the activity;

10. Other factors deemed to be appropriate by the Board.

F. Each regional council awarded a grant from the Fund shall issue an annual report that shall include, at a minimum, an assessment of the impact and outcomes from regional activities supported by grants from the Fund and the region's overall progress in addressing the goals and strategies identified in the region's plan for economic growth and diversification. Such assessment shall address performance criteria prescribed in the program guidelines and procedures.

G. Subject to the provisions of § [2.2-2488](#) and this section, once a regional council becomes eligible for grants from the Fund, the regional council may continue to apply for and receive grants from the Fund to support economic activities consistent with the regional council's economic growth and diversification plan in such amounts and for such duration as the Board may determine in accordance with its guidelines and procedures. The Board may terminate any payments to regional councils that fail to perform in accordance with this article, the Board's guidelines or procedures, or any conditions expressly agreed upon as part of a grant award, or for malfeasance. The Board may require the refund of moneys from the Fund upon such termination. Grants that are terminated shall revert to the Fund for distribution on an unallocated competitive basis.

H. In making Fund recommendations and awards, the Board may consider regional activities that commenced prior to the enactment of this article, provided that the grant-funded program or project will expand the scope of, or increase the number of localities participating in, such preexisting activity.

I. No regional council may have outstanding grant commitments of more than 25 percent of the total amount appropriated to the Fund.

J. The year for grant payments shall be the Commonwealth's fiscal year following the calendar year in which the region qualifies, with payments made annually by the Comptroller upon certification by the Board. Grant amounts shall be made at the sole discretion of the Board.

Such matching funds may be from local, regional, federal, or private funds. Matching funds may also be from grants awarded to a locality by the Tobacco Region Revitalization Commission but shall not include any other state general or non-general funds, from whatever source.

K. (Effective July 1, 2022) Any grant awarded from the Fund to a regional council shall require matching funds at least equal to the grant, provided, however, that the Board shall have the authority to reduce the match requirement to no less than half of the grant upon a finding by the Board of fiscal distress or an exceptional economic opportunity in a region. Such matching funds may be from local, regional, federal, or private funds, but shall not include any state general or nongeneral funds, from whatever source.

L. Decisions of the Board shall be final and not subject to review or appeal.

Salaries shall be paid every two weeks, semimonthly or monthly, at the discretion of the Comptroller, upon such dates as the Comptroller may prescribe. Expenses shall be paid when they have been incurred, and the other allowances shall be paid when the services have been rendered or the travel has been performed however, members of the General Assembly and others traveling to the seat of government who would be entitled to mileage for traveling home may receive such mileage before going home.

§ 2.2-2815. Increase in salaries.

The salary of no state officer or employee payable by the Commonwealth and not specifically fixed by law shall be increased, or authorized to be increased, without the written consent of the Governor.

The salary of no officer or employee of any state institution, board, commission or agency payable by the Commonwealth and not specifically fixed by law, shall be increased, or authorized to be increased, without prior written authorization of such board or commission and the written consent of the Governor.

Any violation of this section shall constitute misfeasance in office. Nothing herein shall apply to teachers in the elementary or secondary schools of the Commonwealth or to employees receiving compensation not in excess of \$100 per month.

Code 1950, § 14-2; 1964, c. 386, § 14.1-2; 1998, c. [872](#), § 2.1-20.6; 2001, c. [844](#).

§ 2.2-2816. Liability of salary of officer for debt he owes Commonwealth; how enforced; when officer's right to file petition barred.

A. Whenever any officer, other than one whose office is created by the Constitution of Virginia, is indebted to the Commonwealth for money collected by him or improperly drawn by him or upon his order from the state treasury during his term of office and, after payment of such indebtedness is demanded by the Comptroller, such officer continues in default, the Comptroller shall not issue his warrant for, nor shall the State Treasurer pay, any part of the salary due, or to become due, to such officer until he has made good his default. He may, however, file his petition in the Circuit Court of the City of Richmond against the Comptroller, asserting his claim to his salary, and asking for payment thereof. The Comptroller shall answer the petition, and the proceedings shall be held according to the provisions of Article 18 (§ [8.01-192](#) et seq.) of Chapter 3 of Title 8.01 and § [8.01-255](#). If it is found that the petitioner is indebted, the Commonwealth shall be credited on his salary then due with the amount of such indebtedness and if, after such credit is given, there is a balance in his favor, judgment shall be rendered on his behalf. If the indebtedness exceeds his salary then due, judgment for the excess shall be rendered against him and the amount thereof, unless sooner paid, shall be credited to the Commonwealth on his salary thereafter becoming due. The Comptroller shall issue his warrant on the State Treasurer for the payment of any judgment rendered on behalf of the petitioner. In the proceeding by petition the Attorney General shall represent the Commonwealth, unless he is interested, in which case the Comptroller shall employ other counsel to represent the Commonwealth.

B. If the officer fails to file a petition under this section within twelve months after payment of any installment of his salary is withheld, his right to file the petition shall be barred. In such case the Comptroller shall credit the Commonwealth on the officer's salary with the amount of his indebtedness, and make that fact appear on the books of his office.

§ 2.2-2817. Defense of employees.

Notwithstanding any other law, if any state employee, as defined in this chapter, is investigated for a crime, arrested or indicted, or otherwise prosecuted on any charge, arising out of any act committed in the discharge of his official duties, the state agency, board, or other employer of such state employee, upon a preliminary finding by such agency, board or employer that (i) the employee did not violate any law, ordinance or regulation as a result of the act in question and (ii) the employee will not be terminated from employment as a result of such act, may employ special counsel approved by the Attorney General to defend such person. The reasonable compensation for special counsel employed, pursuant to this section, shall, subject to the approval of the Attorney General, be paid out of the funds appropriated for the state agency, board, or other employer of such state employee.

§ 2.2-2817.1. State agencies to establish alternative work schedules; reporting requirement.

A. In accordance with the statewide telecommuting and alternative work schedule policy, to be developed by the Secretary of Administration pursuant to § [2.2-203.1](#), the head of each state agency shall establish a telecommuting and alternative work policy under which eligible employees of such agency may telecommute, participate in alternative work schedules, or both, to the maximum extent possible without diminished employee performance or service delivery. The policy shall identify types of employees eligible for telecommuting and alternative work schedules, the broad categories of positions determined to be ineligible for telecommuting and the justification therefor, any benefits of telecommuting including the use of alternate work locations that are separate from the agency's central workplace, and any benefits of using alternative work schedules. The policy shall promote use of Commonwealth information technology assets where feasible but may allow for eligible employees to use computers, computing devices, or related electronic equipment not owned or leased by the Commonwealth to telecommute, if such use is technically and economically practical, and so long as such use meets information security standards as established by the Virginia Information Technologies Agency, or receives an exception from such standards approved by the CIO of the Commonwealth or his designee. The policy shall be updated periodically as necessary.

B. The head of each agency shall set annual percentage targets for the number of positions eligible for alternative work schedules. By July 1, 2009, each state agency shall have a goal of not less than 25 percent of its eligible workforce participating in alternative work schedules. By January 1, 2010, each state agency, except the Department of State Police, shall have a goal of not less than 20 percent of its eligible workforce telecommuting.

C. The head of each state agency shall annually report to the Secretary of Administration or his designee on the status and efficiency of telecommuting and participation in alternative work schedules and concerning specific budget requests for information technology, software, telecommunications connectivity (i.e., broadband Internet access, additional telephone lines, and online collaborative tools), or other equipment or services needed to increase opportunities for telecommuting and participation in alternate work locations.

D. As used in this section:

"Alternate work locations" means approved locations other than the employee's central workplace where official state business is performed. Such locations may include, but not be limited to the home of an employee and satellite offices.

"Alternative work schedule" means schedules that differ from the standard workweek, 40-hour workweek schedule, if such schedules are deemed to promote efficient agency operations. Alternative work schedules may include, but not be limited to, four 10-hour days, rotational shifts, and large-scale job sharing.

"Central workplace" means an employer's place of work where employees normally are located.

"Telecommuting" means a work arrangement in which supervisors direct or permit employees to perform their usual job duties away from their central workplace at least one day per week and in accordance with work agreements.

"Work agreement" means a written agreement between the employer and employee that details the terms and conditions of an employee's work away from his central workplace.

§ 2.2-2817.2. Employees of the University of Virginia Medical Center.

The University of Virginia Medical Center, hereafter referred to as the Medical Center, may purchase basic group life, accidental death and dismemberment, and disability insurance policies covering in whole or in part any of its employees. In addition, the Medical Center may establish, administer and make available to employees a program of optional insurance, including life, accidental death and dismemberment, and disability insurance. Employees of the Medical Center covered under the aforesaid basic insurance policies purchased by the Medical Center shall not be covered by the insurance program established pursuant to § [51.1-501](#) or be considered "eligible employees" under § [51.1-1100](#), unless the University of Virginia Board of Visitors, or a duly authorized agent or representative of the Board, purchases such insurance policies from the Virginia Retirement System. Nor shall they be required to present at their own expense evidence of insurability satisfactory to an insurance company upon changing from one form of coverage to another form of coverage provided pursuant to this section. Chapter 5 of Title 51.1 (§ [51.1-500](#) et seq.) shall not apply to any insurance coverage offered by the Medical Center except that the provisions of §§ [51.1-510](#) and [51.1-511](#) shall apply to such insurance coverage; provided that any administrative or ministerial functions performed by or on behalf of the Board of the Virginia Retirement System under §§ [51.1-510](#) and [51.1-511](#) shall be performed by the Medical Center.

Notwithstanding the definition of "state employee" contained in § [51.1-124.3](#), all employees of the Medical Center may be enrolled in a health care plan other than that provided for in § [2.2-2818](#) at the election of the Medical Center and subject to the review and approval of the Board of Visitors of the University of Virginia; however, any Medical Center employee who was first employed by the Medical Center prior to July 1, 1996, and who had not been classified as a health care provider under the provisions of § [51.1-502.1](#) prior to July 1, 1996, shall be provided the option of enrolling in a health care plan elected by the Medical Center or enrolling in the health care plan established pursuant to § [2.2-2818](#) until such time as the University of Virginia Board of Visitors may determine that it is not in the best interest of the University to continue to provide that option to any employees of the Medical Center. If the Board of Visitors determines that such health plan option will not continue to be provided, any Medical Center employees who must reenroll in a different health plan shall be allowed to do so with a waiver of preexisting medical conditions for the employees and, if applicable, their spouses and dependents.

Subject to such eligibility criteria as it may establish, the Medical Center may make available to any of its employees the insurance programs established pursuant to this section, including health plan coverage, notwithstanding the fact that such employees may not be eligible for participation in any retirement plan established pursuant to § [51.1-126.3](#) or the retirement system established pursuant to Chapter 1 (§ [51.1-124.1](#) et seq.) of this title.

The eligibility of any employee of the Medical Center for participation in any insurance program established pursuant to this section shall not of itself render such employees eligible for participation in the Virginia Retirement System or any optional retirement program.

2001, c. [694](#), § 2.1-20.1:9.1.

§ 2.2-2818. Health and related insurance for state employees.

A. The Department of Human Resource Management shall establish a plan, subject to the approval of the Governor, for providing health insurance coverage, including chiropractic treatment, hospitalization, medical, surgical and major medical coverage, for state employees and retired state employees with the Commonwealth paying the cost thereof to the extent of the coverage included in such plan. The same plan shall be offered to all part-time state employees, but the total cost shall be paid by such part-time employees. The Department of Human Resource Management shall administer this section. The plan chosen shall provide means whereby coverage for the families or dependents of state employees may be purchased. Except for part-time employees, the Commonwealth may pay all or a portion of the cost thereof, and for such portion as the Commonwealth does not pay, the employee, including a part-time employee, may purchase the coverage by paying the additional cost over the cost of coverage for an employee.

Such contribution shall be financed through appropriations provided by law.

B. The plan shall:

1. Include coverage for low-dose screening mammograms for determining the presence of occult breast cancer. Such coverage shall make available one screening mammogram to persons age 35 through 39, one such mammogram biennially to persons age 40 through 49, and one such mammogram annually to persons age 50 and over and may be limited to a benefit of \$50 per mammogram subject to such dollar limits, deductibles, and coinsurance factors as are no less favorable than for physical illness generally.

The term "mammogram" shall mean an X-ray examination of the breast using equipment dedicated specifically for mammography, including but not limited to the X-ray tube, filter, compression device, screens, film, and cassettes, with an average radiation exposure of less than one rad mid-breast, two views of each breast.

In order to be considered a screening mammogram for which coverage shall be made available under this section:

- a. The mammogram shall be (i) ordered by a health care practitioner acting within the scope of his licensure and, in the case of an enrollee of a health maintenance organization, by the health maintenance organization provider; (ii) performed by a registered technologist; (iii) interpreted by a qualified radiologist; and (iv) performed under the direction of a person licensed to practice medicine and surgery and certified by the American Board of Radiology or an equivalent examining body. A copy of the mammogram report shall be sent or delivered to the health care practitioner who ordered it;
 - b. The equipment used to perform the mammogram shall meet the standards set forth by the Virginia Department of Health in its radiation protection regulations; and
 - c. The mammography film shall be retained by the radiologic facility performing the examination in accordance with the American College of Radiology guidelines or state law.
2. Include coverage for postpartum services providing inpatient care and a home visit or visits that shall be in accordance with the medical criteria, outlined in the most current version of or an official update to the "Guidelines for Perinatal Care" prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists or the "Standards for Obstetric-Gynecologic Services" prepared by the American College of Obstetricians and Gynecologists. Such coverage shall be provided incorporating any changes in such Guidelines or Standards within six months of the publication of such Guidelines or Standards or any official amendment thereto.
3. Include an appeals process for resolution of complaints that shall provide reasonable procedures for the resolution of such complaints and shall be published and disseminated to all covered state employees. The appeals process shall be compliant with federal rules and regulations governing non-federal, self-insured governmental health plans. The appeals process shall include a separate expedited emergency appeals procedure that shall provide resolution within time frames established by federal law. For appeals involving adverse decisions as defined in § [32.1-137.7](#), the Department shall contract with one or more independent review organizations to review such decisions. Independent review organizations are entities that conduct independent external review of adverse benefit determinations. The Department shall adopt regulations to assure that the independent review organization conducting the reviews has adequate standards, credentials and experience for such review. The independent review organization shall examine the final denial of claims to determine whether the decision is objective, clinically valid, and compatible with established principles of health care. The decision of the independent review organization shall (i) be in writing, (ii) contain findings of fact as to the material issues in the case and the basis for those findings, and (iii) be final and binding if consistent with law and policy.

Prior to assigning an appeal to an independent review organization, the Department shall verify that the independent review organization conducting the review of a denial of claims has no relationship or association with (i) the covered person or the covered person's authorized representative; (ii) the treating health care provider, or any of its employees or affiliates; (iii) the medical care facility at which the covered service would be provided, or any of its employees or affiliates; or (iv) the development or

manufacture of the drug, device, procedure or other therapy that is the subject of the final denial of a claim. The independent review organization shall not be a subsidiary of, nor owned or controlled by, a health plan, a trade association of health plans, or a professional association of health care providers. There shall be no liability on the part of and no cause of action shall arise against any officer or employee of an independent review organization for any actions taken or not taken or statements made by such officer or employee in good faith in the performance of his powers and duties.

4. Include coverage for early intervention services. For purposes of this section, "early intervention services" means medically necessary speech and language therapy, occupational therapy, physical therapy and assistive technology services and devices for dependents from birth to age three who are certified by the Department of Behavioral Health and Developmental Services as eligible for services under Part H of the Individuals with Disabilities Education Act (20 U.S.C. § 1471 et seq.). Medically necessary early intervention services for the population certified by the Department of Behavioral Health and Developmental Services shall mean those services designed to help an individual attain or retain the capability to function age-appropriately within his environment, and shall include services that enhance functional ability without effecting a cure.

For persons previously covered under the plan, there shall be no denial of coverage due to the existence of a preexisting condition. The cost of early intervention services shall not be applied to any contractual provision limiting the total amount of coverage paid by the insurer to or on behalf of the insured during the insured's lifetime.

5. Include coverage for prescription drugs and devices approved by the United States Food and Drug Administration for use as contraceptives.

6. Not deny coverage for any drug approved by the United States Food and Drug Administration for use in the treatment of cancer on the basis that the drug has not been approved by the United States Food and Drug Administration for the treatment of the specific type of cancer for which the drug has been prescribed, if the drug has been recognized as safe and effective for treatment of that specific type of cancer in one of the standard reference compendia.

7. Not deny coverage for any drug prescribed to treat a covered indication so long as the drug has been approved by the United States Food and Drug Administration for at least one indication and the drug is recognized for treatment of the covered indication in one of the standard reference compendia or in substantially accepted peer-reviewed medical literature.

8. Include coverage for equipment, supplies and outpatient self-management training and education, including medical nutrition therapy, for the treatment of insulin-dependent diabetes, insulin-using diabetes, gestational diabetes and noninsulin-using diabetes if prescribed by a health care professional legally authorized to prescribe such items under law. To qualify for coverage under this subdivision, diabetes outpatient self-management training and education shall be provided by a certified, registered or licensed health care professional.

9. Include coverage for reconstructive breast surgery. For purposes of this section, "reconstructive breast surgery" means surgery performed on and after July 1, 1998, (i) coincident with a mastectomy performed for breast cancer or (ii) following a mastectomy performed for breast cancer to reestablish symmetry between the two breasts. For persons previously covered under the plan, there shall be no denial of coverage due to preexisting conditions.
10. Include coverage for annual pap smears, including coverage, on and after July 1, 1999, for annual testing performed by any FDA-approved gynecologic cytology screening technologies.
11. Include coverage providing a minimum stay in the hospital of not less than 48 hours for a patient following a radical or modified radical mastectomy and 24 hours of inpatient care following a total mastectomy or a partial mastectomy with lymph node dissection for treatment of breast cancer. Nothing in this subdivision shall be construed as requiring the provision of inpatient coverage where the attending physician in consultation with the patient determines that a shorter period of hospital stay is appropriate.
12. Include coverage (i) to persons age 50 and over and (ii) to persons age 40 and over who are at high risk for prostate cancer, according to the most recent published guidelines of the American Cancer Society, for one PSA test in a 12-month period and digital rectal examinations, all in accordance with American Cancer Society guidelines. For the purpose of this subdivision, "PSA testing" means the analysis of a blood sample to determine the level of prostate specific antigen.
13. Permit any individual covered under the plan direct access to the health care services of a participating specialist (i) authorized to provide services under the plan and (ii) selected by the covered individual. The plan shall have a procedure by which an individual who has an ongoing special condition may, after consultation with the primary care physician, receive a referral to a specialist for such condition who shall be responsible for and capable of providing and coordinating the individual's primary and specialty care related to the initial specialty care referral. If such an individual's care would most appropriately be coordinated by such a specialist, the plan shall refer the individual to a specialist. For the purposes of this subdivision, "special condition" means a condition or disease that is (i) life-threatening, degenerative, or disabling and (ii) requires specialized medical care over a prolonged period of time. Within the treatment period authorized by the referral, such specialist shall be permitted to treat the individual without a further referral from the individual's primary care provider and may authorize such referrals, procedures, tests, and other medical services related to the initial referral as the individual's primary care provider would otherwise be permitted to provide or authorize. The plan shall have a procedure by which an individual who has an ongoing special condition that requires ongoing care from a specialist may receive a standing referral to such specialist for the treatment of the special condition. If the primary care provider, in consultation with the plan and the specialist, if any, determines that such a standing referral is appropriate, the plan or issuer shall make such a referral to a specialist. Nothing contained herein shall prohibit the plan from requiring a participating specialist to provide written notification to the covered individual's primary care physician of

any visit to such specialist. Such notification may include a description of the health care services rendered at the time of the visit.

14. Include provisions allowing employees to continue receiving health care services for a period of up to 90 days from the date of the primary care physician's notice of termination from any of the plan's provider panels. The plan shall notify any provider at least 90 days prior to the date of termination of the provider, except when the provider is terminated for cause.

For a period of at least 90 days from the date of the notice of a provider's termination from any of the plan's provider panels, except when a provider is terminated for cause, a provider shall be permitted by the plan to render health care services to any of the covered employees who (i) were in an active course of treatment from the provider prior to the notice of termination and (ii) request to continue receiving health care services from the provider.

Notwithstanding the provisions of this subdivision, any provider shall be permitted by the plan to continue rendering health services to any covered employee who has entered the second trimester of pregnancy at the time of the provider's termination of participation, except when a provider is terminated for cause. Such treatment shall, at the covered employee's option, continue through the provision of postpartum care directly related to the delivery.

Notwithstanding the provisions of this subdivision, any provider shall be permitted to continue rendering health services to any covered employee who is determined to be terminally ill (as defined under § 1861(dd)(3)(A) of the Social Security Act) at the time of a provider's termination of participation, except when a provider is terminated for cause. Such treatment shall, at the covered employee's option, continue for the remainder of the employee's life for care directly related to the treatment of the terminal illness.

A provider who continues to render health care services pursuant to this subdivision shall be reimbursed in accordance with the carrier's agreement with such provider existing immediately before the provider's termination of participation.

15. Include coverage for patient costs incurred during participation in clinical trials for treatment studies on cancer, including ovarian cancer trials.

The reimbursement for patient costs incurred during participation in clinical trials for treatment studies on cancer shall be determined in the same manner as reimbursement is determined for other medical and surgical procedures. Such coverage shall have durational limits, dollar limits, deductibles, copayments and coinsurance factors that are no less favorable than for physical illness generally.

For purposes of this subdivision:

"Cooperative group" means a formal network of facilities that collaborate on research projects and have an established NIH-approved peer review program operating within the group. "Cooperative group" includes (i) the National Cancer Institute Clinical Cooperative Group and (ii) the National Cancer Institute Community Clinical Oncology Program.

"FDA" means the Federal Food and Drug Administration.

"Multiple project assurance contract" means a contract between an institution and the federal Department of Health and Human Services that defines the relationship of the institution to the federal Department of Health and Human Services and sets out the responsibilities of the institution and the procedures that will be used by the institution to protect human subjects.

"NCI" means the National Cancer Institute.

"NIH" means the National Institutes of Health.

"Patient" means a person covered under the plan established pursuant to this section.

"Patient cost" means the cost of a medically necessary health care service that is incurred as a result of the treatment being provided to a patient for purposes of a clinical trial. "Patient cost" does not include (i) the cost of nonhealth care services that a patient may be required to receive as a result of the treatment being provided for purposes of a clinical trial, (ii) costs associated with managing the research associated with the clinical trial, or (iii) the cost of the investigational drug or device.

Coverage for patient costs incurred during clinical trials for treatment studies on cancer shall be provided if the treatment is being conducted in a Phase II, Phase III, or Phase IV clinical trial. Such treatment may, however, be provided on a case-by-case basis if the treatment is being provided in a Phase I clinical trial.

The treatment described in the previous paragraph shall be provided by a clinical trial approved by:

- a. The National Cancer Institute;
- b. An NCI cooperative group or an NCI center;
- c. The FDA in the form of an investigational new drug application;
- d. The federal Department of Veterans Affairs; or
- e. An institutional review board of an institution in the Commonwealth that has a multiple project assurance contract approved by the Office of Protection from Research Risks of the NCI.

The facility and personnel providing the treatment shall be capable of doing so by virtue of their experience, training, and expertise.

Coverage under this subdivision shall apply only if:

- (1) There is no clearly superior, noninvestigational treatment alternative;
- (2) The available clinical or preclinical data provide a reasonable expectation that the treatment will be at least as effective as the noninvestigational alternative; and
- (3) The patient and the physician or health care provider who provides services to the patient under the plan conclude that the patient's participation in the clinical trial would be appropriate, pursuant to procedures established by the plan.

16. Include coverage providing a minimum stay in the hospital of not less than 23 hours for a covered employee following a laparoscopy-assisted vaginal hysterectomy and 48 hours for a covered employee following a vaginal hysterectomy, as outlined in Milliman & Robertson's nationally recognized guidelines. Nothing in this subdivision shall be construed as requiring the provision of the total hours referenced when the attending physician, in consultation with the covered employee, determines that a shorter hospital stay is appropriate.

17. Include coverage for biologically based mental illness.

For purposes of this subdivision, a "biologically based mental illness" is any mental or nervous condition caused by a biological disorder of the brain that results in a clinically significant syndrome that substantially limits the person's functioning; specifically, the following diagnoses are defined as biologically based mental illness as they apply to adults and children: schizophrenia, schizoaffective disorder, bipolar disorder, major depressive disorder, panic disorder, obsessive-compulsive disorder, attention deficit hyperactivity disorder, autism, and drug and alcoholism addiction.

Coverage for biologically based mental illnesses shall neither be different nor separate from coverage for any other illness, condition or disorder for purposes of determining deductibles, benefit year or lifetime durational limits, benefit year or lifetime dollar limits, lifetime episodes or treatment limits, copayment and coinsurance factors, and benefit year maximum for deductibles and copayment and coinsurance factors.

Nothing shall preclude the undertaking of usual and customary procedures to determine the appropriateness of, and medical necessity for, treatment of biologically based mental illnesses under this option, provided that all such appropriateness and medical necessity determinations are made in the same manner as those determinations made for the treatment of any other illness, condition or disorder covered by such policy or contract.

18. Offer and make available coverage for the treatment of morbid obesity through gastric bypass surgery or such other methods as may be recognized by the National Institutes of Health as effective for the long-term reversal of morbid obesity. Such coverage shall have durational limits, dollar limits, deductibles, copayments and coinsurance factors that are no less favorable than for physical illness generally. Access to surgery for morbid obesity shall not be restricted based upon dietary or any other criteria not approved by the National Institutes of Health. For purposes of this subdivision, "morbid obesity" means (i) a weight that is at least 100 pounds over or twice the ideal weight for frame, age, height, and gender as specified in the 1983 Metropolitan Life Insurance tables, (ii) a body mass index (BMI) equal to or greater than 35 kilograms per meter squared with comorbidity or coexisting medical conditions such as hypertension, cardiopulmonary conditions, sleep apnea, or diabetes, or (iii) a BMI of 40 kilograms per meter squared without such comorbidity. As used herein, "BMI" equals weight in kilograms divided by height in meters squared.

19. Include coverage for colorectal cancer screening, specifically screening with an annual fecal occult blood test, flexible sigmoidoscopy or colonoscopy, or in appropriate circumstances radiologic

imaging, in accordance with the most recently published recommendations established by the American College of Gastroenterology, in consultation with the American Cancer Society, for the ages, family histories, and frequencies referenced in such recommendations. The coverage for colorectal cancer screening shall not be more restrictive than or separate from coverage provided for any other illness, condition or disorder for purposes of determining deductibles, benefit year or lifetime durational limits, benefit year or lifetime dollar limits, lifetime episodes or treatment limits, copayment and coinsurance factors, and benefit year maximum for deductibles and copayments and coinsurance factors.

20. On and after July 1, 2002, require that a prescription benefit card, health insurance benefit card, or other technology that complies with the requirements set forth in § [38.2-3407.4:2](#) be issued to each employee provided coverage pursuant to this section, and shall upon any changes in the required data elements set forth in subsection A of § [38.2-3407.4:2](#), either reissue the card or provide employees covered under the plan such corrective information as may be required to electronically process a prescription claim.

21. Include coverage for infant hearing screenings and all necessary audiological examinations provided pursuant to § [32.1-64.1](#) using any technology approved by the United States Food and Drug Administration, and as recommended by the national Joint Committee on Infant Hearing in its most current position statement addressing early hearing detection and intervention programs. Such coverage shall include follow-up audiological examinations as recommended by a physician, physician assistant, nurse practitioner or audiologist and performed by a licensed audiologist to confirm the existence or absence of hearing loss.

22. Notwithstanding any provision of this section to the contrary, every plan established in accordance with this section shall comply with the provisions of § [2.2-2818.2](#).

C. Claims incurred during a fiscal year but not reported during that fiscal year shall be paid from such funds as shall be appropriated by law. Appropriations, premiums and other payments shall be deposited in the employee health insurance fund, from which payments for claims, premiums, cost containment programs and administrative expenses shall be withdrawn from time to time. The funds of the health insurance fund shall be deemed separate and independent trust funds, shall be segregated from all other funds of the Commonwealth, and shall be invested and administered solely in the interests of the employees and their beneficiaries. Neither the General Assembly nor any public officer, employee, or agency shall use or authorize the use of such trust funds for any purpose other than as provided in law for benefits, refunds, and administrative expenses, including but not limited to legislative oversight of the health insurance fund.

D. For the purposes of this section:

"Peer-reviewed medical literature" means a scientific study published only after having been critically reviewed for scientific accuracy, validity, and reliability by unbiased independent experts in a journal that has been determined by the International Committee of Medical Journal Editors to have met the Uniform Requirements for Manuscripts submitted to biomedical journals. Peer-reviewed medical

literature does not include publications or supplements to publications that are sponsored to a significant extent by a pharmaceutical manufacturing company or health carrier.

"Standard reference compendia" means:

1. American Hospital Formulary Service – Drug Information;

Such written notification shall describe generally the conditions upon which the other coverage would be primary for dependent children enrolled under the eligible employee's coverage and the method by which the eligible enrollee may verify from

the plan that coverage would have primary responsibility for the covered expenses of each family member.

P. Any plan established by the Department of Human Resource Management pursuant to this section shall provide that coverage under such plan for family members enrolled under a participating state employee's coverage shall continue for a period of at least 30 days following the death of such state employee.

Chapter 29 - VIRGINIA PERSONNEL ACT

§ 2.2-2900. Short title; purpose.

This chapter shall be known and may be cited as the "Virginia Personnel Act."

The purpose of this chapter is to ensure for the Commonwealth a system of personnel administration based on merit principles and objective methods of appointment, promotion, transfer, layoff, removal, discipline, and other incidents of state employment.

Code 1950, § 2-78; 1966, c. 677, § 2.1-110; 1970, c. 546; 2001, c. [844](#).

§ 2.2-2901. Appointments, promotions and tenure based upon merit and fitness.

A. In accordance with the provisions of this chapter all appointments and promotions to and tenure in positions in the service of the Commonwealth shall be based upon merit and fitness, to be ascertained, as far as possible, by the competitive rating of qualifications by the respective appointing authorities.

Persons holding positions in the service of the Commonwealth on July 1, 1952, shall be deemed to be holding their positions as though they had received appointment under the terms of this chapter.

B. Persons who leave the service of the Commonwealth for service in any of the armed forces of the United States shall be entitled to be restored to such positions upon the termination of their service with the armed forces, provided such persons, except for good cause shown, have filed an application for restoration to such positions within 90 calendar days following such termination of military service, accompanied by a certificate attesting that the military duty was satisfactorily performed. Such persons shall thereafter hold such positions as though they had received appointment under the terms of this chapter, except as to any such position which, in the meantime, may have been abolished. Any such former employee returning to, or applying for, employment in the state service, as provided by this section, shall be considered as having at least as favorable a status with reference to this chapter as he would have occupied if his service had been continuous.

C. No establishment of a position or rate of pay, and no change in rate of pay shall become effective except on order of the appointing authority and approval by the Governor. This subsection shall not apply to any position the compensation of which is at a rate of \$1,200 per annum or less.

D. In order to attract and retain professional auditors, accountants and staff members in the service of the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission may establish scales of pay for such positions notwithstanding the provisions of this chapter. Such scales when established and certified to the Department of Human Resource Management and the Comptroller shall be applicable in the stead of the scales established under the personnel plan.

E. The governing boards of public institutions of higher education shall establish policies for the designation of administrative and professional faculty positions at such institutions. Those designations shall be reserved for positions that require a high level of administrative independence, responsibility, and oversight within the organization or specialized expertise within a given field as defined by the governing board. The authority under this subsection to establish policies for the designation of administrative and professional faculty positions shall be granted only to those institutions that meet the conditions prescribed in subsection A of § [23.1-1002](#).

Chapter 50.

B. No state agency, institution, board, bureau, commission, council, or instrumentality of the Commonwealth shall discriminate in employment on the basis of race, color, religion, national origin, sex, pregnancy, childbirth or related medical conditions, age, marital status, disability, sexual orientation, gender identity, or military status.

C. The provisions of this section shall not prohibit (i) discrimination in employment on the basis of (a) sex or age in those instances when sex or age is a bona fide occupational qualification for employment or (b) disability when using the alternative application process provided for in § [2.2-1213](#) or (ii) providing preference in employment to veterans.

Additional consideration shall also be given to veterans who have a service-connected disability rating fixed by the U.S. Department of Veterans Affairs. The Department of Human Resource Management shall develop and distribute guidelines as an addendum to the Hiring Policy for Executive Branch agencies to provide guidance to agencies to comply with the preference of this section.

C. A member of the National Guard applying for a position or job classification under this chapter and possessing the necessary qualifications for such position or job classification shall be entitled to a separate preference as provided in this subsection. When a member of the National Guard or a veteran has applied for a position or job classification that requires an assessment using numerical ratings, points equal to five percent of the total points available from the assessment device or devices shall be added to the passing score of the applicant member of the National Guard or veteran. In an assessment not using numerical ratings, consideration shall be afforded to a member of the National Guard provided that member meets all of the knowledge, skill, and ability requirements for the available position.

The preference under this subsection shall not be applied for a position that is limited to state employees. In addition, the preference provided by this subsection shall not be applied if any other applicant for the position or job classification is (i) a veteran or (ii) a former prisoner of war.

Chapter 30 - State Grievance Procedure

§ 2.2-3000. Policy of the Commonwealth; responsibilities of state agencies under this chapter.

A. It shall be the policy of the Commonwealth, as an employer, to encourage the resolution of employee problems and complaints. To that end, employees shall be able to discuss freely, and without retaliation, their concerns with their immediate supervisors and management. To the extent that such concerns cannot be resolved informally, the grievance procedure shall afford an immediate and fair method for the resolution of employment disputes that may arise between state agencies and those employees who have access to the procedure under § [2.2-3001](#).

B. To fully achieve the objectives of this chapter and to create uniformity, each agency in the executive branch of state government shall:

1. Require supervisory personnel to be trained in the grievance procedure, personnel policies, and conflict resolution;
2. Familiarize employees with their grievance rights and promote the services of the Department of Human Resource Management;

3. Cooperate with investigations conducted pursuant to the authority granted by clause (iii) of subdivision 4 of § [2.2-1202.1](#);
4. Participate in the mediation program;
5. Evaluate supervisors on the effectiveness of employee relations management, including, but not limited to, their handling of grievances; and
6. Recognize the right of employees to fully participate in the grievance process without retaliation.

C. The Department of Human Resource Management shall monitor agencies' activities under this section.

1995, cc. [770](#), [818](#), §§ 2.1-116.04, 2.1-116.05; 1996, cc. [164](#), [869](#); 1999, cc. [703](#), [726](#); 2000, cc. [947](#), [1006](#); 2001, c. [844](#); 2004, c. [674](#); 2012, cc. [803](#), [835](#).

§ 2.2-3001. State employees.

- A. Unless exempted by law, all nonprobationary state employees shall be covered by the grievance procedure established pursuant to this chapter and any regulations adopted pursuant thereto. Employees not covered by the grievance procedure may be covered by an alternative grievance procedure.
- B. The Office of the Attorney General and every legislative, judicial, and independent agency that is not subject to the state grievance procedure shall establish and administer a grievance procedure.

1995, cc. [770](#), [818](#), § 2.1-116.09; 1996, cc. [164](#), [869](#); 1997, c. [711](#); 1998, c. [245](#); 2000, cc. [947](#), [1006](#); 2001, c. [844](#).

§ 2.2-3002. Exemptions from chapter.

The provisions of this chapter shall not apply to:

1. Appointees of elected groups or individuals except as provided in subsection B of § [2.2-3001](#);
2. Agency heads or chief executive officers of government agencies and public institutions of higher education appointed by boards and commissions;
3. Law-enforcement officers as defined in § [9.1-500](#) whose grievances are subject to Chapter 5 (§ [9.1-500](#) et seq.) and who have elected to resolve such grievances under those provisions; and

1995, cc. [770](#), [818](#), § 2.1-116.013; 2001, c. [844](#).

§ 2.2-3003. Grievance procedure generally.

- A. As part of the Commonwealth's program of employee relations management, the Department of Human Resource Management shall develop a grievance procedure that includes not more than three successively higher grievance resolution steps and a formal hearing as provided in this chapter. However, grievances involving dismissals due to formal discipline or unsatisfactory job performance shall proceed directly to a formal hearing, omitting the grievance resolution steps, the face-to-face

meeting specified in subsection D, and the agency head qualification determination specified in subsection D of § [2.2-3004](#).

B. Prior to initiating a written grievance, the employee shall be encouraged to pursue an informal complaint with his immediate supervisor. The supervisor shall have authority to resolve the complaint if it involves actions within his control.

C. An employee may pursue a formal written grievance through the grievance resolution steps if the complaint has been presented to management within 30 calendar days of the employee's knowledge of the event that gave rise to the complaint. Employees' rights to pursue grievances shall not be used to harass or otherwise impede the efficient operations of government.

D. Except as provided in subsection A, upon receipt of a timely written complaint, management shall review the grievance and respond to the merits thereof. Each level of management review shall have the authority to provide the employee with a remedy, subject to the agency head's approval. At least one face-to-face meeting between the employee and management shall be required. The persons who may be present at this meeting are the employee, the appropriate manager, an individual selected by the employee, and an individual selected by the manager. Witnesses may be called by either party.

E. Absent just cause, all documents, as defined in the Rules of the Supreme Court of Virginia, relating to the actions grieved shall be made available, upon request from a party to the grievance, by the opposing party, in a timely fashion. Upon such request a party shall have a duty to search its records to ensure that all such relevant documents are provided. Documents pertaining to nonparties that are relevant to the grievance shall be produced in such a manner as to preserve the privacy of the individuals not personally involved in the grievance. A party shall not be required to create a document if the document does not exist.

F. All time limitations prescribed in the grievance procedure, including, but not limited to, submission of an initial complaint and employee appeal of management decisions, shall be reasonable, specific, and equally applicable to the agency and the employee. Expedited grievance procedures shall be established for terminations, demotions, suspensions, and lost wages or salaries.

G. Within five workdays of the receipt of a written notice of noncompliance, failure of the employee or the agency to comply with a substantial procedural requirement of the grievance procedure without just cause may result in a decision against the noncomplying party on any qualified issue. Written notice of noncompliance by the agency shall be made to the agency head. The Director of the Department of Human Resource Management shall render all decisions related to procedural compliance, and such decisions shall contain the reasons for such decision and shall be final.

H. Grievances qualified pursuant to § [2.2-3004](#) that have not been resolved through the grievance resolution steps shall advance to a hearing that shall be the final step in the grievance procedure.

1995, cc. [770](#), [818](#), § 2.1-116.05; 1996, cc. [164](#), [869](#); 1999, cc. [703](#), [726](#); 2000, cc. [947](#), [1006](#); 2001, c. [844](#); 2003, c. [252](#); 2004, c. [674](#); 2012, cc. [56](#), [349](#), [803](#), [835](#).

§ 2.2-3004. Grievances qualifying for a grievance hearing; grievance hearing generally.

A. A grievance qualifying for a hearing shall involve a complaint or dispute by an employee relating to the following adverse employment actions in which the employee is personally involved, including (i) formal disciplinary actions, including suspensions, demotions, transfers and assignments, and dismissals resulting from formal discipline or unsatisfactory job performance; (ii) the application of all written personnel policies, procedures, rules and regulations where it can be shown that policy was misapplied or unfairly applied; (iii) discrimination on the basis of race, color, religion, political affiliation, age, disability, national origin, sex, pregnancy, childbirth or related medical conditions, marital status, sexual orientation, gender identity, or military status; (iv) arbitrary or capricious performance evaluations; (v) acts of retaliation as the result of the use of or participation in the grievance procedure or because the employee has complied with any law of the United States or of the Commonwealth, has reported any violation of such law to a governmental authority, has sought any change in law before the Congress of the United States or the General Assembly, or has reported an incidence of fraud, abuse, or gross mismanagement; and (vi) retaliation for exercising any right otherwise protected by law.

B. Management reserves the exclusive right to manage the affairs and operations of state government. Management shall exercise its powers with the highest degree of trust. In any employment matter that management precludes from proceeding to a grievance hearing, management's response, including any appropriate remedial actions, shall be prompt, complete, and fair.

C. Complaints relating solely to the following issues shall not proceed to a hearing: (i) establishment and revision of wages, salaries, position classifications, or general benefits; (ii) work activity accepted by the employee as a condition of employment or which may reasonably be expected to be a part of the job content; (iii) contents of ordinances, statutes or established personnel policies, procedures, and rules and regulations; (iv) methods, means, and personnel by which work activities are to be carried on; (v) termination, layoff, demotion, or suspension from duties because of lack of work, reduction in work force, or job abolition; (vi) hiring, promotion, transfer, assignment, and retention of employees within the agency; and (vii) relief of employees from duties of the agency in emergencies.

D. Except as provided in subsection A of § [2.2-3003](#), decisions regarding whether a grievance qualifies for a hearing shall be made in writing by the agency head or his designee within five workdays of the employee's request for a hearing. A copy of the decision shall be sent to the employee. The employee may appeal the denial of a hearing by the agency head to the Director of the Department of Human Resource Management (the Director). Upon receipt of an appeal, the agency shall transmit the entire grievance record to the Department of Human Resource Management within five workdays. The Director shall render a decision on whether the employee is entitled to a hearing upon the grievance record and other probative evidence.

E. The hearing pursuant to § [2.2-3005](#) shall be held in the locality in which the employee is employed or in any other locality agreed to by the employee, employer, and hearing officer. The employee and the agency may be represented by legal counsel or a lay advocate, the provisions of § [54.1-3904](#) notwithstanding. The employee and the agency may call witnesses to present testimony and be cross-examined.

§ 2.2-3005. Hearing officers; duties.

A. Nothing in this chapter shall create, nor shall be construed to create, a property interest in selection or assignment to serve as a hearing officer for grievance hearings.

B. The Director of the Department of Human Resource Management shall assign a hearing officer to conduct the grievance hearing. All hearing officers shall be selected, on a rotating basis, (i) from the list of administrative hearing officers maintained by the Supreme Court of Virginia pursuant to § [2.2-4024](#) or (ii) from attorneys hired as classified employees by the Department through a competitive selection process. Hearing officer fees shall be reasonable, in accordance with compensation guidelines developed by the Department of Human Resource Management. In addition to the training requirements imposed by the Supreme Court, each hearing officer shall meet the criteria established by the Director pursuant to subdivision 6 of § [2.2-1202.1](#) and attend annually at least one day of training in employment law or state personnel policies and organizations. The training shall be conducted by the Department of Human Resource Management or an organization approved by the Virginia State Bar for continuing legal education.

C. Hearing officers shall have the following powers and duties:

1. Hold conferences for the settlement or simplification of issues;
2. Dispose of procedural requests;
3. Issue orders requiring testimony or the production of evidence;
4. Administer oaths and affirmations;
5. Receive probative evidence; exclude irrelevant, immaterial, insubstantial, privileged, or repetitive proofs, rebuttals, or cross-examinations; rule upon offers of proof; and oversee a verbatim recording of the evidence;
6. Receive and consider evidence in mitigation or aggravation of any offense charged by an agency in accordance with rules established by the Department of Human Resource Management pursuant to § [2.2-1202.1](#); and
7. Take other actions as necessary or specified in the grievance procedure.

§ 2.2-3005.1. Scope of hearing officer's decision; agency cooperation; cost of hearing; decision of hearing officer.

A. For those issues qualified for a hearing, the hearing officer may order appropriate remedies. Relief may include (i) reinstatement to the same position, or if the position is filled, to an equivalent position, (ii) back pay, (iii) full reinstatement of fringe benefits and seniority rights, (iv) mitigation or reduction of the agency disciplinary action, or (v) any combination of these remedies. In grievances challenging discharge, if the hearing officer finds that the employee has substantially prevailed on the merits of the grievance, the employee shall be entitled to recover reasonable attorney fees, unless special circumstances would make an award unjust. All awards of relief, including attorney fees, by a hearing officer must be in accordance with rules established by the Department of Human Resource Management.

B. The agency from which the grievance arises shall bear the costs for the hearing officer and other associated hearing expenses including the grievant's attorney fees that the hearing officer may award.

C. The decision of the hearing officer shall (i) be in writing, (ii) contain findings of fact as to the material issues in the case and the basis for those findings, including any award of reasonable attorney fees pursuant to this section, and (iii) be final and binding if consistent with law and policy.

D. The provisions of this section relating to the award of attorney fees shall not apply to any local government or agency thereof that is otherwise subject to the grievance procedure set forth in this chapter.

§ 2.2-3006. Review of hearing decisions; costs.

A. Upon the request of a party to a grievance hearing for an administrative review of the hearing decision, the Director of the Department of Human Resource Management shall determine, within 30 days of the conclusion of any other administrative reviews, whether the hearing decision is consistent with policy.

B. Within 30 days of a final decision, a party may appeal on the grounds that the determination is contradictory to law by filing a notice of appeal with the clerk of the circuit court in the jurisdiction in which the grievance arose. The agency shall request and receive prior approval of the Director before filing a notice of appeal. After a notice of appeal has been filed by either party, the agency shall then transmit a copy of the grievance record to the clerk of the court. The court, on motion of a party, shall issue a writ of certiorari requiring transmission of the record on or before a certain date. Within 30 days of receipt of the grievance record, the court, sitting without a jury, shall hear the appeal on the record. The court may affirm the decision or may reverse or modify the decision. The decision of the court shall be rendered no later than the fifteenth day from the date of the conclusion of the hearing. The circuit court hearing shall be at no cost to the Commonwealth or the grievant.

C. The hearing officer's final decision shall be effective from the latter of the date issued or the date of the conclusion of any administrative review and judicial appeal, and shall be implemented immediately thereafter, unless circumstances beyond the control of the agency delay such implementation.

D. Either party may petition the circuit court having jurisdiction in the locality in which the grievance arose for an order requiring implementation of the final decision of a hearing officer.

E. The court shall award reasonable attorneys' fees and costs to the employee if the employee substantially prevails on the merits of a case brought under subsection B or D.

B. If no resolution is reached, the employee may advance the grievance to the circuit court of the jurisdiction in which the grievance occurred for a de novo hearing on the merits of the termination. In its discretion, the court may refer the matter to a commissioner in chancery to take such evidence as may be proper and to make a report to the court. Both the grievant and the respondent may call upon witnesses and be represented by legal counsel or other representatives before the court or the commissioner in chancery. Such representatives may examine, cross-examine, question and present evidence on behalf of the grievant or respondent before the court or commissioner in chancery without being in violation of the provisions of § [54.1-3904](#).

C. A termination shall be upheld unless shown to have been unwarranted by the facts or contrary to law or policy.

A. From such funds as may be authorized by the General Assembly, there is hereby created in the state treasury a special nonreverting fund to be known as the Fraud and Abuse Whistle Blower Reward Fund, hereafter referred to as "the Fund." The Fund shall be established on the books of the Comptroller and shall be administered by the State Inspector General. All moneys recovered by the State Inspector General as the result of whistle blower activity and alerts originating with the Office of the State Inspector General shall be deposited in the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Except as provided in subsection B, any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general

fund but shall remain in the Fund. Moneys in the Fund shall be used solely to (i) provide monetary rewards to persons who have disclosed information of wrongdoing or abuse under this chapter and the disclosure results in a recovery of at least \$5,000 or (ii) support the administration of the Fund, defray Fund advertising costs, or subsidize the operation of the Fraud, Waste and Abuse Hotline (previously known as the State Employee Fraud, Waste and Abuse Hotline).

B. By the end of each calendar quarter and upon authorization of the State Inspector General, 85 percent of all sums recovered shall be remitted to the institutions or governmental agencies on whose behalf the recovery was secured by the State Inspector General unless otherwise directed by a court of law. Each such institution or governmental agency on whose behalf the recovery was secured by the State Inspector General shall receive an amount equal to 85 percent of the actual amount recovered by the State Inspector General on its behalf.

C. The amount of the reward shall be up to 10 percent of the actual sums recovered by the Commonwealth as a result of the disclosure of the wrongdoing or abuse. Regardless of the sums recovered, at no time shall the amount of any reward, even if less than 10 percent, exceed the balance of the Fund. Reward disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the State Inspector General. In the event that multiple whistle blowers contemporaneously report the same qualifying incident or occurrence of wrongdoing or abuse, the State Inspector General in his sole discretion may split the reward of up to 10 percent among the multiple whistle blowers. The decision of the State Inspector General regarding the allocation of the rewards shall be final and binding on all parties and shall not be appealable.

D. Five percent of all sums recovered shall be retained in the Fund to support the administration of the Fund, defray advertising costs, and subsidize the operation of the Fraud, Waste and Abuse Hotline. Expenditures for administrative costs for management of the Fund shall be managed as approved by the State Inspector General.

E. The Office of the State Inspector General shall promulgate regulations for the proper administration of the Fund including eligibility requirements and procedures for filing a claim. The Office of the State Inspector General shall submit an annual report to the General Assembly summarizing the activities of the Fund.

Chapter 31 - STATE AND LOCAL GOVERNMENT CONFLICT OF INTERESTS ACT

Article 1 - General Provisions

§ 2.2-3100. Policy; application; construction.

The General Assembly, recognizing that our system of representative government is dependent in part upon (i) citizen legislative members representing fully the public in the legislative process and (ii) its citizens maintaining the highest trust in their public officers and employees, finds and declares that the

citizens are entitled to be assured that the judgment of public officers and employees will be guided by a law that defines and prohibits inappropriate conflicts and requires disclosure of economic interests. To that end and for the purpose of establishing a single body of law applicable to all state and local government officers and employees on the subject of conflict of interests, the General Assembly enacts this State and Local Government Conflict of Interests Act so that the standards of conduct for such officers and employees may be uniform throughout the Commonwealth.

This chapter shall supersede all general and special acts and charter provisions which purport to deal with matters covered by this chapter except that the provisions of §§ [15.2-852](#), [15.2-2287](#), [15.2-2287.1](#), and [15.2-2289](#) and ordinances adopted pursuant thereto shall remain in force and effect. The provisions of this chapter shall be supplemented but not superseded by the provisions on ethics in public contracting in Article 6 (§ [2.2-4367](#) et seq.) of Chapter 43 of this title and ordinances adopted pursuant to § [2.2-3104.2](#) regulating receipt of gifts.

The provisions of this chapter do not preclude prosecution for any violation of any criminal law of the Commonwealth, including Articles 2 (Bribery and Related Offenses, § [18.2-438](#) et seq.) and 3 (Bribery of Public Servants and Party Officials, § [18.2-446](#) et seq.) of Chapter 10 of Title 18.2, and do not constitute a defense to any prosecution for such a violation.

This chapter shall be liberally construed to accomplish its purpose.

A. Each officer and employee of any state or local governmental or advisory agency who has a personal interest in a transaction shall disqualify himself from participating in the transaction if (i) the transaction has application solely to property or a business or governmental agency in which he has a personal interest or a business that has a parent-subsidiary or affiliated business entity relationship with the business in which he has a personal interest or (ii) he is unable to participate pursuant to subdivision B 1, 2, or 3. Any disqualification under the provisions of this subsection shall be recorded in the public records of the officer's or employee's governmental or advisory agency. In addition to any other powers and duties prescribed by law, the Attorney General shall have the following powers and duties within the area for which he is responsible under this section:

1. He shall advise the agencies of state government and officers and employees serving at the state level of government on appropriate procedures for complying with the requirements of this chapter. He may review any disclosure statements, without notice to the affected person, for the purpose of determining satisfactory compliance, and shall investigate matters that come to his attention reflecting possible violations of the provisions of this chapter by officers and employees serving at the state level of government;
2. If he determines that there is a reasonable basis to conclude that any officer or employee serving at the state level of government has knowingly violated any provision of this chapter, he shall designate an attorney for the Commonwealth who shall have complete and independent discretion in the prosecution of such officer or employee;
3. He shall render advisory opinions to any state officer or employee who seeks advice as to whether the facts in a particular case would constitute a violation of the provisions of this chapter. He shall determine which opinions or portions thereof are of general interest to the public and may, from time to time, be published.

Irrespective of whether an opinion of the Attorney General has been requested and rendered, any person has the right to seek a declaratory judgment or other judicial relief as provided by law.

B. The provisions of this chapter relating to an officer or employee serving at the local level of government shall be enforced by the attorney for the Commonwealth within the political subdivision for which he is elected.

Each attorney for the Commonwealth shall be responsible for prosecuting violations by an officer or employee serving at the local level of government and, if the Attorney General designates such attorney for the Commonwealth, violations by an officer or employee serving at the state level of government. In the event the violation by an officer or employee serving at the local level of government involves more than one local jurisdiction, the Attorney General shall designate which of the attorneys for the Commonwealth of the involved local jurisdictions shall enforce the provisions of this chapter with regard to such violation.

Each attorney for the Commonwealth shall establish an appropriate written procedure for implementing the disclosure requirements of local officers and employees of his county, city or town, and for other political subdivisions, whose principal offices are located within the jurisdiction served by such attorney for the Commonwealth. The attorney for the Commonwealth shall provide a copy of this act to all local officers and employees in the jurisdiction served by such attorney who are required to file a disclosure statement pursuant to Article 5 ([§ 2.2-3113](#) et seq.) of this chapter. Failure to receive a copy

of the act shall not be a defense to such officers and employees if they are prosecuted for violations of the act.

Each attorney for the Commonwealth shall render advisory opinions as to whether the facts in a particular case would constitute a violation of the provisions of this chapter to the governing body and any local officer or employee in his jurisdiction and to political subdivisions other than a county, city or town, including regional political subdivisions whose principal offices are located within the jurisdiction served by such attorney for the Commonwealth. If the advisory opinion is written, then such written opinion shall be a public record and shall be released upon request. In case the opinion given by the attorney for the Commonwealth indicates that the facts would constitute a violation, the officer or employee affected thereby may request that the Attorney General review the opinion. A conflicting opinion by the Attorney General shall act to revoke the opinion of the attorney for the Commonwealth. The Attorney General shall determine which of his reviewing opinions or portions thereof are of general interest to the public and may, from time to time, be published.

Irrespective of whether an opinion of the attorney for the Commonwealth or the Attorney General has been requested and rendered, any person has the right to seek a declaratory judgment or other judicial relief as provided by law.

Chapter 32 - Workforce Transition Act of 1995

§ 2.2-3200. Short title; purpose.

A. This chapter shall be known as the Workforce Transition Act of 1995.

B. The purpose of this chapter is to provide a transitional severance benefit, under the conditions specified, to eligible state employees who are involuntarily separated from their employment with the Commonwealth. "Involuntary separation" includes, but is not limited to, terminations and layoffs from employment with the Commonwealth, or being placed on leave without pay-layoff or equivalent status, due to budget reductions, agency reorganizations, workforce down-sizings, or other causes not related to the job performance or misconduct of the employee, but shall not include voluntary resignations. As used in this chapter, a "terminated employee" shall mean an employee who is involuntarily separated from employment with the Commonwealth.

1995, cc. [152](#), [811](#), § 2.1-116.20; 2001, c. [844](#).

§ 2.2-3201. Duties of Department of Human Resource Management and executive branch agencies to involuntarily separated employees.

A. Prior to terminating or placing on leave without pay-layoff or equivalent status any employee of an agency or institution in the executive branch of state government, the management of the agency or institution shall make every effort to place the employee in any vacant position within the agency for which the employee is qualified. If reemployment within the agency or institution is not possible because there is no available position for which the employee is qualified or the position offered to the employee requires relocation or a reduction in salary, the name of the employee shall be forwarded to the Department of Human Resource Management (the "Department").

B. Any preferential employment rights vested in the employee under the Commonwealth's layoff policy shall not be denied, abridged, or modified in any way by the Department. The Department shall coordinate the preferential hiring of the employee, at the same salary classification, in any agency or institution of the executive branch of state government. The Department shall also establish a program to assist employees in finding employment outside of state government.

C. If, as of the date the employee is terminated from employment or placed on leave without pay-layoff or equivalent status, reemployment within his agency or institution or any other agency or institution of the executive branch of state government is not possible because there is no available position for which the employee is qualified or the position offered to the employee requires relocation or a reduction in salary, then the employee shall be deemed to be involuntarily separated. If such employee is otherwise eligible, he shall be entitled, under the conditions specified, to receive the transitional severance benefit conferred by this chapter.

D. The Department shall report all involuntary separations in the executive branch of state government to the Department of Planning and Budget, which shall make an appropriate reduction, pursuant to § [2.2-1501](#), in the terminating agency's maximum employment level in preparing its executive budget for the next session of the General Assembly.

The date of involuntary separation shall mean the date an employee was terminated from employment or placed on leave without pay-layoff or equivalent status.

B. An otherwise eligible employee whose position is contingent upon project grants as defined in the Catalogue of Federal Domestic Assistance, shall not be eligible for the transitional severance benefit conferred by this chapter unless the funding source had agreed to assume all financial responsibility therefor in its written contract with the Commonwealth.

C. Members of the Judicial Retirement System (§ [51.1-300](#) et seq.) and officers elected by popular vote shall not be eligible for the transitional severance benefit conferred by this chapter.

On his date of involuntary separation, an eligible employee with (i) two years' service or less to the Commonwealth shall be entitled to receive a transitional severance benefit equivalent to four weeks of salary; (ii) three years through and including nine years of consecutive service to the Commonwealth shall be entitled to receive a transitional severance benefit equivalent to four weeks of salary plus one additional week of salary for every year of service over two years; (iii) ten years through and including fourteen years of consecutive service to the Commonwealth shall be entitled to receive a transitional severance benefit equivalent to twelve weeks of salary plus two additional weeks of salary for every year of service over nine years; or (iv) fifteen years or more of consecutive service to the Commonwealth shall be entitled to receive a transitional severance benefit equivalent to two weeks of salary for every year of service, not to exceed thirty-six weeks of salary.

B. Transitional severance benefits shall be computed by the terminating agency's payroll department. Partial years of service shall be rounded up to the next highest year of service.

C. Transitional severance benefits shall be paid in the same manner as normal salary. In accordance with § [60.2-229](#), transitional severance benefits shall be allocated to the date of involuntary separation. The right of any employee who receives a transitional severance benefit to also receive unemployment compensation pursuant to § [60.2-100](#) et seq. shall not be denied, abridged, or modified in any way due to receipt of the transitional severance benefit; however, any employee who is entitled to unemployment compensation shall have his transitional severance benefit reduced by the amount of such unemployment compensation. Any offset to a terminated employee's transitional severance benefit due to reductions for unemployment compensation shall be paid in one lump sum at the time the last transitional severance benefit payment is made.

D. For twelve months after the employee's date of involuntary separation, the employee shall continue to be covered under the (i) health insurance plan created in § [2.2-2818](#) for the Commonwealth's employees, if he participated in such plan prior to his date of involuntary separation, and (ii) group life insurance plan administered by the Virginia Retirement System pursuant to Chapter 5 (§ [51.1-500](#) et seq.) of Title 51.1. During such twelve months, the terminating agency shall continue to pay its share of the terminated employee's premiums. Upon expiration of such twelve month period, the terminated employee shall be eligible to purchase continuing health insurance coverage under COBRA.

E. Transitional severance benefit payments shall cease if a terminated employee is reemployed or hired in an individual capacity as an independent contractor or consultant by any agency or institution of the Commonwealth during the time he is receiving such payments.

F. All transitional severance benefits payable pursuant to this section shall be subject to applicable federal laws and regulations.

If the otherwise eligible employee is (a) a person who becomes a member on or after July 1, 2010, a person who does not have 60 months of creditable service as of January 1, 2013, or a person who is enrolled in the hybrid retirement program described in § [51.1-169](#); (b) not a member of the State Police Officers' Retirement System or the Virginia Law Officers' Retirement System; and (c) a person to whom the provisions of subdivision B 3 of § [51.1-153](#) do not apply, then he must be at least 60 years of age on the date of involuntary separation to be eligible for the retirement program provided in this subsection. The cost of each year of age or creditable service purchased by the Commonwealth shall be equal to 15 percent of the employee's present annual compensation. The number of years of age or creditable service to be purchased by the Commonwealth shall be equal to the quotient obtained by dividing (1) the cash value of the benefits to which the employee would be entitled under subsections A and D of § [2.2-3203](#) by (2) the cost of each year of age or creditable service. Partial years shall be rounded up to the next highest year. Deferred retirement under the provisions of subsection C of §§ [51.1-153](#), [51.1-205](#), and [51.1-216](#), and disability retirement under the provisions of § [51.1-156](#) et seq. and § [51.1-209](#), shall not be available under this section.

B. In lieu of the (i) transitional severance benefit provided in § [2.2-3203](#) and (ii) the retirement program provided in subsection A, any employee who is otherwise eligible may take immediate retirement pursuant to § [51.1-155.1](#).

C. 1. § 2.2-3205. Costs associated with this chapter; payment.

A. The terminating agency shall pay all costs associated with the provisions of this chapter within the twelve months following the date of an employee's involuntary separation, or within such shorter period as may be required. The costs shall be paid first from appropriations available to the terminating agency. If such sums are insufficient, then, if the agency's governing authority certifies that the agency is unable to pay the costs when due from appropriations available to the terminating agency without affecting the agency's ability to deliver essential services, aid to localities, or aid to individuals, the State Treasurer shall make a treasury loan to the agency to be used to finance the unsatisfied balance of the agency's obligations.

B. As used in this section, the "governing authority" shall mean (i) for an agency in the executive branch, the Governor or his designee; (ii) for an agency in the judicial branch, the Supreme Court of Virginia; (iii) and for an agency in the legislative branch or an independent agency, the appropriate legislative body.

C. Any treasury loan made pursuant to subsection A shall be repaid by the agency in the following order: (i) first, from unexpended fund balances available to the agency; (ii) next, from the unexpended year-end balances, less mandated uses as set out in the appropriation act, of all other state agencies and institutions in the terminating agency's branch of government (i.e., judicial, legislative, or executive); and (iii) finally, from such appropriations as the General Assembly may provide for such purpose. In budgeting for the payment of these costs, the general fund shall bear its actual share of such costs.

Chapter 35 - INFORMATION TECHNOLOGY ACCESS ACT

§ 2.2-3500. Findings; policy.

A. The General Assembly finds that (i) the advent of the information age throughout the United States and around the world has resulted in lasting changes in information technology; (ii) use of interactive visual display terminals by state and state-assisted organizations is becoming a widespread means of access for employees and the public to obtain information available electronically, but nonvisual access, whether by speech, Braille, or other appropriate means has been overlooked in purchasing and deploying the latest information technology; (iii) presentation of electronic data solely in a visual

format is a barrier to access by individuals who are blind or visually impaired, preventing them from participating on equal terms in crucial areas of life, such as education and employment; (iv) alternatives, including both software and hardware adaptations, have been created so that interactive control of computers and use of the information presented is possible by both visual and nonvisual means; and (v) the goals of the state in obtaining and deploying the most advanced forms of information technology properly include universal access so that the segments of society with particular needs (including individuals unable to use visual displays) will not be left out of the information age.

B. It is the policy of the Commonwealth that all covered entities shall conduct themselves in accordance with the following principles: (i) individuals who are blind or visually impaired have the right to full participation in the life of the Commonwealth, including the use of advanced technology that is provided by such covered entities for use by employees, program participants, and members of the general public, and (ii) technology purchased in whole or in part with funds provided by the Commonwealth to be used for the creation, storage, retrieval, or dissemination of information and intended for use by employees, program participants, and members of the general public shall be adaptable for access by individuals who are blind or visually impaired. The implementation of nonvisual access technology under this chapter shall be determined on a case-by-case basis as the need arises.

1999, cc. 769, 773, § 2.1-807; 2001, c. 844.

§ 2.2-3501. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Access" means the ability to receive, use, and manipulate data and operate controls included in information technology.

"Blind" or "visually impaired" individual means an individual who has: (i) a visual acuity of 20/200 or less in the better eye with correcting lenses or has a limited field of vision so that the widest diameter of the visual field subtends an angle no greater than 20 degrees; (ii) a medically indicated expectation of visual deterioration; or (iii) a medically diagnosed limitation in visual functioning that restricts the individual's ability to read and write standard print at levels expected of individuals of comparable ability.

"Covered entity" means all state agencies, public institutions of higher education, and political subdivisions of the Commonwealth.

"Information technology" means all electronic information processing hardware and software, including telecommunications.

"Nonvisual" means synthesized speech, Braille, and other output methods not requiring sight.

"Public broadcasting services" means the acquisition, production, and distribution by public broadcasting stations of noncommercial educational, instructional, informational, or cultural television and radio programs and information that may be transmitted by means of electronic communications, and related materials and services provided by such stations.

"Telecommunications" means the transmission of information, images, pictures, voice, or data by radio, video, or other electronic or impulse means, but does not include public broadcasting.

1999, cc. [769](#), [773](#), § 2.1-808; 2001, c. [844](#); 2012, cc. [803](#), [835](#); 2016, c. [296](#).

§ 2.2-3502. Assurance of nonvisual access.

In general, the head of each covered entity shall ensure that information technology equipment and software used by blind or visually impaired employees, program participants, or members of the general public (i) provide access (including interactive use of the equipment and services) that is equivalent to that provided to individuals who are not blind or visually impaired; (ii) are designed to present information (including prompts used for interactive communications) in formats adaptable to both visual and nonvisual use; and (iii) have been purchased under a contract that includes the technology access clause required pursuant to § [2.2-3503](#).

1999, cc. [769](#), [773](#), § 2.1-809; 2001, c. [844](#).

§ 2.2-3503. Procurement requirements.

A. The technology access clause specified in clause (iii) of § [2.2-3502](#) shall be developed by the Secretary of Administration and shall require compliance with the nonvisual access standards established in subsection B. The clause shall be included in all future contracts for the procurement of information technology by, or for the use of, entities covered by this chapter on or after the effective date of this chapter.

B. At a minimum, the nonvisual access standards shall include the following: (i) the effective, interactive control and use of the technology (including the operating system), applications programs, and format of the data presented, shall be readily achievable by nonvisual means; (ii) the technology equipped for nonvisual access shall be compatible with information technology used by other individuals with whom the blind or visually impaired individual interacts; (iii) nonvisual access technology shall be integrated into networks used to share communications among employees, program participants, and the public; and (iv) the technology for nonvisual access shall have the capability of providing equivalent access by nonvisual means to telecommunications or other interconnected network services used by persons who are not blind or visually impaired. A covered entity may stipulate additional specifications in any procurement.

Compliance with the nonvisual access standards shall not be required if the head of a covered entity determines that (a) the information technology is not available with nonvisual access because the essential elements of the information technology are visual and (b) nonvisual equivalence is not available.

1999, cc. [769](#), [773](#), § 2.1-810; 2001, c. [844](#); 2020, c. [738](#).

§ 2.2-3504. Implementation.

A. The head of any covered entity may, with respect to nonvisual access software or peripheral devices, approve the exclusion of the technology access clause only to the extent that the cost of the software or devices for the covered entity would increase the total cost of the procurement by more

than five percent. All exclusions of the technology access clause from any contract shall be reported annually to the Secretary of Administration.

B. The acquisition and installation of hardware, software, or peripheral devices used for nonvisual access when the information technology is being used exclusively by individuals who are not blind or visually impaired shall not be required.

C. Notwithstanding the provisions of subsection B, the applications programs and underlying operating systems (including the format of the data) used for the manipulation and presentation of information shall permit the installation and effective use of nonvisual access software and peripheral devices.

Chapter 36 - STATE GOVERNMENT VOLUNTEERS ACT

§ 2.2-3600. Short title; declaration of legislative intent.

A. This chapter may be cited as the Virginia State Government Volunteers Act.

B. Since the spirit of volunteerism has long animated generations of Americans to give of their time and abilities to help others, the Commonwealth would be wise to make use of volunteers in state service wherever practically possible. Effective use of volunteers in state service, however, requires that state agencies be provided guidelines for the development of volunteer programs and the utilization of volunteers. The General Assembly intends by this chapter to assure that people of Virginia may derive optimal benefit from volunteers, and that the time and talents of volunteers in state service may be put to their best use.

1977, c. 347, § 2.1-554; 2001, c. [844](#).

Volunteers shall, however, at all times comply with applicable work rules.

C. Every department utilizing the services of volunteers may provide volunteers with such incidental reimbursements as are consistent with the provisions of § [2.2-3605](#), including transportation costs, lodging, and subsistence, as the department deems appropriate to assist volunteers in performing their duties.

2. Develop written rules governing the recruitment, screening, training, responsibility, utilization and supervision of volunteers;
3. Take actions necessary to ensure that volunteers and paid staff understand their respective duties and responsibilities, their relationship to each other, and their respective roles in fulfilling the objectives of their department;
4. Take actions necessary and appropriate to ensure a receptive climate for citizen volunteers;
5. Provide for the recognition of volunteers who have offered exceptional service to the Commonwealth; and

6. Recognize prior volunteer service as partial fulfillment of state employment requirements for training and experience established by the Department of Human Resource Management.

D. Liability insurance may be provided by the department utilizing their services both to regular-service and occasional-service volunteers to the same extent as may be provided by the department to its paid staff. Volunteers in state and local service, including, but not limited to, any person who serves in a Medical Reserve Corps (MRC) unit or on a Community Emergency Response Team (CERT), shall enjoy the protection of the Commonwealth's sovereign immunity to the same extent as paid staff.

Part B - TRANSACTION OF PUBLIC BUSINESS

Chapter 37 - VIRGINIA FREEDOM OF INFORMATION ACT

§ 2.2-3700. Short title; policy.

A. This chapter may be cited as "The Virginia Freedom of Information Act."

B. By enacting this chapter, the General Assembly ensures the people of the Commonwealth ready access to public records in the custody of a public body or its officers and employees, and free entry to meetings of public bodies wherein the business of the people is being conducted. The affairs of government are not intended to be conducted in an atmosphere of secrecy since at all times the public is to be the beneficiary of any action taken at any level of government. Unless a public body or its officers or employees specifically elect to exercise an exemption provided by this chapter or any other statute, every meeting shall be open to the public and all public records shall be available for

inspection and copying upon request. All public records and meetings shall be presumed open, unless an exemption is properly invoked.

The provisions of this chapter shall be liberally construed to promote an increased awareness by all persons of governmental activities and afford every opportunity to citizens to witness the operations of government. Any exemption from public access to records or meetings shall be narrowly construed and no record shall be withheld or meeting closed to the public unless specifically made exempt pursuant to this chapter or other specific provision of law. This chapter shall not be construed to discourage the free discussion by government officials or employees of public matters with the citizens of the Commonwealth.

All public bodies and their officers and employees shall make reasonable efforts to reach an agreement with a requester concerning the production of the records requested.

Any ordinance adopted by a local governing body that conflicts with the provisions of this chapter shall be void.

4. Sexual assault response teams established pursuant to § [15.2-1627.4](#), except that records relating to (i) protocols and policies of the sexual assault response team and (ii) guidelines for the community's response established by the sexual assault response team shall be public records and subject to the provisions of this chapter;
5. Multidisciplinary child sexual abuse response teams established pursuant to § [15.2-1627.5](#);
6. The Virginia State Crime Commission; and
7. The records maintained by the clerks of the courts of record, as defined in § [1-212](#), for which clerks are custodians under § [17.1-242](#), and courts not of record, as defined in § [16.1-69.5](#), for which clerks are custodians under § [16.1-69.54](#), including those transferred for storage, maintenance, or archiving. Such records shall be requested in accordance with the provisions of §§ 16.1-69.54:1 and [17.1-208](#),

as appropriate. However, other records maintained by the clerks of such courts shall be public records and subject to the provisions of this chapter.

B. Public access to voter registration and election records shall be governed by the provisions of Title 24.2 and this chapter. The provisions of Title 24.2 shall be controlling in the event of any conflict.

C. No provision of this chapter or Chapter 21 ([§ 30-178](#) et seq.) of Title 30 shall be construed to afford any rights to any person (i) incarcerated in a state, local or federal correctional facility, whether or not such facility is (a) located in the Commonwealth or (b) operated pursuant to the Corrections Private Management Act ([§ 53.1-261](#) et seq.) or (ii) civilly committed pursuant to the Sexually Violent Predators Act ([§ 37.2-900](#) et seq.). § 2.2-3704. Public records to be open to inspection; procedure for requesting records and responding to request; charges; transfer of records for storage, etc.

A. Except as otherwise specifically provided by law, all public records shall be open to citizens of the Commonwealth, representatives of newspapers and magazines with circulation in the Commonwealth, and representatives of radio and television stations broadcasting in or into the Commonwealth during the regular office hours of the custodian of such records. Access to such records shall be provided by the custodian in accordance with this chapter by inspection or by providing copies of the requested records, at the option of the requester. The custodian may require the requester to provide his name and legal address. The custodian of such records shall take all necessary precautions for their preservation and safekeeping.

B. A request for public records shall identify the requested records with reasonable specificity. The request need not make reference to this chapter in order to invoke the provisions of this chapter or to impose the time limits for response by a public body. Any public body that is subject to this chapter and that is the custodian of the requested records shall promptly, but in all cases within five working days of receiving a request, provide the requested records to the requester or make one of the following responses in writing:

1. The requested records are being entirely withheld. Such response shall identify with reasonable particularity the volume and subject matter of withheld records, and cite, as to each category of withheld records, the specific Code section that authorizes the withholding of the records.
 2. The requested records are being provided in part and are being withheld in part. Such response shall identify with reasonable particularity the subject matter of withheld portions, and cite, as to each category of withheld records, the specific Code section that authorizes the withholding of the records.
 3. The requested records could not be found or do not exist. However, if the public body that received the request knows that another public body has the requested records, the response shall include contact information for the other public body.
 4. It is not practically possible to provide the requested records or to determine whether they are available within the five-work-day period. Such response shall specify the conditions that make a response impossible. If the response is made within five working days, the public body shall have an additional seven work days or, in the case of a request for criminal investigative files pursuant to § [2.2-3706.1](#), 60 work days in which to provide one of the four preceding responses.
- C. Any public body may petition the appropriate court for additional time to respond to a request for records when the request is for an extraordinary volume of records or requires an extraordinarily lengthy search, and a response by the public body within the time required by this chapter will prevent the public body from meeting its operational responsibilities. Before proceeding with the petition, however, the public body shall make reasonable efforts to reach an agreement with the requester concerning the production of the records requested.
- D. Subject to the provisions of subsection G, no public body shall be required to create a new record if the record does not already exist. However, a public body may abstract or summarize information under such terms and conditions as agreed between the requester and the public body.
- E. Failure to respond to a request for records shall be deemed a denial of the request and shall constitute a violation of this chapter.
- F. A public body may make reasonable charges not to exceed its actual cost incurred in accessing, duplicating, supplying, or searching for the requested records. No public body shall impose any extraneous, intermediary, or surplus fees or expenses to recoup the general costs associated with creating or maintaining records or transacting the general business of the public body. Any duplicating fee charged by a public body shall not exceed the actual cost of duplication. The public body may also make a reasonable charge for the cost incurred in supplying records produced from a geographic information system at the request of anyone other than the owner of the land that is the subject of the request. However, such charges shall not exceed the actual cost to the public body in supplying such records, except that the public body may charge, on a pro rata per acre basis, for the cost of creating topographical maps developed by the public body, for such maps or portions thereof, which encompass a contiguous area greater than 50 acres. All charges for the supplying of requested records shall be estimated in advance at the request of the citizen. The period within which the public body shall

respond under this section shall be tolled for the amount of time that elapses between notice of the cost estimate and the response of the requester. If the public body receives no response from the requester within 30 days of sending the cost estimate, the request shall be deemed to be withdrawn.

G. Public records maintained by a public body in an electronic data processing system, computer database, or any other structured collection of data shall be made available to a requester at a reasonable cost, not to exceed the actual cost in accordance with subsection F. When electronic or other databases are combined or contain exempt and nonexempt records, the public body may provide access to the exempt records if not otherwise prohibited by law, but shall provide access to the nonexempt records as provided by this chapter.

Public bodies shall produce nonexempt records maintained in an electronic database in any tangible medium identified by the requester, including, where the public body has the capability, the option of posting the records on a website or delivering the records through an electronic mail address provided by the requester, if that medium is used by the public body in the regular course of business. No public body shall be required to produce records from an electronic database in a format not regularly used by the public body. However, the public body shall make reasonable efforts to provide records in any format under such terms and conditions as agreed between the requester and public body, including the payment of reasonable costs. The excision of exempt fields of information from a database or the conversion of data from one available format to another shall not be deemed the creation, preparation, or compilation of a new public record.

H. In any case where a public body determines in advance that charges for producing the requested records are likely to exceed \$200, the public body may, before continuing to process the request, require the requester to pay a deposit not to exceed the amount of the advance determination. The deposit shall be credited toward the final cost of supplying the requested records. The period within which the public body shall respond under this section shall be tolled for the amount of time that elapses between notice of the advance determination and the response of the requester.

I. Before processing a request for records, a public body may require the requester to pay any amounts owed to the public body for previous requests for records that remain unpaid 30 days or more after billing.

J. In the event a public body has transferred possession of public records to any entity, including but not limited to any other public body, for storage, maintenance, or archiving, the public body initiating the transfer of such records shall remain the custodian of such records for purposes of responding to requests for public records made pursuant to this chapter and shall be responsible for retrieving and supplying such public records to the requester. In the event a public body has transferred public records for storage, maintenance, or archiving and such transferring public body is no longer in existence, any public body that is a successor to the transferring public body shall be deemed the custodian of such records. In the event no successor entity exists, the entity in possession of the public records shall be deemed the custodian of the records for purposes of compliance with this chapter,

and shall retrieve and supply such records to the requester. Nothing in this subsection shall be construed to apply to records transferred to the Library of Virginia for permanent archiving pursuant to the duties imposed by the Virginia Public Records Act (§ 42.1-76 et seq.). In accordance with § 42.1-79, the Library of Virginia shall be the custodian of such permanently archived records and shall be responsible for responding to requests for such records made pursuant to this chapter.

§ 2.2-3704.01. Records containing both excluded and nonexcluded information; duty to redact.

No provision of this chapter is intended, nor shall it be construed or applied, to authorize a public body to withhold a public record in its entirety on the grounds that some portion of the public record is excluded from disclosure by this chapter or by any other provision of law. A public record may be withheld from disclosure in its entirety only to the extent that an exclusion from disclosure under this chapter or other provision of law applies to the entire content of the public record. Otherwise, only those portions of the public record containing information subject to an exclusion under this chapter or other provision of law may be withheld, and all portions of the public record that are not so excluded shall be disclosed.

2016, cc. 620, 716.

All state public bodies subject to the provisions of this chapter, any county or city, any town with a population of more than 250, and any school board shall make available the following information to the public upon request and shall post a link to such information on the homepage of their respective official public government websites:

1. A plain English explanation of the rights of a requester under this chapter, the procedures to obtain public records from the public body, and the responsibilities of the public body in complying with this chapter. For purposes of this section, "plain English" means written in nontechnical, readily understandable language using words of common everyday usage and avoiding legal terms and phrases or other terms and words of art whose usage or special meaning primarily is limited to a particular field or profession;

2. Contact information for the FOIA officer designated by the public body pursuant to § [2.2-3704.2](#) to (i) assist a requester in making a request for records or (ii) respond to requests for public records;
3. A general description, summary, list, or index of the types of public records maintained by such public body;
4. A general description, summary, list, or index of any exemptions in law that permit or require such public records to be withheld from release;
5. Any policy the public body has concerning the type of public records it routinely withholds from release as permitted by this chapter or other law; and
6. The following statement: "A public body may make reasonable charges not to exceed its actual cost incurred in accessing, duplicating, supplying, or searching for the requested records. No public body shall impose any extraneous, intermediary, or surplus fees or expenses to recoup the general costs associated with creating or maintaining records or transacting the general business of the public body. Any duplicating fee charged by a public body shall not exceed the actual cost of duplication. All charges for the supplying of requested records shall be estimated in advance at the request of the citizen as set forth in subsection F of § [2.2-3704](#) of the Code of Virginia."

B. Any state public body subject to the provisions of this chapter and any county or city, and any town with a population of more than 250, shall post a link on its official public government website to the online public comment form on the Freedom of Information Advisory Council's website to enable any requester to comment on the quality of assistance provided to the requester by the public body.

§ 2.2-3704.2. Public bodies to designate FOIA officer.

A. All state public bodies, including state authorities, that are subject to the provisions of this chapter and all local public bodies and regional public bodies that are subject to the provisions of this chapter shall designate and publicly identify one or more Freedom of Information Act officers (FOIA officer) whose responsibility is to serve as a point of contact for members of the public in requesting public records and to coordinate the public body's compliance with the provisions of this chapter.

B. For such state public bodies, the name and contact information of the public body's FOIA officer to whom members of the public may direct requests for public records and who will oversee the public body's compliance with the provisions of this chapter shall be made available to the public upon request and be posted on the respective public body's official public government website at the time of designation and maintained thereafter on such website for the duration of the designation.

C. For such local public bodies and regional public bodies, the name and contact information of the public body's FOIA officer to whom members of the public may direct requests for public records and who will oversee the public body's compliance with the provisions of this chapter shall be made

available in a way reasonably calculated to provide notice to the public, including posting at the public body's place of business, posting on its official public government website, or including such information in its publications.

D. For the purposes of this section, local public bodies shall include constitutional officers.

E. Any such FOIA officer shall possess specific knowledge of the provisions of this chapter and be trained at least once during each consecutive period of two calendar years commencing with the date on which he last completed a training session by legal counsel for the public body or the Virginia Freedom of Information Advisory Council (the Council) or through an online course offered by the Council. Any such training shall document that the training required by this subsection has been fulfilled.

F. The name and contact information of a FOIA officer trained by legal counsel of a public body shall be (i) submitted to the Council by July 1 of the year a FOIA officer is initially trained on a form developed by the Council for that purpose and (ii) updated in a timely manner in the event of any changes to such information.

G. The Council shall maintain on its website a listing of all FOIA officers, including name, contact information, and the name of the public body such FOIA officers serve.

B. Each local elected official and the executive director and members of each industrial development authority and economic development authority, as created by the Industrial Development and Revenue Bond Act, shall complete a training session described in subsection A within two months after assuming the local elected office and thereafter at least once during each consecutive period of two calendar years commencing with the date on which he last completed a training session, for as long as he holds such office. Repealed by Acts 2004, c. [690](#).

§ 2.2-3705.1. Exclusions to application of chapter; exclusions of general application to public bodies.

The following information contained in a public record is excluded from the mandatory disclosure provisions of this chapter but may be disclosed by the custodian in his discretion, except where such disclosure is prohibited by law. Redaction of information excluded under this section from a public record shall be conducted in accordance with § [2.2-3704.01](#).

1. Personnel information concerning identifiable individuals, except that access shall not be denied to the person who is the subject thereof. Any person who is the subject of such information and who is 18 years of age or older may waive, in writing, the protections afforded by this subdivision. If the protections are so waived, such information shall be disclosed. Nothing in this subdivision shall be construed to authorize the withholding of any resumes or applications submitted by persons who are appointed by the Governor pursuant to § [2.2-106](#) or [2.2-107](#).

No provision of this chapter or any provision of Chapter 38 (§ [2.2-3800](#) et seq.) shall be construed as denying public access to (i) contracts between a public body and its officers or employees, other than contracts settling public employee employment disputes held confidential as personnel records under § [2.2-3705.1](#); (ii) records of the name, position, job classification, official salary, or rate of pay of, and records of the allowances or reimbursements for expenses paid to, any officer, official, or employee of a public body; or (iii) the compensation or benefits paid by any corporation organized by the Virginia Retirement System or its officers or employees. The provisions of this subdivision, however, shall not require public access to records of the official salaries or rates of pay of public employees whose annual rate of pay is \$10,000 or less.

2. Written advice of legal counsel to state, regional or local public bodies or the officers or employees of such public bodies, and any other information protected by the attorney-client privilege.

3. Legal memoranda and other work product compiled specifically for use in litigation or for use in an active administrative investigation concerning a matter that is properly the subject of a closed meeting under § [2.2-3711](#).

4. Any test or examination used, administered or prepared by any public body for purposes of evaluation of (i) any student or any student's performance, (ii) any employee or employment seeker's qualifications or aptitude for employment, retention, or promotion, or (iii) qualifications for any license or certificate issued by a public body.

As used in this subdivision, "test or examination" shall include (a) any scoring key for any such test or examination and (b) any other document that would jeopardize the security of the test or examination. Nothing contained in this subdivision shall prohibit the release of test scores or results as provided by law, or limit access to individual records as provided by law. However, the subject of such

employment tests shall be entitled to review and inspect all records relative to his performance on such employment tests.

When, in the reasonable opinion of such public body, any such test or examination no longer has any potential for future use, and the security of future tests or examinations will not be jeopardized, the test or examination shall be made available to the public. However, minimum competency tests administered to public school children shall be made available to the public contemporaneously with statewide release of the scores of those taking such tests, but in no event shall such tests be made available to the public later than six months after the administration of such tests.

5. Records recorded in or compiled exclusively for use in closed meetings lawfully held pursuant to § [2.2-3711](#). However, no record that is otherwise open to inspection under this chapter shall be deemed exempt by virtue of the fact that it has been reviewed or discussed in a closed meeting.

6. Vendor proprietary information software that may be in the public records of a public body. For the purpose of this subdivision, "vendor proprietary information software" means computer programs acquired from a vendor for purposes of processing data for agencies or political subdivisions of the Commonwealth.

7. Computer software developed by or for a state agency, public institution of higher education in the Commonwealth, or political subdivision of the Commonwealth.

8. Appraisals and cost estimates of real property subject to a proposed purchase, sale, or lease, prior to the completion of such purchase, sale, or lease.

9. Information concerning reserves established in specific claims administered by the Department of the Treasury through its Division of Risk Management as provided in Article 5 (§ [2.2-1832](#) et seq.) of Chapter 18, or by any county, city, or town; and investigative notes, correspondence and information furnished in confidence with respect to an investigation of a claim or a potential claim against a public body's insurance policy or self-insurance plan. However, nothing in this subdivision shall prevent the disclosure of information taken from inactive reports upon expiration of the period of limitations for the filing of a civil suit.

10. Personal contact information furnished to a public body or any of its members for the purpose of receiving electronic communications from the public body or any of its members, unless the recipient of such electronic communications indicates his approval for the public body to disclose such information. However, access shall not be denied to the person who is the subject of the record. As used in this subdivision, "personal contact information" means the information provided to the public body or any of its members for the purpose of receiving electronic communications from the public body or any of its members and includes home or business (i) address, (ii) email address, or (iii) telephone number or comparable number assigned to any other electronic communication device.

11. Communications and materials required to be kept confidential pursuant to § [2.2-4119](#) of the Virginia Administrative Dispute Resolution Act (§ [2.2-4115](#) et seq.).

12. Information relating to the negotiation and award of a specific contract where competition or bargaining is involved and where the release of such information would adversely affect the bargaining position or negotiating strategy of the public body. Such information shall not be withheld after the public body has made a decision to award or not to award the contract. In the case of procurement transactions conducted pursuant to the Virginia Public Procurement Act ([§ 2.2-4300 et seq.](#)), the provisions of this subdivision shall not apply, and any release of information relating to such transactions shall be governed by the Virginia Public Procurement Act.

13. Account numbers or routing information for any credit card, debit card, or other account with a financial institution of any person or public body. However, access shall not be denied to the person who is the subject of the information. For the purposes of this subdivision, "financial institution" means any organization authorized to do business under state or federal laws relating to financial institutions, including, without limitation, banks and trust companies, savings banks, savings and loan companies or associations, and credit unions.

§ 2.2-3705.2. Exclusions to application of chapter; records relating to public safety.

The following information contained in a public record is excluded from the mandatory disclosure provisions of this chapter but may be disclosed by the custodian in his discretion, except where such disclosure is prohibited by law. Redaction of information excluded under this section from a public record shall be conducted in accordance with [§ 2.2-3704.01](#).

1. Confidential information, including victim identity, provided to or obtained by staff in a rape crisis center or a program for battered spouses.
2. Information that describes the design, function, operation, or access control features of any security system, whether manual or automated, which is used to control access to or use of any automated data processing or telecommunications system.
3. Information that would disclose the security aspects of a system safety program plan adopted pursuant to Federal Transit Administration regulations by the Commonwealth's designated Rail Fixed Guideway Systems Safety Oversight agency; and information in the possession of such agency, the release of which would jeopardize the success of an ongoing investigation of a rail accident or other incident threatening railway safety.
4. Information concerning security plans and specific assessment components of school safety audits, as provided in [§ 22.1-279.8](#).

Nothing in this subdivision shall be construed to prevent the disclosure of information relating to the effectiveness of security plans after (i) any school building or property has been subjected to fire, explosion, natural disaster, or other catastrophic event or (ii) any person on school property has suffered or been threatened with any personal injury.

5. Information concerning the mental health assessment of an individual subject to commitment as a sexually violent predator under Chapter 9 ([§ 37.2-900](#) et seq.) of Title 37.2 held by the Commitment Review Committee; except that in no case shall information identifying the victims of a sexually violent predator be disclosed.

6. Subscriber data provided directly or indirectly by a communications services provider to a public body that operates a 911 or E-911 emergency dispatch system or an emergency notification or reverse 911 system if the data is in a form not made available by the communications services provider to the public generally. Nothing in this subdivision shall prevent the disclosure of subscriber data generated in connection with specific calls to a 911 emergency system, where the requester is seeking to obtain public records about the use of the system in response to a specific crime, emergency or other event as to which a citizen has initiated a 911 call.

For the purposes of this subdivision:

"Communications services provider" means the same as that term is defined in [§ 58.1-647](#).

2. Would deprive a person of a right to a fair trial or an impartial adjudication;
3. Would constitute an unwarranted invasion of personal privacy;
4. Would disclose (i) the identity of a confidential source or (ii) in the case of a record compiled by a law-enforcement agency in the course of a criminal investigation, information furnished only by a confidential source;

1. Subject to the requirements of subsection C, all public bodies may conduct any meeting wherein the public business is discussed or transacted through electronic communication means if, on or before the day of a meeting, a member of the public body holding the meeting notifies the chair of the public body that:

§ 2.2-3712. Closed meetings procedures; certification of proceedings.

A. No closed meeting shall be held unless the public body proposing to convene such meeting has taken an affirmative recorded vote in an open meeting approving a motion that (i) identifies the subject matter, (ii) states the purpose of the meeting as authorized in subsection A of [§ 2.2-3711](#) or other provision of law and (iii) cites the applicable exemption from open meeting requirements provided in subsection A of [§ 2.2-3711](#) or other provision of law. The matters contained in such motion shall be set forth in detail in the minutes of the open meeting. A general reference to the provisions of this chapter, the authorized exemptions from open meeting requirements, or the subject matter of the closed meeting shall not be sufficient to satisfy the requirements for holding a closed meeting.

B. The notice provisions of this chapter shall not apply to closed meetings of any public body held solely for the purpose of interviewing candidates for the position of chief administrative officer. Prior to any such closed meeting for the purpose of interviewing candidates, the public body shall announce in an open meeting that such closed meeting shall be held at a disclosed or undisclosed location within 15 days thereafter.

C. The public body holding a closed meeting shall restrict its discussion during the closed meeting only to those matters specifically exempted from the provisions of this chapter and identified in the motion required by subsection A.

D. At the conclusion of any closed meeting, the public body holding such meeting shall immediately reconvene in an open meeting and shall take a roll call or other recorded vote to be included in the minutes of that body, certifying that to the best of each member's knowledge (i) only public business matters lawfully exempted from open meeting requirements under this chapter and (ii) only such public business matters as were identified in the motion by which the closed meeting was convened were heard, discussed or considered in the meeting by the public body. Any member of the public body who believes that there was a departure from the requirements of clauses (i) and (ii), shall so state prior to the vote, indicating the substance of the departure that, in his judgment, has taken place. The statement shall be recorded in the minutes of the public body.

E. Failure of the certification required by subsection D to receive the affirmative vote of a majority of the members of the public body present during a meeting shall not affect the validity or confidentiality of such meeting with respect to matters considered therein in compliance with the provisions of this chapter. The recorded vote and any statement made in connection therewith, shall upon proper authentication, constitute evidence in any proceeding brought to enforce the provisions of this chapter.

F. A public body may permit nonmembers to attend a closed meeting if such persons are deemed necessary or if their presence will reasonably aid the public body in its consideration of a topic that is a subject of the meeting.

G. A member of a public body shall be permitted to attend a closed meeting held by any committee or subcommittee of that public body, or a closed meeting of any entity, however designated, created to perform the delegated functions of or to advise that public body. Such member shall in all cases be permitted to observe the closed meeting of the committee, subcommittee or entity. In addition to the requirements of § [2.2-3707](#), the minutes of the committee or other entity shall include the identity of the member of the parent public body who attended the closed meeting.

H. Except as specifically authorized by law, in no event may any public body take action on matters discussed in any closed meeting, except at an open meeting for which notice was given as required by § [2.2-3707](#).

I. Minutes may be taken during closed meetings of a public body, but shall not be required. Such minutes shall not be subject to mandatory public disclosure.

§ 2.2-3713. Proceedings for enforcement of chapter.

A. Any person, including the attorney for the Commonwealth acting in his official or individual capacity, denied the rights and privileges conferred by this chapter may proceed to enforce such rights and privileges by filing a petition for mandamus or injunction, supported by an affidavit showing good

cause. Such petition may be brought in the name of the person notwithstanding that a request for public records was made by the person's attorney in his representative capacity. Venue for the petition shall be addressed as follows:

1. In a case involving a local public body, to the general district court or circuit court of the county or city from which the public body has been elected or appointed to serve and in which such rights and privileges were so denied;
 2. In a case involving a regional public body, to the general district or circuit court of the county or city where the principal business office of such body is located; and
 3. In a case involving a board, bureau, commission, authority, district, institution, or agency of the state government, including a public institution of higher education, or a standing or other committee of the General Assembly, to the general district court or the circuit court of the residence of the aggrieved party or of the City of Richmond.
- B. In any action brought before a general district court, a corporate petitioner may appear through its officer, director or managing agent without the assistance of counsel, notwithstanding any provision of law or Rule of Supreme Court of Virginia to the contrary.
- C. Notwithstanding the provisions of § [8.01-644](#), the petition for mandamus or injunction shall be heard within seven days of the date when the same is made, provided the party against whom the petition is brought has received a copy of the petition at least three working days prior to filing. However, if the petition or the affidavit supporting the petition for mandamus or injunction alleges violations of the open meetings requirements of this chapter, the three-day notice to the party against whom the petition is brought shall not be required. The hearing on any petition made outside of the regular terms of the circuit court of a locality that is included in a judicial circuit with another locality or localities shall be given precedence on the docket of such court over all cases that are not otherwise given precedence by law.
- D. The petition shall allege with reasonable specificity the circumstances of the denial of the rights and privileges conferred by this chapter. A single instance of denial of the rights and privileges conferred by this chapter shall be sufficient to invoke the remedies granted herein. If the court finds the denial to be in violation of the provisions of this chapter, the petitioner shall be entitled to recover reasonable costs, including costs and reasonable fees for expert witnesses, and attorney fees from the public body if the petitioner substantially prevails on the merits of the case, unless special circumstances would make an award unjust. In making this determination, a court may consider, among other things, the reliance of a public body on an opinion of the Attorney General or a decision of a court that substantially supports the public body's position.

E. In any action to enforce the provisions of this chapter, the public body shall bear the burden of proof to establish an exclusion by a preponderance of the evidence. No court shall be required to accord any weight to the determination of a public body as to whether an exclusion applies. Any failure by a

public body to follow the procedures established by this chapter shall be presumed to be a violation of this chapter.

F. Failure by any person to request and receive notice of the time and place of meetings as provided in § [2.2-3707](#) shall not preclude any person from enforcing his rights and privileges conferred by this chapter.

§ 2.2-3714. Violations and penalties.

A. In a proceeding commenced against any officer, employee, or member of a public body under § [2.2-3713](#) for a violation of § [2.2-3704](#), [2.2-3705.1](#) through [2.2-3705.7](#), [2.2-3706](#), [2.2-3706.1](#), [2.2-3707](#), [2.2-3708.2](#), [2.2-3710](#), [2.2-3711](#) or [2.2-3712](#), the court, if it finds that a violation was willfully and knowingly made, shall impose upon such officer, employee, or member in his individual capacity, whether a writ of mandamus or injunctive relief is awarded or not, a civil penalty of not less than \$500 nor more than \$2,000, which amount shall be paid into the Literary Fund. For a second or subsequent violation, such civil penalty shall be not less than \$2,000 nor more than \$5,000.

B. In addition to any penalties imposed pursuant to subsection A, if the court finds that any officer, employee, or member of a public body failed to provide public records to a requester in accordance with the provisions of this chapter because such officer, employee, or member altered or destroyed the requested public records with the intent to avoid the provisions of this chapter with respect to such request prior to the expiration of the applicable record retention period set by the retention regulations promulgated pursuant to the Virginia Public Records Act (§ [42.1-76](#) et seq.) by the State Library Board, the court may impose upon such officer, employee, or member in his individual capacity, whether or not a writ of mandamus or injunctive relief is awarded, a civil penalty of up to \$100 per record altered or destroyed, which amount shall be paid into the Literary Fund.

C. In addition to any penalties imposed pursuant to subsections A and B, if the court finds that a public body voted to certify a closed meeting in accordance with subsection D of § [2.2-3712](#) and such certification was not in accordance with the requirements of clause (i) or (ii) of subsection D of § [2.2-3712](#), the court may impose on the public body, whether or not a writ of mandamus or injunctive relief is awarded, a civil penalty of up to \$1,000, which amount shall be paid into the Literary Fund. In determining whether a civil penalty is appropriate, the court shall consider mitigating factors, including reliance of members of the public body on (i) opinions of the Attorney General, (ii) court cases substantially supporting the rationale of the public body, and (iii) published opinions of the Freedom of Information Advisory Council.

Any officer, employee, or member of a public body who is alleged to have committed a willful and knowing violation pursuant to § [2.2-3714](#) shall have the right to introduce at any proceeding a copy of a relevant advisory opinion issued pursuant to § [30-179](#) as evidence that he did not willfully and knowingly commit the violation if the alleged violation resulted from his good faith reliance on the advisory opinion.

3. An individual's opportunities to secure employment, insurance, credit, and his right to due process, and other legal protections are endangered by the misuse of certain of these personal information systems; and
4. In order to preserve the rights guaranteed a citizen in a free society, legislation is necessary to establish procedures to govern information systems containing records on individuals.

C. Recordkeeping agencies of the Commonwealth and political subdivisions shall adhere to the following principles of information practice to ensure safeguards for personal privacy:

1. There shall be no personal information system whose existence is secret.
2. Information shall not be collected unless the need for it has been clearly established in advance.
3. Information shall be appropriate and relevant to the purpose for which it has been collected.
4. Information shall not be obtained by fraudulent or unfair means.
5. Information shall not be used unless it is accurate and current.
6. There shall be a prescribed procedure for an individual to learn the purpose for which information has been recorded and particulars about its use and dissemination.
7. There shall be a clearly prescribed and uncomplicated procedure for an individual to correct, erase or amend inaccurate, obsolete or irrelevant information.

8. Any agency holding personal information shall assure its reliability and take precautions to prevent its misuse.
9. There shall be a clearly prescribed procedure to prevent personal information collected for one purpose from being used or disseminated for another purpose unless such use or dissemination is authorized or required by law.
10. The Commonwealth or any agency or political subdivision thereof shall not collect personal information except as explicitly or implicitly authorized by law.

§ 2.2-3803. Administration of systems including personal information; Internet privacy policy; exceptions.

A. Any agency maintaining an information system that includes personal information shall:

1. Collect, maintain, use, and disseminate only that personal information permitted or required by law to be so collected, maintained, used, or disseminated, or necessary to accomplish a proper purpose of the agency;

2. Collect information to the greatest extent feasible from the data subject directly, or through the sharing of data with other agencies, in order to accomplish a proper purpose of the agency;

3. Establish categories for maintaining personal information to operate in conjunction with confidentiality requirements and access controls;

4. Maintain information in the system with accuracy, completeness, timeliness, and pertinence as necessary to ensure fairness in determinations relating to a data subject;

5. Make no dissemination to another system without (i) specifying requirements for security and usage including limitations on access thereto, and (ii) receiving reasonable assurances that those requirements and limitations will be observed. This subdivision shall not apply, however, to a dissemination made by an agency to an agency in another state, district or territory of the United States where the personal information is requested by the agency of such other state, district or territory in connection with the application of the data subject therein for a service, privilege or right under the laws thereof, nor shall this apply to information transmitted to family advocacy representatives of the United States Armed Forces in accordance with subsection N of § [63.2-1503](#);

6. Maintain a list of all persons or organizations having regular access to personal information in the information system;

7. Maintain for a period of three years or until such time as the personal information is purged, whichever is shorter, a complete and accurate record, including identity and purpose, of every access to any personal information in a system, including the identity of any persons or organizations not

having regular access authority but excluding access by the personnel of the agency wherein data is put to service for the purpose for which it is obtained;

8. Take affirmative action to establish rules of conduct and inform each person involved in the design, development, operation, or maintenance of the system, or the collection or use of any personal information contained therein, about all the requirements of this chapter, the rules and procedures, including penalties for noncompliance, of the agency designed to assure compliance with such requirements;

10. Collect no personal information concerning the political or religious beliefs, affiliations, and activities of data subjects that is maintained, used, or disseminated in or by any information system operated by any agency unless authorized explicitly by statute or ordinance. Nothing in this subdivision shall be construed to allow an agency to disseminate to federal government authorities information concerning the religious beliefs and affiliations of data subjects for the purpose of compiling a list, registry, or database of individuals based on religious affiliation, national origin, or ethnicity, unless such dissemination is specifically required by state or federal law.

B. Every public body, as defined in § [2.2-3701](#), that has an Internet website associated with that public body shall develop an Internet privacy policy and an Internet privacy policy statement that explains the policy to the public. The policy shall be consistent with the requirements of this chapter. The statement shall be made available on the public body's website in a conspicuous manner. The Secretary of Administration or his designee shall provide guidelines for developing the policy and the statement, and each public body shall tailor the policy and the statement to reflect the information practices of the individual public body. At minimum, the policy and the statement shall address (i) what information, including personally identifiable information, will be collected, if any; (ii) whether any information will be automatically collected simply by accessing the website and, if so, what information; (iii) whether the website automatically places a computer file, commonly referred to as a "cookie," on the Internet user's computer and, if so, for what purpose; and (iv) how the collected information is being used or will be used.

Any agency maintaining an information system that disseminates statistical reports or research findings based on personal information drawn from its system, or from other systems shall:

1. Make available to any data subject or group, without revealing trade secrets, methodology and materials necessary to validate statistical analysis, and
2. Make no materials available for independent analysis without guarantees that no personal information will be used in any way that might prejudice judgments about any data subject.

§ 2.2-3806. Rights of data subjects.

A. Any agency maintaining personal information shall:

1. Inform an individual who is asked to supply personal information about himself whether he is legally required, or may refuse, to supply the information requested, and also of any specific consequences that are known to the agency of providing or not providing the information.
2. Give notice to a data subject of the possible dissemination of part or all of this information to another agency, nongovernmental organization or system not having regular access authority, and indicate the use for which it is intended, and the specific consequences for the individual, which are known to the agency, of providing or not providing the information. However documented permission for dissemination in the hands of the other agency or organization shall satisfy the requirement of this subdivision. The notice may be given on applications or other data collection forms prepared by data subjects.
3. Upon request and proper identification of any data subject, or of his authorized agent, grant the data subject or agent the right to inspect, in a form comprehensible to him:
 - a. All personal information about that data subject except as provided in subdivision 1 of § [2.2-3705.1](#), subdivision A 1 of § [2.2-3705.4](#), and subdivision 1 of § [2.2-3705.5](#).

- b. The nature of the sources of the information.
 - c. The names of recipients, other than those with regular access authority, of personal information about the data subject including the identity of all persons and organizations involved and their relationship to the system when not having regular access authority, except that if the recipient has obtained the information as part of an ongoing criminal investigation such that disclosure of the investigation would jeopardize law-enforcement action, then no disclosure of such access shall be made to the data subject.
4. Comply with the following minimum conditions of disclosure to data subjects:
- a. An agency shall make disclosures to data subjects required under this chapter, during normal business hours, in accordance with the procedures set forth in subsections B and C of § [2.2-3704](#) for responding to requests under the Virginia Freedom of Information Act (§ [2.2-3700](#) et seq.) or within a time period as may be mutually agreed upon by the agency and the data subject.
 - b. The disclosures to data subjects required under this chapter shall be made (i) in person, if he appears in person and furnishes proper identification, or (ii) by mail, if he has made a written request, with proper identification. Copies of the documents containing the personal information sought by a data subject shall be furnished to him or his representative at reasonable charges for document search and duplication in accordance with subsection F of § [2.2-3704](#).
 - c. The data subject shall be permitted to be accompanied by a person of his choosing, who shall furnish reasonable identification. An agency may require the data subject to furnish a written statement granting the agency permission to discuss the individual's file in such person's presence.
5. If the data subject gives notice that he wishes to challenge, correct, or explain information about him in the information system, the following minimum procedures shall be followed:
- a. The agency maintaining the information system shall investigate, and record the current status of that personal information.
 - b. If, after such investigation, the information is found to be incomplete, inaccurate, not pertinent, not timely, or not necessary to be retained, it shall be promptly corrected or purged.
 - c. If the investigation does not resolve the dispute, the data subject may file a statement of not more than 200 words setting forth his position.
 - d. Whenever a statement of dispute is filed, the agency maintaining the information system shall supply any previous recipient with a copy of the statement and, in any subsequent dissemination or use of the information in question, clearly note that it is disputed and supply the statement of the data subject along with the information.
 - e. The agency maintaining the information system shall clearly and conspicuously disclose to the data subject his rights to make such a request.

f. Following any correction or purging of personal information the agency shall furnish to past recipients notification that the item has been purged or corrected whose receipt shall be acknowledged.

B. Nothing in this chapter shall be construed to require an agency to disseminate any recommendation or letter of reference from or to a third party that is a part of the personnel file of any data subject nor to disseminate any test or examination used, administered or prepared by any public body for purposes of evaluation of (i) any student or any student's performance, (ii) any seeker's qualifications or aptitude for employment, retention, or promotion, or (iii) qualifications for any license or certificate issued by any public body.

As used in this subsection, "test or examination" includes (i) any scoring key for any such test or examination and (ii) any other document that would jeopardize the security of the test or examination. Nothing contained in this subsection shall prohibit the release of test scores or results as provided by law, or to limit access to individual records as provided by law; however, the subject of the employment tests shall be entitled to review and inspect all documents relative to his performance on those employment tests.

When, in the reasonable opinion of the public body, any such test or examination no longer has any potential for future use, and the security of future tests or examinations will not be jeopardized, the test or examination shall be made available to the public. Minimum competency tests administered to public school children shall be made available to the public contemporaneously with statewide release of the scores of those taking such tests, but in no event shall such tests be made available to the public later than six months after the administration of such tests.

C. Neither any provision of this chapter nor any provision of the Freedom of Information Act ([§ 2.2-3700](#) et seq.) shall be construed to deny public access to records of the position, job classification, official salary or rate of pay of, and to records of the allowances or reimbursements for expenses paid to any public officer, official or employee at any level of state, local or regional government in the Commonwealth. The provisions of this subsection shall not apply to records of the official salaries or rates of pay of public employees whose annual rate of pay is \$10,000 or less.

D. Nothing in this section or in this chapter shall be construed to require an agency to disseminate information derived from tax returns prohibited from release pursuant to [§ 58.1-3](#).

Every agency shall make report of the existence of any information system that it operates or develops that shall include a description of the nature of the data in the system and purpose for which it is used. An inventory listing or similar display of the information shall be made available for inspection by the general public in the office of the head of each agency. Copies of the information shall be provided

upon request and a fee shall be charged for them sufficient to cover the reasonable costs of reproduction.

Require an individual to disclose or furnish his social security number not previously disclosed or furnished, for any purpose in connection with any activity, or to refuse any service, privilege, or right to an individual wholly or partly because the individual does not disclose or furnish such number, unless the disclosure or furnishing of such number is specifically required by state law in effect prior to January 1, 1975, or is specifically authorized or required by federal law; or

2. Collect from an individual his social security number or any portion thereof unless the collection of such number is (i) authorized or required by state or federal law and (ii) essential for the performance of that agency's duties. Nothing in this subdivision shall be construed to prohibit the collection of a social security number for the sole purpose of complying with the Virginia Debt Collection Act ([§ 2.2-4800](#) et seq.) or the Setoff Debt Collection Act ([§ 58.1-520](#) et seq.).

B. Agency-issued identification cards, student identification cards, or license certificates issued or replaced on or after July 1, 2003, shall not display an individual's entire social security number except as provided in [§ 46.2-703](#).

C. Any agency-issued identification card, student identification card, or license certificate that was issued prior to July 1, 2003, and that displays an individual's entire social security number shall be replaced no later than July 1, 2006, except that voter registration cards issued with a social security number and not previously replaced shall be replaced no later than the December 31st following the completion by the state and all localities of the decennial redistricting following the 2010 census. This subsection shall not apply to (i) driver's licenses and special identification cards issued by the Department of Motor Vehicles pursuant to Chapter 3 ([§ 46.2-300](#) et seq.) of Title 46.2 and (ii) road tax registrations issued pursuant to [§ 46.2-703](#).

Commencing with the date of such implementation, the licenses issued by the State Corporation Commission's Bureau of Insurance shall be issued in compliance with subsection A of this section. Further, all licenses issued prior to the date

of such implementation shall be replaced no later than 12 months following the date of such implementation.

The proceeding shall be brought in the district or circuit court of any county or city where the aggrieved person resides or where the agency made defendant has a place of business.

In the case of any successful proceeding by an aggrieved party, the agency enjoined or made subject to a writ of mandamus by the court shall be liable for the costs of the action together with reasonable attorneys' fees as determined by the court.

In addition, if the court finds that a violation of subsection A of § [2.2-3808](#) was willfully and knowingly made by a specific public officer, appointee, or employee of any agency, the court may impose upon such individual a civil penalty of not less than \$250 nor more than \$1,000, which amount shall be paid into the State Literary Fund. A. Except as otherwise provided in this chapter, the first five digits of a social security number contained in a public record shall be confidential and exempt from disclosure under the Freedom of Information Act (§ [2.2-3700](#) et seq.).

For the purposes of this chapter:

"Agency" means the same as that term is defined in § [2.2-3801](#), unless the context requires otherwise.

"Data subject" means the same as that term is defined in § [2.2-3801](#).

"Public record" means the same as that term is defined in § [2.2-3701](#), but shall not include any records required by law to be maintained by the clerks of the courts of record, as defined in § [1-212](#), or courts not of record, as defined in § [16.1-69.5](#).

"Regional agency" means a unit of government organized as provided by law whose members are appointed by the participating local governing bodies, and such unit includes two or more counties, cities, or towns.

B. The provisions of this section shall not be construed to prevent the release of a social security number:

1. In accordance with a proper judicial order;

2. To any federal, state or local law-enforcement or correctional personnel, including a law-enforcement officer, probation officer, parole officer or administrator, or a member of a parole board, seeking information in the course of his official duties;

3. By one agency to another agency in Virginia or to an agency in another state, district, or territory of the United States where such information is requested by such agencies in connection with (i) the application of the data subject therein for a service, privilege, or right under the laws thereof, (ii) the transmittal of information to family advocacy representatives of the United States Armed Forces in accordance with subsection N of § [63.2-1503](#), or (iii) the performance of such agency's official duties;

B. If the court finds a violation of the provisions of this chapter, the petitioner shall be entitled to recover reasonable costs and attorney fees from the agency if the petitioner substantially prevails on the merits of the case, unless special circumstances would make an award unjust. In making this determination, a court may consider, among other things, the reliance of the agency on an opinion of the Attorney General or a decision of a court that substantially supports the agency's position.

Conduct that violates any Virginia or federal statute or regulation governing discrimination on the basis of race, color, religion, sex, sexual orientation, gender identity, marital status, pregnancy, childbirth or related medical conditions including lactation, age, military status, disability, or national origin is an unlawful discriminatory practice under this chapter.

Nothing in this chapter shall prohibit or alter any program, service, facility, school, or privilege that is afforded, oriented, or restricted to a person because of disability or age from continuing to habilitate, rehabilitate, or accommodate that person.

In addition, nothing in this chapter shall be construed to affect any governmental program, law or activity differentiating between persons on the basis of age over the age of 18 years (i) where the differentiation is reasonably necessary to normal operation or the activity is based upon reasonable factors other than age or (ii) where the program, law or activity constitutes a legitimate exercise of powers of the Commonwealth for the general health, safety and welfare of the population at large.

Complaints filed with the Office of Civil Rights of the Department of Law (the Office) in accordance with § [2.2-520](#) alleging unlawful discriminatory practice under a Virginia statute that is enforced by a Virginia agency shall be referred to that agency. The Office may investigate complaints alleging an unlawful discriminatory practice under a federal statute or regulation and attempt to resolve it through conciliation. Unsolved complaints shall thereafter be referred to the federal agency with jurisdiction over the complaint. Upon such referral, the Office shall have no further jurisdiction over the complaint. The Office shall have no jurisdiction over any complaint filed under a local ordinance adopted pursuant to § [15.2-965](#).

- b. Limit, segregate, or classify employees or applicants for employment in any way that would deprive or tend to deprive any individual of employment opportunities or otherwise adversely affect an individual's status as an employee, because of such individual's race, color, religion, sex, sexual orientation, gender identity, marital status, pregnancy, childbirth or related medical conditions including lactation, age, military status, disability, or national origin.

2. An employment agency to:

5. An employer, in connection with the selection or referral of applicants or candidates for employment or promotion, to adjust the scores of, use different cutoff scores for, or otherwise alter the results of employment-related tests on the basis of race, color, religion, sex, sexual orientation, gender identity, marital status, pregnancy, childbirth or related medical conditions, age, military status, disability, or national origin.
6. Except as otherwise provided in this chapter, an employer to use race, color, religion, sex, sexual orientation, gender identity, marital status, pregnancy, childbirth or related medical conditions, age, military status, disability, or national origin as a motivating factor for any employment practice, even though other factors also motivate the practice.
7. (i) An employer to discriminate against any employees or applicants for employment, (ii) an employment agency or a joint apprenticeship committee controlling an apprenticeship or other training program to discriminate against any individual, or (iii) a labor organization to discriminate against any member thereof or applicant for membership because such individual has opposed any practice made an unlawful discriminatory practice by this chapter or because such individual has made a charge, testified, assisted, or participated in any manner in an investigation, proceeding, or hearing under this chapter.
8. An employer, labor organization, employment agency, or joint apprenticeship committee controlling an apprenticeship or other training program to print or publish, or cause to be printed or published, any notice or advertisement relating to (i) employment by such an employer, (ii) membership in or any classification or referral for employment by such a labor organization, (iii) any classification or referral for employment by such an employment agency, or (iv) admission to, or employment in, any program established to provide apprenticeship or other training by such a joint apprenticeship committee that indicates any preference, limitation, specification, or discrimination based on race, color, religion, sex, sexual orientation, gender identity, marital status, pregnancy, childbirth or related medical conditions, age, military status, disability, or national origin, except that such a notice or advertisement may indicate a preference, limitation, specification, or discrimination based on religion, sex, age, or national origin when religion, sex, age, or national origin is a bona fide occupational qualification for employment.

C. Notwithstanding any other provision of this chapter, it is not an unlawful discriminatory practice:

1. For (i) an employer to hire and employ employees; (ii) an employment agency to classify, or refer for employment, any individual; (iii) a labor organization to classify its membership or to classify or refer for employment any individual; or (iv) an employer, labor organization, or joint apprenticeship committee to admit or employ any individual in any apprenticeship or other training program on the basis of such individual's religion, sex, or age in those certain instances where religion, sex, or age is a

bona fide occupational qualification reasonably necessary to the normal operation of that particular employer, employment agency, labor organization, or joint apprenticeship committee;

2. For an elementary or secondary school or institution of higher education to hire and employ employees of a particular religion if such elementary or secondary school or institution of higher education is, in whole or in substantial part, owned, supported, controlled, or managed by a particular religion or by a particular religious corporation, association, or society or if the curriculum of such elementary or secondary school or institution of higher education is directed toward the propagation of a particular religion;

3. For an employer to apply different standards of compensation, or different terms, conditions, or privileges of employment, pursuant to a bona fide seniority or merit system, or a system that measures earnings by quantity or quality of production, or to employees who work in different locations, provided that such differences are not the result of an intention to discriminate because of race, color, religion, sex, sexual orientation, gender identity, marital status, pregnancy, childbirth or related medical conditions, age, military status, disability, or national origin;

4. For an employer to give and to act upon the results of any professionally developed ability test, provided that such test, its administration, or an action upon the results is not designed, intended, or used to discriminate because of race, color, religion, sex, sexual orientation, gender identity, marital status, pregnancy, childbirth or related medical conditions, age, military status, disability, or national origin;

5. For an employer to provide reasonable accommodations related to disability, pregnancy, childbirth or related medical conditions, and lactation, when such accommodations are requested by the employee; or

D. Nothing in this chapter shall be construed to require any employer, employment agency, labor organization, or joint apprenticeship committee to grant preferential treatment to any individual or to any group because of such individual's or group's race, color, religion, sex, sexual orientation, gender identity, marital status, pregnancy, childbirth or related medical conditions, age, military status, disability, or national origin on account of an imbalance that may exist with respect to the total number or percentage of persons of any race, color, religion, sex, sexual orientation, gender identity, marital status, pregnancy, childbirth or related medical conditions, age, military status, disability, or national origin employed by any employer, referred or classified for employment by any employment agency or labor organization, admitted to membership or classified by any labor organization, or admitted to or employed in any apprenticeship or other training program, in comparison with the total number or percentage of persons of such race, color, religion, sex, sexual orientation, gender identity, marital status,

pregnancy, childbirth or related medical conditions, age, military status, disability, or national origin in any community.

E. The provisions of this section shall not apply to the employment of individuals of a particular religion by a religious corporation, association, educational institution, or society to perform work associated with its activities.

§ 2.2-3905.1. Reasonable accommodations for persons with disabilities; unlawful discriminatory practice; notice of rights.

A. As used in this section:

"Employer" means any person, or agent of such person, employing more than five employees for each working day in each of 20 or more calendar weeks in the current or preceding calendar year.

"Person with a disability" means the term as defined in § [51.5-40.1](#).

"Physical impairment" means the term as defined in § [51.5-40.1](#).

"Mental impairment" means the term as defined in § [51.5-40.1](#).

"Otherwise qualified person with a disability" means the term as defined in subsection A of § [51.5-41](#).

B. It shall be an unlawful discriminatory practice for an employer to:

1. Refuse to make reasonable accommodation to the known physical and mental impairments of an otherwise qualified person with a disability, if necessary to assist such person in performing a particular job, unless the employer can demonstrate that the accommodation would impose an undue hardship on the employer. In determining whether an accommodation would constitute an undue hardship upon the employer, the following shall be considered:

a. Hardship on the conduct of the employer's business, considering the nature of the employer's operation, including composition and structure of the employer's workforce;

b. Size of the facility where employment occurs;

c. The nature and cost of the accommodations needed, taking into account alternative sources of funding or technical assistance included under § [51.5-173](#);

d. The possibility that the same accommodations may be used by other prospective employees; and

e. Safety and health considerations of the person with a disability, other employees, and the public.

2. Take adverse action against an employee who requests or uses a reasonable accommodation pursuant to this section.

3. Deny employment or promotion opportunities to an otherwise qualified applicant or employee because such employer will be required to make reasonable accommodation for a person with a disability.

4. Require an employee to take leave if another reasonable accommodation can be provided to the known limitations related to the disability.
5. Fail to engage in a timely, good faith interactive process with an employee who has requested an accommodation pursuant to this section to determine if the requested accommodation is reasonable and, if such accommodation is determined not to be reasonable, discuss alternative accommodations that may be provided.

C. An employer shall post in a conspicuous location and include in any employee handbook information concerning an employee's rights to reasonable accommodation for disabilities. Such information shall also be directly provided to (i) new employees upon commencement of their employment and (ii) any employee within 10 days of such employee's providing notice to the employer that such employee has a disability.

§ 2.2-3906. Civil action by Attorney General.

A. Whenever the Attorney General has reasonable cause to believe that any person or group of persons is engaged in a pattern or practice of resistance to the full enjoyment of any of the rights granted by this chapter, or that any person or group of persons has been denied any of the rights granted by this chapter and such denial raises an issue of general public importance, the Attorney General may commence a civil action in the appropriate circuit court for appropriate relief.

B. In such civil action, the court may:

1. Award such preventive relief, including a permanent or temporary injunction, restraining order, or other order against the person responsible for a violation of this chapter, as is necessary to assure the full enjoyment of the rights granted by this chapter.
2. Assess a civil penalty against the respondent (i) in an amount not exceeding \$50,000 for a first violation and (ii) in an amount not exceeding \$100,000 for any subsequent violation. Such civil penalties are payable to the Literary Fund.
3. Award a prevailing plaintiff reasonable attorney fees and costs.

C. The court or jury may award such other relief to the aggrieved person as the court deems appropriate, including compensatory damages and punitive damages.

D. Upon timely application, any person may intervene in a civil action commenced by the Attorney General under subsection A that involves an alleged discriminatory practice pursuant to this chapter with respect to which such person is an aggrieved person. The court may grant such appropriate relief to any such intervening party as is authorized to be granted to a plaintiff in a civil action under § [2.2-3908](#).

2020, c. [1140](#).

§ 2.2-3907. Procedures for a charge of unlawful discrimination; notice; investigation; report; conciliation; notice of the right to file a civil action; temporary relief.

A. Any person claiming to be aggrieved by an unlawful discriminatory practice may file a complaint in writing under oath or affirmation with the Office of Civil Rights of the Department of Law (the Office). The Office itself or the Attorney General may in a like manner file such a complaint. The complaint shall be in such detail as to substantially apprise any party properly concerned as to the time, place, and facts surrounding the alleged unlawful discrimination.

B. Upon perfection of a complaint filed pursuant to subsection A, the Office shall timely serve a charge on the respondent and provide all parties with a notice informing the parties of the complainant's rights, including the right to commence a civil action, and the dates within which the complainant may exercise such rights. In the notice, the Office shall notify the complainant that the charge of unlawful discrimination will be dismissed with prejudice and with no right to further proceed if a written complaint is not timely filed with the appropriate general district or circuit court.

C. The complainant and respondent may agree to voluntarily submit the charge to mediation without waiving any rights that are otherwise available to either party pursuant to this chapter and without incurring any obligation to accept the result of the mediation process. Nothing occurring in mediation shall be disclosed by the Office or admissible in evidence in any subsequent proceeding unless the complainant and the respondent agree in writing that such disclosure be made.

D. Once a charge has been issued, the Office shall conduct an investigation sufficient to determine whether there is reasonable cause to believe the alleged discrimination occurred. Such charge shall be the subject of a report made by the Office. The report shall be a confidential document subject to review by the Attorney General, authorized Office employees, and the parties. The review shall state whether there is reasonable cause to believe the alleged unlawful discrimination has been committed.

E. If the report on a charge of discrimination concludes that there is no reasonable cause to believe the alleged unlawful discrimination has been committed, the charge shall be dismissed and the complainant shall be given notice of his right to commence a civil action.

F. If the report on a charge of discrimination concludes that there is reasonable cause to believe the alleged unlawful discrimination has been committed, the complainant and respondent shall be notified of such determination and the Office shall immediately endeavor to eliminate any alleged unlawful discriminatory practice by informal methods such as conference, conciliation, and persuasion. When the Office determines that further endeavor to settle a complaint by conference, conciliation, and persuasion is unworkable and should be bypassed, the Office shall issue a notice that the case has been closed and the complainant shall be given notice of his right to commence a civil action.

G. At any time after a notice of charge of discrimination is issued, the Office or complainant may petition the appropriate court for temporary relief, pending final determination of the proceedings under this section, including an order or judgment restraining the respondent from doing or causing any act that would render ineffectual an order that a court may enter with respect to the complainant. Whether it is brought by the Office or by the complainant, the petition shall contain a certification by the Office

that the particular matter presents exceptional circumstances in which irreparable injury will result from unlawful discrimination in the absence of temporary relief.

H. Upon receipt of a written request from the complainant, the Office shall promptly issue a notice of the right to file a civil action to the complainant after (i) 180 days have passed from the date the complaint was filed or (ii) the Office determines that it will be unable to complete its investigation within 180 days from the date the complaint was filed.

2020, c. [1140](#); 2021, Sp. Sess. I, c. [196](#).

§ 2.2-3908. Civil actions by private parties.

A. An aggrieved person who has been provided a notice of his right to file a civil action pursuant to § [2.2-3907](#) may commence a timely civil action in an appropriate general district or circuit court having jurisdiction over the person who allegedly unlawfully discriminated against such person in violation of this chapter.

B. If the court or jury finds that unlawful discrimination has occurred, the court or jury may award to the plaintiff, as the prevailing party, compensatory and punitive damages and the court may award reasonable attorney fees and costs and may grant as relief any permanent or temporary injunction, temporary restraining order, or other order, including an order enjoining the defendant from engaging in such practice, or order such affirmative action as may be appropriate.

C. Upon timely application, the Attorney General may intervene in such civil action if the Attorney General certifies that the case is of general public importance. Upon intervention, the Attorney General may obtain such relief as would be available to a private party under subsection B.

2020, c. [1140](#).

§ 2.2-3909. Causes of action for failure to provide reasonable accommodation for known limitations related to pregnancy, childbirth, or related medical conditions.

A. As used in this section:

"Employer" means any person, or agent of such person, employing five or more employees for each working day in each of 20 or more calendar weeks in the current or preceding calendar year.

"Lactation" means lactation as defined in § [2.2-3905](#).

"Reasonable accommodation" includes more frequent or longer bathroom breaks, breaks to express breast milk, access to a private location other than a bathroom for the expression of breast milk, acquisition or modification of equipment or access to or modification of employee seating, a temporary transfer to a less strenuous or hazardous position, assistance with manual labor, job restructuring, a modified work schedule, light duty assignments, and leave to recover from childbirth.

"Related medical conditions" includes lactation.

B. No employer shall:

1. Refuse to make reasonable accommodation to the known limitations of a person related to pregnancy, childbirth, or related medical conditions, unless the employer can demonstrate that the accommodation would impose an undue hardship on the employer.

a. In determining whether an accommodation would constitute an undue hardship on the employer, the following shall be considered:

(1) Hardship on the conduct of the employer's business, considering the nature of the employer's operation, including composition and structure of the employer's workforce;

(2) The size of the facility where employment occurs; and

(3) The nature and cost of the accommodations needed.

b. The fact that the employer provides or would be required to provide a similar accommodation to other classes of employees shall create a rebuttable presumption that the accommodation does not impose an undue hardship on the employer.

2. Take adverse action against an employee who requests or uses a reasonable accommodation pursuant to this section. As used in this subdivision, "adverse action" includes failure to reinstate any such employee to her previous position or an equivalent position with equivalent pay, seniority, and other benefits when her need for a reasonable accommodation ceases.

3. Deny employment or promotion opportunities to an otherwise qualified applicant or employee because such employer will be required to make reasonable accommodation to the known limitations of such applicant or employee related to pregnancy, childbirth, or related medical conditions.

4. Require an employee to take leave if another reasonable accommodation can be provided to the known limitations related to the pregnancy, childbirth, or related medical conditions of such employee.

C. Each employer shall engage in a timely, good faith interactive process with an employee who has requested an accommodation pursuant to this section to determine if the requested accommodation is reasonable and, if such accommodation is determined not to be reasonable, discuss alternative accommodations that may be provided.

D. An employer shall post in a conspicuous location and include in any employee handbook information concerning an employee's rights to reasonable accommodation for known limitations related to pregnancy, childbirth, or related medical conditions. Such information shall also be directly provided to (i) new employees upon commencement of their employment and (ii) any employee within 10 days of such employee's providing notice to the employer that she is pregnant.

E. An employee or applicant who has been denied any of the rights afforded under subsection B may bring an action in a general district or circuit court having jurisdiction over the employer that allegedly denied such rights. Any such action shall be brought within two years from the date of the unlawful denial of rights, or, if the employee or applicant has filed a complaint with the Office of Civil Rights of the Department of Law or a local human rights or human relations agency or commission within two

years of the unlawful denial of rights, such action shall be brought within 90 days from the date that the Office or a local human rights or human relations agency or commission has rendered a final disposition on the complaint.

If the court or jury finds that an unlawful denial of rights afforded under subsection B has occurred, the court or jury may award to the plaintiff, as the prevailing party, compensatory damages, back pay, and other equitable relief. The court may also award reasonable attorney fees and costs and may grant as relief any permanent or temporary injunction, temporary restraining order, or other order, including an order enjoining the defendant from engaging in such practice, or order such affirmative action as may be appropriate.

F. The provisions of this section regarding the provision of reasonable accommodation for known limitations related to pregnancy, childbirth, and related medical conditions shall not be construed to affect any other provision of law relating to discrimination on the basis of sex or pregnancy.

Staff as designated by the Code Commission shall review proposed regulation submission packages to ensure that the requirements of this subsection are met prior to publication of the proposed regulation in the Register. The summary; the statement of the basis, purpose, substance, and issues; the economic impact analysis; and the agency's response shall be published in the Virginia Register of Regulations and be available on the Virginia Regulatory Town Hall, together with the notice of opportunity for oral or written submittals on the proposed regulation.

If the agency receives requests from at least 25 persons for an opportunity to submit oral and written comments on the changes to the regulation, the agency shall (i) suspend the regulatory process for 30 days to solicit additional public comment and (ii) file notice of the additional 30-day public comment period with the Registrar of Regulations, unless the agency determines that the changes made are minor or inconsequential in their impact. A. As used in this section, "small business" means a business entity, including its affiliates, that (i) is independently owned and operated and (ii) employs fewer than 500 full-time employees or has gross annual sales of less than \$6 million.

B. In addition to the requirements of §§ [2.2-4007](#) through [2.2-4007.06](#), prior to the adoption of any proposed regulation, the agency proposing a regulation shall prepare a regulatory flexibility analysis in which the agency shall consider utilizing alternative regulatory methods, consistent with health, safety, environmental, and economic welfare, that will accomplish the objectives of applicable law while minimizing the adverse impact on small businesses. The agency shall consider, at a minimum, each of the following methods of reducing the effects of the proposed regulation on small businesses:

1. The establishment of less stringent compliance or reporting requirements;
2. The establishment of less stringent schedules or deadlines for compliance or reporting requirements;
3. The consolidation or simplification of compliance or reporting requirements;
4. The establishment of performance standards for small businesses to replace design or operational standards required in the proposed regulation; and
5. The exemption of small businesses from all or any part of the requirements contained in the proposed regulation.

C. Prior to the adoption of any proposed regulation that may have an adverse effect on small businesses, each agency shall notify the Joint Commission on Administrative Rules, through the Virginia Regulatory Town Hall, of its intent to adopt the proposed regulation. The Joint Commission on Administrative Rules shall advise and assist agencies in complying with the provisions of this section.

D. In addition to other requirements of § [2.2-4017](#), all regulations shall be reviewed every four years to determine whether they should be continued without change or be amended or repealed, consistent with the stated objectives of applicable law, to minimize the economic impact on small businesses in a manner consistent with the stated objectives of applicable law. When a regulation has undergone a comprehensive review as part of a regulatory action that included the solicitation of public comment

on the regulation, a periodic review shall not be required until four years after the effective date of the regulatory action.

E. The regulatory review required by this section shall include consideration of:

1. The continued need for the rule;
2. The nature of complaints or comments received concerning the regulation from the public;
3. The complexity of the regulation;
4. The extent to which the regulation overlaps, duplicates, or conflicts with federal or state law or regulation; and
5. The length of time since the regulation has been evaluated or the degree to which technology, economic conditions, or other factors have changed in the area affected by the regulation.

F. Prior to commencement of the regulatory review required by subsection D, the agency shall publish a notice of the review in the Virginia Register of Regulations and post the notice on the Virginia Regulatory Town Hall. The agency shall provide a minimum of 21 days for public comment after publication of the notice. No later than 120 days after close of the public comment period, the agency shall publish a report of the findings of the regulatory review in the Virginia Register of Regulations and post the report on the Virginia Regulatory Town Hall.

§ 2.2-4007.2. Regulations requiring the submission of documents or payments.

A. On or after January 1, 2010, each agency having regulations promulgated in accordance with the Administrative Process Act ([§ 2.2-4000](#) et seq.) that require the submission of documents or payments, including fees and fines, shall (i) examine such regulations to determine whether the submission of the required documents or payments may be accomplished by electronic means, and (ii) if so, consider amending the regulation that is being promulgated to offer the alternative of submitting the documents or payments by electronic means. If an agency chooses to amend the regulation to provide the alternative of submitting required documents or payments by electronic means, such action shall be exempt from the operation of Article 2 ([§ 2.2-4006](#) et seq.) of Chapter 40 of Title 2.2 provided the amended regulation is (a) adopted by December 31, 2010, and (b) consistent with federal and state law and regulations.

B. Nothing in this section shall be construed to create an independent or private cause of action to enforce its provisions.

C. Unless otherwise exempt, any amendments to an agency's regulations pursuant to this section made after December 31, 2010, shall be subject to the requirements of the Administrative Process Act ([§ 2.2-4000](#) et seq.).

D. For the purposes of this section,

"Agency" and "regulations" mean the same as those terms are defined in [§ 2.2-4001](#).

§ 2.2-4007.04. Economic impact analysis.

A. Before delivering any proposed regulation under consideration to the Registrar as required in § [2.2-4007.05](#), the agency shall submit on the Virginia Regulatory Town Hall a copy of that regulation to the Department of Planning and Budget. In addition to determining the public benefit, the Department of Planning and Budget in coordination with the agency shall, within 45 days, prepare an economic impact analysis of the proposed regulation, as follows:

1. The economic impact analysis shall include but need not be limited to the projected number of businesses or other entities to which the regulation would apply; the identity of any localities and types of businesses or other entities particularly affected by the regulation; the projected number of persons and employment positions to be affected; the impact of the regulation on the use and value of private property, including additional costs related to the development of real estate for commercial or residential purposes; and the projected costs to affected businesses, localities, or entities of implementing or complying with the regulations, including the estimated fiscal impact on such localities and sources of potential funds to implement and comply with such regulation. A copy of the economic impact analysis shall be provided to the Joint Commission on Administrative Rules; and

2. If the regulation may have an adverse effect on small businesses, the economic impact analysis shall also include (i) an identification and estimate of the number of small businesses subject to the regulation; (ii) the projected reporting, recordkeeping, and other administrative costs required for small businesses to comply with the regulation, including the type of professional skills necessary for preparing required reports and other documents; (iii) a statement of the probable effect of the regulation on affected small businesses; and (iv) a description of any less intrusive or less costly alternative methods of achieving the purpose of the regulation. As used in this subdivision, "small business" has the same meaning as provided in subsection A of § [2.2-4007.1](#).

B. In the event the Department cannot complete an economic impact statement within the 45-day period, it shall advise the agency and the Joint Commission on Administrative Rules as to the reasons for the delay. In no event shall the delay exceed 30 days beyond the original 45-day period.

C. Agencies shall provide the Department with such estimated fiscal impacts on localities and sources of potential funds. The Department may request the assistance of any other agency in preparing the analysis. The Department shall deliver a copy of the analysis to the agency drafting the regulation, which shall comment thereon as provided in § [2.2-4007.05](#), a copy to the Registrar for publication with the proposed regulation, and an electronic copy to each member of the General Assembly. No regulation shall be promulgated for consideration pursuant to § [2.2-4007.05](#) until the impact analysis has been received by the Registrar. For purposes of this section, the term "locality, business, or entity particularly affected" means any locality, business, or entity that bears any identified disproportionate material impact that would not be experienced by other localities, businesses, or entities. The analysis

shall represent the Department's best estimate for the purposes of public review and comment on the proposed regulation. The accuracy of the estimate shall in no way affect the validity of the regulation, nor shall any failure to comply with or otherwise follow the procedures set forth in this subsection create any cause of action or provide standing for any person under Article 5 (§ [2.2-4025](#) et seq.) or otherwise to challenge the actions of the Department hereunder or the action of the agency in adopting the proposed regulation.

D. In the event the economic impact analysis completed by the Department reveals that the proposed regulation would have an adverse economic impact on businesses or would impose a significant adverse economic impact on a locality, business, or entity particularly affected, the Department shall advise the Joint Commission on Administrative Rules, the House Committee on Appropriations, and the Senate Committee on Finance and Appropriations within the 45-day period. The Joint Commission on Administrative Rules shall review such rule or regulation and issue a statement containing the Commission's findings in accordance with § [30-73.3](#).

E. The Department shall revise and reissue its economic impact analysis within the time limits set forth for the Department's review of regulations at the final stage pursuant to the Governor's executive order for executive branch review if any of the following conditions is present that would materially change the Department's analysis:

1. Public comment timely received at the proposed stage indicates significant errors in the economic impact analysis; or
2. There is significant or material difference between the agency's proposed economic impact analysis and the anticipated negative economic impacts to the business community as indicated by public comment.

The determination of whether a condition is present under this subsection shall be made by the Department and shall not be subject to judicial review.

§ 2.2-4009. Evidentiary hearings on regulations.

Where an agency proposes to consider the exercise of authority to promulgate a regulation, it may conduct or give interested persons an opportunity to participate in a public evidentiary proceeding; and the agency shall always do so where the basic law requires a hearing. Evidentiary hearings may be limited to the trial of factual issues directly related to the legal validity of the proposed regulation in any of the relevant respects outlined in § [2.2-4027](#).

General notice of the proceedings shall be published as prescribed in § [2.2-4007.03](#). In addition, where the proposed regulation is to be addressed to named persons, the latter shall (i) also be given the same notice individually by mail or otherwise if acknowledged in writing and (ii) be entitled to be

accompanied by and represented by counsel or other representative. The proceedings may be conducted separately from, and in any event the record thereof shall be separate from, any other or additional proceedings the agency may choose or be required to conduct for the reception of general data, views, and argument pursuant to § [2.2-4007.02](#) or otherwise. Any probative evidence may be received except that the agency shall as a matter of efficiency exclude irrelevant, immaterial, insubstantial, privileged, or repetitive proofs, and may deny rebuttal, or cross-examination. Testimony may be admitted in written form provided those who have prepared it are made available for examination in person.

The agency or one or more of its subordinates specially designated for the purpose shall preside at the taking of evidence and may administer oaths and affirmations. The proceedings shall be recorded verbatim and the record thereof shall be made available to interested persons for transcription at their expense or, if transcribed by or for the agency, for inspection or purchase at cost.

Where subordinates preside at the taking of the evidence, they shall report their recommendations and proposed findings and conclusions that shall be made available upon request to the participants in the taking of evidence as well as other interested persons and serve as a basis for exceptions, briefs, or oral argument to the agency itself. Whether or not subordinates take the evidence, after opportunity for the submittal of briefs on request and such oral argument as may be scheduled, the agency may settle the terms of the regulation and shall promulgate it only upon (a) its findings of fact based upon the record of evidence made pursuant to this section and facts of which judicial notice may be taken, (b) statements of basis and purpose as well as comment upon data received in any informational proceedings held under § [2.2-4007.03](#) and (c) the conclusions required by the terms of the basic law under which the agency is operating.

§ 2.2-4010. Pilot programs for regulations imposing local government mandates.

Where an agency proposes to consider the exercise of authority to promulgate a regulation that will impose a statewide mandate on the Commonwealth's localities, the agency shall consider, where appropriate, implementing the regulation on a limited basis with a representative number of localities. An agency may use such a pilot program to determine the effectiveness or impact of proposed regulations prior to statewide adoption.

Regulations that an agency finds are necessitated by an emergency situation may be adopted by an agency upon consultation with the Attorney General, which approval shall be granted only after the agency has submitted a request stating in writing the nature of the emergency, and the necessity for such action shall be at the sole discretion of the Governor.

B. Agencies may also adopt emergency regulations in situations in which Virginia statutory law or the appropriation act or federal law or federal regulation requires that a regulation be effective in 280 days or less from its enactment and the regulation is not exempt under the provisions of subdivision A 4 of §

2.2-4006. In such cases, the agency shall state in writing the nature of the emergency and of the necessity for such action and may adopt the regulations. Pursuant to § 2.2-4012, such regulations shall become effective upon approval by the Governor and filing with the Registrar of Regulations.

C. All emergency regulations shall be limited to no more than 18 months in duration. During the 18-month period, an agency may issue additional emergency regulations as needed addressing the subject matter of the initial emergency regulation, but any such additional emergency regulations shall not be effective beyond the 18-month period from the effective date of the initial emergency regulation. If the agency wishes to continue regulating the subject matter governed by the emergency regulation beyond the 18-month limitation, a regulation to replace the emergency regulation shall be promulgated in accordance with this article. The Notice of Intended Regulatory Action to promulgate a replacement regulation shall be filed with the Registrar within 60 days of the effective date of the emergency regulation and published as soon as practicable, and the proposed replacement regulation shall be filed with the Registrar within 180 days after the effective date of the emergency regulation and published as soon as practicable.

D. In the event that an agency concludes that despite its best efforts a replacement regulation cannot be adopted before expiration of the 18-month period described in subsection C, it may seek the prior written approval of the Governor to extend the duration of the emergency regulation for a period of not more than six additional months. Any such request must be submitted to the Governor at least 30 days prior to the scheduled expiration of the emergency regulation and shall include a description of the agency's efforts to adopt a replacement regulation together with the reasons that a replacement regulation cannot be adopted before the scheduled expiration of the emergency regulation. Upon approval of the Governor, provided such approval occurs prior to the scheduled expiration of the emergency regulation, the duration of the emergency regulation shall be extended for a period of no more than six months. Such approval shall be in the sole discretion of the Governor and shall not be subject to judicial review. Agencies shall notify the Registrar of Regulations of the new expiration date of the emergency regulation as soon as practicable.

E. Emergency regulations shall be published as soon as practicable in the Register.

F. The Regulations of the Marine Resources Commission shall be excluded from the provisions of this section.

§ 2.2-4012. Purpose; adoption; effective date; filing; duties of Registrar of Regulations.

- A. The purpose of the regulatory procedures shall be to provide a regulatory plan that is predictable, based on measurable and anticipated outcomes, and is inclined toward conflict resolution.
- B. Subject to the provisions of §§ [2.2-4013](#) and [2.2-4014](#), all regulations, including those that agencies, pursuant to § [2.2-4002](#), [2.2-4006](#), or [2.2-4011](#), may elect to dispense with the public procedures provided by §§ [2.2-4007.01](#) and [2.2-4009](#), may be formally and finally adopted by the signed order of the agency so stating. No regulation except an emergency regulation or a noncontroversial regulation promulgated pursuant to § [2.2-4012.1](#) shall be effective until the expiration of the applicable period as provided in § [2.2-4015](#). In the case of an emergency regulation filed in accordance with § [2.2-4011](#), the regulation shall become effective upon its adoption and filing with the Registrar of Regulations, unless a later date is specified. The originals of all regulations shall remain in the custody of the agency as public records subject to judicial notice by all courts and agencies. They, or facsimiles thereof, shall be made available for public inspection or copying. Full and true copies shall also be additionally filed, registered, published, or otherwise made publicly available as required by other laws.
- C. Prior to the publication for hearing of a proposed regulation, copies of the regulation and copies of the summary and statement as to the basis, purpose, substance, issues, and the economic impact estimate of the regulation submitted by the Department of Planning and Budget and the agency's response thereto as required by § [2.2-4007.04](#) shall be transmitted to the Registrar of Regulations, who shall retain these documents.
- D. All regulations adopted pursuant to this chapter shall contain a citation to the section of the Code of Virginia that authorizes or requires the regulations and, where the regulations are required to conform to federal law or regulation in order to be valid, a citation to the specific federal law or regulation to which conformity is required.
- E. Immediately upon the adoption by any agency of any regulation in final form, a copy of (i) the regulation, (ii) a then current summary and statement as to the basis, purpose, substance, issues, and the economic impact estimate of the regulation submitted by the Department of Planning and Budget, and (iii) the agency's summary description of the nature of the oral and written data, views, or arguments presented during the public proceedings and the agency's comments thereon shall be transmitted to the Registrar of Regulations, who shall retain these documents as permanent records and make them available for public inspection. A draft of the agency's summary description of public comment shall be sent by the agency to all public commenters on the proposed regulation at least five days before final adoption of the regulation.

§ 2.2-4012.1. Fast-track rulemaking process.

Notwithstanding any other provision, rules that are expected to be noncontroversial may be promulgated or repealed in accordance with the process set out in this section. Upon the concurrence of

the Governor, and after written notice to the applicable standing committees of the Senate of Virginia and the House of Delegates, and to the Joint Commission on Administrative Rules, the agency may submit a fast-track regulation without having previously published a Notice of Intended Regulatory Action. The fast-track regulation shall be published in the Virginia Register of Regulations and posted on the Virginia Regulatory Town Hall, along with an agency statement setting out the reasons for using the fast-track rulemaking process. Such regulations shall be subject to the requirements set out in §§ [2.2-4007.03](#), [2.2-4007.04](#), and [2.2-4007.05](#), except that the time for receiving public comment need not exceed 30 days after (i) publication of the regulation in the Virginia Register of Regulations and (ii) a public comment forum opens on the Virginia Regulatory Town Hall. The time for preparation of the economic impact analysis shall not exceed 30 days. If an objection to the use of the fast-track process is received within the public comment period from 10 or more persons, any member of the applicable standing committee of either house of the General Assembly or of the Joint Commission on Administrative Rules, the agency shall (i) file notice of the objection with the Registrar of Regulations for publication in the Virginia Register, and (ii) proceed with the normal promulgation process set out in this article with the initial publication of the fast-track regulation serving as the Notice of Intended Regulatory Action. Otherwise, the regulation will become effective or shall be repealed as appropriate, 15 days after the close of the comment period, unless the regulation or repeal is withdrawn or a later effective date is specified by the agency.

§ 2.2-4013. Executive review of proposed and final regulations; changes with substantial impact.

A. The Governor shall adopt and publish procedures by executive order for review of all proposed regulations governed by this chapter by June 30 of the year in which the Governor takes office. The procedures shall include (i) review by the Attorney General to ensure statutory authority for the proposed regulations; and (ii) examination by the Governor to determine if the proposed regulations are (a) necessary to protect the public health, safety and welfare and (b) clearly written and easily understandable. The procedures may also include review of the proposed regulation by the appropriate Cabinet Secretary.

The Governor shall transmit his comments, if any, on a proposed regulation to the Registrar and the agency no later than fifteen days following the completion of the public comment period provided for in § [2.2-4007.03](#). The Governor may recommend amendments or modifications to any regulation that would bring that regulation into conformity with statutory authority or state or federal laws, regulations or judicial decisions.

Not less than fifteen days following the completion of the public comment period provided for in § [2.2-4007.03](#), the agency may (i) adopt the proposed regulation if the Governor has no objection to the regulation; (ii) modify and adopt the proposed regulation after considering and incorporating the Governor's objections or suggestions, if any; or (iii) adopt the regulation without changes despite the Governor's recommendations for change.

B. Upon final adoption of the regulation, the agency shall forward a copy of the regulation to the Registrar of Regulations for publication as soon as practicable in the Register. All changes to the proposed regulation shall be highlighted in the final regulation, and substantial changes to the proposed regulation shall be explained in the final regulation.

C. If the Governor finds that one or more changes with substantial impact have been made to the proposed regulation, he may require the agency to provide an additional thirty days to solicit additional public comment on the changes by transmitting notice of the additional public comment period to the agency and to the Registrar within the 30-day final adoption period described in subsection D, and publishing the notice in the Register. The additional public comment period required by the Governor shall begin upon publication of the notice in the Register.

D. A 30-day final adoption period for regulations shall commence upon the publication of the final regulation in the Register. The Governor may review the final regulation during this 30-day final adoption period and if he objects to any portion or all of a regulation, the Governor may file a formal objection to the regulation, suspend the effective date of the regulation in accordance with subsection B of § [2.2-4014](#), or both.

If the Governor files a formal objection to the regulation, he shall forward his objections to the Registrar and agency prior to the conclusion of the 30-day final adoption period. The Governor shall be deemed to have acquiesced to a promulgated regulation if he fails to object to it or if he fails to suspend the effective date of the regulation in accordance with subsection B of § [2.2-4014](#). The Governor's objection, or the suspension of the regulation, or both if applicable, shall be published in the Register.

A regulation shall become effective as provided in § [2.2-4015](#).

E. This section shall not apply to the issuance by the State Air Pollution Control Board of variances to its regulations.

§ 2.2-4014. Legislative review of proposed and final regulations.

A. After publication of the Register pursuant to § [2.2-4031](#), the standing committee of each house of the General Assembly to which matters relating to the content of the regulation are most properly referable or the Joint Commission on Administrative Rules may meet and, during the promulgation or final adoption process, file with the Registrar and the promulgating agency an objection to a proposed or final adopted regulation. The Registrar shall publish any such objection received by him as soon as practicable in the Register. Within 21 days after the receipt by the promulgating agency of a legislative objection, that agency shall file a response with the Registrar, the objecting legislative committee or the Joint Commission on Administrative Rules, and the Governor. If a legislative objection is filed within the final adoption period, subdivision A 1 of § [2.2-4015](#) shall govern.

B. In addition or as an alternative to the provisions of subsection A, the standing committee of both houses of the General Assembly to which matters relating to the content are most properly referable or the Joint Commission on Administrative Rules may suspend the effective date of any portion or all of a final regulation with the Governor's concurrence. The Governor and (i) the applicable standing committee of each house or (ii) the Joint Commission on Administrative Rules may direct, through a statement signed by a majority of their respective members and by the Governor, that the effective date of a portion or all of the final regulation is suspended and shall not take effect until the end of the next regular legislative session. This statement shall be transmitted to the promulgating agency and the Registrar within the 30-day final adoption period, or if a later effective date is specified by the agency the statement may be transmitted at any time prior to the specified later effective date, and shall be published in the Register.

If a bill is passed at the next regular legislative session to nullify a portion but not all of the regulation, then the promulgating agency (i) may promulgate the regulation under the provision of subdivision A 4 a of § [2.2-4006](#), if it makes no changes to the regulation other than those required by statutory law or (ii) shall follow the provisions of §§ [2.2-4007.01](#) through [2.2-4007.06](#), if it wishes to also make discretionary changes to the regulation. If a bill to nullify all or a portion of the suspended regulation, or to modify the statutory authority for the regulation, is not passed at the next regular legislative session, then the suspended regulation shall become effective at the conclusion of the session, unless the suspended regulation is withdrawn by the agency.

C. A regulation shall become effective as provided in § [2.2-4015](#).

D. This section shall not apply to the issuance by the State Air Pollution Control Board of variances to its regulations.

1984, c. 5, § 9-6.14:9.2; 1993, cc. 551, 772; 2001, c. [844](#); 2002, c. [677](#); 2003, c. [212](#); 2004, c. [777](#); 2007, cc. [873](#), [916](#); 2015, cc. [29](#), [450](#).

§ 2.2-4015. Effective date of regulation; exception.

A. A regulation adopted in accordance with this chapter and the Virginia Register Act (§ [2.2-4100](#) et seq.) shall become effective at the conclusion of the thirty-day final adoption period provided for in subsection D of § [2.2-4013](#), or any other later date specified by the agency, unless:

1. A legislative objection has been filed in accordance with § [2.2-4014](#), in which event the regulation, unless withdrawn by the agency, shall become effective on a date specified by the agency that shall be after the expiration of the applicable twenty-one-day extension period provided in § [2.2-4014](#);
2. The Governor has exercised his authority in accordance with § [2.2-4013](#) to require the agency to provide for additional public comment, in which event the regulation, unless withdrawn by the agency, shall become effective on a date specified by the agency that shall be after the period for which the Governor has provided for additional public comment;

3. The Governor and (i) the appropriate standing committees of each house of the General Assembly or (ii) the Joint Commission on Administrative Rules have exercised their authority in accordance with subsection B of § [2.2-4014](#) to suspend the effective date of a regulation until the end of the next regular legislative session; or

4. The agency has suspended the regulatory process in accordance with § [2.2-4007.06](#), or for any reason it deems necessary or appropriate, in which event the regulation, unless withdrawn by the agency, shall become effective in accordance with subsection B.

B. Whenever the regulatory process has been suspended for any reason, any action by the agency that either amends the regulation or does not amend the regulation but specifies a new effective date shall be considered a readoption of the regulation for the purposes of appeal. If the regulation is suspended under § [2.2-4007.06](#), such readoption shall take place after the thirty-day public comment period required by that subsection. Suspension of the regulatory process by the agency may occur simultaneously with the filing of final regulations as provided in subsection B of § [2.2-4013](#).

When a regulation has been suspended, the agency must set the effective date no earlier than fifteen days from publication of the readoption action and any changes made to the regulation. During that fifteen-day period, if the agency receives requests from at least twenty-five persons for the opportunity to comment on new substantial changes, it shall again suspend the regulation pursuant to § [2.2-4007.06](#).

C. This section shall not apply to the issuance by the State Air Pollution Control Board of variances to its regulations.

1984, c. 5, § 9-6.14:9.3; 1993, cc. 551, 772, 898; 1995, c. [25](#); 2001, c. [844](#); 2002, cc. [391](#), [677](#); 2004, c. [777](#); 2007, cc. [873](#), [916](#).

§ 2.2-4016. Withdrawal of regulation.

Nothing in this chapter shall prevent any agency from withdrawing any regulation at any time prior to the effective date of that regulation. A regulation may be repealed after its effective date only in accordance with the provisions of this chapter that govern the adoption of regulations.

1984, c. 5, § 9-6.14:9.4; 1985, c. 602; 2001, c. [844](#).

§ 2.2-4017. Periodic review of regulations.

Each Governor shall mandate through executive order a procedure for periodic review during that Governor's administration of regulations of agencies within the executive branch of state government. The procedure shall include (i) a review by the Attorney General to ensure statutory authority for regulations and (ii) a determination by the Governor whether the regulations are (a) necessary for the protection of public health, safety and welfare and (b) clearly written and easily understandable.

The Governor may require each agency (i) to review all regulations promulgated by that agency to determine whether new regulations should be adopted and old regulations amended or repealed, and

(ii) to prepare a written report summarizing the agency's findings about its regulations, its reasons for its findings and any proposed course of action.

§ 2.2-4019. Informal fact finding proceedings.

A. Agencies shall ascertain the fact basis for their decisions of cases through informal conference or consultation proceedings unless the named party and the agency consent to waive such a conference or proceeding to go directly to a formal hearing. Such conference-consultation procedures shall include rights of parties to the case to (i) have reasonable notice thereof, which notice shall include contact information consisting of the name, telephone number, and government email address of the person designated by the agency to answer questions or otherwise assist a named party; (ii) appear in person or by counsel or other qualified representative before the agency or its subordinates, or before a hearing officer for the informal presentation of factual data, argument, or proof in connection with any

case; (iii) have notice of any contrary fact basis or information in the possession of the agency that can be relied upon in making an adverse decision; (iv) receive a prompt decision of any application for a license, benefit, or renewal thereof; and (v) be informed, briefly and generally in writing, of the factual or procedural basis for an adverse decision in any case.

B. Agencies may, in their case decisions, rely upon public data, documents or information only when the agencies have provided all parties with advance notice of an intent to consider such public data, documents or information. This requirement shall not apply to an agency's reliance on case law and administrative precedent.

§ 2.2-4020. Formal hearings; litigated issues.

A. The agency shall afford opportunity for the formal taking of evidence upon relevant fact issues in any case in which the basic laws provide expressly for decisions upon or after hearing and may do so in any case to the extent that informal procedures under § [2.2-4019](#) have not been had or have failed to dispose of a case by consent.

B. Parties to formal proceedings shall be given reasonable notice of the (i) time, place, and nature thereof; (ii) basic law under which the agency contemplates its possible exercise of authority; (iii) matters of fact and law asserted or questioned by the agency; and (iv) contact information consisting of the name, telephone number, and government email address of the person designated by the agency to respond to questions or otherwise assist a named party. Applicants for licenses, rights, benefits, or renewals thereof have the burden of approaching the agency concerned without such prior notice but they shall be similarly informed thereafter in the further course of the proceedings whether pursuant to this section or to § [2.2-4019](#).

C. In all such formal proceedings the parties shall be entitled to be accompanied by and represented by counsel, to submit oral and documentary evidence and rebuttal proofs, to conduct such cross-examination as may elicit a full and fair disclosure of the facts, and to have the proceedings completed and a decision made with dispatch. The burden of proof shall be upon the proponent or applicant. The presiding officers at the proceedings may (i) administer oaths and affirmations, (ii) receive probative evidence, exclude irrelevant, immaterial, insubstantial, privileged, or repetitive proofs, rebuttal, or cross-examination, rule upon offers of proof, and oversee a verbatim recording of the evidence, (iii) hold conferences for the settlement or simplification of issues by consent, (iv) dispose of procedural requests, and (v) regulate and expedite the course of the hearing. Where a hearing officer presides, or where a subordinate designated for that purpose presides in hearings specified in subsection F of § [2.2-4024](#), he shall recommend findings and a decision unless the agency shall by its procedural regulations provide for the making of findings and an initial decision by the presiding officers subject to review and reconsideration by the agency on appeal to it as of right or on its own motion. The agency shall give deference to findings by the presiding officer explicitly based on the demeanor of witnesses.

D. Prior to the recommendations or decisions of subordinates, the parties concerned shall be given opportunity, on request, to submit in writing for the record (i) proposed findings and conclusions and (ii) statements of reasons therefor. In all cases, on request, opportunity shall be afforded for oral argument (a) to hearing officers or subordinate presiding officers, as the case may be, in all cases in which they make such recommendations or decisions or (b) to the agency in cases in which it makes the original decision without such prior recommendation and otherwise as it may permit in its discretion or provide by general rule. Where hearing officers or subordinate presiding officers, as the case may be, make recommendations, the agency shall receive and act on exceptions thereto.

E. All decisions or recommended decisions shall be served upon the parties, become a part of the record, and briefly state or recommend the findings, conclusions, reasons, or basis therefor upon the evidence presented by the record and relevant to the basic law under which the agency is operating together with the appropriate order, license, grant of benefits, sanction, relief, or denial thereof.

§ 2.2-4020.1. Summary case decisions.

A. Any person who has (i) applied for a permit, certificate, or license from an agency or (ii) received written notice of a potential violation from an agency may request a summary case decision from the agency. The request for a summary case decision shall be in writing, signed by or on behalf of the requestor, and be submitted to the agency secretary as defined by the Rules of the Supreme Court of Virginia. The request shall include:

1. A statement that no material facts are in dispute;
2. A proposed stipulation of all such undisputed material facts concerning the application or notice;
3. A clear and concise statement of the questions of law to be decided by summary case decision; and
4. A statement that the requestor waives his right to any other administrative proceeding provided in this article by the agency on the questions of law to be decided by summary case decision.

B. Within 21 days of receipt of a complete request for summary case decision, the agency shall determine whether the matter in dispute properly may be decided by summary case decision and shall promptly notify the requestor of its determination in writing. If a request for summary case decision is not complete, the agency may request additional specific information from the requestor. The agency shall decide the matter by summary case decision if it determines that there are no disputed issues of material fact. However, if (i) an informal fact-finding proceeding as provided in § [2.2-4019](#), a formal hearing as provided in § [2.2-4020](#), or other proceeding authorized by the agency's basic law concerning the application or notice has been scheduled, the requestor has been notified, and the issues that are the subject of such proceeding or hearing include questions that are the subject of the request for summary case decision or (ii) the matter must be decided through any public participation require-

ments under this chapter or the agency's basic law, the agency shall not be required to decide the matter by summary case decision.

C. Denial of a request for summary case decision shall not be subject to judicial review in accordance with this chapter and the Rules of the Supreme Court of Virginia, and shall not prejudice any rights the requestor has or may have under this chapter or the agency's basic law. Nothing in this article shall prevent an agency from consolidating the summary case decision proceeding into, or proceeding with, a separate informal fact-finding proceeding, formal hearing, or other proceeding authorized by the agency's basic law concerning the matter in question.

D. Upon granting a request for summary case decision, the agency shall establish a schedule for the parties to submit briefs on the questions of law in dispute and may, by agreement of the parties, provide for oral argument.

E. All decisions or recommended decisions shall be served on the requestor, become a part of the record, and briefly state or recommend the findings, conclusions, reasons, or basis therefor upon the evidence contained in the record and relevant to the basic law under which the agency is operating, together with the appropriate order, license, grant of benefits, sanction, relief, or denial thereof.

2006, c. [702](#).

§ 2.2-4020.2. Default.

A. Unless otherwise provided by law, if a party without good cause fails to attend or appear at a formal hearing conducted in accordance with § [2.2-4020](#), or at an informal fact-finding proceeding conducted pursuant to § [2.2-4019](#), the presiding officer may issue a default order.

B. A default order shall not be issued by the presiding officer unless the party against whom the default order is entered has been sent the notice that contains a notification that a default order may be issued against that party if that party fails without good cause to attend or appear at the hearing or informal fact-finding proceeding that is the subject of the notice.

C. If a default order is issued, the presiding officer may conduct all further proceedings necessary to complete the adjudication without the defaulting party and shall determine all issues in the adjudication, including those affecting the defaulting party.

D. A recommended, initial, or final order issued against a defaulting party may be based on the defaulting party's admissions or other evidence that may be used without notice to the defaulting party. If the burden of proof is on the defaulting party to establish that the party is entitled to the agency action sought, the presiding officer may issue a recommended, initial, or final order without taking evidence.

E. Not later than 15 days after notice to a party subject to a default order that a recommended, initial, or final order has been rendered against the party, the party may petition the presiding officer to vacate the recommended, initial, or final order. If good cause is shown for the party's failure to appear, the presiding officer shall vacate the decision and, after proper service of notice, conduct another evid-

entiary hearing. If good cause is not shown for the party's failure to appear, the presiding officer shall deny the motion to vacate.

F. The provisions of this section shall not apply to any administrative hearings process that is governed by § [32.1-325.1](#) relating to provider appeals.

2015, c. [638](#).

§ 2.2-4021. Timetable for decision; exemptions.

A. In cases where a board or commission meets to render (i) an informal fact-finding decision or (ii) a decision on a litigated issue, and information from a prior proceeding is being considered, persons who participated in the prior proceeding shall be provided an opportunity to respond at the board or commission meeting to any summaries of the prior proceeding prepared by or for the board or commission.

B. In any informal fact-finding, formal proceeding, or summary case decision proceeding in which a hearing officer is not used or is not empowered to recommend a finding, the board, commission, or agency personnel responsible for rendering a decision shall render that decision within 90 days from the date of the informal fact-finding, formal proceeding, or completion of a summary case decision proceeding, or from a later date agreed to by the named party and the agency. If the agency does not render a decision within 90 days, the named party to the case decision may provide written notice to the agency that a decision is due. If no decision is made within 30 days from agency receipt of the notice, the decision shall be deemed to be in favor of the named party. The preceding sentence shall not apply to case decisions before (i) the State Water Control Board or the Department of Environmental Quality to the extent necessary to comply with the federal Clean Water Act, (ii) the State Air Pollution Control Board or the Department of Environmental Quality to the extent necessary to comply with the federal Clean Air Act, or (iii) the Virginia Soil and Water Conservation Board or the Department of Conservation and Recreation to the extent necessary to comply with the federal Clean Water Act. An agency shall provide notification to the named party of its decision within five days of the decision.

C. In any informal fact-finding, formal proceeding, or summary case decision proceeding in which a hearing officer is empowered to recommend a finding, the board, commission, or agency personnel responsible for rendering a decision shall render that decision within 30 days from the date that the agency receives the hearing officer's recommendation. If the agency does not render a decision within 30 days, the named party to the case decision may provide written notice to the agency that a decision is due. If no decision is made within 30 days from agency receipt of the notice, the decision is deemed to be in favor of the named party. The preceding sentence shall not apply to case decisions before (i) the State Water Control Board or the Department of Environmental Quality to the extent necessary to comply with the federal Clean Water Act, (ii) the State Air Pollution Control Board or the Department of Environmental Quality to the extent necessary to comply with the federal Clean Air Act, or (iii) the Virginia Soil and Water Conservation Board or the Department of Conservation and Recreation to the

extent necessary to comply with the federal Clean Water Act. An agency shall provide notice to the named party of its decision within five days of the decision.

D. The provisions of subsection B notwithstanding, if the board members or agency personnel who conducted the informal fact-finding, formal proceeding, or summary case decision proceeding are unable to attend to official duties due to sickness, disability, or termination of their official capacity with the agency, then the timeframe provisions of subsection B shall be reset and commence from the date that either new board members or agency personnel are assigned to the matter or a new proceeding is conducted if needed, whichever is later. An agency shall provide notice within five days to the named party of any incapacity of the board members or agency personnel that necessitates a replacement or a new proceeding.

1975, c. 503, §§ 9-6.14:11, 9-6.14:12; 1986, c. 615; 1989, c. 601; 1991, c. 584; 1993, c. 898; 1994, c. [748](#); 1995, c. [398](#); 2001, c. [844](#); 2005, c. [102](#); 2006, c. [702](#).

§ 2.2-4022. Subpoenas, depositions and requests for admissions.

The agency or its designated subordinates may, and on request of any party to a case shall, issue subpoenas requiring testimony or the production of books, papers, and physical or other evidence. Any person so subpoenaed who objects may, if the agency does not quash or modify the subpoena at his timely request as illegally or improvidently granted, immediately procure by petition a decision on the validity thereof in the circuit court as provided in § [2.2-4003](#); and otherwise in any case of refusal or neglect to comply with an agency subpoena, unless the basic law under which the agency is operating provides some other recourse, enforcement, or penalty, the agency may procure an order of enforcement from such court. Depositions de bene esse and requests for admissions may be directed, issued, and taken on order of the agency for good cause shown; and orders or authorizations therefor may be challenged or enforced in the same manner as subpoenas. Nothing in this section shall be taken to authorize discovery proceedings.

1975, c. 503, § 9-6.14:13; 2001, c. [844](#).

§ 2.2-4023. Final orders.

The terms of any final agency case decision, as signed by it, shall be served upon the named parties by mail unless service otherwise made is duly acknowledged by them in writing. The signed originals shall remain in the custody of the agency as public records subject to judicial notice by all courts and agencies; and they, or facsimiles thereof, together with the full record or file in every case shall be made available for public inspection or copying except (i) so far as the agency may withhold the same in whole or part for the purpose of protecting individuals mentioned from personal embarrassment, obloquy, or disclosures of a private nature including statements respecting the physical, mental, moral, or financial condition of such individuals or (ii) for trade secrets or, so far as protected by other laws, other commercial or industrial information imparted in confidence. Final orders may be recorded, enforced, and satisfied as orders or decrees of a circuit court upon certification of such orders by the agency head or his designee.

1975, c. 503, § 9-6.14:14; 2001, c. [844](#); 2009, c. [797](#).

§ 2.2-4023.1. Reconsideration.

A. A party may file a petition for reconsideration of an agency's final decision made pursuant to § [2.2-4020](#). The petition shall be filed with the agency not later than 15 days after service of the final decision and shall state the specific grounds on which relief is requested. The petition shall contain a full and clear statement of the facts pertaining to the reasons for reconsideration, the grounds in support thereof, and a statement of the relief desired. A timely filed petition for reconsideration shall not suspend the execution of the agency decision nor toll the time for filing a notice of appeal under Rule 2A:2 of the Rules of Supreme Court of Virginia, unless the agency provides for suspension of its decision when it grants a petition for reconsideration. The failure to file a petition for reconsideration shall not constitute a failure to exhaust all administrative remedies.

B. The agency shall render a written decision on a party's timely petition for reconsideration within 30 days from receipt of the petition for reconsideration. Such decision shall (i) deny the petition, (ii) modify the case decision, or (iii) vacate the case decision and set a new hearing for further proceedings. The agency shall state the reasons for its action.

C. If reconsideration is sought for the decision of a policy-making board of an agency, such board may (i) consider the petition for reconsideration at its next regularly scheduled meeting; (ii) schedule a special meeting to consider and decide upon the petition within 30 days of receipt; or (iii) notwithstanding any other provision of law, delegate authority to consider the petition to either the board chairman, a subcommittee of the board, or the director of the agency that provides administrative support to the board, in which case a decision on the reconsideration shall be rendered within 30 days of receipt of the petition by the board.

D. Denial of a petition for reconsideration shall not constitute a separate case decision and shall not on its own merits be subject to judicial review. It may, however, be considered by a reviewing court as part of any judicial review of the case decision itself.

E. The agency may reconsider its final decision on its own initiative for good cause within 30 days of the date of the final decision. An agency may develop procedures for reconsideration of its final decisions on its own initiative.

F. Notwithstanding the provisions of this section, (i) any agency may promulgate regulations that specify the scope of evidence that may be considered by such agency in support of any petition for reconsideration and (ii) any agency that has statutory authority for reconsideration in its basic law may respond to requests in accordance with such law.

2016, c. [694](#).

Article 4 - Hearing Officers

§ 2.2-4024. Hearing officers.

A. In all formal hearings conducted in accordance with § [2.2-4020](#), the hearing shall be presided over by a hearing officer selected from a list prepared by the Executive Secretary of the Supreme Court and

maintained in the Office of the Executive Secretary of the Supreme Court. Parties to informal fact-finding proceedings conducted pursuant to § [2.2-4019](#) may agree at the outset of the proceeding to have a hearing officer preside at the proceeding, such agreement to be revoked only by mutual consent. The Executive Secretary may promulgate rules necessary for the administration of the hearing officer system and shall have the authority to establish the number of hearing officers necessary to preside over administrative hearings in the Commonwealth.

Prior to being included on the list, all hearing officers shall meet the following minimum standards:

1. Active membership in good standing in the Virginia State Bar;
 2. Active practice of law for at least five years; and
 3. Completion of a course of training approved by the Executive Secretary of the Supreme Court. In order to comply with the demonstrated requirements of the agency requesting a hearing officer, the Executive Secretary may require additional training before a hearing officer shall be assigned to a proceeding before that agency.
- B. On request from the head of an agency, the Executive Secretary shall name a hearing officer from the list, selected on a rotation system administered by the Executive Secretary. Lists reflecting geographic preference and specialized training or knowledge shall be maintained by the Executive Secretary if an agency demonstrates the need.
- C. A hearing officer appointed in accordance with this section shall be subject to disqualification as provided in § [2.2-4024.1](#). If the hearing officer denies a petition for disqualification pursuant to § [2.2-4024.1](#), the petitioning party may request reconsideration of the denial by filing a written request with the Executive Secretary along with an affidavit, prior to the taking of evidence at a hearing, stating with particularity the grounds upon which it is claimed that a fair and impartial hearing cannot be accorded, or the applicable rule of practice requiring disqualification.

The issue shall be determined not less than 10 days prior to the hearing by the Executive Secretary.

- D. Any hearing officer empowered by the agency to provide a recommendation or conclusion in a case decision matter shall render that recommendation or conclusion as follows:
1. If the agency's written regulations or procedures require the hearing officer to render a recommendation or conclusion within a specified time period, the hearing officer shall render the recommendation or conclusion on or before the expiration of the specified period; and
 2. In all other cases, the hearing officer shall render the recommendation or conclusion within 90 days from the date of the case decision proceeding or from a later date agreed to by the named party and the agency.

If the hearing officer does not render a decision within the time required by this subsection, then the agency or the named party to the case decision may provide written notice to the hearing officer and the Executive Secretary of the Supreme Court that a decision is due. If no decision is made within 30

days from receipt by the hearing officer of the notice, then the Executive Secretary of the Supreme Court shall remove the hearing officer from the hearing officer list and report the hearing officer to the Virginia State Bar for possible disciplinary action, unless good cause is shown for the delay.

E. The Executive Secretary shall remove hearing officers from the list, upon a showing of cause after written notice and an opportunity for a hearing. When there is a failure by a hearing officer to render a decision as required by subsection D, the burden shall be on the hearing officer to show good cause for the delay. Decisions to remove a hearing officer may be reviewed by a request to the Executive Secretary for reconsideration, followed by judicial review in accordance with this chapter.

F. This section shall not apply to hearings conducted by (i) any commission or board where all of the members, or a quorum, are present; (ii) the Virginia Alcoholic Beverage Control Authority, the Virginia Workers' Compensation Commission, the State Corporation Commission, the Virginia Employment Commission, the Department of Motor Vehicles under Title 46.2 ([§ 46.2-100](#) et seq.), § 58.1-2409, or Chapter 27 ([§ 58.1-2700](#) et seq.) of Title 58.1, or the Motor Vehicle Dealer Board under Chapter 15 ([§ 46.2-1500](#) et seq.) of Title 46.2; or (iii) any panel of a health regulatory board convened pursuant to [§ 54.1-2400](#), including any panel having members of a relevant advisory board to the Board of Medicine. All employees hired after July 1, 1986, pursuant to §§ [65.2-201](#) and [65.2-203](#) by the Virginia Workers' Compensation Commission to conduct hearings pursuant to its basic laws shall meet the minimum qualifications set forth in subsection A. Agency employees who are not licensed to practice law in the Commonwealth, and are presiding as hearing officers in proceedings pursuant to clause (ii) shall participate in periodic training courses.

G. Notwithstanding the exemptions of subsection A of [§ 2.2-4002](#), this article shall apply to hearing officers conducting hearings of the kind described in [§ 2.2-4020](#) for the Department of Wildlife Resources, the Virginia Housing Development Authority, the Milk Commission, and the Virginia Resources Authority pursuant to their basic laws.

1986, c. 615, § 9-6.14:14.1; 1988, c. 865; 1990, c. 219; 1991, c. 214; 1992, c. 659; 1993, c. 898; 1995, cc. [744](#), [776](#), [803](#), [805](#); 1996, cc. [189](#), [205](#), [639](#), [658](#); 2001, c. [844](#); 2002, cc. [448](#), [698](#); 2009, c. [806](#); 2012, cc. [803](#), [835](#); 2015, cc. [38](#), [636](#), [730](#); 2018, c. [613](#); 2020, c. [958](#).

§ 2.2-4024.1. Disqualification.

A. An individual who has served as investigator, prosecutor, or advocate at any stage in a contested case or who is subject to the authority, direction, or discretion of an individual who has served as investigator, prosecutor, or advocate at any stage in a contested case may not serve as the presiding officer or hearing officer in the same case. An agency head who has participated in a determination of probable cause or other preliminary determination in an adjudication may serve as the presiding officer in the adjudication unless a party demonstrates grounds for disqualification under subsection B.

B. A presiding officer or hearing officer is subject to disqualification for any factor that would cause a reasonable person to question the impartiality of the presiding officer or hearing officer, which may

include bias, prejudice, financial interest, or ex parte communications; however, the fact that a hearing officer is employed by an agency as a hearing officer, without more, is not grounds for disqualification. The presiding officer or hearing officer, after making a reasonable inquiry, shall disclose to the parties all known facts related to grounds for disqualification that are material to the impartiality of the presiding officer or hearing officer in the proceeding. The presiding officer or hearing officer may self-disqualify and withdraw from any case for reasons listed in this subsection.

C. A party may petition for the disqualification of the presiding officer or hearing officer promptly after notice that the person will preside or, if later, promptly on discovering facts establishing a ground for disqualification. The petition must state with particularity the ground on which it is claimed that a fair and impartial hearing cannot be accorded or the applicable rules of ethics that require disqualification. The petition may be denied if the party fails to promptly request disqualification after discovering a ground for disqualification.

D. A presiding officer not appointed pursuant to the provisions of § [2.2-4024](#), whose disqualification is requested shall decide whether to grant the petition and state in a record the facts and reasons for the decision. The decision to deny disqualification by a hearing officer appointed pursuant to § [2.2-4024](#) shall be reviewable according to the procedure set forth in subsection C of § [2.2-4024](#). In all other circumstances, the presiding officer's or hearing officer's decision to deny disqualification is subject to judicial review in accordance with this chapter, but is not otherwise subject to interlocutory review.

2015, c. [636](#).

§ 2.2-4024.2. Ex parte communications.

A. Except as otherwise provided in this section, while a formal hearing conducted in accordance with § [2.2-4020](#) is pending, the hearing officer shall not communicate with any person concerning the hearing without notice and opportunity for all parties to participate in the communication.

B. A hearing officer may communicate about a pending formal hearing conducted in accordance with § [2.2-4020](#) with any person if the communication is authorized by law or concerns an uncontested procedural issue. A hearing officer may communicate with any person on ministerial matters about a pending formal hearing conducted in accordance with § [2.2-4020](#) if the communication does not augment, diminish, or modify the evidence in the record.

C. If a hearing officer makes or receives a communication prohibited by this section, the hearing officer shall make a part of the hearing record: (i) a copy of the communication or, if it is not written, a memorandum containing the substance of the communication; (ii) the response thereto; and (iii) the identity of the person who made the communication.

D. If a communication prohibited by this section is made, the hearing officer shall notify all parties of the prohibited communication and permit the parties to respond not later than 15 days after the notice is given. For good cause, the hearing officer may permit additional evidence in response to the prohibited communication.

E. If necessary to eliminate any prejudicial effect of a communication made that is prohibited by this section, a hearing officer may (i) be disqualified under § [2.2-4024.1](#); (ii) seal the parts of the record pertaining to the communication by protective order; or (iii) grant other appropriate relief, including an adverse ruling on the merits of the case.

2016, c. [478](#).

Article 5 - COURT REVIEW

§ 2.2-4025. Exemptions operation of this article; limitations.

A. This article shall not apply to any agency action that (i) is placed beyond the control of the courts by constitutional or statutory provisions expressly precluding court review, (ii) involves solely the internal management or routine of an agency, (iii) is a decision resting entirely upon an inspection, test, or election save as to want of authority therefor or claim of arbitrariness or fraud therein, (iv) is a case in which the agency is acting as an agent for a court, or (v) encompasses matters subject by law to a trial de novo in any court.

B. The provisions of this article, however, shall apply to case decisions regarding the grant or denial of Temporary Assistance for Needy Families, Medicaid, food stamps, general relief, auxiliary grants, or state-local hospitalization. However, no appeal may be brought regarding the adequacy of standards of need and payment levels for public assistance and social services programs. Notwithstanding the provisions of § [2.2-4027](#), the review shall be based solely upon the agency record, and the court shall be limited to ascertaining whether there was evidence in the agency record to support the case decision of the agency acting as the trier of fact. If the court finds in favor of the party complaining of agency action, the court shall remand the case to the agency for further proceedings. The validity of any statute, regulation, standard or policy, federal or state, upon which the action of the agency was based shall not be subject to review by the court. No intermediate relief shall be granted under § [2.2-4028](#).

1975, c. 503, §§ 9-6.14:4.1, 9-6.14:15, 9-6.14:16; 1986, c. 615; 1989, cc. 677, 734; 2001, c. [844](#); 2002, c. [747](#).

§ 2.2-4026. Right, forms, venue; date of adoption or readoption for purposes of appeal.

A. Any person affected by and claiming the unlawfulness of any regulation or party aggrieved by and claiming unlawfulness of a case decision and whether exempted from the procedural requirements of Article 2 (§ [2.2-4006](#) et seq.) or 3 (§ [2.2-4018](#) et seq.) shall have a right to the direct review thereof by an appropriate and timely court action against the agency or its officers or agents in the manner provided by the Rules of Supreme Court of Virginia. Actions may be instituted in any court of competent jurisdiction as provided in § [2.2-4003](#), and the judgments of the courts of original jurisdiction shall be subject to appeal to or review by higher courts as in other cases unless otherwise provided by law. In addition, when any regulation or case decision is the subject of an enforcement action in court, it shall also be reviewable by the court as a defense to the action, and the judgment or decree therein shall be appealable as in other cases.

B. In any court action under this section by a person affected by and claiming the unlawfulness of any regulation on the basis that an agency failed to follow any procedure for the promulgation or adoption of a regulation specified in this chapter or in such agency's basic law, the burden shall be upon the party complaining of the agency action to designate and demonstrate the unlawfulness of the regulation by a preponderance of the evidence. If the court finds in favor of the party complaining of the agency action, the court shall declare the regulation null and void and remand the case to the agency for further proceedings.

C. Notwithstanding any other provision of law or of any executive order issued under this chapter, with respect to any challenge of a regulation subject to judicial review under this chapter, the date of adoption or readoption of the regulation pursuant to § [2.2-4015](#) for purposes of appeal under the Rules of Supreme Court shall be the date of publication in the Register of Regulations.

1975, c. 503, § 9-6.14:16; 1986, c. 615; 1989, cc. 677, 734; 2001, c. [844](#); 2014, c. [699](#); 2016, c. [359](#).

§ 2.2-4027. Issues on review.

The burden shall be upon the party complaining of agency action to designate and demonstrate an error of law subject to review by the court. Such issues of law include: (i) accordance with constitutional right, power, privilege, or immunity, (ii) compliance with statutory authority, jurisdiction limitations, or right as provided in the basic laws as to subject matter, the stated objectives for which regulations may be made, and the factual showing respecting violations or entitlement in connection with case decisions, (iii) observance of required procedure where any failure therein is not mere harmless error, and (iv) the substantiality of the evidentiary support for findings of fact. The determination of such fact issue shall be made upon the whole evidentiary record provided by the agency if its proceeding was required to be conducted as provided in § [2.2-4009](#) or [2.2-4020](#) or, as to subjects exempted from those sections, pursuant to constitutional requirement or statutory provisions for opportunity for an agency record of and decision upon the evidence therein.

In addition to any other judicial review provided by law, a small business, as defined in subsection A of § [2.2-4007.1](#), that is adversely affected or aggrieved by final agency action shall be entitled to judicial review of compliance with the requirements of subdivision A 2 of § [2.2-4007.04](#) and § [2.2-4007.1](#) within one year following the date of final agency action.

When the decision on review is to be made on the agency record, the duty of the court with respect to issues of fact shall be to determine whether there was substantial evidence in the agency record to support the agency decision. The duty of the court with respect to the issues of law shall be to review the agency decision de novo. The court shall enter judgment in accordance with § [2.2-4029](#).

Where there is no agency record so required and made, any necessary facts in controversy shall be determined by the court upon the basis of the agency file, minutes, and records of its proceedings under § [2.2-4007.01](#) or [2.2-4019](#) as augmented, if need be, by the agency pursuant to order of the court or supplemented by any allowable and necessary proofs adduced in court except that the func-

tion of the court shall be to determine only whether the result reached by the agency could reasonably be said, on all such proofs, to be within the scope of the legal authority of the agency.

Whether the fact issues are reviewed on the agency record or one made in the review action, the court shall take due account of the presumption of official regularity, the experience and specialized competence of the agency, and the purposes of the basic law under which the agency has acted.

1975, c. 503, § 9-6.14:17; 1989, c. 601; 2001, c. [844](#); 2005, cc. [619](#), [682](#); 2007, cc. [873](#), [916](#); 2013, c. [619](#).

§ 2.2-4028. Intermediate relief.

When judicial review is instituted or is about to be, the agency concerned may, on request of any party or its own motion, postpone the effective date of the regulation or decision involved where it deems that justice so requires. Otherwise the court may, on proper application and with or without bond, deposits in court, or other safeguards or assurances as may be suitable, issue all necessary and appropriate process to postpone the effective dates or preserve existing status or rights pending conclusion of the review proceedings if the court finds the same to be required to prevent immediate, unavoidable, and irreparable injury and that the issues of law or fact presented are not only substantial but that there is probable cause for it to anticipate a likelihood of reversible error in accordance with § [2.2-4027](#). Actions by the court may include (i) the stay of operation of agency decisions of an injunctive nature or those requiring the payment of money or suspending or revoking a license or other benefit and (ii) continuation of previous licenses in effect until timely applications for renewal are duly determined by the agency.

1975, c. 503, § 9-6.14:18; 2001, c. [844](#).

§ 2.2-4029. Court judgments.

Unless an error of law as defined in § [2.2-4027](#) appears, the court shall dismiss the review action or affirm the agency regulation or decision. Otherwise, it may compel agency action unlawfully and arbitrarily withheld or unreasonably delayed except that the court shall not itself undertake to supply agency action committed by the basic law to the agency. Where a regulation or case decision is found by the court not to be in accordance with law under § [2.2-4027](#), the court shall suspend or set it aside and remand the matter to the agency for further proceedings, if any, as the court may permit or direct in accordance with law.

1975, c. 503, § 9-6.14:19; 2001, c. [844](#).

§ 2.2-4030. Recovery of costs and attorney fees from agency.

A. In any civil case brought under Article 5 (§ [2.2-4025](#) et seq.) or § [2.2-4002](#), [2.2-4006](#), [2.2-4011](#), or [2.2-4018](#), in which any person contests any agency action, such person shall be entitled to recover from that agency, including the Department of Wildlife Resources, reasonable costs and attorney fees if such person substantially prevails on the merits of the case and (i) the agency's position is not substantially justified, (ii) the agency action was in violation of law, or (iii) the agency action was for an

improper purpose, unless special circumstances would make an award unjust. The award of attorney fees shall not exceed \$25,000.

B. Nothing in this section shall be deemed to grant permission to bring an action against an agency if the agency would otherwise be immune from suit or to grant a right to bring an action by a person who would otherwise lack standing to bring the action.

C. Any costs and attorney fees assessed against an agency under this section shall be charged against the operating expenses of the agency for the fiscal year in which the assessment is made and shall not be reimbursed from any other source.

1981, c. 446, § 9-6.14:21; 1997, c. [692](#); 2001, c. [844](#); 2016, c. [625](#); 2020, c. [958](#).

Article 6 - VIRGINIA REGISTER OF REGULATIONS

§ 2.2-4031. Publication of Virginia Register of Regulations; exceptions; notice of public hearings of proposed regulations.

A. The Registrar shall publish every two weeks a Virginia Register of Regulations that shall include (i) proposed and final regulations; (ii) emergency regulations; (iii) executive orders; (iv) notices of all public hearings on regulations; and (v) petitions for rulemaking made in accordance with § [2.2-4007](#). The entire proposed regulation shall be published in the Register; however, if an existing regulation has been previously published in the Virginia Administrative Code, then only those sections of regulations to be amended need to be published in the Register. If the length of the regulation falls within the guidelines established by the Registrar for the publication of a summary in lieu of the full text of the regulation, then, after consultation with the promulgating agency, the Registrar may publish only the summary of the regulation. In this event, the full text of the regulation shall be available for public inspection at the office of the Registrar and the promulgating agency.

If a proposed regulation is adopted as published or, in the sole discretion of the Registrar of Regulations, the only changes that have been made are those that can be clearly and concisely explained, the adopted regulation need not be published at length. Instead, the Register shall contain a notation that the proposed regulation has been adopted as published as a proposed regulation without change or stating the changes made. The proposed regulation shall be clearly identified with a citation to the issue and page numbers where published.

A copy of all reporting forms the promulgating agency anticipates will be incorporated into or be used in administering the regulation shall be published with the proposed and final regulation in the Register.

B. Each regulation shall be prefaced with a summary explaining that regulation in plain and clear language. Summaries shall be prepared by the promulgating agency and approved by the Registrar prior to their publication in the Register. The notice required by § [2.2-4007.03](#) shall include (i) a statement of the date, time and place of the hearing at which the regulation is to be considered; (ii) a brief statement as to the regulation under consideration; (iii) reference to the legal authority of the agency to act;

and (iv) the name, address and telephone number of an individual to contact for further information about that regulation. Agencies shall present their proposed regulations in a standardized format developed by the Virginia Code Commission in accordance with subdivision 2 of § [2.2-4104](#) of the Virginia Register Act (§ [2.2-4100](#) et seq.). Notwithstanding the exemptions allowed under § [2.2-4002](#), [2.2-4006](#) or [2.2-4011](#), the proposed and final regulations of all agencies shall be published in the Register. However, proposed regulations of the Marine Resources Commission and regulations exempted by subject from the provisions of this chapter by subsection B of § [2.2-4002](#) shall be exempt from this section.

C. The Virginia Register of Regulations shall be published by posting the Register on the Virginia Code Commission's website. The Virginia Code Commission may arrange for the printing of the Virginia Register as provided in § [30-146](#).

B. In the awarding of contracts, contracting agencies shall not engage in an unlawful discriminatory practice as defined in § [2.2-3901](#).

C. As used in this chapter, unless the context requires a different meaning:

§ 2.2-4201. Required contract provisions.

All contracting agencies shall include in every government contract of over \$10,000 the following provisions:

During the performance of this contract, the contractor agrees as follows:

1. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, or national origin, except where religion, sex, or national origin is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause, including the names of all contracting agencies with which the contractor has contracts of over \$10,000.

2. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that such contractor is an equal opportunity employer. However, notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this chapter.

3. If the contractor employs more than five employees, the contractor shall (i) provide annual training on the contractor's sexual harassment policy to all supervisors and employees providing services in the Commonwealth, except such supervisors or employees that are required to complete sexual harassment training provided by the Department of Human Resource Management, and (ii) post the contractor's sexual harassment policy in (a) a conspicuous public place in each building located in the Commonwealth that the contractor owns or leases for business purposes and (b) the contractor's employee handbook.

The contractor shall include the provisions of subdivisions 1, 2, and 3 in every subcontract or purchase order of over \$10,000, so that such provisions shall be binding upon each subcontractor or vendor.

Nothing contained in this chapter shall be deemed to empower any agency to require any contractor to grant preferential treatment to, or discriminate against, any individual or any group because of race, color, religion, sex, or national origin on account of an imbalance that may exist with respect to the total number or percentage of persons of any race, color, religion, sex, or national origin employed by such contractor in comparison with the total number or percentage of persons of such race, color, religion, sex, or national origin in any community or in the Commonwealth.

Article 1 - General Provisions

§ 2.2-4300. Short title; purpose; declaration of intent.

A. This chapter may be cited as the Virginia Public Procurement Act.

B. The purpose of this chapter is to enunciate the public policies pertaining to governmental procurement from nongovernmental sources, to include governmental procurement that may or may not result in monetary consideration for either party. This chapter shall apply whether the consideration is monetary or nonmonetary and regardless of whether the public body, the contractor, or some third party is providing the consideration.

C. To the end that public bodies in the Commonwealth obtain high quality goods and services at reasonable cost, that all procurement procedures be conducted in a fair and impartial manner with avoidance of any impropriety or appearance of impropriety, that all qualified vendors have access to public business and that no offeror be arbitrarily or capriciously excluded, it is the intent of the General Assembly that competition be sought to the maximum feasible degree, that procurement procedures involve openness and administrative efficiency, that individual public bodies enjoy broad flexibility in fashioning details of such competition, that the rules governing contract awards be made clear in advance of the competition, that specifications reflect the procurement needs of the purchasing body rather than being drawn to favor a particular vendor, and that the purchaser and vendor freely exchange information concerning what is sought to be procured and what is offered. Public bodies

may consider best value concepts when procuring goods and nonprofessional services, but not construction or professional services. The criteria, factors, and basis for consideration of best value and the process for the consideration of best value shall be as stated in the procurement solicitation.

§ 2.2-4302. Implementation.

This chapter may be implemented by ordinances, resolutions or regulations consistent with this chapter and with the provisions of other applicable law promulgated by any public body empowered by law to undertake the activities described in this chapter. Any such public body may act by and through its duly designated or authorized officers or employees.

1982, c. 647, § 11-36; 2001, c. [844](#).

§ 2.2-4302.1. Process for competitive sealed bidding.

The process for competitive sealed bidding shall include the following:

1. Issuance of a written Invitation to Bid containing or incorporating by reference the specifications and contractual terms and conditions applicable to the procurement. Unless the public body has provided for prequalification of bidders, the Invitation to Bid shall include a statement of any requisite qualifications of potential contractors. Any locality may include in the Invitation to Bid criteria that may be used in determining whether a bidder who is not prequalified by the Virginia Department of Transportation is a responsible bidder pursuant to § [2.2-4301](#). Such criteria may include a history or good faith assurances of (i) completion by the bidder and any potential subcontractors of specified safety training programs established by the U.S. Department of Labor, Occupational Safety and Health Administration; (ii) participation by the bidder and any potential subcontractors in apprenticeship training programs approved by state agencies or the U.S. Department of Labor; or (iii) maintenance by the bidder and any potential subcontractors of records of compliance with applicable local, state, and federal laws. No Invitation to Bid for construction services shall condition a successful bidder's eligibility on having a specified experience modification factor. When it is impractical to prepare initially a purchase description to support an award based on prices, an Invitation to Bid may be issued requesting the submission of unpriced offers to be followed by an Invitation to Bid limited to those bidders whose offers have been qualified under the criteria set forth in the first solicitation;

2. Public notice of the Invitation to Bid at least 10 days prior to the date set for receipt of bids by posting on the Department of General Services' central electronic procurement website or other

appropriate websites. In addition, public bodies may publish in a newspaper of general circulation. Posting on the Department of General Services' central electronic procurement website shall be required of any state public body. Local public bodies are encouraged to utilize the Department of General Services' central electronic procurement website to provide the public with centralized visibility and access to the Commonwealth's procurement opportunities. In addition, bids may be solicited directly from potential contractors. Any additional solicitations shall include certified businesses selected from a list made available by the Department of Small Business and Supplier Diversity;

3. Public opening and announcement of all bids received;
4. Evaluation of bids based upon the requirements set forth in the Invitation to Bid, which may include special qualifications of potential contractors, life-cycle costing, value analysis, and any other criteria such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose, which are helpful in determining acceptability; and
5. Award to the lowest responsive and responsible bidder. When the terms and conditions of multiple awards are so provided in the Invitation to Bid, awards may be made to more than one bidder.

For the purposes of subdivision 1, "experience modification factor" means a value assigned to an employer as determined by a rate service organization in accordance with its uniform experience rating plan required to be filed pursuant to subsection D of § [38.2-1913](#).

2013, cc. [482](#), [583](#); 2016, c. [754](#); 2020, cc. [176](#), [1089](#).

§ 2.2-4302.2. Process for competitive negotiation.

A. The process for competitive negotiation shall include the following:

1. Issuance of a written Request for Proposal indicating in general terms that which is sought to be procured, specifying the factors that will be used in evaluating the proposal, indicating whether a numerical scoring system will be used in evaluation of the proposal, and containing or incorporating by reference the other applicable contractual terms and conditions, including any unique capabilities, specifications or qualifications that will be required. Except with regard to contracts for architectural, professional engineering, transportation construction, or transportation-related construction services, a public body may include as a factor that will be used in evaluating a proposal the proposer's employment of persons with disabilities to perform the specifications of the contract. In the event that a numerical scoring system will be used in the evaluation of proposals, the point values assigned to each of the evaluation criteria shall be included in the Request for Proposal or posted at the location designated for public posting of procurement notices prior to the due date and time for receiving proposals. No Request for Proposal for construction authorized by this chapter shall condition a successful offeror's eligibility on having a specified experience modification factor;
2. Public notice of the Request for Proposal at least 10 days prior to the date set for receipt of proposals by posting on the Department of General Services' central electronic procurement website or other appropriate websites. Public bodies may also publish in a newspaper of general circulation in

the area in which the contract is to be performed so as to provide reasonable notice to the maximum number of offerors that can be reasonably anticipated to submit proposals in response to the particular request. Posting on the Department of General Services' central electronic procurement website shall be required of (i) any state public body and (ii) any local public body if such local public body elects not to publish notice of the Request for Proposal in a newspaper of general circulation in the area in which the contract is to be performed. Local public bodies are encouraged to utilize the Department of General Services' central electronic procurement website to provide the public with centralized visibility and access to the Commonwealth's procurement opportunities. In addition, proposals may be solicited directly from potential contractors. Any additional solicitations shall include certified businesses selected from a list made available by the Department of Small Business and Supplier Diversity; and

3. For goods, nonprofessional services, and insurance, selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals, on the basis of the factors involved in the Request for Proposal, including price if so stated in the Request for Proposal. In the case of a proposal for information technology, as defined in § [2.2-2006](#), a public body shall not require an offeror to state in a proposal any exception to any liability provisions contained in the Request for Proposal. Negotiations shall then be conducted with each of the offerors so selected. The offeror shall state any exception to any liability provisions contained in the Request for Proposal in writing at the beginning of negotiations, and such exceptions shall be considered during negotiation. Price shall be considered, but need not be the sole or primary determining factor. After negotiations have been conducted with each offeror so selected, the public body shall select the offeror which, in its opinion, has made the best proposal and provides the best value, and shall award the contract to that offeror. When the terms and conditions of multiple awards are so provided in the Request for Proposal, awards may be made to more than one offeror. Should the public body determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror; or

4. For professional services, the public body shall engage in individual discussions with two or more offerors deemed fully qualified, responsible and suitable on the basis of initial responses and with emphasis on professional competence, to provide the required services. Repetitive informal interviews shall be permissible. The offerors shall be encouraged to elaborate on their qualifications and performance data or staff expertise pertinent to the proposed project, as well as alternative concepts. In addition, offerors shall be informed of any ranking criteria that will be used by the public body in addition to the review of the professional competence of the offeror. The Request for Proposal shall not, however, request that offerors furnish estimates of man-hours or cost for services. At the discussion stage, the public body may discuss nonbinding estimates of total project costs, including, but not limited to, life-cycle costing, and where appropriate, nonbinding estimates of price for services. In accordance with § [2.2-4342](#), proprietary information from competing offerors shall not be disclosed to the public or to competitors. For architectural or engineering services, the public body shall not

request or require offerors to list any exceptions to proposed contractual terms and conditions, unless such terms and conditions are required by statute, regulation, ordinance, or standards developed pursuant to § [2.2-1132](#), until after the qualified offerors are ranked for negotiations. At the conclusion of discussion, outlined in this subdivision, on the basis of evaluation factors published in the Request for Proposal and all information developed in the selection process to this point, the public body shall select in the order of preference two or more offerors whose professional qualifications and proposed services are deemed most meritorious.

Negotiations shall then be conducted, beginning with the offeror ranked first. If a contract satisfactory and advantageous to the public body can be negotiated at a price considered fair and reasonable and pursuant to contractual terms and conditions acceptable to the public body, the award shall be made to that offeror. Otherwise, negotiations with the offeror ranked first shall be formally terminated and negotiations conducted with the offeror ranked second, and so on until such a contract can be negotiated at a fair and reasonable price.

Notwithstanding the foregoing, if the terms and conditions for multiple awards are included in the Request for Proposal, a public body may award contracts to more than one offeror.

Should the public body determine in writing and in its sole discretion that only one offeror is fully qualified or that one offeror is clearly more highly qualified and suitable than the others under consideration, a contract may be negotiated and awarded to that offeror.

B. Multiphase professional services contracts satisfactory and advantageous to the completion of large, phased, or long-term projects may be negotiated and awarded based on a fair and reasonable price for the first phase only, where the completion of the earlier phases is necessary to provide information critical to the negotiation of a fair and reasonable price for succeeding phases. Prior to entering into any such contract, the public body shall (i) state the anticipated intended total scope of the project and (ii) determine in writing that the nature of the work is such that the best interests of the public body require awarding the contract.

For the purposes of subdivision A 1, "experience modification factor" means a value assigned to an employer as determined by a rate service organization in accordance with its uniform experience rating plan required to be filed pursuant to subsection D of § [38.2-1913](#).

Article 2 - Contract Formation and Administration

§ 2.2-4303. Methods of procurement.

A. All public contracts with nongovernmental contractors for the purchase or lease of goods, or for the purchase of services, insurance, or construction, shall be awarded after competitive sealed bidding, or competitive negotiation as provided in this section, unless otherwise authorized by law.

B. Professional services shall be procured by competitive negotiation.

C. Goods, services other than professional services, and insurance may be procured by competitive sealed bidding or competitive negotiation.

Upon a written determination made in advance by (i) the Governor or his designee in the case of a procurement by the Commonwealth or by a department, agency or institution thereof or (ii) the local governing body in the case of a procurement by a political subdivision of the Commonwealth, that competitive negotiation is either not practicable or not fiscally advantageous, insurance may be procured through a licensed agent or broker selected in the manner provided for the procurement of things other than professional services set forth in § [2.2-4302.2](#). The basis for this determination shall be documented in writing.

D. Construction may be procured only by competitive sealed bidding, except that competitive negotiation may be used in the following instances:

1. By any public body on a fixed price design-build basis or construction management basis as provided in Chapter 43.1 (§ [2.2-4378](#) et seq.); or
2. By any public body for the construction of highways and any draining, dredging, excavation, grading or similar work upon real property upon a determination made in advance by the public body and set forth in writing that competitive sealed bidding is either not practicable or not fiscally advantageous to the public, which writing shall document the basis for this determination.

E. Upon a determination in writing that there is only one source practicably available for that which is to be procured, a contract may be negotiated and awarded to that source without competitive sealed bidding or competitive negotiation. The writing shall document the basis for this determination. The public body shall issue a written notice stating that only one source was determined to be practicably available, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted on the Department of General Services' central electronic procurement website or other appropriate websites, and in addition, public bodies may publish in a newspaper of general circulation on the day the public body awards or announces its decision to award the contract, whichever occurs first. Posting on the Department of General Services' central electronic procurement website shall be required of any state public body. Local public bodies are encouraged to utilize the Department of General Services' central electronic procurement website to provide the public with centralized visibility and access to the Commonwealth's procurement opportunities.

F. In case of emergency, a contract may be awarded without competitive sealed bidding or competitive negotiation; however, such procurement shall be made with such competition as is practicable under the circumstances. A written determination of the basis for the emergency and for the selection of the particular contractor shall be included in the contract file. The public body shall issue a written notice stating that the contract is being awarded on an emergency basis, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted on the Department of General Services' central electronic procurement

website or other appropriate websites, and in addition, public bodies may publish in a newspaper of general circulation on the day the public body awards or announces its decision to award the contract, whichever occurs first, or as soon thereafter as is practicable. Posting on the Department of General Services' central electronic procurement website shall be required of any state public body. Local public bodies are encouraged to utilize the Department of General Services' central electronic procurement website to provide the public with centralized visibility and access to the Commonwealth's procurement opportunities.

G. A public body may establish purchase procedures, if adopted in writing, not requiring competitive sealed bids or competitive negotiation for single or term contracts for:

1. Goods and services other than professional services and non-transportation-related construction, if the aggregate or the sum of all phases is not expected to exceed \$200,000; and
2. Transportation-related construction, if the aggregate or sum of all phases is not expected to exceed \$25,000.

However, such small purchase procedures shall provide for competition wherever practicable.

Such purchase procedures may allow for single or term contracts for professional services without requiring competitive negotiation, provided the aggregate or the sum of all phases is not expected to exceed \$80,000.

Where small purchase procedures are adopted for construction, the procedures shall not waive compliance with the Uniform State Building Code.

For state public bodies, informal solicitations conducted under this subsection shall require the posting of a public notice on the Department of General Services' central electronic procurement website. Local public bodies are encouraged to utilize the Department of General Services' central electronic procurement website to provide the public with centralized visibility and access to the Commonwealth's procurement opportunities.

H. Upon a determination made in advance by a public body and set forth in writing that the purchase of goods, products or commodities from a public auction sale is in the best interests of the public, such items may be purchased at the auction, including online public auctions. Purchase of information technology and telecommunications goods and nonprofessional services from a public auction sale shall be permitted by any authority, department, agency, or institution of the Commonwealth if approved by the Chief Information Officer of the Commonwealth. The writing shall document the basis for this determination. However, bulk purchases of commodities used in road and highway construction and maintenance, and aggregates shall not be made by online public auctions.

I. The purchase of goods or nonprofessional services, but not construction or professional services, may be made by reverse auctioning. However, bulk purchases of commodities used in road and highway construction and maintenance, and aggregates shall not be made by reverse auctioning.

§ 2.2-4303.01. High-risk contracts; definition; review.

A. For the purposes of this section, "high-risk contract" means any public contract with a state public body for the procurement of goods, services, insurance, or construction that is anticipated to either (i) cost in excess of \$10 million over the initial term of the contract or (ii) cost in excess of \$5 million over the initial term of the contract and meet at least one of the following criteria: (a) the goods, services, insurance, or construction that is the subject of the contract is being procured by two or more state public bodies; (b) the anticipated term of the initial contract, excluding renewals, is greater than five years; or (c) the state public body procuring the goods, services, insurance, or construction has not procured similar goods, services, insurance, or construction within the last five years.

B. Prior to issuing a solicitation for a high-risk contract, a state public body shall submit such solicitation for review by (i) the Office of the Attorney General, (ii) the Department of General Services for solicitations for goods and nonprofessional and professional services that are not for (a) information technology or (b) road or rail construction or design, and (iii) the Virginia Information Technologies Agency for solicitations for goods and services related to information technology. Such reviews shall be completed within 30 business days and include an evaluation of the extent to which the solicitation complies with applicable state law and policy, as well as an evaluation of the appropriateness of the solicitation's terms and conditions. In addition, the review shall ensure that such solicitations for high-risk contracts contain distinct and measurable performance metrics and clear enforcement provisions, including penalties or incentives, to be used in the event that contract performance metrics or other provisions are not met.

C. Prior to awarding a high-risk contract, a state public body shall submit such contract for review by (i) the Office of the Attorney General, (ii) the Department of General Services for contracts for goods and nonprofessional and professional services that are not for (a) information technology or (b) road or rail construction or design, and (iii) the Virginia Information Technologies Agency for contracts for goods and services related to information technology. Such reviews shall be completed within 30 business days and include an evaluation of the extent to which the contract complies with applicable state law and policy, as well as an evaluation of the legality and appropriateness of the contract's terms and conditions. In addition, the review shall ensure that such high-risk contracts contain distinct and measurable performance metrics and clear enforcement provisions, including penalties or incentives, to be used in the event that contract performance metrics or other provisions are not met.

D. The Department of General Services' central electronic procurement system shall serve as a centralized resource for all state public bodies on information related to the performance of high-risk contracts. All state public bodies shall submit information on high-risk contracts for inclusion in the

system. Such information shall include, but not be limited to, the following information on each high-risk contract:

1. Scheduled contract performance dates and actual contract completion dates;
2. Contract award value and actual contract expenditures; and
3. Information on vendor performance, including any cure letters, formal complaints, and end-of-contract evaluations.

2019, c. [601](#); 2020, c. [431](#).

§ 2.2-4303.1. Architectural and professional engineering term contracting; limitations.

A. A contract for architectural or professional engineering services relating to multiple construction projects may be awarded by a public body, provided (i) the projects require similar experience and expertise, (ii) the nature of the projects is clearly identified in the Request for Proposal, and (iii) the contract is limited to a term of one year or when the cumulative total project fees reach the maximum authorized in this section, whichever occurs first.

Such contracts may be renewable for four additional one-year terms at the option of the public body. The fair and reasonable prices as negotiated shall be used in determining the cost of each project performed.

B. The sum of all projects performed in a one-year contract term shall not exceed \$750,000, except that for:

1. A state agency, as defined in § [2.2-4347](#), the sum of all projects performed in a one-year contract term shall not exceed \$1 million;
2. Any locality with a population in excess of 50,000 or school division within such locality, or any authority, sanitation district, metropolitan planning organization, transportation district commission, or planning district commission, or any city within Planning District 8, the sum of all projects performed in a one-year contract term shall not exceed \$8 million and those awarded for any airport as defined in § [5.1-1](#) and aviation transportation projects, the sum of all such projects shall not exceed \$1.5 million;
3. Architectural and engineering services for rail and public transportation projects by the Director of the Department of Rail and Public Transportation, the sum of all projects in a one-year contract term shall not exceed \$5 million. Such contract may be renewable for two additional one-year terms at the option of the Director; and
4. Environmental location, design, and inspection work regarding highways and bridges by the Commissioner of Highways, the initial contract term shall be limited to two years or when the cumulative total project fees reach \$8 million, whichever occurs first. Such contract may be renewable for two additional one-year terms at the option of the Commissioner, and the sum of all projects in each one-year contract term shall not exceed \$5 million.

C. Competitive negotiations for such architectural or professional engineering services contracts may result in awards to more than one offeror, provided (i) the Request for Proposal so states and (ii) the public body has established procedures for distributing multiple projects among the selected contractors during the contract term. Such procedures shall prohibit requiring the selected contractors to compete for individual projects based on price.

D. The fee for any single project shall not exceed \$150,000; however, for architectural or engineering services for airports as defined in § [5.1-1](#) and aviation transportation projects, the project fee of any single project shall not exceed \$500,000, except that for:

1. A state agency as defined in § [2.2-4347](#), the project fee shall not exceed \$200,000, as may be determined by the Director of the Department of General Services or as otherwise provided by the Restructured Higher Education Financial and Administrative Operations Act (§ [23.1-1000](#) et seq.); and
2. Any locality with a population in excess of 50,000 or school division within such locality, or any authority, transportation district commission, or sanitation district, or any city within Planning District 8, the project fee shall not exceed \$2.5 million.

The limitations imposed upon single-project fees pursuant to this subsection shall not apply to environmental, location, design, and inspection work regarding highways and bridges by the Commissioner of Highways or architectural and engineering services for rail and public transportation projects by the Director of the Department of Rail and Public Transportation.

E. For the purposes of subsection B, any unused amounts from one contract term shall not be carried forward to any additional term, except as otherwise provided by the Restructured Higher Education Financial and Administrative Operations Act (§ [23.1-1000](#) et seq.).

2015, cc. [570](#), [760](#), [776](#); 2016, c. [294](#); 2017, cc. [343](#), [555](#); 2018, c. [461](#); 2020, cc. [431](#), [618](#), [852](#).

§ 2.2-4303.2. Job order contracting; limitations.

A. A job order contract may be awarded by a public body for multiple jobs, provided (i) the jobs require similar experience and expertise, (ii) the nature of the jobs is clearly identified in the solicitation, and (iii) the contract is limited to a term of one year or when the cumulative total project fees reach the maximum authorized in this section, whichever occurs first. Contractors may be selected through either competitive sealed bidding or competitive negotiation.

B. Such contracts may be renewable for two additional one-year terms at the option of the public body. The fair and reasonable prices as negotiated shall be used in determining the cost of each job performed, and the sum of all jobs performed in a one-year contract term shall not exceed the maximum threshold amount.

Beginning on July 1, 2019, the maximum threshold amount shall be \$6 million.

Subject to the maximum threshold amount, no individual job order shall exceed \$500,000.

C. For the purposes of this section, any unused amounts from one contract term shall not be carried forward to any additional term.

D. Order splitting with the intent of keeping a job order under the maximum dollar amounts prescribed in subsection B is prohibited.

E. No public body shall issue or use a job order, under a job order contract, solely for the purpose of receiving professional architectural or engineering services that constitute the practice of architecture or the practice of engineering as those terms are defined in § [54.1-400](#). However, professional architectural or engineering services may be included on a job order where such professional services (i) are incidental and directly related to the job, (ii) do not exceed \$25,000 per job order, and (iii) do not exceed \$75,000 per contract term.

F. Job order contracting shall not be used for construction, maintenance, or asset management services for a highway, bridge, tunnel, or overpass. However, job order contracting may be used for safety improvements or traffic calming measures for individual job orders up to \$250,000, subject to the maximum annual threshold amount established in this section.

2015, cc. [760](#), [776](#); 2019, cc. [171](#), [286](#).

§ 2.2-4304. Joint and cooperative procurement.

A. Any public body may participate in, sponsor, conduct, or administer a joint procurement agreement on behalf of or in conjunction with one or more other public bodies, or public agencies or institutions or localities of the several states, of the United States or its territories, the District of Columbia, the U.S. General Services Administration, or the Metropolitan Washington Council of Governments, for the purpose of combining requirements to increase efficiency or reduce administrative expenses in any acquisition of goods, services, or construction.

B. In addition, a public body may purchase from another public body's contract or from the contract of the Metropolitan Washington Council of Governments or the Virginia Sheriffs' Association even if it did not participate in the request for proposal or invitation to bid, if the request for proposal or invitation to bid specified that the procurement was a cooperative procurement being conducted on behalf of other public bodies, except for:

1. Contracts for architectural or engineering services; or

2. Construction. This subdivision shall not be construed to prohibit sole source or emergency procurements awarded pursuant to subsections E and F of § [2.2-4303](#).

Subdivision 2 shall not apply to (i) the installation of artificial turf and track surfaces, (ii) stream restoration, or (iii) stormwater management practices, including all associated and necessary construction and maintenance.

In instances where any authority, department, agency, or institution of the Commonwealth desires to purchase information technology and telecommunications goods and services from another public body's contract and the procurement was conducted on behalf of other public bodies, such purchase

shall be permitted if approved by the Chief Information Officer of the Commonwealth. Any public body that enters into a cooperative procurement agreement with a county, city, or town whose governing body has adopted alternative policies and procedures pursuant to subdivisions A 9 and A 10 of § [2.2-4343](#) shall comply with the alternative policies and procedures adopted by the governing body of such county, city, or town.

C. Subject to the provisions of §§ [2.2-1110](#), [2.2-1111](#), [2.2-1120](#) and [2.2-2012](#), any authority, department, agency, or institution of the Commonwealth may participate in, sponsor, conduct, or administer a joint procurement arrangement in conjunction with public bodies, private health or educational institutions or with public agencies or institutions of the several states, territories of the United States, or the District of Columbia, for the purpose of combining requirements to effect cost savings or reduce administrative expense in any acquisition of goods and services, other than professional services, and construction.

A public body may purchase from any authority, department, agency or institution of the Commonwealth's contract even if it did not participate in the request for proposal or invitation to bid, if the request for proposal or invitation to bid specified that the procurement was a cooperative procurement being conducted on behalf of other public bodies. In such instances, deviation from the procurement procedures set forth in this chapter and the administrative policies and procedures established to implement this chapter shall be permitted, if approved by the Director of the Division of Purchases and Supply.

Pursuant to § [2.2-2012](#), such approval is not required if the procurement arrangement is for telecommunications and information technology goods and services of every description. In instances where the procurement arrangement is for telecommunications and information technology goods and services, such arrangement shall be permitted if approved by the Chief Information Officer of the Commonwealth. However, such acquisitions shall be procured competitively.

Nothing herein shall prohibit the payment by direct or indirect means of any administrative fee that will allow for participation in any such arrangement.

D. As authorized by the United States Congress and consistent with applicable federal regulations, and provided the terms of the contract permit such purchases:

1. Any authority, department, agency, or institution of the Commonwealth may purchase goods and nonprofessional services, other than telecommunications and information technology, from a U.S. General Services Administration contract or a contract awarded by any other agency of the U.S. government, upon approval of the director of the Division of Purchases and Supply of the Department of General Services;
2. A. Notwithstanding any other provision of law to the contrary, a public body may purchase at its expense an owner-controlled insurance program in connection with any public construction contract where the amount of the contract or combination of contracts is more than \$100 million, provided that no single contract valued at less than \$50 million shall be combined pursuant to this section. The public body shall provide notice if it intends to use an owner-controlled insurance program, including the specific coverages of such program, in any request for proposal, invitation to bid, or other applicable procurement documents.

B. A public body shall not require a provider of architecture or professional engineering services to participate in the owner-controlled insurance program, except to the extent that the public body may elect to secure excess coverage. In no event may the amount of any contract, without adequate consideration, be increased for any purpose, including, but not limited to, relief of an offeror from the consequences of an error in its bid or offer.

B. Any public body may extend the term of an existing contract for services to allow completion of any work undertaken but not completed during the original term of the contract.

C. Nothing in this section shall prevent any public body from placing greater restrictions on contract modifications.

D. The provisions of this section shall not limit the amount a party to a public contract may claim or recover against a public body pursuant to § [2.2-4363](#) or any other applicable statute or regulation. Modifications made by a political subdivision that fail to comply with this section are voidable at the discretion of the governing body, and the unauthorized approval of a modification cannot be the basis of a contractual claim as set forth in § [2.2-4363](#).

§ 2.2-4310. Discrimination prohibited; participation of small, women-owned, minority-owned, and service disabled veteran-owned businesses and employment services organizations.

A. In the solicitation or awarding of contracts, no public body shall discriminate against a bidder or offeror because of race, religion, color, sex, sexual orientation, gender identity, national origin, age, disability, status as a service disabled veteran, or any other basis prohibited by state law relating to discrimination in employment. Whenever solicitations are made, each public body shall include businesses selected from a list made available by the Department of Small Business and Supplier Diversity, which list shall include all companies and organizations certified by the Department.

B. All public bodies shall establish programs consistent with this chapter to facilitate the participation of small businesses, businesses owned by women, minorities, and service disabled veterans, and employment services organizations in procurement transactions. The programs established shall be in writing and shall comply with the provisions of any enhancement or remedial measures authorized by the Governor pursuant to subsection C or, where applicable, by the chief executive of a local governing body pursuant to § [15.2-965.1](#), and shall include specific plans to achieve any goals established therein. State agencies shall submit annual progress reports on (i) small, women-owned, and minority-owned business procurement, (ii) service disabled veteran-owned business procurement, and (iii) employment services organization procurement to the Department of Small Business and Supplier Diversity in a form specified by the Department of Small Business and Supplier Diversity. Contracts and subcontracts awarded to employment services organizations and service disabled veteran-owned businesses shall be credited toward the small business, women-owned, and minority-owned business contracting and subcontracting goals of state agencies and contractors. The Department of Small Business and Supplier Diversity shall make information on service disabled veteran-owned procurement available to the Department of Veterans Services upon request.

C. Whenever there exists (i) a rational basis for small business or employment services organization enhancement or (ii) a persuasive analysis that documents a statistically significant disparity between the availability and utilization of women-owned and minority-owned businesses, the Governor is authorized and encouraged to require state agencies to implement appropriate enhancement or remedial measures consistent with prevailing law. Any enhancement or remedial measure authorized by the Governor pursuant to this subsection for state public bodies may allow for small businesses certified by the Department of Small Business and Supplier Diversity or a subcategory of small businesses established as a part of the enhancement program to have a price preference over noncertified businesses competing for the same contract award on designated procurements, provided that the bid of the certified small business or the business in such subcategory of small businesses established as a part of an enhancement program does not exceed the low bid by more than five percent.

D. In awarding a contract for services to a small, women-owned, or minority-owned business that is certified in accordance with § [2.2-1606](#), or to a business identified by a public body as a service

disabled veteran-owned business where the award is being made pursuant to an enhancement or remedial program as provided in subsection C, the public body shall include in every such contract of more than \$10,000 the following:

"If the contractor intends to subcontract work as part of its performance under this contract, the contractor shall include in the proposal a plan to subcontract to small, women-owned, minority-owned, and service disabled veteran-owned businesses."

E. In the solicitation or awarding of contracts, no state agency, department, or institution shall discriminate against a bidder or offeror because the bidder or offeror employs ex-offenders unless the state agency, department, or institution has made a written determination that employing ex-offenders on the specific contract is not in its best interest.

§ 2.2-4315. Use of brand names.

Unless otherwise provided in the Invitation to Bid, the name of a certain brand, make or manufacturer shall not restrict bidders to the specific brand, make or manufacturer named and shall be deemed to convey the general style, type, character, and quality of the article desired. Any article that the public body in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.

§ 2.2-4316. Comments concerning specifications.

Every public body awarding public contracts shall establish procedures whereby comments concerning specifications or other provisions in Invitations to Bid or Requests for Proposal can be received and considered prior to the time set for receipt of bids or proposals or award of the contract.

§ 2.2-4317. Prequalification generally; prequalification for construction.

A. Prospective contractors may be prequalified for particular types of supplies, services, insurance or construction, and consideration of bids or proposals limited to prequalified contractors. Any prequalification procedure shall be established in writing and sufficiently in advance of its implementation to allow potential contractors a fair opportunity to complete the process.

B. Any prequalification of prospective contractors for construction by a public body shall be pursuant to a prequalification process for construction projects adopted by the public body. The process shall be consistent with the provisions of this section.

The application form used in such process shall set forth the criteria upon which the qualifications of prospective contractors will be evaluated. The application form shall request of prospective contractors only such information as is appropriate for an objective evaluation of all prospective contractors pursuant to such criteria. The form shall allow the prospective contractor seeking prequalification to request, by checking the appropriate box, that all information voluntarily submitted by the contractor pursuant to this subsection shall be considered a trade secret or proprietary information subject to the provisions of subsection D of § [2.2-4342](#).

In all instances in which the public body requires prequalification of potential contractors for construction projects, advance notice shall be given of the deadline for the submission of prequalification applications. The deadline for submission shall be sufficiently in advance of the date set for the submission of bids for such construction so as to allow the procedures set forth in this subsection to be accomplished.

At least 30 days prior to the date established for submission of bids or proposals under the procurement of the contract for which the prequalification applies, the public body shall advise in writing each contractor who submitted an application whether that contractor has been prequalified. In the event that a contractor is denied prequalification, the written notification to the contractor shall state the reasons for the denial of prequalification and the factual basis of such reasons.

A decision by a public body denying prequalification under the provisions of this subsection shall be final and conclusive unless the contractor appeals the decision as provided in § [2.2-4357](#).

C. A public body may deny prequalification to any contractor only if the public body finds one of the following:

1. The contractor does not have sufficient financial ability to perform the contract that would result from such procurement. If a bond is required to ensure performance of a contract, evidence that the contractor can acquire a surety bond from a corporation included on the United States Treasury list of acceptable surety corporations in the amount and type required by the public body shall be sufficient to establish the financial ability of the contractor to perform the contract resulting from such procurement;

2. The contractor does not have appropriate experience to perform the construction project in question;

3. The contractor or any officer, director or owner thereof has had judgments entered against him within the past ten years for the breach of contracts for governmental or nongovernmental construction, including, but not limited to, design-build or construction management;
 4. The contractor has been in substantial noncompliance with the terms and conditions of prior construction contracts with a public body without good cause. If the public body has not contracted with a contractor in any prior construction contracts, the public body may deny prequalification if the contractor has been in substantial noncompliance with the terms and conditions of comparable construction contracts with another public body without good cause. A public body may not utilize this provision to deny prequalification unless the facts underlying such substantial noncompliance were documented in writing in the prior construction project file and such information relating thereto given to the contractor at that time, with the opportunity to respond;
 5. The contractor or any officer, director, owner, project manager, procurement manager or chief financial official thereof has been convicted within the past ten years of a crime related to governmental or nongovernmental construction or contracting, including, but not limited to, a violation of (i) Article 6 ([§ 2.2-4367](#) et seq.) of this chapter, (ii) the Virginia Governmental Frauds Act ([§ 18.2-498.1](#) et seq.), (iii) Chapter 4.2 ([§ 59.1-68.6](#) et seq.) of Title 59.1, or (iv) any substantially similar law of the United States or another state;
 6. The contractor or any officer, director or owner thereof is currently debarred pursuant to an established debarment procedure from bidding or contracting by any public body, agency of another state or agency of the federal government; and

- D. If a public body has a prequalification ordinance that provides for minority participation in municipal construction contracts, that public body may also deny prequalification based on minority participation criteria. However, nothing herein shall authorize the adoption or enforcement of minority participation criteria except to the extent that such criteria, and the adoption and enforcement thereof, are in accordance with the Constitution and laws of the United States and the Commonwealth.
- E. A state public body shall deny prequalification to any contractor who fails to register and participate in the E-Verify program as required by [§ 2.2-4308.2](#).

C. The determination of whether a source is a prohibited source shall be made by the Department of Taxation after providing the prohibited source with notice and an opportunity to respond to the proposed determination. The Department of Taxation shall notify the Department of General Services of its determination.

D. The Department of General Services shall post public notice of all prohibited sources on its public internet procurement website and on other appropriate websites.

E. The remedies provided in Article 5 ([§ 2.2-4357](#) et seq.) of this chapter shall not apply to any determination made pursuant to this section and the sole remedy for any adverse determination shall be as provided in subsection F.

F. Any source aggrieved by a determination of the Department of Taxation made under this section may apply to the Tax Commissioner for correction of the determination. The Tax Commissioner shall respond within 30 days of receipt of the application for corrective action. "Public works" means the operation, erection, construction, alteration, improvement, maintenance, or repair of any public facility or immovable property owned, used, or leased by a state agency or locality, including transportation infrastructure projects.

B. Notwithstanding any other provision of this chapter, each state agency, when procuring services or letting contracts for public works paid for in whole or in part by state funds, or when overseeing or administering such contracts for public works, shall ensure that its bid specifications or other public contracts applicable to the public works require bidders, offerors, contractors, and subcontractors to pay wages, salaries, benefits, and other remuneration to any mechanic, laborer, or worker employed,

retained, or otherwise hired to perform services in connection with the public contract for public works at the prevailing wage rate. Each public contract for public works by a state agency shall contain a provision requiring that the remuneration to any individual performing the work of any mechanic, laborer, or worker on the work contracted to be done under the public contract shall be at a rate equal to the prevailing wage rate.

C. Notwithstanding any other provision of this chapter, any locality may adopt an ordinance requiring that, when letting contracts for public works paid for in whole or in part by funds of the locality, or when overseeing or administering a public contract, its bid specifications, project agreements, or other public contracts applicable to the public works shall require bidders, offerors, contractors, and subcontractors to pay wages, salaries, benefits, and other remuneration to any mechanic, laborer, or worker employed, retained, or otherwise hired to perform services in connection with the public contract at the prevailing wage rate. Each public contract of a locality that has adopted an ordinance described in this section shall contain a provision requiring that the remuneration to any individual performing the work of any mechanic, laborer, or worker on the work contracted to be done under the public contract shall be at a rate equal to the prevailing wage rate.

D. Any contractor or subcontractor who employs any mechanic, laborer, or worker to perform work contracted to be done under the public contract for public works for or on behalf of a state agency or for or on behalf of a locality that has adopted an ordinance described in subsection C or at a rate that is less than the prevailing wage rate (i) shall be liable to such individuals for the payment of all wages due, plus interest at an annual rate of eight percent accruing from the date the wages were due; and (ii) shall be disqualified from bidding on public contracts with any public body until the contractor or subcontractor has made full restitution of the amount described in clause (i) owed to such individuals. A contractor or subcontractor who willfully violates this section is guilty of a Class 1 misdemeanor.

E. Any interested party, which shall include a bidder, offeror, contractor, or subcontractor, shall have standing to challenge any bid specification, project agreement, or other public contract for public works that violates the provisions of this section. Such interested party shall be entitled to injunctive relief to prevent any violation of this section. Any interested party bringing a successful action under this section shall be entitled to recover reasonable attorney fees and costs from the responsible party.

F. A representative of a state agency or a representative of a locality that has adopted an ordinance described in subsection C may contact the Commissioner of Labor and Industry, at least 10 but not more than 20 days prior to the date bids for such a public contract for public works will be advertised or solicited, to ascertain the proper prevailing wage rate for work to be performed under the public contract.

G. Upon the award of any public contract subject to the provisions of this section, the contractor to whom such contract is awarded shall certify, under oath, to the Commissioner of Labor and Industry the pay scale for each craft or trade employed on the project to be used by such contractor and any of the contractor's subcontractors for work to be performed under such public contract. This certification

shall, for each craft or trade employed on the project, specify the total hourly amount to be paid to employees, including wages and applicable fringe benefits, provide an itemization of the amount paid in wages and each applicable benefit, and list the names and addresses of any third party fund, plan or program to which benefit payments will be made on behalf of employees.

H. Each employer subject to the provisions of this section shall keep, maintain, and preserve (i) records relating to the wages paid to and hours worked by each individual performing the work of any mechanic, laborer, or worker and (ii) a schedule of the occupation or work classification at which each individual performing the work of any mechanic, laborer, or worker on the public works project is employed during each work day and week. The employer shall preserve these records for a minimum of six years and make such records available to the Department of Labor and Industry within 10 days of a request and shall certify that records reflect the actual hours worked and the amount paid to its workers for whatever time period they request.

I. Contractors and subcontractors performing public works for a state agency or for a locality that has adopted an ordinance described in subsection C shall post the general prevailing wage rate for each craft and classification involved, as determined by the Commissioner of Labor and Industry, including the effective date of any changes thereof, in prominent and easily accessible places at the site of the work or at any such places as are used by the contractor or subcontractors to pay workers their wages. Within 10 days of such posting, a contractor or subcontractor shall certify to the Commissioner of Labor and Industry its compliance with this subsection.

J. The provisions of this section shall not apply to any public contract for public works of \$250,000 or less.

A. In the case of a tie bid, preference shall be given to goods produced in Virginia, goods or services or construction provided by Virginia persons, firms or corporations; otherwise the tie shall be decided by lot.

B. Whenever the lowest responsive and responsible bidder is a resident of any other state and such state under its laws allows a resident contractor of that state a percentage preference, a like preference shall be allowed to the lowest responsive and responsible bidder who is a resident of Virginia and is the next lowest bidder. If the lowest responsive and responsible bidder is a resident of any other state and such state under its laws allows a resident contractor of that state a price-matching preference, a like preference shall be allowed to responsive and responsible bidders who are residents of Virginia. If the lowest bidder is a resident contractor of a state with an absolute preference, the bid shall not be considered. The Department of General Services shall post and maintain an updated list on its website of all states with an absolute preference for their resident contractors and those states that allow their resident contractors a percentage preference, including the respective percentage

amounts. For purposes of compliance with this section, all public bodies may rely upon the accuracy of the information posted on this website.

C. Notwithstanding the provisions of subsections A and B, in the case of a tie bid in instances where goods are being offered, and existing price preferences have already been taken into account, preference shall be given to the bidder whose goods contain the greatest amount of recycled content.

D. For the purposes of this section, a Virginia person, firm or corporation shall be deemed to be a resident of Virginia if such person, firm or corporation has been organized pursuant to Virginia law or maintains a principal place of business within Virginia.

Notwithstanding any other provision of law, any county, town, or city that is authorized to and has established affordable housing programs may provide by resolution that in determining the award of any contract for time deposits or investment of its funds, the treasurer or director of finance of such county, town, or city may consider, in addition to the typical criteria, the investment activities of qualifying institutions that enhance the supply of, or accessibility to, affordable housing within the jurisdiction, including the accessibility of such housing to employees of the county, town, or city or employees of the local school board. No more than 50 percent of the funds of the county, town, or city, calculated on the basis of the average daily balance of the general fund during the previous fiscal year, may be deposited or invested by considering such investment activities as a factor in the award

of a contract. A qualifying institution shall meet the provisions of the Virginia Security for Public Deposits Act ([§ 2.2-4400](#) et seq.) and all local terms and conditions for security, liquidity and rate of return.

For the purposes of this section, affordable housing means the same as that term is defined in [§ 15.2-2201](#).

C. When in the course of procuring goods, if a local public body receives two or more bids for products that are Energy Star certified, meet FEMP-designated efficiency requirements, appear on FEMP's Low Standby Power Product List, or are WaterSense certified, such local public body may only select among those bids unless, before selecting a different bid, the local public body provides a written statement that demonstrates the cost of the products that are Energy Star certified, meet FEMP-designated efficiency requirements, appear on FEMP's Low Standby Power Product List, or are WaterSense certified was unreasonable.

2. A separate account shall be established for operational energy for each public body using a forward pricing mechanism.

D. Before exercising the authority under this section, the public body shall develop written policies and procedures governing the use of forward pricing mechanisms and disclosure of the same to the public.

E. Before exercising authority under subsection B, the public body shall establish an oversight process that provides for review of the public body's use of forward pricing mechanisms. The oversight process shall include internal or external audit reviews; annual reports to, and review by, an internal investment committee; and internal management control.

§ 2.2-4330. Withdrawal of bid due to error.

A. A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake in the bid, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.

If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, that was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor or material made directly in the compilation of a bid that shall be clearly shown by objective evidence drawn from inspection of original work papers, documents and materials used in the preparation of the bid sought to be withdrawn.

B. One of the following procedures for withdrawal of a bid shall be selected by the public body and stated in the advertisement for bids:

1. The bidder shall give notice in writing of his claim of right to withdraw his bid within two business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice; or
2. Where the public body opens the bids one day following the time fixed for the submission of bids, the bidder shall submit to the public body or designated official his original work papers, documents and materials used in the preparation of the bid at or prior to the time fixed for the opening of bids. The work papers shall be delivered by the bidder in person or by registered mail. The bidder shall have two hours after the opening of bids within which to claim in writing any mistake as defined herein and withdraw his bid. The contract shall not be awarded by the public body until the two-hour period has elapsed.

Under these procedures, the mistake shall be proved only from the original work papers, documents and materials delivered as required herein. The work papers, documents and materials submitted by the bidder shall, at the bidder's request, be considered trade secrets or proprietary information subject to the conditions of subsection F of § [2.2-4342](#).

C. A public body may establish procedures for the withdrawal of bids for other than construction contracts.

D. No bid shall be withdrawn under this section when the result would be the awarding of the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than five percent.

E. If a bid is withdrawn in accordance with this section, the lowest remaining bid shall be deemed to be the low bid.

F. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.

G. The public body shall notify the bidder in writing within five business days of its decision regarding the bidder's request to withdraw its bid. If the public body denies the withdrawal of a bid under the provisions of this section, it shall state in such notice the reasons for its decision and award the contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder. At the same time that the notice is provided, the public body shall return all work papers and copies thereof that have been submitted by the bidder.

A. Except as prohibited in this section, public contracts may be awarded on a fixed price or cost reimbursement basis, or on any other basis that is not prohibited.

B. Except in case of emergency affecting the public health, safety, or welfare, no public contract shall be awarded on the basis of cost plus a percentage of cost.

C. The following contract pricing arrangements shall not be prohibited by this section:

1. A policy or contract of insurance or prepaid coverage having a premium computed on the basis of claims paid or incurred, plus the insurance carrier's administrative costs and retention stated in whole or part as a percentage of such claims; or
2. A cost plus a percentage of the private investment made by a private entity as a basis for the procurement of commercial or financial consulting services related to a qualifying transportation facility under the Public-Private Transportation Act of 1995 ([§ 33.2-1800](#) et seq.) or a qualifying project under the Public-Private Education Facilities and Infrastructure Act of 2002 ([§ 56-575.1](#) et seq.) where the commercial or financial consulting services are sought to solicit or to solicit and evaluate proposals for the qualifying transportation facility or the qualifying project. As used in this section, "private entity" and "qualifying transportation facility" mean the same as those terms are defined in [§ 33.2-1800](#) and "qualifying project" means the same as that term is defined in [§ 56-575.1](#).

B. The Department of General Services shall provide the form to such departments, agencies, institutions, and political subdivisions. Failure of a department, agency, institution or political subdivision to provide the form prior to the award of contract shall waive the requirements of clause (ii) of subsection A.

C. No subcontractor shall perform any work on a construction project of a department, agency or institution of the Commonwealth unless he has obtained, and continues to maintain for the duration of such work, workers' compensation coverage required pursuant to the provisions of Chapter 8 ([§ 65.2-800](#) et seq.) of Title 65.2.

A. In any public contract for construction that provides for progress payments in installments based upon an estimated percentage of completion, the contractor shall be paid at least ninety-five percent of the earned sum when payment is due, with no more than five percent being retained to ensure faithful performance of the contract. All amounts withheld may be included in the final payment.

A. Any county, city, town or agency thereof or other political subdivision of the Commonwealth when contracting directly with contractors for public contracts of \$200,000 or more for construction of highways, roads, streets, bridges, parking lots, demolition, clearing, grading, excavating, paving, pile driving, miscellaneous drainage structures, and the installation of water, gas, sewer lines and pumping stations where portions of the contract price are to be retained, shall include in the Bid Proposal an option for the contractor to use an escrow account procedure for utilization of the political subdivision's retainage funds by so indicating in the space provided in the proposal documents. In the event the contractor elects to use the escrow account procedure, the escrow agreement form included in the Bid Proposal and Contract shall be executed and submitted to the political subdivision within fifteen calendar days after notification. If the escrow agreement form is not submitted within the fifteen-day period, the contractor shall forfeit his rights to the use of the escrow account procedure.

B. In order to have retained funds paid to an escrow agent, the contractor, the escrow agent, and the surety shall execute an escrow agreement form. The contractor's escrow agent shall be a trust company, bank or savings institution with its principal office located in the Commonwealth. The escrow agreement and all regulations adopted by the political subdivision entering into the contract shall be substantially the same as that used by the Virginia Department of Transportation.

A. Any provision contained in any public construction contract that purports to waive, release, or extinguish the rights of a contractor to recover costs or damages for unreasonable delay in performing such contract, either on his behalf or on behalf of his subcontractor if and to the extent the delay is caused by acts or omissions of the public body, its agents or employees and due to causes within their control shall be void and unenforceable as against public policy.

B. Subsection A shall not be construed to render void any provision of a public construction contract that:

1. Allows a public body to recover that portion of delay costs caused by the acts or omissions of the contractor, or its subcontractors, agents or employees;
2. Requires notice of any delay by the party claiming the delay;
3. Provides for liquidated damages for delay; or
4. Provides for arbitration or any other procedure designed to settle contract disputes.

C. A contractor making a claim against a public body for costs or damages due to the alleged delaying of the contractor in the performance of its work under any public construction contract shall be liable to the public body and shall pay it for a percentage of all costs incurred by the public body in investigating, analyzing, negotiating, litigating and arbitrating the claim, which percentage shall be equal to the percentage of the contractor's total delay claim that is determined through litigation or arbitration to be false or to have no basis in law or in fact.

D. A public body denying a contractor's claim for costs or damages due to the alleged delaying of the contractor in the performance of work under any public construction contract shall be liable to and shall pay such contractor a percentage of all costs incurred by the contractor to investigate, analyze, negotiate, litigate and arbitrate the claim. The percentage paid by the public body shall be equal to the percentage of the contractor's total delay claim for which the public body's denial is determined through litigation or arbitration to have been made in bad faith.

The amount of the bid bond shall not exceed five percent of the amount bid.

B. For nontransportation-related construction contracts in excess of \$100,000 but less than \$500,000, where the bid bond requirements are waived, prospective contractors shall be prequalified for each individual project in accordance with [§ 2.2-4317](#).

C. No forfeiture under a bid bond shall exceed the lesser of (i) the difference between the bid for which the bond was written and the next low bid, or (ii) the face amount of the bid bond.

1. A performance bond in the sum of the contract amount conditioned upon the faithful performance of the contract in strict conformity with the plans, specifications and conditions of the contract. For transportation-related projects authorized under Article 2 ([§ 33.2-208](#) et seq.) of Chapter 2 of Title 33.2, such bond shall be in a form and amount satisfactory to the public body.

2. A payment bond in the sum of the contract amount. The bond shall be for the protection of claimants who have and fulfill contracts to supply labor or materials to the prime contractor to whom the contract was awarded, or to any subcontractors, in furtherance of the work provided for in the contract, and shall be conditioned upon the prompt payment for all materials furnished or labor supplied or performed in the furtherance of the work. For transportation-related projects authorized under Article 2 ([§ 33.2-208](#) et seq.) of Chapter 2 of Title 33.2 and partially or wholly funded by the Commonwealth, such bond shall be in a form and amount satisfactory to the public body.

D. If the public body is the Commonwealth, or any agency or institution thereof, the bonds shall be payable to the Commonwealth of Virginia, naming also the agency or institution thereof. Bonds required for the contracts of other public bodies shall be payable to such public body.

E. Each of the bonds shall be filed with the public body that awarded the contract, or a designated office or official thereof.

F. Nothing in this section shall preclude a public body from requiring payment or performance bonds for construction contracts below \$500,000 for nontransportation-related projects or \$350,000 for transportation-related projects authorized under Article 2 (§ [33.2-208](#) et seq.) of Chapter 2 of Title 33.2 and partially or wholly funded by the Commonwealth.

G. Nothing in this section shall preclude the contractor from requiring each subcontractor to furnish a payment bond with surety thereon in the sum of the full amount of the contract with such subcontractor conditioned upon the payment to all persons who have and fulfill contracts that are directly with the subcontractor for performing labor and furnishing materials in the prosecution of the work provided for in the subcontract.

H. The performance and payment bond requirements of subsection A for transportation-related projects that are valued in excess of \$250,000 but less than \$350,000 may only be waived by a public body if the bidder provides evidence, satisfactory to the public body, that a surety company has declined an application from the contractor for a performance or payment bond.

Approval shall be granted only upon a determination that the alternative form of security proffered affords protection to the public body equivalent to a corporate surety's bond.

C. The provisions of this section shall not apply to the Department of Transportation.

1982, c. 647, § 11-61; 1989, c. 260; 1991, c. 574; 1992, c. 765; 1996, cc. [77](#), [827](#); 2001, c. [844](#); 2013, c. [141](#).

furnished the last of the materials for which he claims payment, may bring an action on the payment bond to recover any amount due him for the labor or material. The obligee named in the bond need not be named a party to the action.

B. Any claimant who has a direct contractual relationship with any subcontractor but who has no contractual relationship, express or implied, with the contractor, may bring an action on the contractor's payment bond only if he has given written notice to the contractor within 90 days from the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, stating with substantial accuracy the amount claimed and the name of the person for whom the work was performed or to whom the material was furnished. Notice to the contractor shall be served by registered or certified mail, postage prepaid, in an envelope addressed to such contractor at any place where his office is regularly maintained for the transaction of business. Claims for sums withheld as retainages with respect to labor performed or materials furnished, shall not be subject to the time limitations stated in this subsection.

C. Any action on a payment bond shall be brought within one year after the day on which the person bringing such action last performed labor or last furnished or supplied materials.

B. Cost estimates relating to a proposed procurement transaction prepared by or for a public body shall not be open to public inspection.

C. Otherwise, bid records shall be open to public inspection only after award of the contract.

D. Any competitive negotiation offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed but prior to award, except in the event that the public body decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to public inspection only after award of the contract.

E. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.

This exemption shall be applicable only so long as such policies and procedures meeting the requirements remain in effect.
2. The Virginia Retirement System for selection of services related to the management, purchase or sale of authorized investments, actuarial services, and disability determination services. Selection of these services shall be governed by the standard set forth in § [51.1-124.30](#).

However, such selection shall be governed by the standard set forth in § [23.1-706](#).

7. Public institutions of higher education for the purchase of items for resale at retail bookstores and similar retail outlets operated by such institutions. However, such purchase procedures shall provide for competition where practicable.

This exemption shall be applicable only so long as such policies and procedures, or other policies and procedures meeting the requirements of § [2.2-4300](#), remain in effect in such county, city or town. Such policies and standards may provide for incentive contracting that offers a contractor whose bid is accepted the opportunity to share in any cost savings realized by the locality when project costs are reduced by such contractor, without affecting project quality, during construction of the project. The fee, if any, charged by the project engineer or architect for determining such cost savings shall be paid as a separate cost and shall not be calculated as part of any cost savings.

14. Procurement of any construction or planning and design services for construction by a Virginia nonprofit corporation or organization not otherwise specifically exempted when (i) the planning, design or construction is funded by state appropriations of \$10,000 or less or (ii) the Virginia nonprofit corporation or organization is obligated to conform to procurement procedures that are established by federal statutes or regulations, whether those federal procedures are in conformance with the provisions of this chapter.

15. Purchases, exchanges, gifts or sales by the Citizens' Advisory Council on Furnishing and Interpreting the Executive Mansion.

16. The Eastern Virginia Medical School in the selection of services related to the management and investment of its endowment and other institutional funds. Such procedures shall require documentation of the basis for awarding contracts. Notwithstanding the provisions of § [2.2-1117](#), no public body shall be required to purchase such components, materials, supplies, services, or commodities.

24. The purchase of personal protective equipment for private, nongovernmental entities by the Governor pursuant to subdivision (11) of § [44-146.17](#) during a disaster caused by a communicable disease of public health threat for which a state of emergency has been declared. B. Where a procurement transaction involves the expenditure of federal assistance or contract funds, the receipt of which is conditioned upon compliance with mandatory requirements in federal laws or regulations not in conformance with the provisions of this chapter, a public body may comply with such federal requirements, notwithstanding the provisions of this chapter, only upon the written determination of the Governor, in the case of state agencies, or the governing body, in the case of political subdivisions, that acceptance of the grant or contract funds under the applicable conditions is in the public interest. § 2.2-4343.1. Permitted contracts with certain religious organizations; purpose; limitations.

A. It is the intent of the General Assembly, in accordance with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, to authorize public bodies to enter into contracts with faith-based organizations for the purposes described in this section on the same basis as any other nongovernmental source without impairing the religious character of such organization, and without diminishing the religious freedom of the beneficiaries of assistance provided under this section.

B. For the purposes of this section, "faith-based organization" means a religious organization that is or applies to be a contractor to provide goods or services for programs funded by the block grant provided pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193.

C. Public bodies, in procuring goods or services, or in making disbursements pursuant to this section, shall not (i) discriminate against a faith-based organization on the basis of the organization's religious character or (ii) impose conditions that (a) restrict the religious character of the faith-based organization, except as provided in subsection F, or (b) impair, diminish, or discourage the exercise of religious freedom by the recipients of such goods, services, or disbursements.

D. Public bodies shall ensure that all invitations to bid, requests for proposals, contracts, and purchase orders prominently display a nondiscrimination statement indicating that the public body does not discriminate against faith-based organizations.

E. A faith-based organization contracting with a public body (i) shall not discriminate against any recipient of goods, services, or disbursements made pursuant to a contract authorized by this section on the basis of the recipient's religion, religious belief, or refusal to participate in a religious practice or on the basis of race, age, color, gender, sexual orientation, gender identity, or national origin and (ii) shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the public body. Nothing in clause (ii) shall be construed to supersede or otherwise override any other applicable state law.

F. Consistent with the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, funds provided for expenditure pursuant to contracts with public bodies shall not be spent for religious worship, instruction, or proselytizing; however, this prohibition shall not apply to expenditures pursuant to contracts, if any, for the services of chaplains.

G. Nothing in this section shall be construed as barring or prohibiting a faith-based organization from any opportunity to make a bid or proposal or contract on the grounds that the faith-based organization has exercised the right, as expressed in 42 U.S.C. (§ 2000 e-1 et seq.), to employ persons of a particular religion.

H. If an individual, who applies for or receives goods, services, or disbursements provided pursuant to a contract between a public body and a faith-based organization, objects to the religious character of

the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the public body shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

The public body shall provide to each individual who applies for or receives goods, services, or disbursements provided pursuant to a contract between a public body and a faith-based organization a notice in bold face type that states: "Neither the public body's selection of a charitable or faith-based provider of services nor the expenditure of funds under this contract is an endorsement of the provider's charitable or religious character, practices, or expression. No provider of services may discriminate against you on the basis of religion, a religious belief, or your refusal to actively participate in a religious practice. If you object to a particular provider because of its religious character, you may request assignment to a different provider. If you believe that your rights have been violated, please discuss the complaint with your provider or notify the appropriate person as indicated in this form."

A. Every state agency that acquires goods or services, or conducts any other type of contractual business with nongovernmental, privately owned enterprises shall promptly pay for the completely delivered goods or services by the required payment date.

Payment shall be deemed to have been made when offset proceedings have been instituted, as authorized under the Virginia Debt Collection Act (§ [2.2-4800](#) et seq.).

Within twenty days after the receipt of the invoice or goods or services, the agency shall notify the supplier of any defect or impropriety that would prevent payment by the payment date.

Unless otherwise provided under the terms of the contract for the provision of goods or services, every agency that fails to pay by the payment date shall pay any finance charges assessed by the supplier that shall not exceed one percent per month.

The provisions of this section shall not apply to the late payment provisions in any public utility tariffs or public utility negotiated contracts.

b. Notify the agency and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.

2. A payment clause that requires (i) individual contractors to provide their social security numbers and (ii) proprietorships, partnerships, and corporations to provide their federal employer identification numbers.

3. An interest clause that obligates the contractor to pay interest to the subcontractor on all amounts owed by the contractor that remain unpaid after seven days following receipt by the contractor of payment from the state agency or agency of local government for work performed by the subcontractor under that contract, except for amounts withheld as allowed in subdivision 1.

4. An interest rate clause stating, "Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of one percent per month."

Any such contract awarded shall further require the contractor to include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

A contractor's obligation to pay an interest charge to a subcontractor pursuant to the payment clause in this section shall not be construed to be an obligation of the state agency or agency of local government. However, nothing in this section shall affect any contract providing for a different rate of interest, or for the payment of interest in a different manner.
- B. The rate of interest charged a state agency pursuant to subsection A shall be the base rate on corporate loans (prime rate) at large United States money center commercial banks as reported daily in the publication entitled The Wall Street Journal. Whenever a split prime rate is published, the lower of the two rates shall be used. However, in no event shall the rate of interest charged exceed the rate of interest established pursuant to § [58.1-1812](#).
- C. Notwithstanding subsection A, no interest penalty shall be charged when payment is delayed because of disagreement between a state agency and a vendor regarding the quantity, quality or time of delivery of goods or services or the accuracy of any invoice received for the goods or services. The exception from the interest penalty provided by this subsection shall apply only to that portion of a delayed payment that is actually the subject of the disagreement and shall apply only for the duration of the disagreement.
- D. This section shall not apply to § [2.2-4333](#) pertaining to retainage on construction contracts, during the period of time prior to the date the final payment is due. Nothing contained herein shall prevent a contractor from receiving interest on such funds under an approved escrow agreement.
- E. Notwithstanding subsection A, no interest penalty shall be paid to any debtor on any payment, or portion thereof, withheld pursuant to the Comptroller's Debt Setoff Program, as authorized by the Virginia Debt Collection Act (§ [2.2-4800](#) et seq.), commencing with the date the payment is withheld. If, as a result of an error, a payment or portion thereof is withheld, and it is determined that at the time of setoff no debt was owed to the Commonwealth, then interest shall accrue at the rate determined pursuant to subsection B on amounts withheld that remain unpaid after seven days following the payment date.

Article 5 - REMEDIES

§ 2.2-4357. Ineligibility.

A. Any bidder, offeror or contractor refused permission to participate, or disqualified from participation, in public contracts shall be notified in writing. Prior to the issuance of a written determination of disqualification or ineligibility, the public body shall (i) notify the bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.

Within ten business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The public body shall issue its written determination of disqualification or ineligibility based on all information in the possession of the public body, including any rebuttal information, within five business days of the date the public body received such rebuttal information.

If the evaluation reveals that the bidder, offeror or contractor should be allowed permission to participate in the public contract, the public body shall cancel the proposed disqualification action. If the evaluation reveals that the bidder should be refused permission to participate, or disqualified from participation, in the public contract, the public body shall so notify the bidder, offeror or contractor. The notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within ten days after receipt of the notice by invoking administrative procedures meeting the standards of § [2.2-4365](#), if available, or in the alternative by instituting legal action as provided in § [2.2-4364](#).

B. If, upon appeal, it is determined that the action taken was arbitrary or capricious, or not in accordance with the Constitution of Virginia, applicable state law or regulations, the sole relief shall be restoration of eligibility.

1982, c. 647, § 11-63; 1998, c. [753](#); 2001, c. [844](#).

§ 2.2-4358. Appeal of denial of withdrawal of bid.

A. A decision denying withdrawal of bid under the provisions of § [2.2-4330](#) shall be final and conclusive unless the bidder appeals the decision within ten days after receipt of the decision by invoking administrative procedures meeting the standards of § [2.2-4365](#), if available, or in the alternative by instituting legal action as provided in § [2.2-4364](#).

B. If no bid bond was posted, a bidder refused withdrawal of a bid under the provisions of § [2.2-4330](#), prior to appealing, shall deliver to the public body a certified check or cash bond in the amount of the difference between the bid sought to be withdrawn and the next low bid. Such security shall be released only upon a final determination that the bidder was entitled to withdraw the bid.

C. If, upon appeal, it is determined that the decision refusing withdrawal of the bid was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, the sole relief shall be withdrawal of the bid.

1982, c. 647, § 11-64; 1985, c. 164; 1999, c. [1008](#); 2001, c. [844](#).

§ 2.2-4359. Determination of nonresponsibility.

A. Following public opening and announcement of bids received on an Invitation to Bid, the public body shall evaluate the bids in accordance with element 4 of the process for competitive sealed bidding set forth in § [2.2-4302.1](#). At the same time, the public body shall determine whether the apparent low bidder is responsible. If the public body so determines, then it may proceed with an award in accordance with element 5 of the process for competitive sealed bidding set forth in § [2.2-4302.1](#). If the public body determines that the apparent low bidder is not responsible, it shall proceed as follows:

1. Prior to the issuance of a written determination of nonresponsibility, the public body shall (i) notify the apparent low bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the apparent low bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.

2. Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The public body shall issue its written determination of responsibility based on all information in the possession of the public body, including any rebuttal information, within five business days of the date the public body received the rebuttal information. At the same time, the public body shall notify, with return receipt requested, the bidder in writing of its determination.

3. Such notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § [2.2-4365](#), if available, or in the alternative by instituting legal action as provided in § [2.2-4364](#).

The provisions of this subsection shall not apply to procurements involving the prequalification of bidders and the rights of any potential bidders under such prequalification to appeal a decision that such bidders are not responsible.

B. If, upon appeal pursuant to § [2.2-4364](#) or [2.2-4365](#), it is determined that the decision of the public body was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of

the Invitation to Bid, and the award of the contract in question has not been made, the sole relief shall be a finding that the bidder is a responsible bidder for the contract in question or directed award as provided in subsection A of § [2.2-4364](#) or both.

If it is determined that the decision of the public body was not an honest exercise of discretion, but rather was arbitrary or capricious or not in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, and an award of the contract has been made, the relief shall be as set forth in subsection B of § [2.2-4360](#).

C. A bidder contesting a determination that he is not a responsible bidder for a particular contract shall proceed under this section, and may not protest the award or proposed award under the provisions of § [2.2-4360](#).

D. Nothing contained in this section shall be construed to require a public body, when procuring by competitive negotiation, to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous.

E. Any determination that a low bidder is not responsible that uses such factors listed in the Invitation to Bid as a basis for its decision shall be presumptively considered an honest exercise of discretion.

1982, c. 647, § 11-65; 1997, c. [864](#); 1998, c. [753](#); 1999, c. [1008](#); 2001, c. [844](#); 2013, c. [583](#); 2020, cc. [176](#), [1089](#).

§ 2.2-4360. Protest of award or decision to award.

A. Any bidder or offeror, who desires to protest the award or decision to award a contract shall submit the protest in writing to the public body, or an official designated by the public body, no later than ten days after the award or the announcement of the decision to award, whichever occurs first. Public notice of the award or the announcement of the decision to award shall be given by the public body in the manner prescribed in the terms or conditions of the Invitation to Bid or Request for Proposal. Any potential bidder or offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit the protest in the same manner no later than ten days after posting or publication of the notice of such contract as provided in § [2.2-4303](#). However, if the protest of any actual or potential bidder or offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction that are subject to inspection under § [2.2-4342](#), then the time within which the protest shall be submitted shall expire ten days after those records are available for inspection by such bidder or offeror under § [2.2-4342](#), or at such later time as provided in this section. No protest shall lie for a claim that the selected bidder or offeror is not a responsible bidder or offeror. The written protest shall include the basis for the protest and the relief sought. The public body or designated official shall issue a decision in writing within ten days stating the reasons for the action taken. This decision shall be final unless the bidder or offeror appeals within ten days of receipt of the written decision by invoking administrative procedures meeting the standards of § [2.2-4365](#), if available, or in the alternative by instituting legal action as provided

in § [2.2-4364](#). Nothing in this subsection shall be construed to permit a bidder to challenge the validity of the terms or conditions of the Invitation to Bid or Request for Proposal.

B. If prior to an award it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The public body shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided.

Where the award has been made but performance has not begun, the performance of the contract may be enjoined. Where the award has been made and performance has begun, the public body may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.

C. Where a public body, an official designated by that public body, or an appeals board determines, after a hearing held following reasonable notice to all bidders, that there is probable cause to believe that a decision to award was based on fraud or corruption or on an act in violation of Article 6 (§ [2.2-4367](#) et seq.) of this chapter, the public body, designated official or appeals board may enjoin the award of the contract to a particular bidder.

1982, c. 647, § 11-66; 1985, c. 164; 1997, c. [864](#); 2000, c. [641](#); 2001, c. [844](#).

§ 2.2-4361. Effect of appeal upon contract.

Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with this chapter shall not be affected by the fact that a protest or appeal has been filed.

1982, c. 647, § 11-67; 2001, c. [844](#).

§ 2.2-4362. Stay of award during protest.

An award need not be delayed for the period allowed a bidder or offeror to protest, but in the event of a timely protest as provided in § [2.2-4360](#), or the filing of a timely legal action as provided in § [2.2-4364](#), no further action to award the contract shall be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the bid or offer would expire.

1982, c. 647, § 11-68; 1997, c. [864](#); 2001, c. [844](#).

§ 2.2-4363. Contractual disputes.

A. Contractual claims, whether for money or other relief, shall be submitted in writing no later than 60 days after final payment. However, written notice of the contractor's intention to file a claim shall be given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.

B. Each public body shall include in its contracts a procedure for consideration of contractual claims. Such procedure, which may be contained in the contract or may be specifically incorporated into the contract by reference and made available to the contractor, shall establish a time limit for a final decision in writing by the public body. If the public body has established administrative procedures meeting the standards of § [2.2-4365](#), such procedures shall be contained in the contract or specifically incorporated in the contract by reference and made available to the contractor.

C. If, however, the public body fails to include in its contracts a procedure for consideration of contractual claims, the following procedure shall apply:

1. Contractual claims, whether for money or other relief, shall be submitted in writing no later than 60 days after receipt of final payment; however, written notice of the contractor's intention to file a claim shall be given at the time of the occurrence or at the beginning of the work upon which the claim is based.

2. No written decision denying a claim or addressing issues related to the claim shall be considered a denial of the claim unless the written decision is signed by the public body's chief administrative officer or his designee. The contractor may not institute legal action prior to receipt of the final written decision on the claim unless the public body fails to render a decision within 90 days of submission of the claim. Failure of the public body to render a decision within 90 days shall not result in the contractor being awarded the relief claimed or in any other relief or penalty. The sole remedy for the public body's failure to render a decision within 90 days shall be the contractor's right to institute immediate legal action.

D. A contractor may not invoke administrative procedures meeting the standards of § [2.2-4365](#), if available, or institute legal action as provided in § [2.2-4364](#), prior to receipt of the public body's decision on the claim, unless the public body fails to render such decision within the time specified in the contract or, if no time is specified, then within the time provided by subsection C. A failure of the public body to render a final decision within the time provided in subsection C shall be deemed a final decision denying the claim by the public body.

E. The decision of the public body shall be final and conclusive unless the contractor appeals within six months of the date of the final decision on the claim by the public body by invoking administrative procedures meeting the standards of § [2.2-4365](#), if available, or in the alternative by instituting legal action as provided in § [2.2-4364](#).

1982, c. 647, § 11-69; 2001, cc. [106](#), [844](#); 2005, c. [815](#).

§ 2.2-4364. Legal actions.

A. A bidder or offeror, actual or prospective, who is refused permission or disqualified from participation in bidding or competitive negotiation, or who is determined not to be a responsible bidder or offeror for a particular contract, may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the petitioner establishes that the decision was not (i) an honest exercise of discretion, but rather was arbitrary or capricious; (ii) in accordance with the Constitution

of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid; or (iii) in the case of denial of prequalification, based upon the criteria for denial of prequalification set forth in subsection B of § [2.2-4317](#). In the event the apparent low bidder, having been previously determined by the public body to be not responsible in accordance with § [2.2-4301](#), is found by the court to be a responsible bidder, the court may direct the public body to award the contract to such bidder in accordance with the requirements of this section and the Invitation to Bid.

B. A bidder denied withdrawal of a bid under § [2.2-4358](#) may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the bidder establishes that the decision of the public body was not (i) an honest exercise of discretion, but rather was arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid.

C. A bidder, offeror or contractor, or a potential bidder or offeror on a contract negotiated on a sole source or emergency basis in the manner provided in § [2.2-4303](#), whose protest of an award or decision to award under § [2.2-4360](#) is denied, may bring an action in the appropriate circuit court challenging a proposed award or the award of a contract, which shall be reversed only if the petitioner establishes that the proposed award or the award is not (i) an honest exercise of discretion, but rather is arbitrary or capricious or (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms and conditions of the Invitation to Bid or Request for Proposal.

D. If injunctive relief is granted, the court, upon request of the public body, shall require the posting of reasonable security to protect the public body.

E. A contractor may bring an action involving a contract dispute with a public body in the appropriate circuit court. Notwithstanding any other provision of law, the Comptroller shall not be named as a defendant in any action brought pursuant to this chapter or § [33.2-1103](#), except for disputes involving contracts of the Office of the Comptroller or the Department of Accounts.

F. A bidder, offeror or contractor need not utilize administrative procedures meeting the standards of § [2.2-4365](#), if available, but if those procedures are invoked by the bidder, offeror or contractor, the procedures shall be exhausted prior to instituting legal action concerning the same procurement transaction unless the public body agrees otherwise.

G. Nothing herein shall be construed to prevent a public body from instituting legal action against a contractor.

1982, c. 647, § 11-70; 1985, c. 164; 1994, c. [918](#); 1995, c. [527](#); 1997, c. [864](#); 1998, cc. [205](#), [753](#); 1999, c. [1008](#); 2001, c. [844](#).

§ 2.2-4365. Administrative appeals procedure.

A. A public body may establish an administrative procedure for hearing (i) protests of a decision to award or an award, (ii) appeals from refusals to allow withdrawal of bids, (iii) appeals from disqualifications and determinations of nonresponsibility, and (iv) appeals from decisions on disputes

arising during the performance of a contract, or (v) any of these. Such administrative procedure shall provide for a hearing before a disinterested person or panel, the opportunity to present pertinent information and the issuance of a written decision containing findings of fact. The disinterested person or panel shall not be an employee of the governmental entity against whom the claim has been filed. The findings of fact shall be final and conclusive and shall not be set aside unless the same are (a) fraudulent, arbitrary or capricious; (b) so grossly erroneous as to imply bad faith; or (c) in the case of denial of prequalification, the findings were not based upon the criteria for denial of prequalification set forth in subsection B of § [2.2-4317](#). No determination on an issue of law shall be final if appropriate legal action is instituted in a timely manner.

B. Any party to the administrative procedure, including the public body, shall be entitled to institute judicial review if such action is brought within thirty days of receipt of the written decision.

1982, c. 647, § 11-71; 1994, cc. [660](#), [918](#); 2001, c. [844](#).

§ 2.2-4366. Alternative dispute resolution.

Public bodies may enter into agreements to submit disputes arising from contracts entered into pursuant to this chapter to arbitration and utilize mediation and other alternative dispute resolution procedures. However, such procedures entered into by the Commonwealth, or any department, institution, division, commission, board or bureau thereof, shall be nonbinding and subject to § [2.2-514](#), as applicable. Alternative dispute resolution procedures entered into by school boards shall be nonbinding.

No person who, for compensation, prepares an invitation to bid or request for proposal for or on behalf of a public body shall (i) submit a bid or proposal for that procurement or any portion thereof or (ii) disclose to any bidder or offeror information concerning the procurement that is not available to the public. However, a public body may permit such person to submit a bid or proposal for that procurement or any portion thereof if the public body determines that the exclusion of the person would limit the number of potential qualified bidders or offerors in a manner contrary to the best interests of the public body.

A. This chapter may be cited as the "Virginia Security for Public Deposits Act."

The amount of such uninsured public deposits ascertained as provided in subdivision 1, plus any costs associated with liquidation, shall be assessed by the Treasury Board first against the defaulting depository to the extent of the full realizable market value of the collateral pledged to secure its public deposits.
3. In the event the realized value of the pledged collateral in subdivision 2 is insufficient to satisfy the liability of the defaulting depository to its public depositors and the Treasury Board, the Treasury Board shall assess the remaining liability against all other qualified public depositories securing public deposits according to the following ratio: total average public deposit balance for each qualified public depository held during the immediately preceding twelve months divided by the total average public deposit balance for the same period held by all qualified public depositories under this section other than the defaulting depository.
4. Assessments made by the Treasury Board in accordance with subdivision 3 shall be payable by the close of business on the second business day following demand. Upon the failure of any qualified public depository to pay such assessment when due, the State Treasurer shall promptly take possession of the eligible collateral deposited with the non-paying depository's escrow agent and

liquidate the same to the extent necessary to pay the original assessment plus any additional costs necessary to liquidate the collateral.

D. The Partnership shall assist the Secretary in developing objective guidelines that shall be used in awarding investment performance grants. No grant shall be awarded until the Secretary has provided copies of such guidelines for review to the Chairmen of the House Committee on Appropriations and the Senate Committee on Finance and Appropriations. The preparation of the guidelines shall be exempt from the requirements of Article 2 (§ [2.2-4006](#) et seq.) of the Administrative Process Act. The

For eligible projects awarded grants on or after July 1, 2009, the amount of an investment performance grant to any recipient under this section shall not exceed \$3 million, except for eligible projects that demonstrate extraordinary characteristics described in guidelines implementing this chapter the amount of an investment performance grant to any such recipient under this section shall not exceed \$5 million.

F. For all eligible projects awarded grants before July 1, 2005, the aggregate amount of investment performance grants approved under this section in any year shall not exceed \$6 million, and the aggregate amount of grants outstanding to all eligible manufacturers under this section for all years shall at no time exceed \$30 million. For all such grants awarded prior to that date, the annual obligations of the Commonwealth to make grant payments to individual eligible manufacturers under this section shall not exceed \$600,000. For all eligible projects awarded grants on or after July 1, 2005, and before July 1, 2009, the aggregate amount of investment performance grants approved under this section in any year shall not exceed \$3 million, and the aggregate amount of such grants awarded after that date and outstanding at any time shall not exceed \$15 million. For all eligible projects awarded grants on or after July 1, 2015, but before July 1, 2019, the aggregate amount of investment performance grants approved under this section in any year shall not exceed \$6 million, and the aggregate amount of such grants awarded on or after July 1, 2015, but before July 1, 2019, and outstanding at any time shall not exceed \$20 million. For all such grants awarded on or after July 1, 2015, but before July 1, 2019, the annual obligations of the Commonwealth to make grant payments to individual recipients under this section shall not exceed \$1 million. Any eligible manufacturer or research and development service located in a fiscally distressed area of the State, as defined in the guidelines implementing this chapter, shall be eligible to begin receiving grants in the second year after the capital investment is completed and verified.

§ 2.2-5102. Performance grant for major eligible manufacturers.

A. As used in this section, "major eligible employer" means any eligible manufacturer or other non-manufacturing basic employer that makes a capital investment of at least \$100 million that results in the creation of at least 1,000 new jobs. For corporate headquarters and other basic employers that make a capital investment of at least \$100 million and create at least 400 new jobs paying at least twice the prevailing average wage for the area, the 1,000 job requirement may be reduced in proportion to the factor by which the wages for the new jobs exceed the prevailing average wage for the area. All other provisions of this chapter shall apply equally to major eligible manufacturers and major eligible nonmanufacturing basic employers, in this chapter collectively referred to as "major eligible employers."

B. Subject to the appropriation by the General Assembly of sufficient moneys to the Major Eligible Employer Grant subfund, any major eligible employer shall be eligible for a grant under this section of up to \$25 million, to be payable from such subfund over a period of not less than five years and not more than seven years, commencing in the third year following the approval by the Secretary of the employer's grant application.

C. The Partnership shall establish an application process by which major eligible employers may apply for a grant under this section. An application for a grant under this section shall not be approved until the Partnership has verified that the capital investment has been completed.

D. The Comptroller shall not draw any warrants to issue checks for grants under this chapter without a specific legislative appropriation as specified in conditions and restrictions on expenditures in the appropriation act. The payment of any grant under this section shall be in accordance with the terms and conditions set forth in a memorandum of understanding between a major eligible employer and the Commonwealth. These terms and conditions shall supplement the provisions of this chapter and shall include but not be limited to the terms of the payment of the grant. The payment of the grant shall be made in full or in proportion to a major eligible employer's fulfillment of the terms of the memorandum of understanding. The Secretary shall consult with the House Committee on Appropriations and the Senate Committee on Finance and Appropriations prior to entering into any memorandum of understanding. The House Committee on Appropriations and the Senate Committee on Finance and Appropriations shall have the opportunity to review any memorandum of understanding prior to its execution by the Commonwealth.

§ 2.2-5102.1. Virginia Economic Development Incentive Grants.

A. Subject to the appropriation by the General Assembly of sufficient moneys to the Economic Development Incentive Grant subfund, any eligible company that meets the requirements of this section and is not awarded a grant under § [2.2-5101](#) or [2.2-5102](#) for the same project shall be eligible to apply for an economic development incentive grant as provided in this section.

B. The Partnership shall establish an application process by which eligible companies may apply for a grant under this section. An application for a grant under this section shall not be approved for payment until the Partnership has verified that the applicable requirements of the memorandum of agreement have been satisfied.

C. The amount of the economic development incentive grant that an eligible company may receive under this section shall be determined at the sole discretion of the Governor based on the recommendation of the Secretary. The determination of the appropriate amount for an economic development incentive grant shall be based on the application of guidelines that establish criteria for correlating the amount of a grant to the relative value to the Commonwealth of the new investment and employment.

D. The Partnership shall assist the Secretary in developing objective guidelines that shall be used in awarding economic development incentive grants. No grant shall be awarded until the Secretary has provided copies of such guidelines for review to the chairmen of the House Committee on Appropriations and the Senate Committee on Finance and Appropriations. The preparation of the guidelines shall be exempt from the requirements of Article 2 (§ [2.2-4006](#) et seq.) of the Administrative Process Act (§ [2.2-4000](#) et seq.). The guidelines shall require determinations regarding the amount of investment performance grants to address:

1. The number of new jobs created by the capital investment;
2. The wages paid for the new jobs and the amount by which wages exceed the average wage for the locality or region;
3. The amount of the capital investment;
4. The net present value of benefits to Virginia;
5. The amount of other incentives offered by the Commonwealth and the locality; and
6. The importance of the facility to the economy of the locality or region.

The guidelines shall also address the eligibility of companies that make a capital investment in phases over a period of years, and limits on eligibility for multiple grants by the same company within stated periods of time.

E. For eligible projects awarded grants prior to July 1, 2010, the aggregate amount of economic development incentive grants payable under this section in any fiscal year shall not exceed \$6 million, and the aggregate amount of such grants outstanding that were awarded prior to July 1, 2010, shall not exceed \$30 million. For eligible projects awarded grants on or after July 1, 2010, but before July 1, 2019, the aggregate amount of economic development incentive grants payable under this section in any fiscal year shall not exceed \$6 million and the aggregate amount of such grants outstanding on or after July 1, 2010, but before July 1, 2019, shall not exceed \$30 million. For eligible projects awarded grants on or after July 1, 2019, the aggregate amount of economic development incentive grants payable under this section in any fiscal year shall not exceed \$6 million and the aggregate amount of such grants outstanding on or after July 1, 2019, shall not exceed \$30 million.

F. Any eligible company shall be eligible to receive a grant from the Fund in no fewer than five installments beginning in the third year after the Partnership has verified that the requirements applicable to such grant have been satisfied. All such terms shall be negotiated and set forth in a memorandum of agreement.

G. The Comptroller shall not draw any warrants to issue checks for grants under this chapter without a specific legislative appropriation as specified in conditions and restrictions on expenditures in the appropriation act. The payment of any grant under this section shall be in accordance with the terms and conditions set forth in a memorandum of agreement between a major eligible employer and the Commonwealth. These terms and conditions shall supplement the provisions of this chapter and shall

include but not be limited to the terms of the payment of the grant. The payment of the grant shall be made in full or in proportion to a major eligible employer's fulfillment of the terms of the memorandum of agreement.

§ 2.2-5103. Requirements for grants generally.

A. Any eligible manufacturer, eligible company, or research and development service eligible to apply for a grant under this chapter shall provide evidence, satisfactory to the Secretary, of the amount of the capital investment, the number of new jobs created as a result of the capital investment and such other evidence that requirements of this chapter have been satisfied. An eligible manufacturer, eligible company, or research and development service whose application has been approved shall continue to comply with the requirements for grant eligibility during the grant payment period. The Partnership shall verify that the conditions for approval of any grant have been satisfied. The Partnership may require that as a condition of receiving any grant or loan incentive that is based on employment goals, a recipient manufacturer, company, or research and development service must submit copies of employer quarterly payroll reports provided to the Virginia Employment Commission to verify the employment status of any position included in the employment goal.

B. Prior to any grant payment, the Partnership shall certify to (i) the Comptroller and (ii) each applicant the amount of the grant to which such applicant is entitled. Subject to the appropriation by the General Assembly of sufficient moneys to the appropriate subfund, payment of such grant shall be made from the subfund by check issued by the State Treasurer on warrant of the Comptroller within 60 days of certification.

C. As a condition of receipt of a grant, a major eligible employer or eligible company shall make available to the Partnership for inspection upon request all relevant and applicable documents to determine whether the requirements for the receipt of grants as set forth in this chapter have been satisfied. All such documents appropriately identified by the major eligible employer or eligible company shall be considered confidential and proprietary.

D. § 2.2-5104. Virginia Investment Partnership Grant Fund.

A. There is established a special fund in the state treasury to be known as the Virginia Investment Partnership Grant Fund. The Fund shall consist of the Major Eligible Employer Grant subfund, the Economic Development Incentive Grant subfund, and the Investment Performance Grant subfund. Each subfund shall include such moneys as may be appropriated by the General Assembly and designated for the respective subfund, and a "sinking fund" including some proportion of the marginal revenues derived from eligible companies receiving grants under this Act. The Fund shall be used solely for the payment of investment incentive grants to eligible Virginia business entities pursuant to this chapter. The Partnership shall administer the Virginia Investment Partnership Grant Fund.

B. The Partnership shall allocate, from the appropriate subfund, moneys in the following order of priority: (i) first to unpaid grant amounts carried forward from prior years because eligible manufacturers did not receive the full amount of any grant to which they were eligible in a prior year and (ii) then to other approved applicants. If the moneys in the Fund are less than the amount of grants to which approved applicants in any class of priority are eligible, the moneys in the appropriate subfund shall be apportioned pro rata among eligible applicants in such class, based upon the amount of the grant to which an approved applicant is eligible and the amount of money in the subfund available for allocation to such class.

C. If a grant recipient is allocated less than the full amount of a grant to which it is eligible in any year, it shall not be eligible for the deficiency in that year, but the unpaid portion of the grant to which it was eligible shall be carried forward by the Partnership to the following year, during which it shall be in the first class of priority as provided in clause (i) of subsection B.

D. The Partnership shall determine the amount of the grants to be allocated to eligible applicants by June 30 of each year. The Partnership shall then certify to the Comptroller the amount of grant an eligible manufacturer shall receive. Payments shall be made by check issued by the State Treasurer on warrant of the Comptroller.

E. All excess funds remaining in any given year shall be carried forward on the books of the Fund for use in subsequent years.

F. Actions of the Partnership relating to the allocation and awarding of grants shall be exempt from the provisions of the Administrative Process Act (§ [2.2-4000](#) et seq.) pursuant to subdivision B 4 of § [2.2-4002](#).

When any combination of counties, cities or counties, and cities establishes a community policy and management team, the membership requirements previously set out shall be adhered to by the team as a whole.

Persons who serve on the team shall be immune from any civil liability for decisions made about the appropriate services for a family or the proper placement or treatment of a child who comes before the team, unless it is proven that such person acted with malicious intent. 1. Review referrals of youths and families to the team;
2. Provide for family participation in all aspects of assessment, planning and implementation of services;
3. 6. Where parental or legal guardian financial contribution is not specifically prohibited by federal or state law or regulation, or has not been ordered by the court or by the Division of Child Support Enforcement, assess the ability of parents or legal guardians, utilizing a standard sliding fee scale, based upon ability to pay, to contribute financially to the cost of services to be provided and provide for appropriate financial contribution from parents or legal guardians in the individual family services plan;

8. Recommend to the community policy and management team expenditures from the local allocation of the state pool of funds; and

§ 2.2-5209. Referrals to family assessment and planning team or collaborative, multidisciplinary team process.

The community policy and management team shall establish policies governing the referral of troubled youths and families to the family assessment and planning team or a collaborative, multidisciplinary team process approved by the Council. These policies shall include that all youth and families for which CSA-funded treatment services are requested are to be assessed by the family assessment and planning team or an approved collaborative, multidisciplinary team process and shall consider the criteria set out in subdivisions A 1 and A 2 of § [2.2-5212](#). Except for cases involving only the payment of foster care maintenance that shall be at the discretion of the local community policy and management team, cases for which service plans are developed outside of this family assessment and planning team process or approved collaborative, multidisciplinary team process shall not be eligible for state pool funds.

Nothing in this section shall prohibit the use of state pool funds for emergency placements, provided the youth are subsequently assessed by the family assessment and planning team or an approved collaborative, multidisciplinary team process within 14 days of admission and the emergency placement is approved at the time of placement. In cases involving the denial of state pool funds resulting from parental refusal to consent to release of student records under federal law, where such refusal precludes the development of placement through the family assessment and planning team process or the approved collaborative, multidisciplinary team process, an appeal for good cause may be made to the Council.

1992, cc. 837, 880, § 2.1-755; 1999, c. [669](#); 2001, c. [844](#); 2003, c. [483](#).

§ 2.2-5210. Information sharing; confidentiality.

All public agencies that have served a family or treated a child referred to a family assessment and planning team shall cooperate with this team. The agency that refers a youth and family to the team shall be responsible for obtaining the consent required to share agency client information with the team. After obtaining the proper consent, all agencies shall promptly deliver, upon request and without charge, such records of services, treatment or education of the family or child as are necessary for a full and informed assessment by the team.

Proceedings held to consider the appropriate provision of services and funding for a particular child or family or both who have been referred to the family assessment and planning team and whose case is being assessed by this team or reviewed by the community policy and management team shall be confidential and not open to the public, unless the child and family who are the subjects of the proceeding request, in writing, that it be open. All information about specific children and families obtained by the team members in the discharge of their responsibilities to the team shall be confidential.

Utilizing a secure electronic database, the CPMT and the family assessment and planning team shall provide the Office of Children's Services with client-specific information from the mandatory uniform assessment and information in accordance with subdivision D 11 of § [2.2-2648](#).

1992, cc. 837, 880, § 2.1-756; 2001, c. [844](#); 2008, c. [277](#); 2015, cc. [357](#), [366](#).

§ 2.2-5211. State pool of funds for community policy and management teams.

A. There is established a state pool of funds to be allocated to community policy and management teams in accordance with the appropriation act and appropriate state regulations. These funds, as made available by the General Assembly, shall be expended for public or private nonresidential or residential services for troubled youths and families. However, funds for private special education services shall only be expended on private educational programs that are licensed by the Board of Education or an equivalent out-of-state licensing agency. Effective July 1, 2022, funds for private special education services shall only be expended on private educational programs that the Office of Children's Services certifies as having reported their tuition rates on a standard reporting template developed by the Office. The Office of Children's Services shall consult with private special education services providers in developing the standard reporting template for tuition rates.

The purposes of this system of funding are to:

1. Place authority for making program and funding decisions at the community level;
2. Consolidate categorical agency funding and institute community responsibility for the provision of services;
3. Provide greater flexibility in the use of funds to purchase services based on the strengths and needs of children, youths, and families; and
4. Reduce disparity in accessing services and to reduce inadvertent fiscal incentives for serving children and youth according to differing required local match rates for funding streams.

B. The state pool shall consist of funds that serve the target populations identified in subdivisions 1 through 6 in the purchase of residential and nonresidential services for children and youth. References to funding sources and current placement authority for the targeted populations of children and youth are for the purpose of accounting for the funds in the pool. It is not intended that children and youth be categorized by individual funding streams in order to access services. The target population shall be the following:

1. Children and youth placed for purposes of special education in approved private school educational programs, previously funded by the Department of Education through private tuition assistance;
2. Children and youth with disabilities placed by local social services agencies or the Department of Juvenile Justice in private residential facilities or across jurisdictional lines in private, special education day schools, if the individualized education program indicates such school is the appropriate placement while living in foster homes or child-caring facilities, previously funded by the Department of Education through the Interagency Assistance Fund for Noneducational Placements of Handicapped Children;
3. Children and youth for whom foster care services, as defined by § [63.2-905](#), are being provided;
4. Children and youth placed by a juvenile and domestic relations district court, in accordance with the provisions of § [16.1-286](#), in a private or locally operated public facility or nonresidential program, or in a community or facility-based treatment program in accordance with the provisions of subsections B or C of § [16.1-284.1](#);
5. Children and youth committed to the Department of Juvenile Justice and placed by it in a private home or in a public or private facility in accordance with § [66-14](#); and
6. Children and youth previously placed pursuant to subdivision 1 in approved private school educational programs for at least six months who will receive transitional services in a public school setting. State pool funds shall be allocated for no longer than 12 months for transitional services. Local agencies may contract with a private school education program provider to provide transition services in the public school.

C. The General Assembly and the governing body of each county and city shall annually appropriate such sums of money as shall be sufficient to (i) provide special education services and foster care services for children and youth identified in subdivisions B 1, 2, 3, and 6 and (ii) meet relevant federal mandates for the provision of these services. The community policy and management team shall anticipate to the best of its ability the number of children and youth for whom such services will be required and reserve funds from its state pool allocation to meet these needs. Nothing in this section prohibits local governments from requiring parental or legal financial contributions, where not specifically prohibited by federal or state law or regulation, utilizing a standard sliding fee scale based upon ability to pay, as provided in the appropriation act.

D. When a community services board established pursuant to § [37.2-501](#), local school division, local social service agency, court service unit, or the Department of Juvenile Justice has referred a child and family to a family assessment and planning team and that team has recommended the proper level of treatment and services needed by that child and family and has determined the child's eligibility for funding for services through the state pool of funds, then the community services board, the local school division, local social services agency, court service unit, or Department of Juvenile Justice has met its fiscal responsibility for that child for the services funded through the pool. However, the community services board, the local school division, local social services agency, court service unit, or Department of Juvenile Justice shall continue to be responsible for providing services identified in individual family service plans that are within the agency's scope of responsibility and that are funded separately from the state pool.

Further, in any instance that an individual 18 through 21 years of age, inclusive, who is eligible for funding from the state pool and is properly defined as a school-aged child with disabilities pursuant to § [22.1-213](#) is placed by a local social services agency that has custody across jurisdictional lines in a group home in the Commonwealth and the individual's individualized education program (IEP), as prepared by the placing jurisdiction, indicates that a private day school placement is the appropriate educational program for such individual, the financial and legal responsibility for the individual's special education services and IEP shall remain, in compliance with the provisions of federal law, Article 2 (§ [22.1-213](#)) of Chapter 13 of Title 22.1, and Board of Education regulations, the responsibility of the placing jurisdiction until the individual reaches the age of 21, inclusive, or is no longer eligible for special education services. The financial and legal responsibility for such special education services shall remain with the placing jurisdiction, unless the placing jurisdiction has transitioned all appropriate services with the individual.

E. In any matter properly before a court for which state pool funds are to be accessed, the court shall, prior to final disposition, and pursuant to §§ [2.2-5209](#) and [2.2-5212](#), refer the matter to the community policy and management team for assessment by a local family assessment and planning team authorized by policies of the community policy and management team for assessment to determine the recommended level of treatment and services needed by the child and family. The family assessment and planning team making the assessment shall make a report of the case or forward a copy of the individual family services plan to the court within 30 days of the court's written referral to the community policy and management team. The court shall consider the recommendations of the family assessment and planning team and the community policy and management team. If, prior to a final disposition by the court, the court is requested to consider a level of service not identified or recommended in the report submitted by the family assessment and planning team, the court shall request the community policy and management team to submit a second report characterizing comparable levels of service to the requested level of service. Notwithstanding the provisions of this subsection, the court may make any disposition as is authorized or required by law. Services ordered pursuant to

a disposition rendered by the court pursuant to this section shall qualify for funding as appropriated under this section.

F. As used in this section, "transitional services" includes services delivered in a public school setting directly to students with significant disabilities or intensive support needs to facilitate their transition back to public school after having been served in a private special education day school or residential facility for at least six months. 2. Prior to the placement of a child across jurisdictional lines, the family assessment and planning teams shall (i) explore all appropriate community services for the child, (ii) document that no appropriate placement is available in the locality, and (iii) report the rationale for the placement decision to the community policy and management team. Chapter 55 - VIRGINIA BIOTECHNOLOGY RESEARCH ACT

§ 2.2-5500. Purpose.

The purposes of this chapter are to establish a state regulatory scheme to ensure state participation in the federal Coordinated Framework for the Regulation of Biotechnology to protect human health and the environment and to stimulate the growth of the biotechnology industry within the Commonwealth. To do this, the Secretary of Commerce and Trade shall cooperate with federal authorities in accordance with the federal Coordinated Framework for the Regulation of Biotechnology to assess the potential risks and effects of proposed regulated introductions of genetically engineered organisms into the environment without undue governmental interference with the progress and commercial development of biotechnology within the Commonwealth. The General Assembly does not intend to create a

regulatory scheme that duplicates federal regulatory efforts regarding biotechnology, or one that overly burdens biotechnology efforts within the Commonwealth. This chapter is intended to institute a process in which the Commonwealth can monitor the federal regulatory process and protect its interests in agriculture, public health, and the natural environment, as needed, by participation in the federal regulatory process.

"Planned introduction into the environment" means the intentional introduction or use in the Commonwealth beyond the de minimis level of a genetically engineered organism anywhere except within an indoor facility that is designed to physically contain the genetically engineered organism, including a laboratory, greenhouse, building, structure, growth chamber, or fermenter.

"Regulated introduction" means a planned introduction into the environment for which the Coordinated Framework requires that the person proposing to commence the introduction into the environment do one or more of the following:

1. Notify a federal regulator of the proposed introduction into the environment;

2. Secure the approval of or a permit or license from a federal regulator before commencing the introduction into the environment; or

Part C - INTERSTATE COMPACTS AND AGREEMENTS

Chapter 56 - SOUTHERN STATES ENERGY COMPACT

§ 2.2-5600. Form of compact.

The General Assembly hereby enacts, and the Commonwealth of Virginia hereby enters into, the Southern States Energy Compact with any and all states legally joining therein according to its terms, in the form substantially as follows:

Article I. Policy and Purpose.

The party states recognize that the proper employment and conservation of energy and employment of energy-related facilities, materials, and products, within the context of a responsible regard for the environment can assist substantially in the industrialization of the South and the development of a balanced economy for the region. They also recognize that optimum benefit from the acquisition of

energy resources and facilities require systematic encouragement, guidance, and assistance from the party states on a cooperative basis. It is the policy of the party states to undertake such cooperation on a continuing basis; it is the purpose of this compact to provide the instruments and framework for such a cooperative effort to improve the economy of the South and contribute to the individual and community well-being of the region's people.

Article II. The Board.

A. There is created an agency of the party states to be known as the "Southern States Energy Board" (hereinafter called the Board). The Board shall be composed of three members from each party state, one of whom shall be appointed or designated in each state to represent the Governor, the State Senate and the State House of Representatives, respectively. Each member shall be designated or appointed in accordance with the law of the state which he represents and serving and subject to removal in accordance with such law. Any member of the Board may provide for the discharge of his duties and the performance of his functions thereon (either for the duration of his membership or for any lesser period of time) by a deputy or assistant, if the laws of his state make specific provisions therefor. The federal government may be represented without vote if provision is made by federal law for such representation.

B. Each party state shall be entitled to one vote on the Board, to be determined by majority vote of each member or member's representative from the party state present and voting on any question. No action of the Board shall be binding unless taken at a meeting at which a majority of all party states are represented and unless a majority of the total number of votes on the Board are cast in favor thereof.

C. The Board shall have a seal.

D. The Board shall elect annually, from among its members, a chairman, a vice-chairman, and a treasurer. The Board shall appoint an Executive Director who shall serve at its pleasure and who shall also act as Secretary, and who, together with the Treasurer, shall be bonded in such amounts as the Board may require.

E. The Executive Director, with the approval of the Board, shall appoint and remove or discharge such personnel as may be necessary for the performance of the Board's functions irrespective of the civil service, personnel or other merit system laws of any of the party states.

F. The Board may establish and maintain, independently or in conjunction with any one or more of the party states, a suitable retirement system for its full-time employees. Employees of the Board shall be eligible for social security coverage in respect of old age and survivors insurance provided that the Board takes such steps as may be necessary pursuant to federal law to participate in such program of insurance as a governmental agency or unit. The Board may establish and maintain or participate in such additional programs of employee benefits as may be appropriate.

G. The Board may borrow, accept, or contract for the services of personnel from any state or the United States or any subdivision or agency thereof, from any interstate agency, or from any institution, person, firm or corporation.

H. The Board may accept for any of its purposes and functions under this compact any and all donations, and grants of money, equipment, supplies, materials, and services (conditional or otherwise) from any state or the United States or any subdivision or agency thereof, or interstate agency, or from any institution, person, firm, or corporation, and may receive, utilize and dispose of the same.

K. The Board annually shall make to the governor of each party state, a report covering the activities of the Board for the preceding year, and embodying such recommendations as may have been adopted by the Board, which report shall be transmitted to the legislature of said state. The Board may issue such additional reports as it may deem desirable.

Article III. Finances.

A. The Board shall submit to the executive head or designated officer or officers of each party state a budget of its estimated expenditures for such period as may be required by the laws of that jurisdiction for presentation to the legislature thereof.

B. Each of the Board's budgets of estimated expenditures shall contain specific recommendations of the amount or amounts to be appropriated by each of the party states. One-half of the total amount of each budget of estimated expenditures shall be apportioned among the party states in equal shares; one quarter of each such budget shall be apportioned among the party states in accordance with the ratio of their populations to the total population of the entire group of party states based on the last decennial federal census; and one quarter of each such budget shall be apportioned among the party states on the basis of the relative average per capita income of the inhabitants in each of the party states based on the latest computations published by the federal census-taking agency. Subject to appropriation by their respective legislatures, the Board shall be provided with such funds by each of the party states as are necessary to provide the means of establishing and maintaining facilities, a staff of personnel, and such activities as may be necessary to fulfill the powers and duties imposed upon and entrusted to the Board.

C. The Board may meet any of its obligations in whole or in part with funds available to it under Article II (h) of this compact, provided that the Board takes specific action setting aside such funds prior to the

incurring of any obligation to be met in whole or in part in this manner. Except where the Board makes use of funds available to it under Article II H, the Board shall not incur any obligation prior to the allotment of funds by the party jurisdictions adequate to meet the same.

D. The Board shall keep accurate accounts of all receipts and disbursements. The receipts and disbursements of the Board shall be subject to the audit and accounting procedures established under its bylaws. However, all receipts and disbursements of funds handled by the Board shall be audited yearly by a qualified public accountant and the report of the audit shall be included in and become part of the annual report of the Board.

Chapter 59 - CHESAPEAKE REGIONAL OLYMPIC GAMES COMPACT

§ 2.2-5900. Form of compact.

The General Assembly hereby enacts, and the Commonwealth of Virginia hereby enters into, the Chesapeake Regional Olympic Games Compact with any and all states legally joining therein according to its terms, in the form substantially as follows:

CHESAPEAKE REGIONAL OLYMPIC GAMES COMPACT.

Article I. Purpose and Findings.

A. The purpose of this compact shall be to create a regional authority to oversee the conduct of the 2012 Olympic Games, coordinated and managed by the local Organizing Committee for the Olympic Games (OCOG), and to assure that the region's guarantees and commitments accepted in conjunction with hosting the Olympic Games are fulfilled.

B. The General Assembly finds that:

1. For some time, the State of Maryland (including the City of Baltimore), the District of Columbia, and the Commonwealth of Virginia, through the nonprofit organization known as the Washington/Baltimore

Regional 2012 Coalition (WBRC 2012), have been actively engaged in national competition to win the U.S. Candidate City designation and, subsequently, the Host City designation and the right to host the 2012 Olympic Games.

2. Hosting the Olympic Games will provide several major, lasting, and unique benefits for all of the citizens of the Chesapeake region, including:

- a. Direct, positive economic impact on our regional economy;
- b. An opportunity to showcase our region to the world;
- c. A catalyst for regional action; and
- d. A renewed sense of pride along with a tangible legacy (e.g. new and improved venues and enhanced transportation infrastructure).

3. Independent economic studies show that preparing for and hosting the Olympic Games will have a positive economic impact on the region, including:

- a. Direct and indirect spending in excess of \$5,000,000,000;
- b. The creation of approximately 70,000 jobs;
- c. Increased tax revenues resulting from Olympic-related economic activity in excess of \$130,000,000, without raising or creating any new taxes; and
- d. A lasting improvement in the region's competitive position within the travel/tourism industry, as well as the region's ability to attract new businesses.

4. The citizens of the region have responded positively to WBRC 2012's efforts and solidly embraced the cause to host the Olympic Games, expressed in part by the endorsement of scores of local business, civic, governmental, academic, and amateur sports organizations, and by survey results that show (i) eighty-two percent of the region's residents support the effort to bring the 2012 Olympic Games to this area and (ii) eighty-six percent of area residents believe that the Olympic Games will bring substantial economic benefits to our region.

5. Through the submission of the region's official bid proposal to the United States Olympic Committee (USOC) on December 15, 2000, WBRC 2012 reached a milestone in the process of capturing the Olympic Games by providing a 631-page logistical, operational, and financial blueprint for hosting the 2012 Games.

6. The bid proposal highlights the great venues and vistas found in our region and is developed around key principles, including (i) building less, not more and (ii) utilizing mass transit, and (iii) protecting the environment.

7. In addition to the region's bid proposal, the USOC and the International Olympic Committee (IOC) require certain government guarantees and commitments in conjunction with hosting the 2012 Olympic Games, should our region win the U.S. Candidate City designation.

8. Our unique regional approach to winning the right to host the Olympic Games creates the added complication of determining which entities will provide the necessary guarantees.
9. It is incumbent upon WBRC 2012 and government leaders to move forward together now to craft the solution that best "lives regionalism" and maximizes the region's chances of winning the 2012 Olympic Games, and reaping the many benefits that come with this honor.
10. Given that all four jurisdictions, Virginia, Maryland, the District of Columbia, and Baltimore, will host a significant number of events and reap substantial benefits, the most effective solution for all four jurisdictions is to enter into a single agreement that gives the USOC (and subsequently the IOC) a single focal point and a united front that reflects the regional nature of our bid.
